6 (5) The resident or roommate, or the resident's or roommate's
7 representative if subsection (2) applies, may withdraw his or her
8 consent at any time by giving written notice to the nursing home
9 and any other resident who resides in the room. If consent is
10 withdrawn under this subsection or if a new roommate moves into the
11 shared room and consent cannot be obtained from the new roommate or
12 the roommate's representative, 1 of the following must occur:

13 (a) Unless subdivision (b) applies, the resident or the
14 resident's representative shall turn off the electronic monitoring
15 device within 24 hours and remove the electronic monitoring device
16 from the room within 7 days. If the resident or the resident's

21 (b) If the nursing home provides electronic monitoring
22 services to the resident under section 21788c(4), the nursing home

24 remove the electronic monitoring device from the room within 7
25 days.

26 (6) A nursing home shall make a reasonable effort to allow a

2 resident must pay the private room rate. If a nursing home is
3 unable to accommodate a resident's request to change rooms, the
4 nursing home shall reevaluate the request every 2 weeks until the
5 request is fulfilled.

6 Sec. 21788b. (1) A resident or resident's representative who
7 wishes to install an electronic monitoring device shall make the
8 request to the nursing home in writing on a notification and
9 consent form prescribed by the department.

10 (2) The notification and consent form must include, at a
11 minimum, all of the following information:

23 (d) The proposed date of installation for scheduling purposes.

24 (e) A copy of any contract for maintenance of the electronic
25 monitoring device by another person.

26 (f) A list of standard conditions or restrictions that the
27 resident or a roommate may elect to place on the use of the
28 electronic monitoring device, including, but not limited to, all of
29 the following:

1 (i) Prohibiting broadcasting of video.

2 (ii) Turning off the electronic monitoring device or blocking
3 the visual recording component of the electronic monitoring device
4 for the duration of an exam or procedure by a health care
5 professional.

6 (iii) Turning off the electronic monitoring device or blocking
7 the visual recording component of the electronic monitoring device
8 while dressing or bathing is performed.

9 (iv) Turning off the electronic monitoring device for the
10 duration of a visit with a spiritual advisor, ombudsman, attorney,
11 financial planner, intimate partner, or other visitor.

12 (g) Any other condition or restriction elected by the resident
13 or roommate on the use of the electronic monitoring device.

14 (h) An explanation of the right to report suspected abuse or
15 neglect based on a video recording created by an electronic
16 monitoring device to the nursing home, the long-term care ombudsman
17 program, or the department. The explanation under this subdivision
18 must include telephone numbers for the long-term care ombudsman
19 program and the department. As used in this subdivision, "long-term
20 care ombudsman program" means the long-term care ombudsman program

22 act, 1981 PA 180, MCL 400.586.

23 (i) A statement that an individual is advised to report
24 suspected abuse or neglect after viewing the recording on which the
25 suspected abuse or neglect is based.

26 (j) An acknowledgement of the explanation of rights described
27 in subdivision (h) and the statement described in subdivision (i)
28 signed by the resident or, if section 21788a(2) applies, the
29 resident's representative.

1 (3) The nursing home shall place a copy of the completed
2 notification and consent form in the resident's and any roommate's
3 clinical record and provide a copy of the notification and consent
4 form to the resident and any roommate.

5 (4) The department shall prescribe the notification and
6 consent form not later than 60 days after the effective date of the
7 amendatory act that added this section.

8 (5) If an electronic monitoring device is installed or used
9 without a completed notification and consent form, a video or audio
10 recording created by the electronic monitoring device is
11 inadmissible as evidence in a civil action against the nursing
12 home.

13 Sec. 21788c. (1) Except as otherwise provided in subsection
14 (3)(b) or (4), if a resident or resident's representative chooses
15 to conduct electronic monitoring, the resident or resident's

7 in a conspicuously visible location in the room.

8 (b) Access to a power source for the electronic monitoring

16 services from a nursing home, the resident or resident's
17 representative shall pay the amount charged by the nursing home for
18 the services as reflected in a written agreement with the nursing
19 home. In providing electronic monitoring services under this
20 subsection, a nursing home may contract with a third-party video

22 the following requirements are met:

23 (a) The third-party video monitoring company provides video
24 monitoring through live-streaming, nonrecording video systems that
25 include video privacy features and event log capabilities.

26 (b) The live-stream video is monitored 24 hours a day, 7 days

12 easy-to-read type, "The rooms of some residents may be monitored
13 electronically by or on behalf of the residents."

14 (2) In addition to the language required under subsection (1),

15 or a resident's representative for a purpose not authorized by law.

16 (3) If suspected abuse or neglect of a resident based on a
17 video or audio recording created by an electronic monitoring device
18 is reported to the nursing home and the nursing home requests a
