16 offenders being sentenced to prison as a result of technical
17 probation violations and technical parole violations. To the extent
18 the department has insufficient policies or resources to affect the
19 continued increase in prison commitments among these offender
20 populations, the department shall explore other policy options to
21 allow for program alternatives, including department or OCC-funded
22 programs, local level programs, and programs available through
23 private agencies that may be used as prison alternatives for these
24 offenders.

25 (2) By April 1, the department shall provide a report to the
26 senate and house appropriations subcommittees on corrections, the

17 rates, and reduce new criminal behavior for the west Michigan
18 probation violator population. The department shall measure and set
19 the following metric goals:

20 (a) 85% of participants successfully complete the program.

21 (b) Of the participants that complete the program, 75% will
22 earn a nationally recognized credential for career and vocational
23 programs.

24 (c) Of the participants that complete the program, 100% will
25 earn a certificate of completion for cognitive programming.

26 (d) The prison commitment rate for probation violators will be
27 reduced by 5% within the impacted geographical area after the first
28 year of program operation.

8 ombudsman, and the state budget office the number of critical
9 incidents occurring each month by type and the number and severity
10 of assaults, escape attempts, suicides, and attempted suicides
11 occurring each month at each facility during the immediately
12 preceding calendar year.

13 Sec. 912. The department shall report quarterly to the senate
14 and house appropriations subcommittees on corrections, the senate
15 and house fiscal agencies, the legislative corrections ombudsman,
16 and the state budget office on the ratio of correctional officers
17 to prisoners for each correctional institution, the ratio of shift
18 command staff to line custody staff, and the ratio of noncustody
19 institutional staff to prisoners for each correctional institution.

20 Sec. 913. (1) From the funds appropriated in part 1, the
21 department shall focus on providing required programming to
22 prisoners who are past their earliest release date because of not
23 having received the required programming. Programming includes, but
24 is not limited to, violence prevention programming, assaultive
25 offender programming, sexual offender programming, substance abuse
26 treatment programming, thinking for a change programming, and any
27 other programming that is required as a condition of parole.

28 (2) It is the intent of the legislature that any prisoner
29 required to complete a violence prevention program, sexual offender

1 program, or other program as a condition of parole shall be placed
2 on a waiting list for the appropriate programming upon entrance to
3 prison and transferred to a facility where that program is
4 available in order to accomplish timely completion of that program
5 prior to the expiration of his or her minimum sentence and
6 eligibility for parole. Nothing in this section should be deemed to
7 make parole denial appealable in court.

8 (3) The department shall submit a quarterly report to the
9 senate and house appropriations subcommittees on corrections, the
10 senate and house fiscal agencies, the legislative corrections
11 ombudsman, and the state budget office detailing enrollment in sex
12 offender programming, assaultive offender programming, violent
13 offender programming, and thinking for a change programming. At a
14 minimum, the report shall include the following:

15 (a) A full accounting, from the date of entrance to prison, of
16 the number of individuals who are required to complete the
17 programming, but have not yet done so.

18 (b) The number of individuals who have reached their earliest
19 release date, but who have not completed required programming.

20 (c) A plan of action for addressing any waiting lists or
21 backlogs for programming that may exist.

22 Sec. 920. If a female prisoner in a facility funded from
23 appropriations in section 107 consents to a visitor being present,
24 the department shall allow that 1 person to be present during the
25 prisoner's labor and delivery. The person allowed to accompany the
26 prisoner must be an immediate family member, legal guardian,
27 spouse, or domestic partner. The department is authorized to deny
28 access to a visitor if the department has a safety concern with
29 that visitor's access. The department is authorized to conduct a

1 criminal background check on a visitor.

2 Sec. 924. The department shall evaluate all prisoners at
3 intake for substance abuse disorders, serious developmental
4 disorders, serious mental illness, and other mental health
5 disorders. Prisoners with serious mental illness or serious
6 developmental disorders shall not be removed from the general
7 population as a punitive response to behavior caused by their
8 serious mental illness or serious developmental disorder. Due to
9 persistent high violence risk or severe disruptive behavior that is
10 unresponsive to treatment, prisoners with serious mental illness or
11 serious developmental disorders may be placed in secure residential
12 housing programs that will facilitate access to institutional
13 programming and ongoing mental health services funded from
14 appropriations in part 1. A prisoner with serious mental illness or
15 serious developmental disorder who is confined in these specialized
16 housing programs shall be evaluated or monitored by a medical
17 professional at a frequency of not less than every 12 hours.

18 Sec. 925. By March 1, the department shall report to the
19 senate and house appropriations subcommittees on corrections, the
20 senate and house fiscal agencies, the legislative corrections
21 ombudsman, and the state budget office on the annual number of
22 prisoners in administrative segregation between October 1, 2020 and
23 September 30, 2021, and the annual number of prisoners in
24 administrative segregation between October 1, 2020 and September
25 30, 2021 who at any time during the current or prior prison term
26 were diagnosed with serious mental illness or have a developmental
27 disorder and the number of days each of the prisoners with serious
28 mental illness or a developmental disorder have been confined to
29 administrative segregation.

1 Sec. 929. From the funds appropriated in part 1, the
2 department shall do all of the following:

3 (a) Ensure that any inmate care and control staff in contact
4 with prisoners less than 18 years of age are adequately trained
5 with regard to the developmental and mental health needs of
6 prisoners less than 18 years of age. By April 1, the department
7 shall report to the senate and house appropriations subcommittees
8 on corrections, the senate and house fiscal agencies, the
9 legislative corrections ombudsman, and the state budget office on
10 the training curriculum used and the number and types of staff
11 receiving annual training under that curriculum.

12 (b) Provide appropriate placement for prisoners less than 18
13 years of age who have serious mental illness, serious emotional
14 disturbance, or a serious developmental disorder and need to be
15 housed separately from the general population. Prisoners less than
16 18 years of age who have serious mental illness, serious emotional
17 disturbance, or a serious developmental disorder shall not be
18 removed from an existing placement as a punitive response to
19 behavior caused by their serious mental illness, serious emotional
20 disturbance, or a serious developmental disorder. Due to persistent
21 high violence risk or severe disruptive behavior that is
22 unresponsive to treatment, prisoners less than 18 years of age with
23 serious emotional disturbance, serious mental illness, or serious
24 developmental disorders may be placed in secure residential housing
25 programs that will facilitate access to institutional programming
26 and ongoing mental health services. A prisoner less than 18 years
27 of age with serious mental illness, serious emotional disturbance,
28 or a serious developmental disorder who is confined in these
29 specialized housing programs shall be evaluated or monitored by a

1 medical professional at a frequency of not less than every 12
2 hours.

3 (c) Implement a specialized offender success program that
4 recognizes the needs of prisoners less than 18 years old for
5 supervised offender success.

6 Sec. 930. The department shall submit a quarterly report to
7 the senate and house appropriations subcommittees on corrections,
8 the senate and house fiscal agencies, the legislative corrections
9 ombudsman, and the state budget office on the number of youth in
10 prison. The report shall include, but not be limited to, the
11 following information:

12 (a) The total number of inmates under age 18 who are not on
13 Holmes youthful trainee act status.

14 (b) The total number of inmates under age 18 who are on Holmes
15 youthful trainee act status.

16 (c) The total number of inmates aged 18 to 23 who are on
17 Holmes youthful trainee act status.

18 Sec. 940. (1) Any lease, rental, contract, or other legal
19 agreement that includes a provision allowing a private person or
20 entity to use state-owned facilities or other property to conduct a
21 for-profit business enterprise shall require the lessee to pay fair
22 market value for the use of the state-owned property.

23 (2) The lease, rental, contract, or other legal agreement
24 shall also require the party using the property to make a payment
25 in lieu of taxes to the local jurisdictions that would otherwise
26 receive property tax revenue, as if the property were not owned by
27 the state.

28 Sec. 942. The department shall ensure that any contract,
29 funded from appropriations in part 1, with a public or private

1 party to operate a facility to house state prisoners includes a
2 provision to allow access by both the office of the legislative
3 auditor general and the office of the legislative corrections
4 ombudsman to the facility and to appropriate records and documents
5 related to the operation of the facility. These access rights for
6 both offices shall be the same for the contracted facility as for a
7 general state-operated correctional facility.

8 Sec. 943. The department shall submit a report by May 1 to the
9 senate and house appropriations subcommittees on corrections, the
10 senate and house fiscal agencies, the legislative corrections
11 ombudsman, and the state budget office on the actual and projected
12 savings achieved by closing correctional facilities. Savings
13 amounts shall be itemized by facility. Information required by this
14 section shall start with the closure of the Pugsley Correctional
15 Facility, which closed in September of 2016 and continuing through
16 the closure of the Detroit Reentry Center, which closed in January
17 of 2021.

18 Sec. 944. When the department is planning to close a
19 correctional facility, the department shall fully consider the
20 potential economic impact of the prison closure on the community
21 where the facility is located. The department, when weighing all
22 factors related to the closure of a facility, shall also consider
23 the impact on the local community where the facility to be closed
24 is located.

25 Sec. 945. From the funds appropriated in part 1, the
26 department shall notify the senate and house appropriations
27 subcommittees on corrections, the senate and house fiscal agencies,
28 the legislative corrections ombudsman, and the state budget office
29 of the department's plans to close, consolidate, or relocate any

1 correctional facility in the state. Notice shall be provided at
2 least 30 days prior to effective date of closure, consolidation, or
3 relocation.

4 Sec. 946. From the funds appropriated in part 1, the
5 department must consult with the legislature and other appropriate
6 state agencies to develop a framework to provide investment in
7 communities that have formerly operational state correctional
8 facilities that have been closed. This framework shall include
9 plans to ensure that vacant state correctional facilities do not
10 become a nuisance or danger to the community.

11

12 **MISCELLANEOUS**

13 Sec. 1009. The department shall make an information packet for
14 the families of incoming prisoners available on the department's
15 website. The information packet shall be updated by February 1. The
16 packet shall provide information on topics including, but not
17 limited to: how to put money into prisoner accounts, how to make
18 phone calls or create Jpay email accounts, how to visit in person,
19 proper procedures for filing complaints or grievances, the rights
20 of prisoners to physical and mental health care, how to utilize the
21 offender tracking information system (OTIS), truth-in-sentencing
22 and how it applies to minimum sentences, the parole process, and
23 guidance on the importance of the role of families in the reentry
24 process. The department is encouraged to partner with external
25 advocacy groups and actual families of prisoners in the packet-
26 writing process to ensure that the information is useful and
27 complete.

28 Sec. 1011. The department may accept in-kind services and
29 equipment donations to facilitate the addition of a cable network

1 that provides programming that will address the religious needs of
2 incarcerated individuals. This network may be a cable television
3 network that presently reaches the majority of households in the
4 United States. A bilingual channel affiliated with this network may
5 also be added to department programming to assist the religious
6 needs of Spanish-speaking inmates. The addition of these channels
7 shall be at no additional cost to this state.

8 Sec. 1013. From the funds appropriated in part 1, priority may
9 be given to funding reentry or rehabilitation programs that have
10 been demonstrated to reduce prison violence and recidivism,
11 including faith-based initiatives.
