8 (e) Establish a standard timeline to review all documents
9 submitted by grant recipients and provide a response within 45
10 business days stating whether submitted documents by a grant
11 recipient are sufficient or in need of additional information. If
12 additional information is needed, the 60-day deadline in subsection
13 (2) is considered to have been met, if a sponsor has been
14 identified for that grant. If a grant recipient does not provide
15 information sufficient to execute a grant agreement not later than
16 60 days after being notified by the department of grant approval,
17 the department shall return funds associated with the grant to the

6 department or by the state budget office.

7 (b) A sponsor of a grant described in subsection (1) must be a
8 legislator, the department, or the state budget office.

9 (c) A legislative sponsor must be identified through a letter
10 submitted by that legislator's office to the department and state
11 budget director containing the name of the grant recipient, the
12 intended amount of the grant, a certification from that legislator
13 that the grant is for a public purpose, and the specific citation
14 of the section and subsection of the public act that authorizes the
15 grant, as applicable.

16 (d) Within 10 business days after the effective date of this
17 act, the senate and house of representatives shall compile an
18 initial list of legislative grant sponsors for their respective
19 chambers and submit those compiled lists to the state budget office
20 and the department, and the state budget office shall identify

12 recipient, including any tax and financial information for the
13 department to administer funds under this section.

14 (b) A description of the project for which the grant funds
15 will be expended, including tentative timelines and the estimated
16 budget. The department shall not reimburse expenditures that are
17 outside of the project purpose, as stated in the executed grant
18 agreement, from appropriations in part 1. The grantee shall return
19 to the treasury any interest in excess of \$1,000.00 earned on the
20 grant funds while unexpended and in possession of the grantee.

21 (c) Unless otherwise specified in department policy, a
22 requirement that funds appropriated for the grants described in
23 subsection (1) may be used only for expenditures that occur on or
24 after the effective date of this act.

25 (d) A requirement for reporting by the grant recipient to the
26 department and the legislative sponsor that provides the status of
27 the project and an accounting of all funds expended by the grant

3 (f) The signed legislative sponsorship letter required under
4 subsection (4), incorporated into the grant agreement and included
5 as an appendix or attachment.

6 (g) If a grant recipient has provided information sufficient
7 to execute a grant agreement, the state budget office shall
8 promptly transmit that information to the department for the
9 department's review of the grant application. If a grant recipient
10 has provided information sufficient to execute a grant agreement
11 within 60 days after the effective date of this act, but the grant
12 application needs technical fixes or additional legislative action,
13 as identified by the state budget office, the 60-day deadline in
14 this subdivision is considered to have been met, if a sponsor has
15 been identified for that grant. If a grant recipient does not
16 provide information sufficient to execute a grant agreement not
17 later than 60 days after being notified by the department of grant
18 approval, the department shall return funds associated with the
19 grant to the state treasury.

20 (6) If appropriate to improve the administration or oversight

24 (7) A grant recipient shall respond to all reasonable
25 information requests from the department related to grant
26 expenditures and retain grant records for not less than 7 years,
27 and the grant may be subject to monitoring, site visits, and audits

1 officer or other executive officer of the grant recipient that the
2 requirements of this subsection will be met.

3 (8) The grant recipient shall expend all funds awarded and
4 complete all projects not later than September 30, 2030. If at that

8 appropriated in that department for the purpose of the intended
9 grant.

10 (10) The state budget director may, on a case-by-case basis,
11 extend the deadline in subsection (8) on request by a grant
12 recipient if a sponsor has been identified for the grant. The state
13 budget director shall notify the chairs of the senate and house of

15 after an extension is granted.

18 website. The report must list the grant recipient, project purpose,
19 and location of the project for each grant described in subsection
20 (1), the status of funds allocated and disbursed under the grant
21 agreement, and the legislative sponsor, if applicable. After March
22 1, the state budget office shall update the report monthly and
23 shall post the updated report each month. The state budget office
24 shall include in the report the most comprehensive information the

7 interest related to the grant recipient.

8 (14) If the department reasonably determines that the funds
9 allocated for an executed grant agreement under this section were
10 misused or that use of the funds was misrepresented by the grant
11 recipient, the department shall not award any additional funds

21 operations of a program or programs within the department, the
22 department must report the estimated difference in cost between the
23 policy outlined in the section determined to be unenforceable and
24 the policy the department intends to pursue.

25 (2) The department may coordinate with the executive office of
