<u>TRANS. NO.</u>	<u>AGENCY</u>	<u>SUBJECT</u>
25-54	Department of Licensing and Regulatory Affairs – Bureau of Community and Health Systems	Adult Foster Care Small Group Homes

**FISCAL IMPACT:** The proposed rule change likely would have a minimal impact on State government and no impact on local units of government. The rule change would rescind a regulation pertaining to Adult Foster Home application and licensure, removing some administrative burden on the Department of Licensing and Regulatory Affairs. However, this would be offset by the removal of references to an application fee used to fund that administrative work.
