Rep. Kaza, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

This substitute equates labor unions and their rank-and-file members with organized crime.

Americans are fair and open-minded people; they reject the notion of guilt by association.

It would be unfair and guilt by association to equate corporations with organized crime.

Likewise, it is unfair and guilt by association to equate unions and their rank-and-file members with organized crime.

Labor unions and their rank-and-file members are legal, law-abiding Americans who have proven their patriotism for America on many occasions in our nation’s history.

The essence of America is its greatness.

This substitute cheapens America’s greatness.”

“Mr. Speaker and members of the House:

This bill is part of a package of bills that provides regulation of casino operations in the city of Detroit. This package must be viewed in totality to ensure the highest integrity of the games for those who choose to play, the strictest regulation of those who operate the casinos, strongest enforcement to ensure public safety, the most insurance that casino operators remit the amount properly due the state, and ensure the tax payers do not pay for any of the regulation of these casinos.

This legislation does not meet the highest standards proposed by the Gaming Control Board. Therefore, I cannot support this bill.”

Rep. Hammerstrom, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted “NO” on HB 4716 because the amendments that had originally been adopted with broad based support were stripped off the bill after reconsideration. I believe this action severely weakened the bill and, therefore, could not support it.”

Rep. Gubow, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted no on this bill in that it merely states legislative intent and adds no substance to the bill. The tradition in Michigan legislative drafting is to not include separate statements of legislative intent, but to have the language in the bill clearly set forth what the bill does. In addition the general language of this type can only create conflicts and confusion and does not control the specific sections of the bill. For these reasons I have traditionally opposed legislative efforts to include this type of intent language in bills.”

Rep. Thomas, under Rule 32(b), made the following statement:

“Mr. Speaker and members of the House:

I did not vote on Roll Call No. 504 because of a possible conflict of interest.

I support the intent of HB 4865 requiring applicants to prove integrity, character and reputation, personal and business honesty, and business and financial experience. However, before running for the House of Representatives, a business partnership of which I own 1/6, made a small investment in the Atwater casino group now competing for a Detroit casino license equal to ½ of 1%. Because of Atwater’s preferential status under Proposal E, and this bill’s reference to the preference issue, I have determined that it would be inappropriate for me to cast a vote for this amendment.”

Rep. Kaza, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

This substitute equates labor unions and their rank-and-file members with organized crime.

Americans are fair and open-minded people; they reject the notion of guilt by association.

It would be unfair and guilt by association to equate corporations with organized crime.

Likewise, it is unfair and guilt by association to equate unions and their rank-and-file members with organized crime.

Labor unions and their rank-and-file members are legal, law-abiding Americans who have proven their patriotism for America on many occasions in our nation’s history.

The essence of America is its greatness.

This substitute cheapens America’s greatness.”

Rep. Richner moved to amend the bill as follows:

1. Amend page 4, following line 6, by inserting:

“(E) THE APPLICANT HAS VIOLATED THE INDIAN GAMING REGULATORY ACT, PUBLIC LAW 100-497, 102 STAT. 2467, OR A COMPACT ENTERED INTO BETWEEN THE APPLICANT AND THIS STATE UNDER THAT ACT.”.

Rep. Goschka, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted ‘No’ on the floor substitute to House Bill 4863, just as I did on the floor substitute to House Bill 4865, because it is not at all fair to labor unions.

These substitute bills sanction the concept of ‘guilt by association’. They assume that unions are inherently corrupt. As a proud member of the United Steelworkers, I can say with knowledge and authority that such assumptions are wrong to make.

These substitute bills also have a heavy hand in dictating the make-up of union leadership. That is also wrong. All union members should be able to choose the leaders of their choice. That is the democratic process!

Mr. Speaker and members, for every union member in Michigan, I voted ‘No’ on floor substitutes on HB 4863 and 4365.”

Rep. Kaza, having reserved the right to explain his nay vote, made the following statement:

This bill is part of a package of bills that provides regulation of casino operations in the city of Detroit. Reps. Schermesser, Mans, Goschka, Hanley, Martinez, Hale, Bogardus, DeHart, Gubow, Raczkowski, Palamara, Profit, Callahan, Brown, Schauer, Wetters, Prusi, Kelly, Baird, Gire, Wojno, LaForge, Scott, Brater, Freeman, Kukuk, Cherry, Murphy, Scranton, Birkholz, Rocca, Parks and Tesanovich offered the following resolution:

House Resolution No. 84.

A resolution to memorialize the Congress of the United States to establish a dementia/Alzheimer's ward at the Veterans Affairs Medical Center in Allen Park.

Whereas, The network of Veterans Affairs medical centers across our country provides vital services to our citizens. In addition to the obvious commitment to the health of individuals who have made enormous sacrifices for the preservation of our nation and way of life, these facilities are active in research that benefits medical science. In the treatment of certain specific illnesses, the medical centers are providing data that may one day help bring about major breakthroughs; and

Whereas, The medical centers of the Department of Veterans Affairs are well suited to study the long-term impact of spinal cord injuries, certain therapies, and illnesses related to exposure to specific conditions and situations. Other areas of medical study that are being proposed for attention in VA facilities are dementia and Alzheimer's disease. Included in the proposals is the idea to use the VA Medical Center hospital building in Allen Park for the long-term care of veterans, specifically those in the earliest stages of Alzheimer's disease; and

Whereas, The Allen Park veterans facility is well suited to the long-term treatment of veterans and the study of dementia and Alzheimer's patients. It is a resource with a great deal to offer not only to the people who served our country in its time of need, but also our entire population; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to establish a dementia/Alzheimer's ward at the Veterans Affairs Medical Center in Allen Park; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the Secretary of Veterans Affairs.

The resolution was referred to the Committee on Senior Citizens and Veterans Affairs.
