Rep. Goschka, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I have long spoken out against the wanton funding of the Arts by taxpayers. I have always believed that people should fund their own hobbies and interests.

I have also long been a proponent of cutting the state budget so as to redirect already-taxed dollars into genuine and legitimate state concerns.

However, I have never believed in ‘pulling the rug’ out from anyone which is what this amendment would do. The amendment should have called for a gradual reduction rather than immediate elimination of Arts funding. As much as I agree with the sentiments and concerns of the author of this amendment, I believe that passage would have led to a severe economic upheaval throughout the state.

Properly reworded, I would have supported this amendment.”

Rep. Goschka moved to amend the bill as follows:

1. Amend page 73, following line 9, following section 446, by inserting:

“Sec. 447. No funds appropriated in this act shall be used by any entity for the purpose of paying fines imposed for traffic and/or parking violations that are owed by any person.”.

Motions and Resolutions

Reps. Schermesser, Hale, DeHart, Baade, Anthony, Wojno, Kelly, Bogardus, Scott, Basham, Brater, Parks, Cherry, Harder, Dobronski, LaForge, Tesanovich, Dalman, Baird, Kilpatrick, Leland, McBryde, Varga, Martinez, Vaughn, Schroer, Profit, Hood, Birkholz, Palamara, Murphy and Hanley offered the following resolution:

House Resolution No. 276.

A resolution to urge the Department of Transportation to update the equipment at all weigh stations and to make them fully operational.

Whereas, Highway transportation is a vital enterprise for Michigan. Our history with the automotive industry gives us a unique perspective on the many ways in which the highway infrastructure influences all aspects of our economy. In addition to its importance to manufacturing and agriculture, the quality of our highways has a direct impact on tourism; and

Whereas, In recent years, many citizens and groups have expressed concerns as to the damage done to our roads by heavy trucks. This is a complex issue that involves not only the weight of vehicles, but also the number of trucks and various other factors. An important tool to safeguard against abuses of state trucking laws and regulations is the network of weigh stations along the highways; and

Whereas, In order for weigh stations to have the intended effect of safeguarding the roads, the equipment must be fully operational. Efforts to repair the weigh stations and provide up-to-date equipment must be accelerated to make sure that they are providing thorough and consistent services to monitor the trucks on Michigan’s roads; now, therefore, be it

Resolved by the House of Representatives, That we urge the Department of Transportation to update the equipment at all weigh stations and to make them fully operational; and be it further

Resolved, That a copy of this resolution be transmitted to the State Transportation Commission.

The resolution was referred to the Committee on Transportation.

Reps. Schermesser, Hale, DeHart, Baade, Anthony, Wojno, Kelly, Bogardus, Richner, Scott, Basham, Brater, Cherry, Harder, Dobronski, Perricone, LaForge, Tesanovich, Dalman, Parks, Baird, Leland, Varga, Martinez, Vaughn, Schroer, Profit, Birkholz, Palamara, Murphy and Hanley offered the following resolution:

House Resolution No. 277.

A resolution to urge the Department of State Police Motor Carrier Division to extend the hours of operation of highway weigh stations.

Whereas, The Motor Carrier Division of the Department of State Police provides an important service by enforcing the state’s trucking laws and regulations. The result of this service is increased safety on the roads, greater efficiency from our transportation system, and more protection for our roads, which constitute an enormous public investment; and

Whereas, In the past few years, public concern over the quality of our roads has grown considerably. The state’s efforts to repair this fundamental part of our infrastructure include many actions, such as increasing funding from state and federal sources. Truck use of the highways is another area that draws attention because of the potential damage from overloaded vehicles; and

Whereas, The weigh stations along our highways are vital tools to ensure that state laws and regulations are being followed. The weigh stations can only be effective in enforcement efforts to the extent that they are open and active in monitoring trucking. The more the stations are closed, the fewer safeguards there are for the people and the roads of this state; now, therefore, be it

Resolved by the House of Representatives, That we urge the Department of State Police Motor Carrier Division to extend the hours of operation of highway weigh stations; and be it further

Resolved, That a copy of this resolution be transmitted to the Motor Carrier Division of the Department of State Police.

The resolution was referred to the Committee on Transportation.

House Resolution No. 278.

A resolution honoring the Michigan Knights of Columbus upon the occasion of their 100th anniversary.

Whereas, We are proud to join with the members, officers, and friends of the Michigan Knights of Columbus as they gather to mark the 100th anniversary of this extraordinary group. This milestone is a reflection of unselfishness and

commitment to the common good that is most commendable. While the members of this distinguished organization celebrate 100 years of service, we offer our thanks for the gifts of love they have shared throughout Michigan; and

Whereas, Michigan Knights of Columbus can trace its heritage to February 13, 1898, when the first council, Detroit Council #305, was established. Since that time, the organization has expanded to 317 councils statewide with over 70,000 members. In the years that have followed since they first came together, this organization has developed numerous programs designed to help members and their families in time of need. The Michigan Knights of Columbus, a catholic, fraternal organization, also plays an active role in the community, working with bishops, priests, and other organizations on various projects for the betterment of the community; and

Whereas, With ceremonies to celebrate its history, the members and officers of Michigan Knights of Columbus will remember the vision of many people and the hours and years of commitment that have brought the group to this point. Fittingly, as they look to the past, they will also be casting an eye to the future and to the many ways in which Michigan Knights of Columbus will continue to reach out to others across our state; now, therefore, be it

Resolved by the House of Representatives, That this resolution commemorate the 100th anniversary of the Michigan Knights of Columbus. We commend everyone who has contributed to its success and thank them for the manner in which their members have strengthened Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Knights of Columbus as evidence of our esteem.

House Resolution No. 279.

A resolution honoring Sally Bird as the 1998 Davison Area Good Scout of the Year.

Whereas, We are proud to join with the citizens of the Davison Area to honor a local treasure, Sally Bird, choral music director at Davison High School, for the selfless commitment she has made to the children of her community and the joy she has brought to the entire populace; and

Whereas, Sally Bird moved to Davison with her family, when she was less than four months old, in order for her father to accept a position as a telegrapher and ticket agent at the Davison Depot for the Grand Trunk Railroad. She grew up in a home adjacent to her grandparents' farm on Potter Road, and her current home is in that neighborhood still today. Sally Bird epitomizes the total Davison Schools' experience. She enrolled and completed her K-12 education at a time when there was just one Davison School with all grades housed in the building now known as Central Elementary. The adolescent Sally Bird was deeply involved in a myriad of school activities. In high school she lettered all four years in basketball, softball, and track. Simultaneously, she played in the band, sang in the glee club, served as class treasurer, and performed as a majorette. Her scholastic achievements were equally impressive, as she graduated salutatorian of the Class of '54. Miss Bird continued her musical studies at Michigan State University where she performed in the University band and symphony orchestra and sang with the widely-acclaimed State Singers. She received her B.A. degree in Music Education from MSU and following graduation taught for one year in the Port Huron Schools. She then returned to MSU to teach music method classes while completing her Master of Arts degree; and

Whereas, Sally Bird returned to her hometown in 1961 to become the music teacher—a position from which she launched an agenda that has put her hometown on the musical map. Within four years, the music program was strong enough to put on a production of "The Music Man", the first in a series of thirty three consecutive annual high school spring musicals which have involved hundreds of Davison students—some of whom have gone on to professional theater careers and all of whom have carried wonderful memories with them throughout their lives; and

Whereas, In addition to her regular teaching duties and the production of the annual musical, Miss Bird and the various performing groups she has organized are well-known and in great demand throughout the community for the rousing joy-in-life they create wherever they are heard. In malls, churches, parades, nursing homes and countless other places their music thrills hearts and sends spirits soaring; and

Whereas, Sally Bird has devoted her full time and energy to the students of the Davison Community Schools and has brought a lifetime of musical joy to the citizens of the entire Davison Area; now, therefore, be it

Resolved by the House of Representatives, That tribute be accorded to congratulate Miss Sally Bird as she receives the 1998 Davison Area Good Scout Award; and be it further

Resolved, That a copy of the resolution be transmitted to Miss Bird as evidence of our best wishes on this happy occasion.

House Resolution No. 280.

A resolution to commemorate the week of May 11-15, 1998, as National Police Week in Michigan, and to honor National Police Officers Memorial Day.

Whereas, The safety and security of citizens is protected daily by Michigan's law enforcement officers, who uphold and defend our freedom at great risk to their own lives. They dedicate themselves to a life of service, the very foundation this country was built on, and tirelessly offer their services as stewards of the public trust; and

Whereas, In 1962, President John F. Kennedy proclaimed the week of May 15, as National Police Week, and one day of that week as National Police Officers Memorial Day. This proclamation has served to remind us to pause and remember those lives given for our safety; and

Whereas, Many have given their lives in service to this state and to the people whom they protect. It is with great humility that we recognize those public servants who have sacrificed their lives for the public good. Let us never forget those who have lost their lives, to whom we are most grateful; now, therefore, be it

Senate Concurrent Resolution No. 75.

A concurrent resolution to memorialize the Congress of the United States to ban the importation of produce and other food products from countries where certain pesticides are used.

Whereas, Federal departments such as the Environmental Protection Agency have sought to implement strict standards on American farmers regarding pesticide use; and

Whereas, Certain nations allow the use of pesticides that are prohibited for use by American farmers and the export to the United States of agricultural products grown with the assistance of these pesticides; and

Whereas, This provides an unfair advantage to other nations and their citizens over American farmers and American agricultural workers who depend on this productivity for their livelihood; and

Whereas, The United States' agriculture is a vital industry to the nation's economy and quality of life; and

Whereas, Protecting our citizens by proven science and policy is of paramount importance to American citizens; and

Whereas, No nation should be allowed to export items into our nation using methods such as certain pesticides that the government of the United States prohibits its own farmers from using based on debatable claims of health and environmental concerns; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we memorialize the Congress of the United States to prohibit the importation of agricultural and other food items from nations that do not have the same requirements, standards, and restrictions on allowable pesticides and chemicals used in the production, preservation, and growth of the products in future trade agreements; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The Senate has adopted the concurrent resolution.
