The People of the State of Michigan enact:

Sec. 4. This act does not apply to the following:

(a) The manufacture of cider from fruit for the purpose of making vinegar and non-intoxicating cider and fruit juice for use and sale, and cider and fruit juice when used or sold, or both, within 30 days after manufacture.

(b) Beer, wine, mead, honey-based beer, or cider of any alcoholic content made on the premises by the owner or lessee of those premises provided those premises are used and occupied by that owner or lessee as a dwelling and the beer, wine, mead, honey-based beer, or cider is made for family use and home consumption.

(c) The gift to an individual for noncommercial use or consumption of up to 20 gallons of beer, wine, mead, honey-based beer, or cider produced under the circumstances described in subdivision (b). This subdivision does not allow a person less than 21 years of age to possess, receive as a gift, or give beer, wine, mead, honey-based beer, or cider produced under the circumstances described in subdivision (b).

(d) The sale, gift, or keeping and storing for sale by druggists and general merchants and others of medicinal preparations manufactured in accordance with the formulas prescribed by the United States pharmacopoeia and national formulary, patent or proprietary preparations, and other bona fide medicinal and technical preparations, that contain no more alcohol than is necessary to extract the medicinal properties of the drugs contained in those preparations and no more alcohol than is necessary to hold the medicinal agents in solution and to preserve them, that are manufactured and sold as medicine and not as beverages, that are unfit for use for beverage purposes, and the sale of which does not require the payment of a United States liquor dealer's tax.

(e) The manufacture and sale of tinctures or of toilet, medicinal, and antiseptic preparations and solutions that are not intended for internal human use or that are not intended to be sold as beverages, that are unfit for beverage purposes, and upon the outside of each bottle, box, or package of which is conspicuously and legibly printed in English the quantity by volume of alcohol in those preparations.

(f) The manufacture and keeping for sale of the food product known as flavoring extracts that are manufactured and sold for cooking, culinary, or flavoring purposes and are unfit for use as a beverage or for beverage purposes, except that a person shall not manufacture or sell any toilet, medicinal, or antiseptic preparations or solutions, or any flavoring extracts or patent or proprietary medicines or preparations, if the manufacture and sale of those items requires the payment of a United States liquor dealer's tax except as provided in this act.
