Sec. 3. If a juvenile is committed to a juvenile facility, the department or county juvenile agency, as applicable, shall prepare for the court that committed the juvenile an annual report stating the services being provided to the juvenile, where the juvenile has been placed, and the juvenile's progress in that placement.

Sec. 4. (1) If a juvenile within the jurisdiction of the circuit court under section 606 of the revised judicature act of 1961, 1961 PA 236, MCL 600.606, is committed to a juvenile facility pending trial, the department or county juvenile agency, as applicable, shall inquire into the juvenile's antecedents, character, and circumstances and shall report in writing to the court before the juvenile's sentencing.

However, if, at the time the juvenile is to be discharged from wardship, the department of state police already has a sample from the juvenile that meets the requirements of the rules promulgated under the DNA identification profiling system act, 1990 PA 250, MCL 28.171 to 28.176, the juvenile is not required to provide another sample.

(2) The samples required to be collected under this section shall be collected by the department or county juvenile agency, as applicable, and transmitted by the department or county juvenile agency to the department of state police in the manner prescribed by rules promulgated under the DNA identification profiling system act, 1990 PA 250, MCL 28.171 to 28.176.

(3) The department or county juvenile agency may collect a sample under this section regardless of whether the juvenile consents to the collection.
