Reverend George Bennett, from the Mt. Zion Church of God in Christ in Muskegon, offered the following invocation:

“O Lord, our God, how excellent are Your ways and Your thoughts hast finding out. From everlasting to everlasting, Thou art God. The mystery of the ages baffles us still, that a high and holy God would relate to a depraved human being. And thus the questions that have echoed down through the ages, ‘What is man, that Thou art mindful of him?’ and ‘What is the Son of Man that Thou visited him?’ We thank Thee, O God, for the visitation of Your spirit. We thank You for this privilege for assembling with this august body, with whom have been entrusted the responsibility of taking the means that are brought to them and distribute them to those who are in need. We realize that there are those times when the needs are greater than the supply to fill those needs. But, we pray somehow that You would catch these wills and these minds and bind them together and give them a willingness to do that which is right. Help them not to be hesitant to make decisions that they should make, nor hasty to make decisions that they should not make. Then, dear Lord, when they will have come to the close of a day and look in retrospect, let these meditations be a part of their evening meditations, ‘Have I given anything today?’, ‘Have I helped some needed soul on the way from the dawn to sitting sun?’, ‘Have I wounded anyone?’ Let my name truly be with the blessed today. Grant this we pray and we’ll give You the glory, we’ll give You the praise — both now and evermore. Amen.”

Rep. Scott moved that Reps. Rison and Thomas be excused from today’s session.
The motion prevailed.

Pursuant to Joint Rule 20, the full title of the act shall read as follows:

"An act to provide for the registration, titling, sale, transfer, and regulation of certain vehicles operated upon the public highways of this state or any other place open to the general public or generally accessible to motor vehicles and distressed vehicles; to provide for the licensing of dealers; to provide for the examination, licensing, and control of operators and chauffeurs; to provide for the giving of proof of financial responsibility and security by owners and operators of vehicles; to provide for the imposition, levy, and collection of specific taxes on vehicles, and the levy and

collection of sales and use taxes, license fees, and permit fees; to provide for the regulation and use of streets and highways; to create certain funds; to provide penalties and sanctions for a violation of this act; to provide for civil liability of owners and operators of vehicles and service of process on residents and nonresidents; to provide for the levy of certain assessments; to provide for the enforcement of this act; to provide for the creation of and to prescribe the powers and duties of certain state and local agencies; to repeal all other acts or parts of acts inconsistent with this act or contrary to this act; and to repeal certain parts of this act on a specific date.”

The House agreed to the full title.

Rep. Raczkowski moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Callahan, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted No on Senate bill 125 because I believe the bills do not adequately address the problem of snowmobile deaths in Michigan. The Michigan Department of Natural Resources estimates that 60 percent of the snowmobile accident deaths in Michigan are alcohol related. It is a serious problem in this state and needs to be addressed in a complete and thoughtful manner.

Currently, snowmobile and ORV operators are not required to be licensed. This means that any persons over the age of 12 can purchase a snowmobile or an OR and immediately operate it in Michigan without any training or safety instruction. The Michigan legislature needs to completely deal with these problems by requiring licensing and safety instruction.

The bills do not address the issue of out-of-state operators. Michigan can expect over 100,000 snowmobile operators from other states every season. Because we are not able to affect drivers’ records of out-of-state operators, the bills would not affect them. They represent over 25 percent of the operators in Michigan.

These bills should have been re-referred to committee for further work.”

Rep. Shackleton, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted no on SB 125 which would add points to driver’s licenses for certain offenses regarding ORV’s, snowmobiles, and watercraft. I believe operation of one of these vehicles is unrelated to a person’s driver’s license.

I admire and support the bills intent to curb alcohol use during the operation of these vehicles but feel that increasing fines or mandating jail time would be more appropriate.”

The House returned to the consideration of

Senate Bill No. 126, entitled

A bill to amend 1994 PA 451, entitled “Natural resources and environmental protection act,” by amending sections 81134, 81135, 82128, 82129, and 82141 (MCL 324.81134, 324.81135, 324.82128, 324.82129, and 324.82141), section 81134 as amended by 1998 PA 355 and sections 81135, 82128, 82129, and 82141 as added by 1995 PA 58.

(The bill was considered earlier today, see today’s journal, p. 600.)

The question being on the passage of the bill,

Pursuant to Joint Rule 20, the full title of the act shall read as follows:

“An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, and assessments; to provide certain appropriations; to prescribe penalties and provide remedies; to repeal certain parts of this act on a specific date; and to repeal certain acts and parts of acts.”

The House agreed to the full title.

Rep. Raczkowski moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Callahan, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted No on Senate bill 126 because I believe the bills do not adequately address the problem of snowmobile deaths in Michigan. The Michigan Department of Natural Resources estimates that 60 percent of the snowmobile accident deaths in Michigan are alcohol related. It is a serious problem in this state and needs to be addressed in a complete and thoughtful manner.

Currently, snowmobile and ORV operators are not required to be licensed. This means that any persons over the age of 12 can purchase a snowmobile or an OR and immediately operate it in Michigan without any training or safety instruction. The Michigan legislature needs to completely deal with these problems by requiring licensing and safety instruction.

The bills do not address the issue of out-of-state operators. Michigan can expect over 100,000 snowmobile operators from other states every season. Because we are not able to affect drivers' records of out-of-state operators, the bills would not affect them. They represent over 25 percent of the operators in Michigan.

These bills should have been re-referred to committee for further work.”

Rep. Shackleton, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted no on SB 126 which would add points to driver’s licenses for certain offenses regarding ORV’s, snowmobiles, and watercraft. I believe operation of one of these vehicles is unrelated to a person’s driver’s license.

I admire and support the bills intent to curb alcohol use during the operation of these vehicles but feel that increasing fines or mandating jail time would be more appropriate.”

Second Reading of Bills

House Bill No. 4394, entitled

Was read a second time, and the question being on the adoption of the proposed substitute (H-2) previously recommended by the Committee on Conservation and Outdoor Recreation,

The substitute (H-2) was adopted, a majority of the members serving voting therefor.

Rep. DeVuyst moved that the bill be placed on the order of Third Reading of Bills.

The motion prevailed, a majority of the members voting therefor.

The House agreed to the title of the bill.

Rep. Rackowski moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

—————

Rep. Minore, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

The existing law is adequate to deal with Criminal Sexual Conduct, and further, the language may create confusion and lead to problems with prosecution.”

Rep. Callahan, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

Current law is adequate and altering the “definition” could confuse and weaken future trials. I agree with the Prosecutor’s Association.”

Rep. Dennis, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

The current law is adequate for the law with very little detail which could make the law confusing and very difficult to prosecute.”

Rep. Switalski, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

The change created by this bill eliminates a clear definition of criminal sexual conduct, requiring that sexual contact ‘reasonably be construed as being for the purpose of sexual arousal or gratification.’

It replaces that with a vague standard of contact ‘in a sexual manner’ a phrase which is undefined. It goes on to assume an implied motive of ‘revenge’, ‘humiliation’, ‘out of anger’, or ‘out of hatred’.

The effect of this change is to subject conduct which may be horseplay, disciplinary, such as spanking, or even assaultive in nature, to the devastating social taboo of criminal sexual conduct or ‘perversion’ as it is commonly understood.

The legislature should carefully guard against the abuse of extending this label to conduct that is not sexual in nature.”

Rep. Raczkowski moved that House Committees be given leave to meet during the balance of today’s session. The motion prevailed.

By unanimous consent the House returned to the order of

Motions and Resolutions

Reps. Woodward, Jamnick, Bovin, Prusi, Wojno, Schauer, Daniels, Kelly, Spade, LaForge, Scott, Brater, Vaughn, Rivet, Hansen, Baird, Hanley, Tesanovich, Pappageorge, Martinez, Voorhees, Bogardus, Schermesser, Switalski, Garcia, DeHart, Kilpatrick, Jansen, DeRossett, Gosselin, Jacobs, Dennis, Hardman, Clarke, Stallworth, Garza, Hale and Caul offered the following resolution:

House Resolution No. 66.

A resolution honoring Edna Todd upon the occasion of her 100th birthday.

Whereas, It is a genuine pleasure to extend special greetings to Edna Todd upon the occasion of her 100th birthday. We are grateful for this opportunity to join with the family and many friends of Edna Todd as we honor an individual who truly understands the beauty of life in its challenges and triumphs; and

Whereas, Born in April 1899 in Tennessee, Edna Todd grew up in a world quite different in many ways from the one we know today. In the span of her lifetime, tremendous cultural, sociological, and technological changes have transpired here in Michigan and elsewhere. That Edna Todd has lived and tasted of life throughout this period has given her insight, experience, and wisdom few of us can fully appreciate; and

Whereas, Edna Todd has contributed a great deal to life around her. Her spirit and attitude make Edna Todd a role model for us all. As Oliver Wendell Holmes said, “To be seventy years young is sometimes far more cheerful and hopeful than to be forty years old.” Surely, Edna Todd breathes great meaning into this thought; now, therefore, be it

Resolved by the House of Representatives, That we offer birthday greetings to Edna Todd as she marks her 100th birthday. May the health and happiness her years so richly merit be with her always; and be it further

Resolved, That a copy of this resolution be transmitted to Edna Todd as a token of our esteem.

Pending the reference of the resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Schermesser, Pappageorge, Hansen, DeHart, Bogardus, Gosselin, Bovin, Woodward, Brater, Kelly, LaForge, Cherry, Brewer, Rison, Quarles, Stallworth, Basham, Prusi, Baird, O’Neil, Dennis, Callahan, Schauer, Gielegem, Mans, Kilpatrick, Jamnick, Scott, Vaughn, Rivet, Tesanovich, Voorhees, DeRossett, Kowall, Kukuk, Hardman, Garza and Hale offered the following resolution:

House Resolution No. 67.

A resolution to encourage the Federal Communications Commission to restore approval for low-power FM radio broadcasting.

Whereas, For many years, low-power radio stations filled a unique niche in the communications needs of local communities. These operations, which used less than 100 watts of power, were licensed as Class D FM stations; and

Whereas, In 1978, The Federal Communications Commission made a policy decision to stop licensing low-power radio stations. This decision was based on concerns that low-power stations were a hindrance to the orderly development of FM radio and a potential impediment to the efficient operation of facilities serving greater numbers of people; and

Whereas, In recent years, the rate of consolidation in the radio broadcast market has increased. As a result, far fewer locally based radio stations have programming that serves their communities. These concerns have prompted many people to promote a change in FCC policies. A proposed change to FCC rules, which seeks to permit the reestablishment of low-power FM broadcast services, is currently under consideration; and

Whereas, Allowing low-power FM radio to return to the airways will achieve several worthwhile goals in communications options open to people in our country. These community radio services will increase the local presence in the media, increase diversity of ownership, provide more choices to the public, offer new opportunities in business, and promote communications that better reflect the character and needs of our communities; now, therefore, be it

Resolved by the House of Representatives, That we encourage the Federal Communications Commission to restore approval for low-power FM radio broadcasting; and be it further

Resolved, That copies of this resolution be transmitted to the Federal Communications Commission.

The resolution was referred to the Committee on Energy and Technology.

Reps. Hardman, Bovin, Prusi, Quarles, Lemmons, Sheltroun, Daniels, LaForge, Scott, Vaughn, Rivet, Hansen, Baird, Tesanovich, Martinez, Bogardus, DeHart, Kilpatrick, DeRossett, Jacobs, Dennis, Clarke, Stallworth, Garza, Reeves, Clark, Hale and Caul offered the following resolution:

House Resolution No. 68.

A resolution honoring Congresswoman Barbara-Rose Collins.

Whereas, Congresswoman Barbara-Rose Collins is a native of Detroit who has demonstrated a commitment to her community as an outspoken political and human rights activist. Congresswoman Collins believes that her job is not completed as long as there are struggles on behalf of the people to be waged; and

Whereas, Congresswoman Barbara-Rose Collins was elected in 1970 to the Detroit School Board in which she was credited for establishing the district-wide Black Studies Program and mandatory homework policy. In 1974, Congresswoman Collins was elected to the Michigan House of Representatives where she served for eight years and was instrumental in authoring the Food Dating bill, the Equal Pension Benefit bill for women, and the Sexual Harassment bill—which was one of the first in the nation. In 1981, Congresswoman Collins was elected to the Detroit City Council and during her tenure she was instrumental in Detroit East receiving Neighborhood Opportunity Funds. From 1990-1996, Congresswoman Collins was elected to the United States House of Representatives from Michigan's 15th Congressional District where she chaired the Postal Operations subcommittee and was vice-chair of the Congressional Black Caucus; and

Whereas, Congresswoman Barbara-Rose Collins has been the recipient of numerous awards: Who's Who in Black America, Dedicated Service award to the nation's First Urban Coalition from New Detroit, Inc., Community Service Award from the Shrine of the Black Madonna of the Pan African Orthodox Christian Church, as well as being one of the few political leaders selected to visit the People's Republic of China by President Jimmy Carter; and

Whereas, Congresswoman Barbara-Rose Collins was responsible for acquiring the Empowerment Zone for Detroit, and has had the distinction of bringing the most federal dollars to Detroit of any Congress member elected from that district. Congresswoman Collins named the downtown Federal Building after Justice Charles Levin and the main post office after Charles Young (Mayor Coleman Young's brother). Congresswoman Collins has distributed over 250 Christmas baskets a year from 1977-1996 to the city's needy citizens. She initiated a "coat and blanket give-away program" in collaboration with "Operation Get Down" for Detroit's homeless population. Approximately 500 people were able to stay warm because of Congresswoman Collins' efforts; and

Whereas, Congresswoman Barbara-Rose Collins has a great passion for the opera and the symphony; while her hobbies include playing the piano and harp. Congresswoman Collins is now retired and enjoying life with her four grandchildren and two puppies; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body join in honoring Congresswoman Barbara-Rose Collins upon selection for Community Service Award honors; and be it further

Resolved, That a copy of this resolution be transmitted to Congresswoman Barbara-Rose Collins as a token of our respect for her fine work.

The resolution was referred to the Committee on House Oversight and Operations.

Reps. Hardman, Bovin, Prusi, Lemmons, Sheltroun, Schauer, Daniels, Kelly, LaForge, Scott, Vaughn, Rivet, Hansen, Baird, Tesanovich, Martinez, Bogardus, DeHart, Kilpatrick, DeRossett, Jacobs, Dennis, Clarke, Stallworth, Garza, Reeves, Clark and Hale offered the following resolution:

House Resolution No. 69.

A resolution honoring Ms. Polly Johnson.

Whereas, Polly Johnson was born in Natchez, Mississippi, on March 8, 1908, and moved to Detroit in 1928, where she lived on the lower eastside. She joined the Second Baptist Church in 1945. Ms. Johnson's main objective in life was to raise contribution dollars to help find a cure for cancer in her lifetime; and

Whereas, Polly Johnson has worked over 500 hours for the Wayne County Vitality Life Task Force where she coordinated the entire 5th County District which comprises the lower eastside of Detroit. She contributed many weekends as a volunteer for the Food and Friendship Program, and donated one hour each day from her pay, working 15 hours instead of her usual 22 hours to assist in the program. She received an award for outstanding achievement in leadership from Dorothy Wilde for 11 years of service to the Food and Friendship Program; and

Whereas, Polly Johnson has received numerous awards and recognitions for her outstanding work, including recognition of service as Senior Volunteer of the Year to the American Cancer Society Michigan Division, by the Wayne County Board of Commissioners; Certificate of Merit and Expression of Sincere Appreciation from the American Cancer Society, for Notable Service in Helping to Save Lives; Testimonial Resolution from Detroit City Council for her dedicated work with the American Cancer Society, as founder of the first black branch in 1972, now known as the Butzel Branch; and the recipient of the Seal of Peace from the Butzel Branch, for the Crusade Against Cancer by the American Cancer Society; and

Whereas, Polly Johnson is the founder of Fashion Scope, where she is a Honorary Life Member, a Charter Member of the Henry Ford Hospital Associates for Medical Research, and founder of Outstanding Image Maker; and

Whereas, Polly Johnson's name was used by a unanimous decision in 1987, since it was her efforts that led to the founding of the Detroit Chapter of the American Cancer Society. The Polly Johnson Cancer Foundation was established to serve the growing needs of Metropolitan Detroit. The goals of the foundation are to educate the residents of Metro Detroit about the advantages of early detection, prevention, and treatment of cancer, as well as raise money for cancer research; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body join in honoring Ms. Polly Johnson upon her selection for Special Recognition Award honors; and be it further

Resolved, That a copy of the resolution be transmitted to Ms. Polly Johnson as a token of our respect for her fine work.

Pending the reference of the resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the resolution be considered at this time.

House Resolution No. 70.

A resolution honoring Dr. Manuel H. Pierson.

Whereas, It is a pleasure to offer congratulations to Dr. Manuel H. Pierson upon his selection for the Special Recognition Award. With the record that this talented and energetic educator has compiled over the years, this is a most fitting symbol of excellence in an endeavor of great importance to every citizen, business, and institution in this state—the education of our young people; and

Whereas, After graduating from Alabama State University, Western Michigan University and Wayne State University—where he earned his doctorate in Education. Dr. Pierson has devoted his efforts, skills, and energy to “teaching or empowering youth to become self-sufficient.” While working for Oakland University, Dr. Pierson has organized and developed programs within housing projects in Pontiac to assist in motivating and providing support for students. Dr. Pierson has been associated with a number of help projects for youth in the Detroit, Pontiac, and Royal Oak Township areas. Having served on several Boards of Directors in the Metropolitan Detroit area, Dr. Pierson has earned several awards for these efforts including Volunteer of the Year in 1992; and

Whereas, After 23 years of service as director, dean, and assistant vice president, Dr. Pierson retired from Oakland University in 1993. Dr. Pierson is currently involved in rural and village development in the Gambia (Africa). His foundation raises money to support a manhood training academy called Kafo Academy. The foundation also provides financial, educational, health, agricultural and village development projects to the Gambia. These efforts have resulted in some spectacular development which includes providing pure and sanitary water for three villages, along with a number of other improvements; and

Whereas, Michigan has held a long tradition of belief in the value of education. Our state was the first to provide in its constitution an officer with statewide duties in public education; and

Whereas, In receiving the Special Recognition Award, Dr. Manuel H. Pierson is being singled out for his efforts in several areas. In addition to specific innovations in college classrooms, study units, and programs, he is being honored for success in the most fundamental component of learning—motivating young people. We applaud the dedication he has consistently displayed and offer our thanks for the manner in which both students and other educators benefit from all of his hard work; now, therefore, be it
