Rev. S. L. Roberson, from Metropolitan Memorial Baptist Church in Ypsilanti, offered the following invocation:

“Our Father and our God, as we come at this moment we want to thank You that You have let us live long enough to stand here where men and women hold in their hands the destiny of the citizenry of Michigan. We pray my Father that they will continually, regardless of their personal feelings, lead our state. Help them to realize—as I thought about my governor who is white, then I reflected because I’m black—help them to realize that color has nothing to do with righteousness. Help them to realize that our one blood comes from all nations. Help us to realize that Your divine word, Isaiah 45:8, and the next three chapters, makes it plain that You are God and there is none beside Thee and You don’t need help from anyone. Help us to realize that as my grandmother taught me—when death comes and we have to go before the Creator of the earth—help us to realize that we are going to have to stand there alone and give an account of all our stewardship on earth.

Now Father, now God, I ask Thee to continue to bless our representatives and especially Ruth, but most of all give us the spirit of unity and help us to realize that the decisions we make will affect all of those around us. I have to say hallelujah. I have to say praise God. I have to lift my arms to Him and let the world know that without Him we are nothing. In all that we do, do it in the name of Jesus. Amen.”

Rep. Scott moved that Reps. Callahan and Martinez be excused from today’s session.
The motion prevailed.

The Speaker assumed the Chair.

Motions and Resolutions

By unanimous consent the House considered **House Resolution No. 399** out of numerical order.

House Resolution No. 399.

A resolution offered as a memorial for Leonard S. Walton, former member of the House.

Whereas, The members of this legislative body and many others in state service were saddened to learn of the recent passing of Leonard S. Walton, who served our state and nation with great distinction over the course of his life. We offer this expression of our sincerest condolences to his family and wish them to know of the respect held for his memory by those who worked with him as a lawmaker and in subsequent service to Michigan and his community; and

Whereas, Leonard Walton was born and educated in Detroit. He answered his country’s call to arms and served in the Korean War from 1951 to 1953. He remained active in veterans and community groups, and in 1962 was elected to the first of his five consecutive terms as a State Representative from Detroit. His ten years as a legislator covered a period of great change in state government and society. During his tenure, the legislature implemented its present constitution and reorganized many areas of government. Representative Walton’s leadership, including his chairmanship of the Tourist Industry Committee and service on the Labor and the Veterans and Military Affairs Committees, served Michigan well; and

Whereas, Following his commitment as a lawmaker, Leonard Walton channeled his energies and spirit of public service through his ten years with the Michigan Department of Mental Health. He remained involved in civic groups and pursued real estate appraisal in recent years. Clearly, his dedication to public life touched many people and benefited Michigan in many ways; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of tribute as a memorial for Leonard S. Walton, a member of the House from 1963 until 1972; and be it further

Resolved, That copies of this resolution be transmitted to the Walton family as evidence of the lasting esteem we hold for his life and work.

Messages from the Governor

The following line items veto message from the Governor was received and read:

Executive Office, Lansing, July 6, 2000

Michigan House of Representatives
State Capitol Building
Lansing, Michigan 48909

Ladies and Gentlemen:

Today I have signed **Enrolled House Bill 5273**, the Fiscal Year 2001 appropriations bill for the Department of Agriculture. However, I am returning it to you because of five items of which I disapprove, pursuant to Article V, Section 19, of the Michigan Constitution. The specific vetoes are contained in the attached copy of the bill, which has been filed with the Secretary of State. My action today:

- Increases funding for local conservation districts by \$1.4 million to support a “gateway” approach of one-stop customer service between land users and conservation service providers that includes state, federal and local governments, conservation organizations, and Internet services.
- Includes \$950,000 general fund support for increased Migrant Labor Housing grants for farmers, a 73% increase from Fiscal Year 2000, to improve living conditions for migrant workers.
- Contains \$570,000 in new funding for the Michigan Agriculture Environmental Assurance program. This funding is for a comprehensive pollution prevention initiative that will address citizen concerns and avoid burdensome regulation for the farming community.
- Increases funding for the Michigan Food Bank Council by \$250,000. This funding will be used to purchase an estimated 3 million pounds of surplus food, including fresh fruits and vegetables.
- Includes \$3.5 million to enhance Michigan’s comprehensive Bovine Tuberculosis eradication and surveillance efforts. I continue to support efforts to eliminate this disease from Michigan livestock and wildlife.
- Supports funding of \$1.25 million to implement the recently enacted Unified Food Code (Act 92 of 2000). However, the conference committee removed an additional \$190,000 in funding necessary to fully implement the Food Code.

My action today also vetoes several items with which I do not concur and which are detailed below. I urge the Legislature to stay within the general fund target for the Department of Agriculture and to utilize the funds made available from these vetoes to restore the \$190,000 to the Food Code program.

- Last year I indicated that Fiscal Year 2000 funding was intended to be the last year of funding for the Michigan Biotechnology Institute. I have, therefore, vetoed \$100,000 appropriated for ongoing support for the Institute, along with related language in section 304.
- I have vetoed section 606 which earmarks \$100,000 for a wetlands demonstration project in Ottawa county. Engineers representing Michigan State University, the Department of Natural Resources and the Natural Resources Conservation Service question the effectiveness of the technology to be used in the treatment process.
- I have vetoed \$50,000 for Michigan integrated food and farming systems, and related language section 706, because it earmarks funding for a specific association. I believe that associations should receive operating support from membership contributions and fund-raising efforts, not from state revenues.
- For a similar reason, I have vetoed section 814, which re-directs funding from the thoroughbred sire stakes line item and the thoroughbred owners’ award line item to the Michigan Thoroughbred Owners and Breeders Association to support ongoing association operations.
- And, lastly, I have vetoed \$80,000 in funding for Michigan festivals, and related language section 811 which directs that the funding be used to promote commodity related festivals and to support an equine education and demonstration program. There is no demonstrated need for a 60 percent increase in funding for Michigan festivals and, instead, I am directing the Michigan Travel Bureau to work cooperatively with the Department of Agriculture to integrate festival promotion into their ongoing tourism activities.

This bill supports the operations of the Department of Agriculture for Fiscal Year 2001. I commend the Legislature for its prompt action in finalizing this budget.

Sincerely,
John Engler
Governor

This bill was signed by the Governor, July 6, 2000, at 11:30 a.m.

The bill was filed with the Secretary of State July 6, 2000, at 12:02 p.m. and assigned Public Act No. 270, I.E. The question being on the passage of the disapproved items, the objections of the Governor to the contrary notwithstanding,

Rep. Raczkowski moved that the bill be re-referred to the Committee on Appropriations.
The motion prevailed.

The following line items veto message from the Governor was received and read:

Executive Office, Lansing, July 6, 2000

Ladies and Gentlemen:

Today I have signed **Enrolled House Bill 5284**, the Fiscal Year 2001 appropriations bill for the Department of Transportation. However, I am returning it to you because of items of which I disapprove pursuant to Article V, Section 19, of the Michigan Constitution. The specific vetoes are contained in the attached copy of this bill, which has been filed with the Secretary of State.

This bill will provide landmark support for the rebuilding, repair and maintenance of Michigan's roads and bridges. Thanks to *Build Michigan II*, Michigan will again invest nearly \$3 billion for record improvements on the state trunkline system, local road and bridge projects, and intermodal transportation services. My action today:

- Provides for \$91 million in additional *Build Michigan II* revenues that will continue to be shared with locals under the historical distribution formula. In addition, over \$66 million in new federal revenues will also be available in Fiscal Year 2001. With these added revenues in place, Michigan begins the new millennium with its most aggressive program yet for strengthening this state's transportation infrastructure.
- Includes \$4.6 million for increased maintenance program allocations, including trunkline system expansion, increased roadside services, all-season operation of rest facilities, pilot testing of new anti-icing/de-icing materials, high technology traffic signals, and rest facility disposal evaluations.
- Adds \$1 million for enhanced engineering and technical support for local agency programs. The Department of Transportation works cooperatively with local road agencies in overseeing and managing contracts for federal aid eligible projects.
- Supports \$29.6 million in public transportation investments, including over \$27 million for bus capital programs. Additional state and federal program support is also provided for non-urban operating/capital, intercity bus programs, high-speed rail development, and specialized services.
- Reduces administrative spending by over \$7 million, including across-the-board reductions to departmental administration, reduction of the interdepartmental grant to the Department of State, and a shift of the intermodal policy office to federal funds.

Finally, I have vetoed the following seven boilerplate sections for the reasons noted below:

- Section 402 - My action includes a veto of language in section 402 relating to the 20 percent earmark of federal aid bridge funds to local off-system and local on-system categories. I vetoed a similar earmark in the Fiscal Year 2000 budget, and my position on this issue remains unchanged. The Federal Highway Administration requires only a 15 percent earmark of federal aid bridge funds to local projects. I agree and believe Michigan must expend its federal aid bridge funds where they will have the most impact for motorists - on the high-level state trunkline system.
- Section 509 - This language compromises the local federal aid project selection process. This currently occurs on a regional basis through the Metropolitan Planning Organizations as required by federal law under TEA-21. While I applaud local investment in these critical infrastructure projects, I cannot support the Section 509 special interest eligibility criteria. While there is evidence of strong local support for Section 509, that is offset by very vocal opposition from the County Road Association of Michigan, which is led by a commissioner from the affected county. I encourage Macomb County officials to work with the MPO/SEMCOG to obtain these dollars through the competitive process. The local selection process should reward counties like Macomb when they are providing a significant local match.
- Sections 508 and 613 - Public Act 51 does not provide authorization to take this earmark for the removal of deer carcasses off-the-top of the county allocation of the Michigan Transportation Fund. Furthermore, the Department of Transportation already provides for the removal of these carcasses on state trunklines. I do not believe that these specific earmarks, even if feasible or necessary, should be imposed for this purpose. In response to these concerns, however, I am instructing the department to develop a workable policy regarding the removal of large animal carcasses from roadways.
- Sections 614, 616, and 617 - The inclusion of these types of special interest projects for pedestrian overpasses, soundwalls, and freeway interchanges undermines the appropriations process, and the department's five-year plan. I believe such programming decisions should be left to the transportation experts.

While I am not vetoing the interdepartmental grant to State Police, I am directing the Departments of Transportation and State Police that absent a condition of appropriation they are under no mandate to spend the additional \$3.4 million added to this line item to pay for the conversion of motor carrier enforcement officers to troopers. This conversion is subject to collective bargaining.

I commend the Legislature for supporting this important budget bill, and look forward to working with you as we continue to aggressively improve Michigan's transportation systems.

Sincerely,
John Engler
Governor

This bill was signed by the Governor, July 6, 2000, at 11:50 a.m.

The bill was filed with the Secretary of State July 7, 2000, at 11:50 a.m. and assigned Public Act No. 271, I.E.

The question being on the passage of the disapproved items, the objections of the Governor to the contrary notwithstanding,

Rep. Raczkowski moved that the bill be re-referred to the Committee on Appropriations.

The motion prevailed.

The following line item veto message from the Governor was received and read:

Executive Office, Lansing, July 14, 2000

Ladies and Gentlemen:

Today I have signed **Enrolled House Bill 5274**, containing Fiscal Year 2001 appropriations for the Department of Career Development and the Michigan Strategic Fund. However, I am returning it to you because of an item, of which I disapprove, pursuant to Article V, Section 19, of the Michigan Constitution. The specific item vetoed is contained within the attached copy of the bill that has been filed with the Secretary of State.

My action today provides substantial support for critical job training and economic development activities. This bill implements Executive Order 1999-12 which transfers adult education functions from the Department of Education to the Department of Career Development. Funding for adult education is increased in the School Aid Act from \$80 million to \$100 million. Local workforce development boards will distribute a portion of this funding on a competitive basis to adult education service providers. This increase supports efforts to provide individuals with the skills and credentials necessary to succeed in today's workplace.

This bill also:

- Appropriates nearly \$170 million to continue Michigan's successful economic development activities.
- Provides \$6 million from the Tobacco Settlement Fund for the Council of Michigan Foundations. The council will award grants to local community organizations to address youth and senior health needs.
- Appropriates \$5.5 million to support the important work of Focus: HOPE. This ongoing support is in addition to the \$10.5 million included in the recently enacted Fiscal Year 2000 supplemental.
- Provides \$3.1 million, an increase of \$750,000, for vocational rehabilitation independent living services, a program which assists disabled individuals to secure employment and live independently.
- Authorizes \$132.2 million in program support for Michigan's Work First and Welfare-to-Work programs. The success of Michigan's welfare reform policies in securing employment for welfare recipients will allow the Department of Career Development to concentrate its efforts on clients with greater impediments in securing employment.

I have vetoed the Small Business Development Center Network \$250,000 appropriation and associated boilerplate. Partnering with Small Business Development Centers on special projects is a more appropriate way for state government to leverage our limited resources for this vast small business community.

I commend the Legislature for its work on these budgets.

Sincerely,
John Engler
Governor

Executive Office, Lansing July 14, 2000

Ladies and Gentlemen:

Today I have signed **Enrolled House Bill 5275**, containing Fiscal Year 2001 appropriations for the Department of Consumer and Industry Services. However, I am returning it to you because of an item of which I disapprove, pursuant to Article V, Section 19, of the Michigan Constitution. The specific item vetoed is contained within the attached copy of the bill which has been filed with the Secretary of State.

My action today:

- Exemplifies Michigan's commitment to the arts by increasing funding to \$26.5 million, a \$4.1 million increase, for continued support of statewide arts and cultural grants awarded through the Michigan Council for Arts and Cultural Affairs.
- Provides an additional \$3.7 million to the Unemployment Agency for the transition to remote initial claims which will allow workers to file for unemployment benefits by phone or the internet.
- Adds \$1.4 million for day care licensing to assure quality day care for our children.
- Increases funding by \$240,000 in the credit union and financial institutions programs to continue to protect the public.
- Adds \$746,000 for fire protection grants to local communities.
- Enhances protection for Michigan employees by adding \$224,000 to support occupational safety and health inspectors.
- Continues to assist families, senior citizens, and people with disabilities to obtain housing by adding \$5 million for 1,200 additional section 8 housing certificates.

One appropriation included in this bill, however, deviates unacceptably from my recommendations. I have vetoed the Regional Communications Emergency Operations Mobile Command Post \$50,000 appropriation because it is inconsistent with the mission of the Department of Consumer and Industry Services.

I appreciate the Legislature's cooperation in the development of this appropriation act.

Sincerely,
John Engler

Executive Office, Lansing, July 14, 2000

Ladies and Gentlemen:

Today I have signed **Enrolled House Bill 5277**, the Fiscal Year 2001 appropriation for the Family Independence Agency (FIA). However, I am returning it to you because of items of which I disapprove, pursuant to Article V, Section 19, of the Michigan Constitution. The specific items vetoed are contained within the attached copy of the bill, which has been filed with the Secretary of State.

Members of the Legislature deserve to be commended for their support of Michigan's ongoing welfare reform policies. The Family Independence Program (FIP) monthly average caseload was only 68,881 cases in June, nearly a 70 percent reduction from the March 1994 level, the month when the caseload began its current decline. Savings from these dramatic caseload declines have been primarily redirected to support the Day Care needs of Michigan's working families and other high priority FIA programs. Funding for the Day Care program will exceed funding for the FIP program by more than \$200 million in Fiscal Year 2001.

I am pleased that the Legislature has joined me in providing rate increases to critical FIA programs. Included is my recommended 3.0% cost-of-living increase for FIP cases where care is being provided by parents unable to work because of age, disability, or other crisis. Also included is a 35% increase for relatives providing care for children who cannot live with a parent, an increase for the State Disability Assistance Program, a large increase for the per diem paid to homeless shelters, an increase for foster and adoptive parents, and \$16.7 million for a rate increase to child day care providers serving children from 0 to 2½. I also applaud your continuing support of Michigan's highly successful Project Zero. The final phase of Project Zero expansion will occur next year, and all counties will have sites.

I also commend your support of the numerous investments in FIA’s data processing infrastructure. Included is funding to distribute FIP and food stamp benefits electronically, funding for a finger imaging system to prevent individuals from receiving FIP and food stamp benefits under more than one name, and additional funding for child support systems.

I am also pleased with your support of my recommended funding for intensive in-home family reunification services which will permit children to be returned to their homes earlier. When it is not in the child’s best interest to return home, foster parent recruitment funding which I recommended and you approved will help insure that safe and loving foster homes are available.

My action today also vetoes:

- Section 411 would require the department to establish a “low-income fatherhood pilot program”. In my view this language is overly prescriptive and the program would be difficult to sustain given the numerous other priorities in the FIA budget.
- Section 522 would require the department to provide funding to Boys and Girls Clubs of America. This action would earmark funds to a specific provider. Given the multitude of competitive state funding streams available for this type of organization (such as Section 657 which provides \$16 million for before or after-school programs), I do not support this type of allocation.
- Section 639, would have required the department to implement a Teacher Education and Compensation Helps (TEACH) program to increase the education and compensation of day care providers. The department is already implementing the program with existing funding, so new authorization is not necessary.
- Section 641 would have increased the eligibility limit for the Day Care program from 185% to 200% of the poverty level. The Day Care program should focus on improving the quality of care for those being served, rather than increasing program eligibility. I am also concerned that, given the numerous and increasing amount of programs receiving TANF funding, this increase will not be sustainable in future years.
- I am also vetoing three Sections (Section 407, Section 629, and Section 649) which earmark funds for specific employment and training programs. All three of these sections provide small amounts of funding for services which more appropriately belong in the Department of Career Development budget. I therefore recommend that these organizations compete for the \$132 million in funding available from that department, rather than seeking special allocations in the FIA budget.

I commend the members of the Michigan Legislature for your responsible actions on this bill.

Sincerely,
John Engler

Reps. Wojno, Hansen, Kelly, Vaughn, DeHart, Rivet, Dennis, Prusi, Schermesser, LaForge, Quarles, Hale, Neumann, Schauer, Gielegem, Hardman, Rison, Bishop, Jacobs, Vander Roest, Woodward, Scranton, Bovin, Reeves, Minore, Ehardt, Brater, Cherry, Spade, DeWeese, Faunce and Scott offered the following resolution:

House Resolution No. 396.

A resolution recognizing Wolfe Middle School upon being distinguished as a Michigan Blue Ribbon School.

Whereas, That it is with great pleasure we commend the students, teachers, staff, and parents of Wolfe Middle School upon its recognition as a Michigan Blue Ribbon School. To achieve this special honor, a school must

demonstrate a strong commitment to educational excellence for all students. This recognition is a well-earned milestone symbolic of innovation, planning, and the personal commitment of the many dedicated individuals at Wolfe Middle School who share the belief that education is one of the greatest gifts we can give our children; and

Whereas, Wolfe Middle School is a relatively small school which has been placed with the enormous task of preparing students for the next millennium. The vision of Wolfe Middle School is that all programs must be dedicated to preparing students academically, emotionally, and socially, helping them move from childhood to adolescence. The community of Center Line and Warren, which Wolfe Middle School serves, is extraordinarily diverse. Teacher-mentors, a student assistance coordinator, one counselor per grade, many community volunteers, and special developmental classes provide substantial support for this diverse student population; and

Whereas, Surrounded by factories and businesses at the forefront of technology, Wolfe is acutely equipped to prepare students to be competitive in the highly technical workplace. Internet and computer access is provided to all students in the brand new Technology Education lab, which also boasts a robotics lab, an audio and video production studio, a computer animation station, and a host of other technological innovations; and

Whereas, The staff at Wolfe Middle School includes a well-rounded mix of veteran and newer teachers, some entering the teaching profession after working in another field. The teachers at Wolfe are committed professionals whose pride is evident throughout the bright, clean, and beautifully maintained building. Wolfe students, teachers, and administrators have received numerous awards. Principal of the Year, Teacher of the Year, Coach of the Year, several writing contest winners, speech contest winners, athletic award winners, and academic award winners in many disciplines clearly illustrate a community of high achievers;

Whereas, Principal Sue Gripton, Superintendent Terry Follbaum, and all the good parents of Wolfe Middle School realize that a key part of achieving great results is by expecting great results, and students have proved this theory by accepting nothing less than their best. Clearly, the fortunate students at Wolfe Middle School are well along the path to quality education; now, therefore, be it

Resolved by the House of Representatives, That this legislative body congratulate the students, teachers, staff, and parents of Wolfe Middle School as they receive honors as a National Blue Ribbon School. We look forward to the continuation of this excellent record; and be it further

Resolved, That a copy of this resolution be transmitted to Wolfe Middle School upon being distinguished as a Michigan Blue Ribbon School.

Pending the reference of the resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Schermesser, Hansen, Kelly, Wojno, Vaughn, DeHart, Rivet, Dennis, Prusi, LaForge, Hale, Neumann, Schauer, Gielegem, Hardman, Rison, Jacobs, Woodward, Bovin, Ehardt, Brater, Cherry, Jammick, DeWeese and Scott offered the following resolution:

House Resolution No. 397.

A resolution honoring Mr. Boaz Siegel.

Whereas, It is an honor and privilege, along with the utmost respect and admiration, that we honor Mr. Boaz Siegel. He has given forty-eight years of dedicated service to the members of Pipefitters, Refrigeration and Air Conditioning Service Local Union 636, as well as his dedication for the legal rights and quality of life of others. Mr. Boaz Siegel's affiliation with the Pipefitters Local Union 636 has been the culmination of a life devoted to helping others; and

Whereas, Earning his formal education at Wayne State University, Mr. Siegel began teaching in the field of workers education in 1933. There he was involved in the development of industrial and trade unionism in Detroit. In 1936, and for the following nine years, Mr. Siegel was employed by the Detroit Board of Education, teaching mentally retarded and delinquent boys. He also served as the school district's attendance officer. In 1941, and for the next 31 years, Mr. Siegel joined the Wayne State University Law School as a faculty member, where he became a Professor of Law in 1952, specializing in Labor Law, Administrative Law, and Basic Contract Law; and

Whereas, Since approximately 1945, Mr. Siegel sat on the Labor Disputes Arbitrator panel of the American Arbitration Association. A published author in 1961 was next for Mr. Siegel to add to what would become a long list of accomplishments by writing "Proving Your Arbitration Case," while serving as a member of the National Academy of Arbitrators, Bureau of National Affairs, Inc. In 1952, Mr. Siegel began service as Legal Counsel to the trustees of many multi-employer, jointly administered health and welfare, pension, vacation, and supplemental unemployment benefit trust funds in Detroit and throughout Michigan, one of which was the largest in the nation. Mr. Siegel has been effective and active since the inception of these funds, acting as an advisor in the fields of administrative, insurance, taxes, investments, litigation, and policies, as well as problems of the aging citizens; and

Whereas, Representing Pipefitters Local 636 since the early 1950's, Mr. Siegel was retained to write Local 636's first pension fund plan. Mr. Siegel already worked on the first pension plan with Walter Reuther and the U.A.W., as well as the Teamster's pension plan when they were first introduced. In the years following, Mr. Siegel wrote the Pipefitters' Insurance Trust Fund Plan, as well as their Sub-Fund, Widow-Retiree, Vacation and Holiday, Defined Contribution Pension, and Training Trust Fund Plans. For the past forty-eight years, he has been their Legal Counsel, as well as their "teacher" representing their trust funds; and

Whereas, In 1959, Mr. Siegel was appointed by Governor G. Mennen Williams to serve on a labor task force which was proposed to redraft Michigan's labor legislation. In 1961, Mr. Siegel was appointed by Governor John B. Swainson to the Constitutional Convention Citizens Advisory Committee on the Judicial Department to study and propose new constitutional provisions pertaining with judiciary. In 1962, he was appointed by Detroit Councilman Mel Ravitz to the Wayne County Board of Supervisors, where he was reappointed through 1966, serving on its Human Relations Committee and Legislative, Library, Port, and Ways and Means Committees. Also in 1962, he was appointed by United States Secretary of Labor Arthur J. Goldberg as a member of the National Advisory Council of Employee Welfare and Pension Benefit Plans. In 1964, he was reappointed to this Council by Secretary Willard W. Wirtz. In 1963, Governor George Romney appointed Mr. Siegel to his special commission dealing with labor disputes at Children's Hospital in Detroit. In 1964, Governor Romney also appointed Boaz as one of five voting members to his special commission to study and recommend changes in Michigan's workers' compensation law. The report of this commission began the substance of the amendments to the workers' compensation law which was enacted in 1965; and

Whereas, In 1967, Governor Romney then appointed Mr. Siegel as Chairman of the Highway Location Arbitration Board to arbitrate and decide the route of Interstate Highway 696 across south Oakland County to resolve the disputes of six south Oakland County cities. In 1974, Mr. Siegel was appropriately awarded the Wayne State University Alumni Award; and

Whereas, Throughout his laudable career, Mr. Boaz Siegel's ties with the Jewish community remain constant. His lifelong service to the Labor Zionist Alliance and the Jewish Parents Institute are unprecedented, as well as his membership with the Sholem Aleichem Institute, the Workmen's Circle, the American Jewish Congress, the American Jewish Committee, and the Board of Directors of the Detroit Jewish Community Center. Also, Mr. Boaz Siegel founded and endowed the Boaz Siegel Fund for Senior Adults at the Detroit Jewish Community Center; and

Whereas, Much more can be added about this individual who has made his life's passion to protect the well-being of others. For the continuous guidance, trust, and painstaking concern, we offer our sincerest thanks and admiration for a job most certainly well done; now, therefore be it

Resolved by the House of Representatives, That this legislative body honor Mr. Boaz Siegel for all of his accomplishments in his life; and be it further

Resolved, That a copy of this resolution be transmitted to Mr. Boaz Siegel.

Pending the reference of the resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Wojno, Hansen, Kelly, Vaughn, DeHart, Rivet, Dennis, Prusi, Schermesser, LaForge, Quarles, Hale, Neumann, Schauer, Gielegem, Hardman, Rison, Jacobs, Woodward, Ehardt, Cherry, Spade, Faunce and Scott offered the following resolution:

House Resolution No. 398.

A resolution to urge Michigan hospitals to strengthen policies to prohibit the laundering of personal protective clothing at home.

Whereas, One of the most significant advances in everyday medical practices is the increasing use of personal protective equipment as a means of preventing the spread of disease by contact with blood and other infectious matter. Gloves, gowns, lab coats, eye protection, and other equipment and clothing provide barriers to the spread of infection to health care workers and other patients; and

Whereas, In acknowledgment of the important role this equipment and clothing play in public health, Michigan has taken steps to ensure that the barriers of protective clothing and equipment are as effective as possible. The Department of Consumer and Industry Services has promulgated rules pursuant to 1974 PA 154, the Michigan Occupational Safety and Health Act, that require health providers to provide for the cleaning, laundering, or disposing of protective clothing and equipment. This requirement recognizes the fact that home laundering cannot guarantee proper standards of cleanliness; and

Whereas, In spite of state regulation and clear direction from the state's occupational health officials, at least one hospital has required hospital employees to wash their own surgical scrubs at home. Practices such as this jeopardize public health. The health community must increase efforts to eradicate this practice; now, therefore, be it

Resolved by the House of Representatives, That we urge Michigan hospitals to strengthen policies to prohibit the laundering of personal protective clothing at home; and be it further

Resolved, That copies of this resolution be transmitted to Michigan's hospitals.

The resolution was referred to the Committee on Employment Relations, Training and Safety.

Reps. Dennis, Hansen, Kelly, Wojno, Vaughn, DeHart, Rivet, Prusi, Schermesser, LaForge, Hale, Neumann, Schauer, Gielegem, Hardman, Rison, Jacobs, Woodward, Bovin, Minore, Ehardt, Brater, Cherry, Spade, Lemmons, Jamnick, DeWeese and Scott offered the following resolution:

House Resolution No. 400.

A resolution as a memorial for Mr. William C. Marshall.

Whereas, The members of this legislative body, on behalf of all Michigan citizens, would like to express their deepest sympathies to the family and friends of Mr. William C. Marshall. His recent death has left all who knew him deeply saddened and stirred with memories of the many contributions he made to Michigan as a longtime resident, labor advocate, and champion of civic and social causes. Gone from our midst is a public servant dedicated to working for the common man; and

Whereas, His labor roots began in 1942 in Shreveport, LA, where William C. Marshall served as an executive board member and special organizer for the Amalgamated Transit Union (ATU). He moved to Michigan in 1948 to drive for Greyhound and served as President of ATU's Local 1303 for 10 years as well as Secretary-Treasurer and President of the National Council of Greyhound ATU Locals. A driving force behind the AFL and CIO merger, Mr. Marshall was elected to the State AFL-CIO's Executive Board in 1958. In 1971, he became its President until 1983, at which time he was recognized as "President Emeritus, Michigan State AFL-CIO"; and

Whereas, A tireless advocate, Mr. Marshall also served on United Way of Michigan, Michigan League for Human Services, Michigan Economic Action Council, Michigan Crime Prevention Coalition, Governor's Land-Use Study Commission, and Michigan Manpower Planning Commission. In addition, Mr. Marshall had served as General Chairman of Michigan Week, the only labor representative to do so, Michigan Chairman for the U.S.O., on the National U.S.O. Board of Governors, Past Chairman of the United Negro College Fund for Michigan's Labor Division, Delegate to the White House Conference on Safety and Problems of the Aged, and Chairman of the Board of Southeastern Michigan Transportation Authority (SEMTA); and

Whereas, Mr. Marshall served on the Labor Advisory Committee of MSU's School of Labor and Industrial Relations, as well as the Labor Advisory Committee to labor programs at the U of M, WSU, and NMU. He was awarded an honorary Doctorate of Political Science from NMU and made an honorary alumnus of MSU; and

Whereas, As precinct delegate, Mr. Marshall attended state and national Democratic Party conventions since the early 1950s. Elected for several terms to the Democratic National Committee, he won the respect of Democrats and Republicans alike for his leadership, heart of gold, and integrity. During the 1970s and 1980s, Mr. Marshall was appointed by both former Governors William Milliken and James Blanchard to various councils, including the State Transportation Commission, the Michigan Employment and Training Services Council, the Governor's Conference on Traffic and Safety, and the Citizens Advisory Task Force on State Labor Relations; and

Whereas, Mr. Marshall has been on several overseas assignments for the AFL-CIO International Affairs Department and the US Department Agency for International Development. A delegate to the 1961 Michigan Constitutional Convention, representing the 21st Senatorial District, Mr. Marshall was a leader in the fight for equal voter representation and a provision to put state taxation on a fair and equitable basis; now, therefore, be it

Resolved by the House of Representatives, That we hereby offer a unanimous accolade of tribute as a memorial for Mr. William C. Marshall; and be it further

Resolved, That a copy of this resolution be transmitted to his wife, Mrs. Earlene Marshall, as an enduring testimony to the high esteem in which his life and memory are held by the people of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Schermesser, DeHart, Hale, Baird, Rivet, Brater, Bovin, DeRossett, Scott, Dennis, Prusi, Wojno, Kelly, Hansen, Vaughn, LaForge, Neumann, Schauer, Gielegem, Hardman, Rison, Jacobs, Woodward, Reeves, Ehardt, Cherry, Spade, Lemmons and Jamnick offered the following concurrent resolution:

House Concurrent Resolution No. 111.

A concurrent resolution to urge the Department of Community Health to promote programs to identify and address inequities in the prevention, treatment, and research of diseases threatening the health of women.

Whereas, There is substantial research indicating that women do not receive the same level of health care as men. Women are less often referred for diagnostic tests, are less represented in health studies, and are less often treated for diseases compared to men with the same condition. There is considerable evidence that women receive less aggressive treatment for certain illnesses, including cardiovascular problems, than men with similar symptoms; and

Whereas, Physiological differences between men and women contribute to significant distinctions in how certain diseases are diagnosed and treated and the levels of attention from the medical research community. Women smokers are far more likely to develop lung cancer, far more vulnerable to HIV in contacts with men, and far more likely to live in a long-term facility. Women also face difficulties with insurance beyond those faced by men; and

Whereas, In spite of efforts by women's groups to achieve parity in treatment and research, there are many aspects of health care that need to be examined before true equity is realized; and

Whereas, Government agencies and policies play an important role in promoting public health. Public funding for programs, initiatives to increase public awareness of health problems, and encouragement of research can make an enormous difference in how a specific problem is addressed; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the Department of Community Health to promote programs to identify and address inequities in the prevention, treatment, and research of diseases threatening the health of women; and be it further

Resolved, That copies of this resolution be transmitted to the Department of Community Health.

The concurrent resolution was referred to the Committee on Health Policy.

Reps. Wojno, Hansen, Kelly, Vaughn, DeHart, Rivet, Dennis, Prusi, Schermesser, LaForge, Quarles, Hale, Neumann, Schauer, Gielegem, Hardman, Rison, Jacobs, Woodward, Ehardt, Cherry, Spade, Faunce and Scott offered the following concurrent resolution:

House Concurrent Resolution No. 112.

A concurrent resolution to urge Michigan hospitals to strengthen policies to prohibit the laundering of personal protective clothing at home.

Whereas, One of the most significant advances in everyday medical practices is the increasing use of personal protective equipment as a means of preventing the spread of disease by contact with blood and other infectious matter. Gloves, gowns, lab coats, eye protection, and other equipment and clothing provide barriers to the spread of infection to health care workers and other patients; and

Whereas, In acknowledgment of the important role this equipment and clothing play in public health, Michigan has taken steps to ensure that the barriers of protective clothing and equipment are as effective as possible. The Department of Consumer and Industry Services has promulgated rules pursuant to 1974 PA 154, the Michigan Occupational Safety and Health Act, that require health providers to provide for the cleaning, laundering, or disposing of protective clothing and equipment. This requirement recognizes the fact that home laundering cannot guarantee proper standards of cleanliness; and

Whereas, In spite of state regulation and clear direction from the state's occupational health officials, at least one hospital has required hospital employees to wash their own surgical scrubs at home. Practices such as this jeopardize public health. The health community must increase efforts to eradicate this practice; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge Michigan hospitals to strengthen policies to prohibit the laundering of personal protective clothing at home; and be it further

Resolved, That copies of this resolution be transmitted to Michigan's hospitals.

The concurrent resolution was referred to the Committee on Employment Relations, Training and Safety.

Reps. Raczkowski and Kilpatrick offered the following concurrent resolution:

House Concurrent Resolution No. 113.

Weaver, Chief Justice of the Michigan State Supreme Court.

Pending the reference of the concurrent resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the concurrent resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the concurrent resolution,

The concurrent resolution was adopted.

Senate Concurrent Resolution No. 39.

A concurrent resolution to memorialize the Congress of the United States to reauthorize the Ryan White Comprehensive AIDS Resources Emergency Act.

Whereas, There are approximately 13,000 people in Michigan infected with HIV. This estimate, which includes projections for undiagnosed cases, reflects patterns mirrored across our country. For certain population groups and localities, the rate of infection is alarmingly high, especially for a condition that was virtually unknown a generation ago; and

Whereas, The Centers for Disease Control reports that approximately 700,000 people are known to be living with AIDS in the United States, with new HIV infections holding steady at roughly 40,000 a year for the last decade. While great strides have been made in treatment, especially in reducing deaths each year, this infection remains a major threat to public health; and

Whereas, The Ryan White Comprehensive AIDS Resources Emergency Act is slated to expire on September 30, 2000. This federal program, which marks its 10-year anniversary this year, provides money for health clinics treating low-income AIDS patients and for training for those caring for HIV-infected individuals. This program has been particularly effective in reaching out to the poor and minorities, groups that are at far greater risk than many others. With the successes that are being realized in HIV treatment, reauthorization of the Ryan White program is of the utmost importance; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we memorialize the Congress of the United States to reauthorize the Ryan White Comprehensive AIDS Resources Emergency Act; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.
