The People of the State of Michigan enact:

Sec. 2212b. (1) This section applies to a policy or certificate issued under section 3405 or 3631.

(2) If participation between a primary care physician and an insurer terminates, the physician may provide written notice of this termination within 15 days after the physician becomes aware of the termination to each insured who has chosen the physician as his or her primary care physician. If an insured is in an ongoing course of treatment with any other physician that is participating with the insurer and the participation between the physician and the insurer terminates, the physician may provide written notice of this termination to the insured within 15 days after the physician becomes aware of the termination. The notices under this subsection may also describe the procedure for continuing care under subsections (3) and (4).

(3) If participation between an insured's current physician and an insurer terminates, the insurer shall permit the insured to continue an ongoing course of treatment with that physician as follows:

(a) For 90 days from the date of notice to the insured by the physician of the physician's termination with the insurer.

(b) If the insured is in her second or third trimester of pregnancy at the time of the physician's termination, through postpartum care directly related to the pregnancy.

(c) If the insured is determined to be terminally ill prior to a physician's termination or knowledge of the termination and the physician was treating the terminal illness before the date of termination or knowledge of the termination, for the remainder of the insured's life for care directly related to the treatment of the terminal illness.

(4) Subsection (3) applies only if the physician agrees to all of the following:

(a) To continue to accept as payment in full reimbursement from the insurer at the rates applicable prior to the termination.

(b) To adhere to the insurer's standards for maintaining quality health care and to provide to the insurer necessary medical information related to the care.

(c) To otherwise adhere to the insurer's policies and procedures, including, but not limited to, those concerning utilization review, referrals, preauthorizations, and treatment plans.

(5) An insurer shall provide written notice to each participating physician that if participation between the physician and the insurer terminates, the physician may do both of the following:

(a) Notify the insurer's insureds under the care of the physician of the termination if the physician does so within 15 days after the physician becomes aware of the termination.

(b) Include in the notice under subdivision (a) a description of the procedures for continuing care under subsections (3) and (4).

(6) This section does not create an obligation for an insurer to provide to an insured coverage beyond the maximum coverage limits permitted by the insurer's policy or certificate with the insured.

(7) As used in this section:

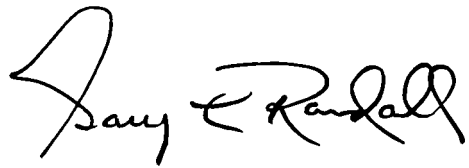

(a) "Physician" means an allopathic physician or osteopathic physician.

(b) "Terminal illness" means that term as defined in section 5653 of the public health code, 1978 PA 368, MCL 333.5653.

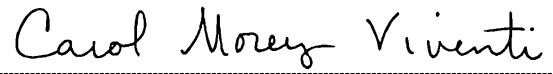

(c) "Terminates" or "termination" includes the nonrenewal, expiration, or ending for any reason of a participation agreement or contract between a physician and an insurer, but does not include a termination by the insurer for failure to meet applicable quality standards or for fraud.
