#### **House Resolution No. 148.**

A resolution honoring and thanking J. Allan Larsen.

Whereas, With deep appreciation of the diversity of talents that must come together for educational excellence to be possible, we honor Mr. J. Allan Larsen upon the occasion of his retirement. As Mr. Larsen brings to a close his service as Principal of Saginaw's Heritage High School, we add our voice of thanks to those of the teachers, students, and parents throughout this community; and

Whereas, As anyone who has spent much time around the process of education can attest, there are fewer endeavors more complex than education. The old African adage, "It takes a whole village to educate a child," certainly rings true, even in this age of computers and the Internet. Teachers, administrators, building personnel, lunch aides, bus drivers, learning assistants, and specialists all have important roles to play in helping young people become motivated and productive students. Each of these people, in turn, serves to complement the work started at home by parents and family; and

Whereas, In his work as a teacher, administrator, and principal over the past 34 years, Mr. Larsen has been part of this challenging task. With his heartfelt concern for young people and the realization of the importance of learning in our swiftly changing world, Mr. Larsen has helped countless students and strengthened our state and its future; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body honor and thank J. Allan Larsen for his commitment to the young people of Heritage High School and the community of Saginaw. May his retirement be filled with health and happiness; and be it further

Resolved, That a copy of this resolution be transmitted to J. Allan Larsen as a token of our esteem.

Pending the reference of the resolution to a committee,

Rep. Patterson moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The resolution was adopted.

**House Resolution No. 149.**

A resolution observing the week of September 17-23, 2001, as Pollution Prevention Week in Michigan.

Whereas, Pollution prevention is being promoted as a priority in achieving environmental quality in the state of Michigan in a week of observance, education, and outreach. The people of Michigan are proud of our state's beauty, natural resources, and environment; and

Whereas, The presence of pollutants may pose a threat to our environment, public health, and safety. Pollution prevention is a fundamental approach protecting the environment and maintaining the health and safety of workers in the workplace by stopping pollution before it occurs. This can benefit businesses by increasing industrial efficiency through process and material waste reduction, thereby saving businesses time and money; and

Whereas, By a proactive approach to pollution prevention, Michigan can meet the challenges of having both a sustainable environment and a healthy economy for its citizens and businesses; and

Whereas, The passage of the Clean Michigan Initiative bond fund has provided valuable new funding for pollution prevention activities and will result in greater citizen awareness and support for pollution prevention throughout the state; and

Whereas, Pollution Prevention Week is an opportunity for the people of Michigan to join together for a clean and vibrant Michigan by taking action in promoting the reduction of waste at its source. It is also an opportunity to identify where it is not feasible to reuse or recycle waste; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body observe the week of September 17-23, 2001, as Pollution Prevention Week in Michigan and encourage all businesses and community members to participate in local and regional celebratory and educational activities; and be it further

Resolved, That a copy of this resolution be transmitted to the organizers of this event as evidence of our respect and esteem.

Pending the reference of the resolution to a committee,

Rep. Patterson moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

(For text of resolution, see House Journal No. 19, p. 221.)

With the recommendation that the following substitute (H-2) be adopted and that the resolution then be adopted.

**Substitute for House Resolution No. 49**

A resolution to express support for measures that would strengthen the legal basis for halting Great Lakes water diversion by granting the Great Lakes states the specific authority to prevent water from being transported or exported out of the Great Lakes Basin.

Whereas, In 1985, the eight Great Lakes governors and the premiers of Ontario and Quebec entered into an agreement designed to safeguard the waters of the Great Lakes. Known as the Great Lakes Charter, this agreement set standards of use and cooperation that are vital to the long-term health of the lakes; and

Whereas, Over the years, there have been a variety of threats to divert water from the basin. Most observers, noting the dramatic and ever-increasing shortages of fresh water elsewhere and the advances likely to be made in technologies, feel that the future will bring more interest in water diversion strategies; and

Whereas, In reaction to past, present, and future threats to the lakes, the states of the Great Lakes Basin are working on a new agreement, known as Annex 2001. This agreement is based, in part, on the recommendations of the International Joint Commission following its study of Great Lakes water. The central aim of the agreement is to strengthen the authority of the Great Lakes governors and assure that the control over large water exports and diversions of Great Lakes water remains the responsibility of the Great Lakes states; now, therefore, be it

Resolved by the House of Representatives, That we express support for measures that would strengthen the legal basis for halting Great Lakes water diversion by granting the Great Lakes states the specific authority to prevent water from being transported or exported out of the Great Lakes Basin; and be it further

Resolved, That copies of this resolution be transmitted to the governors of the Great Lakes states and to the Michigan Department of Environmental Quality, Office of the Great Lakes.

The Speaker announced that under Rule 77 the resolution would lie over one day.
