This bill would amend the Revised School Code [1976 PA 451] to require a local school district, or intermediate school district, or the governing body of a public school academy or nonpublic school to conduct a criminal history background check for all employees before offering employment. Assuming that local school districts would hire twenty-five percent or nearly 38,000 of the fiscal year 1999-2000 employee pool; the cost to the State or the local school districts would hedge around \$900,000.
