HB 4635 (H-1) would add a new section to the Support and Parenting Time Enforcement Act (MCL 710.2) to allow a male to file a motion for relief from a court order that stated that he was a child's father or that required him to pay child support. The bill however, would prohibit the court from granting a motion for relief if any of a number of conditions exist.

HB 4635 (H-1) creates no significant fiscal impact.
