SPECIAL EDUCATION PUPILS

House Bill 4215

Sponsor: Rep. Glenn S. Anderson

Committee: Education

Complete to 2-21-01

A SUMMARY OF HOUSE BILL 4215 AS INTRODUCED 2-13-01

The bill would amend the Revised School Code to require that a school board (either of a school district or of a charter school) ensure that the number of special education students assigned to a teacher in a general education classroom not exceed the maximum number allowed to be assigned to a teacher in a special education classroom. The bill would define "special education pupil" to mean a pupil who receives special education services.
