Senate Bill 686 (Substitute S-1 as reported)
Sponsor: Senator Thaddeus G. McCotter
Committee: Health Policy

CONTENT

The bill would amend Public Act 270 of 1967, which provides for the release of certain health care information, to provide that a review entity would include a professional corporation, limited liability partnership, or partnership consisting of 10 or more allopathic physicians, osteopathic physicians, or podiatric physicians and surgeons who regularly practice peer review consistent with the requirements of the Public Health Code.

Under the Act, a person, organization, or entity may provide to a review entity information or data relating to the physical or psychological condition of a person, the necessity, appropriateness, or quality of health care rendered to a person, or the qualifications, competence, or performance of a health care provider. The Act contains a list of governmental entities, associations, and organizations that are considered review entities.
