8 Sec. 3. The secretary of state shall prepare a map and a  
9 legal description of each district constituted under this act.  
10 The legal description shall be in terms of political subdivi-  
11 sions, such as counties, cities, and townships; man-made fea-  
12 tures, such as streets, roads, highways, and railroads; and natu-  
13 ral features, such as waterways, which political subdivisions and  
14 man-made and natural features form the boundaries of the  
15 district. The secretary of state shall convey the map and legal  
16 description of each district to the legislature and the  
17 governor.

18 Sec. 4. All of the following apply to the redistricting  
19 plans in sections 1 and 2:

20 (a) In adopting the redistricting plans for the house of  
21 representatives and the senate, it is the intention of the legis-  
22 lature to comply fully with sections 1 and 1a of 1996 PA 463, MCL  
23 4.261 and 4.261a.

24 (b) The number of county breaks in the redistricting plans  
25 is determined by the following principles:

**HB 4965, As Passed Senate, June 26, 2001**

House Bill No. 4965

451

1       (i) Breaking a county line means assigning part of the  
2 population of a county to 1 or more counties in the formation of  
3 a district.

4       (ii) If population is shifted from a county to a single  
5 election district, including a district from 2  
6 geographically-separate whole cities or whole townships, there is  
7 1 break. Except as provided in subparagraph (iii), if population  
8 from a county is shifted to 2 or more election districts, there  
9 are 2 or more breaks.

10       (iii) If 1 part of a county is shifted to a district and the  
11 rest of the county is shifted to another district, there is 1  
12 break.

13       (c) The number of municipal breaks in the redistricting  
14 plans is determined by the following principles:

15       (i) Breaking a municipal line means assigning part of the  
16 population of a municipality to 1 or more municipalities or coun-  
17 ties in the formation of a district.

18       (ii) If population is shifted from a municipality to a  
19 single election district, there is 1 break. Except as provided  
20 in subparagraph (iii), if population from a municipality is  
21 shifted to 2 or more election districts, there are 2 or more  
22 breaks.

23       (iii) If 1 part of a municipality is shifted to a district  
24 and the rest of the municipality is shifted to another district,  
25 there is 1 break.

26       (d) The redistricting plans were designed to comply fully  
27 with both section 2 of the voting rights act of 1965, Public Law

**HB 4965, As Passed Senate, June 26, 2001**

House Bill No. 4965

452

1 89-110, 42 U.S.C. 1973, and the requirements of the equal  
2 protection clause of amendment XIV of the constitution of the  
3 United States, as set forth in Shaw v Reno, 509 US 630 (1993),  
4 and subsequent cases concerning racial gerrymandering. In light  
5 of these dual obligations, the plans avoid any practice or dis-  
6 trict lines that result in the denial of any racial or ethnic  
7 group's equal opportunity to elect a representative of its choice  
8 and, at the same time, does not subordinate traditional redis-  
9 tricting principles for the purpose of accomplishing a racial  
10 gerrymander or creating a majority-minority district. As a con-  
11 sequence, the plans do not result in retrogression or dilution of  
12 minority voting strength, particularly in light of the demo-  
13 graphic limitations caused by relative population losses and the  
14 neutral criteria set forth in section 1 of 1996 PA 463, MCL  
15 4.261. However, the plans do not sacrifice traditional neutral  
16 principles, such as, most importantly, preservation of county and  
17 municipal boundaries, for the purpose of engaging in a gerryman-  
18 der that unnecessarily favors 1 racial group over others.

19 (e) The plans further the underlying purpose of the state  
20 constitution of 1963 by facilitating effective representation in  
21 the legislature where elected representatives can advance the  
22 shared interests of unified municipalities or counties. They do  
23 so without sacrificing voting rights act of 1965 principles,  
24 equal electoral opportunities, or racial fairness.

25 (f) The redistricting plan for the house of representatives  
26 consists of 110 single member districts comprised of convenient

**HB 4965, As Passed Senate, June 26, 2001**

House Bill No. 4965

453

1 territories contiguous by land. All of the following apply to  
2 the plan:

3 (i) The districts range in size between 85,861 and 94,823  
4 residents.

5 (ii) The number of breaks in county boundaries is 17.

6 (iii) The number of whole cities and townships shifted to  
7 form a district with residents of another county is 66.

8 (iv) The number of residents shifted in the cities and town-  
9 ships described in subparagraph (iii) is 372,930.

10 (v) The number of breaks in city and township lines is 17.

11 (vi) The cities of Detroit and Grand Rapids each contain  
12 more than 1 whole district.

13 (vii) The range of population divergence between whole dis-  
14 tricts within the city of Detroit is 167 and within the city of  
15 Grand Rapids is 301.

16 (g) The redistricting plan for the senate consists of 38  
17 single member districts comprised of convenient territories con-  
18 tiguous by land. All of the following apply to the senate plan:

19 (i) The districts range in size between 248,631 and 274,548  
20 residents.

21 (ii) The number of breaks in county boundaries is 7.

22 (iii) The number of whole cities and townships shifted to  
23 form a district with residents of another county is 40.

24 (iv) The number of residents shifted in the cities and town-  
25 ships described in subparagraph (iii) is 357,067.

26 (v) There are no city or township line breaks.

**HB 4965, As Passed Senate, June 26, 2001**

House Bill No. 4965

454

1 (vi) No senate district is wholly contained within a city.

2 Sec. 5. As used in this act:

3 (a) "Block" means block as that term is used by the United  
4 States department of commerce, bureau of the census in conducting  
5 the 2000 decennial census.

6 (b) "Tract" means tract as that term is used by the United  
7 States department of commerce, bureau of the census in conducting  
8 the 2000 decennial census.
