11       (d) "Certified service provider" means an agent certified  
12 jointly by the states that are signatories to the agreement to

8 is not currently due under the sales and use tax acts but is  
9 intended to provide for simplification of the method of collect-  
10 ing the sales and use taxes that is currently authorized to be  
11 collected under those acts. Nothing in this act shall be con-  
12 strued to expand the tax base of the sales tax or use tax or to  
13 eliminate exemptions, but rather, this act simplifies and modern-  
14 izes the sales tax and use tax administration in order to sub-  
15 stantially reduce the burden of tax compliance for all sellers  
16 and for all types of commerce. It is the intent of the legisla-  
17 ture that all revenues collected as a result of the implementa-

24 and the use tax act, 1937 PA 94, MCL 205.91 to 205.111.

25 Sec. 5. (1) There is created a board of governance consist-  
26 ing of the following members:

9 who is a member or former member of the senate or an employee of

16 (f) One member appointed by the state treasurer.

17 (g) The governor or his or her designee.

1 agreement and recommend what state statutes are required to be  
2 amended to be substantially in compliance with the agreement.

3 (4) A business advisory council is created to advise and  
4 make recommendations to the board. The council shall consist of

6 (a) The governor shall appoint 2 members who are retail  
7 sellers domiciled in this state.

8 (b) The governor shall appoint 2 members who are large  
9 national retail sellers domiciled outside of this state but who  
10 are licensed to do business in this state.

11 (c) After the members are appointed under subdivisions (a)  
12 and (b), those members shall elect 1 retail seller domiciled in  
13 this state and 1 manufacturer domiciled in this state.

14 Sec. 6. (1) The department shall not enter into the agree-  
15 ment until legislation substantially complying with the require-  
16 ments of the agreement is enacted into law and the legislature,

20 (a) The agreement shall set restrictions to achieve more

22 (i) Limiting the number of state rates.

24 on a transaction.

25 (iii) Eliminating thresholds on the application of state

6

1 (b) The agreement shall establish uniform standards for the  
2 following:

3 (i) The sourcing of transactions to taxing jurisdictions.

4 (ii) The administration of exempt sales.

5 (iii) The allowances a seller can take for bad debts.

6 (iv) Sales and use tax returns and remittances.

7 (c) The agreement shall require signatory states to develop  
8 and adopt uniform definitions of sales and use tax terms. The  
9 definitions shall enable a signatory state to preserve its abil-  
10 ity to make policy choices that are substantially consistent with  
11 the uniform definitions.

12 (d) The agreement shall provide a central electronic regis-  
13 tration system that allows a seller to register to collect and  
14 remit sales and use taxes for all signatory states.

15 (e) The agreement shall provide that registration with the  
16 central registration system and the collection of sales and use  
17 taxes in the signatory states will not be used as a factor in  
18 determining whether the seller has nexus with a state for any  
19 tax.

20 (f) The agreement shall provide for reduction of the burdens  
21 of complying with local sales and use taxes through the  
22 following:

23 (i) Restricting and eliminating variances between each sig-  
24 natory state's tax base and the local tax bases within that  
25 state.

26 (ii) Requiring signatory states to administer any sales and  
27 use taxes levied by local jurisdictions within the state so that

1 sellers collecting and remitting these taxes will not have to  
2 register or file returns with, remit funds to, or be subject to  
3 independent audits from local taxing jurisdictions.

4 (iii) Restricting the frequency of changes in the local  
5 sales and use tax rates and setting effective dates for the  
6 application of local jurisdictional boundary changes to local  
7 sales and use taxes.

8 (iv) Providing notice of changes in local sales and use tax  
9 rates and of changes in the boundaries of local taxing  
10 jurisdictions.

11 (g) The agreement shall outline any monetary allowances that  
12 are to be provided by the signatory states to sellers or certi-  
13 fied service providers.

14 (h) The agreement shall require each signatory state to cer-  
15 tify compliance with the terms of the agreement before joining  
16 and to maintain compliance under the laws of the member state  
17 with all provisions of the agreement while a member.

18 (i) The agreement shall require each signatory state to  
19 adopt a uniform policy for certified service providers that pro-  
20 tects the privacy of consumers and maintains the confidentiality  
21 of tax information.

22 (j) The agreement shall provide for the appointment of an  
23 advisory council of private sector representatives and an  
24 advisory council of nonmember state representatives to consult  
25 with the signatory states in the administration of the

1       Sec. 7. The department with the approval of the board and  
2 subject to section 6 shall enter into the streamlined sales and  
3 use tax agreement with 1 or more states to simplify and modernize  
4 sales and use tax administration in order to substantially reduce  
5 the burden of tax compliance for all sellers and for all types of  
6 commerce. The department may act jointly with other signatory  
7 states of the agreement to establish standards for certification  
8 of a certified service provider and certified automated system  
9 and to establish performance standards for multistate sellers.  
10 The department may also take other actions reasonably required to  
11 implement the provisions of this act. Other actions authorized  
12 by this section include, but are not limited to, the promulgation  
13 of rules and regulations and the joint procurement, with other  
14 member states, of goods and services in furtherance of the coop-  
15 erative agreement. Implementation of any condition of the agree-  
16 ment in this state, regardless of when implemented, must be by  
17 the action of this state.

18       Sec. 8. (1) Any provision of the agreement or any applica-  
19 tion of a provision of the agreement to any person or circum-  
20 stance that is inconsistent with any law of this state shall not  
21 have effect.

22       (2) Nothing in this act shall be construed to amend or  
23 modify any law of this state or to limit the authority of the  
24 Michigan legislature. The agreement authorized by this act binds  
25 and inures only to the benefit of this state and the other signa-  
26 tory states. No person, other than a signatory state, is an  
27 intended beneficiary of the agreement. Any benefit to a person

1 other than a signatory state is established by the law of this  
2 state and the other signatory states and not by the terms of the  
3 agreement.

4 (3) Nothing in this act shall be construed to limit the  
5 authority of the courts in this state. A person has all the  
6 rights and remedies provided for in 1941 PA 122, MCL 205.1 to  
7 205.31. A person does not have any cause of action or defense  
8 under the agreement because of this state's approval of the  
9 agreement or on the ground that the department's action or inac-  
10 tion is inconsistent with the agreement.

11 (4) A law of this state, or the application of a law, may  
12 not be declared invalid as to any person or circumstance on the  
13 ground that the provision or application is inconsistent with the  
14 agreement.

15 (5) No provision of the agreement authorized by this act in  
16 whole or in part invalidates or amends any provision of the law  
17 of this state. Adoption of the agreement by this state does not  
18 amend or modify any law of this state.

19 Sec. 9. (1) A person may participate under this act only by  
20 registering in the central registration system provided for by  
21 the agreement.

22 (2) The department shall participate in an online registra-  
23 tion system with other signatory states that allows sellers to  
24 register online.

25 (3) A seller registered under the agreement in this state is  
26 considered registered in each of the signatory states. A seller  
27 registered under the agreement in any other signatory state is

**HB 5080, As Passed Senate, October 4, 2001**

House Bill No. 5080

10

1 considered registered in this state. A seller may also choose to  
2 register directly with other signatory states.

3 (4) A seller may cancel its registration under the agreement  
4 at any time according to the agreement. However, a seller who  
5 cancels its registration remains liable for remitting taxes col-  
6 lected to the appropriate states.

7 (5) By registering under this section, the seller agrees to  
8 collect and remit sales and use taxes according to the agreement  
9 for taxable sales in all signatory states including states that  
10 adopt the agreement after the seller registers.

11 (6) Registration of a person under the agreement and collec-  
12 tion of sales and use taxes by that person in signatory states  
13 does not provide nexus with any signatory state and shall not be  
14 used as a factor in determining nexus with a signatory state for  
15 any tax purpose.

16 Sec. 10. A seller registered under section 9 shall agree to  
17 1 of the following models for purposes of collecting and remit-  
18 ting sales and use taxes under the agreement:

19 (a) Model 1. A seller that has contracted with a certified  
20 service provider to act as its agent to perform all of the  
21 seller's sales and use tax collection functions other than the  
22 seller's obligation to remit sales or use tax on its own  
23 purchases.

24 (b) Model 2. A seller that has selected a certified auto-  
25 mated system to perform part of the seller's sales and use tax  
26 collection functions, but retains responsibility for remitting  
27 the tax.

**HB 5080, As Passed Senate, October 4, 2001**

House Bill No. 5080

11

1 (c) Model 3. A seller that has sales in at least 5  
2 signatory states, has total annual sales of \$500,000,000.00 or  
3 more, has a proprietary system that calculates the amount of tax  
4 due in each taxing jurisdiction, and has entered into a per-  
5 formance agreement with the signatory states establishing a tax  
6 performance standard for the seller. As used in this subdivi-  
7 sion, a seller includes an affiliated group of sellers using the  
8 same proprietary system.

9 Sec. 11. (1) In computing the amount of tax remitted to  
10 this state, a certified service provider under model 1 in section  
11 10(a) and a seller under model 2 in section 10(b) may deduct a  
12 base rate that applies to taxable transactions processed through  
13 the certified automated system of the certified service provider  
14 under model 1 or of the seller under model 2, in accordance with  
15 the terms of the contract entered into by the signatory states.  
16 A model 2 seller under section 10(b) who takes the deduction  
17 under this subsection, or a seller who contracted with a certi-  
18 fied service provider to act as its agent under model 1 in sec-  
19 tion 10(a), shall not take a deduction under section 4 of the  
20 general sales tax act, 1933 PA 167, MCL 205.54, or section 4f of  
21 the use tax act, 1937 PA 94, MCL 205.94f.

22 (2) In computing the amount of tax remitted to this state, a  
23 seller under model 3 in section 10(c) may only take the deduction  
24 provided for in section 4 of the general sales tax act, 1933  
25 PA 167, MCL 205.54, or section 4f of the use tax act, 1937 PA 94,  
26 MCL 205.94f.

House Bill No. 5080

12

1 (3) In addition to the deduction under subsection (1) or  
2 (2), whichever is applicable, for the period not to exceed 24  
3 months following the voluntary seller's registration under sec-  
4 tion 9, a voluntary seller may also deduct a percentage of tax  
5 revenue generated in this state by the voluntary seller in  
6 accordance with the terms of the contract entered into by the  
7 signatory states. As used in this subsection, "voluntary seller"  
8 means a seller that is not required to register to collect the  
9 tax for this state.

10 Sec. 12. (1) A certified service provider is the agent of a  
11 seller, with whom the certified service provider has contracted  
12 for the collection and remittance of sales and use taxes. As the  
13 seller's agent, the certified service provider is liable for  
14 sales and use tax due each signatory state on all sales transac-  
15 tions it processes for the seller except as provided in this  
16 section. A seller that contracts with a certified service pro-  
17 vider is not liable to this state for sales or use tax due on  
18 transactions processed by the certified service provider unless  
19 the seller makes a material misrepresentation of the type of  
20 items it sells or committed fraud. In the absence of probable  
21 cause to believe that the seller has committed fraud or made a  
22 material misrepresentation, the seller is not subject to audit on  
23 the transactions processed by the certified service provider. A  
24 seller is subject to audit for transactions not processed by the  
25 certified service provider. The signatory states acting jointly  
26 may perform a system check of the seller and review the seller's  
27 procedures to determine if the certified service provider's

1 system is functioning properly and the extent to which the  
2 seller's transactions are being processed by the certified serv-  
3 ice provider.

4 (2) A person that provides a certified automated system is  
5 responsible for the proper functioning of that system and is  
6 liable to this state for underpayments of tax attributable to  
7 errors in the functioning of the certified automated system. A  
8 seller that uses a certified automated system remains responsible  
9 and is liable to this state for reporting and remitting tax.

10 (3) A seller that has a proprietary system for determining  
11 the amount of tax due on transactions and has signed an agreement  
12 establishing a performance standard for that system is liable for  
13 the failure of the system to meet the performance standard.

14 Sec. 13. (1) Except as provided in subsection (3), a certi-  
15 fied service provider shall not retain or disclose the personally  
16 identifiable information of consumers. A certified service  
17 provider's system shall be designed and tested to assure the pri-  
18 vacy of consumers by protecting their anonymity.

19 (2) A certified service provider shall provide clear and  
20 conspicuous notice of its information practices to consumers,  
21 including, but not limited to, what information it collects, how  
22 it collects the information, how it uses the information, and  
23 whether it discloses the information to signatory states.

24 (3) A certified service provider's retention or disclosure  
25 to signatory states of personally identifiable information is  
26 limited to exemption claims because of a consumer's status or  
27 intended use of the goods or services purchased, to

14

1 investigations of fraud, and to the extent necessary to ensure  
2 the reliability of the certified service provider's technology.

3 (4) A certified service provider shall provide the necessary  
4 technical, physical, and administrative safeguards to protect  
5 personally identifiable information from unauthorized access and  
6 disclosure.

7 (5) This privacy policy is subject to enforcement by signa-  
8 tory states' attorneys general or other appropriate authorities.

9 (6) If personally identifiable information is retained for  
10 the purpose of subsection (3), in the absence of exigent circum-  
11 stances, a person shall be provided with reasonable notification  
12 of that retention and afforded reasonable access to their own  
13 data, with a right to correct inaccurately recorded data.

14 (7) The agreement does not enlarge or limit a signatory  
15 state's authority to do any of the following:

16 (a) Conduct audits or other review pursuant to section 12 as  
17 provided under this agreement and state law.

18 (b) Provide records pursuant to a signatory state's freedom  
19 of information act, disclosure laws with governmental agencies,  
20 or other regulations.

21 (c) Prevent, consistent with state law, disclosures of con-  
22 fidential taxpayer information.

23 (d) Prevent, consistent with federal law, disclosures or  
24 misuse of federal return information obtained under a disclosure  
25 agreement with the internal revenue service.

26 (e) Collect, disclose, disseminate, or otherwise use  
27 anonymous data for governmental purposes.

House Bill No. 5080

15

1 (8) As used in this section, "personally identifiable  
2 information" means information that identifies a specific  
3 person.

4 Sec. 14. (1) A person who registers as a seller under sec-  
5 tion 9 is not liable for any uncollected or nonremitted sales or  
6 use tax on transactions with purchasers in this state before the  
7 date of registration if the seller was not licensed under the  
8 sales or use tax act in this state in the 12-month period preced-  
9 ing the date this state entered into the agreement. The seller  
10 is also not responsible for any penalty or interest that may be  
11 due on those transactions.

12 (2) Subsection (1) does not apply to the following:

13 (a) Any tax liability of the registered seller for transac-  
14 tions that are subject to sales or use tax in this state in which  
15 the registered seller is the purchaser.

16 (b) Any sales or use taxes already paid or remitted to this  
17 state.

18 (c) Any transactions for which the seller received notice of  
19 the commencement of an audit and the audit is not finally  
20 resolved, including related administrative or judicial  
21 processes.

22 (3) Subsection (1) applies to the seller absent the seller's  
23 fraud or intentional misrepresentation of a material fact if the  
24 seller continues to be registered under section 9 and continues  
25 collection and remittance of applicable sales and use taxes in  
26 this state for at least 36 months. The statute of limitations

1 applicable to assessing a tax liability is tolled during this  
2 36-month period.

3       Sec. 15. (1) The department, acting jointly with the signa-  
4 tory states, may certify a person as a certified service provider  
5 if the person meets all of the following requirements:

6       (a) The person uses a certified automated system.

7       (b) The person integrates its certified automated system  
8 with the system of a seller for whom the person collects tax so  
9 that the tax due on a sale is determined at the time of the  
10 sale.

11       (c) The person agrees to remit the taxes it collects at the  
12 time and in the manner specified by the signatory states.

13       (d) The person agrees to file returns on behalf of the sell-  
14 ers for whom it collects tax.

15       (e) The person agrees to protect the privacy of tax informa-  
16 tion it obtains.

17       (f) The person enters into a contract with the signatory  
18 states and agrees to comply with the terms of the contract.

19       (2) The department, acting jointly with the signatory  
20 states, may certify a software program as a certified automated  
21 system if the signatory states determine that the program meets  
22 all of the following requirements:

23       (a) It identifies the applicable state and local sales and  
24 use tax rate for a transaction based on the uniform sourcing pro-  
25 vision established under the agreement.

26       (b) It identifies whether or not an item is exempt from  
27 tax.

1 (c) It identifies the amount of tax to be remitted for each  
2 taxpayer for a reporting period.

3 (d) It can generate reports and returns as required by the  
4 signatory states.

5 (e) It can meet any other requirement set by the signatory  
6 states.

7 (3) The department, acting jointly with the signatory  
8 states, may establish 1 or more sales tax performance standards  
9 for multistate sellers that meet the eligibility criteria set by  
10 the signatory states and that have developed a proprietary system  
11 to determine the amount of sales and use tax due on  
12 transactions.

13 Sec. 16. The committees responsible for reviewing tax
