PART 2

PROVISIONS CONCERNING APPROPRIATIONS

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state resources under part 1 for fiscal year 2002-2003 is \$118,243,400.00 and state spending from state resources to be paid to local units of government for fiscal year 2002-2003 is \$4,500,000.00. The itemized statement below identifies appropriations from which spending to units of local government will occur:

MICHIGAN STRATEGIC FUND

Economic development job training grants.....	\$	4,500,000
Total Michigan strategic fund	\$	4,500,000

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. As used in this appropriation act:

- (a) "CDBG" means community development block grant.
- (b) "CEO" means chief executive officer of the Michigan strategic fund.
- (c) "CNS" means the corporation for national services.
- (d) "DAG" means the United States department of agriculture.
- (e) "DED" means the United States department of education.
- (f) "DED-OESE" means the DED office of elementary and secondary education.
- (g) "DED-OPSE" means the DED office of postsecondary education.
- (h) "DED-OSERS" means the DED office of special education rehabilitation services.
- (i) "DED-OVAE" means the DED office of vocational and adult education.
- (j) "Department" means the department of career development.
- (k) "Director" means the director of the department of career development.
- (l) "DOL" means the United States department of labor.
- (m) "DOL-ETA" means the DOL employment and training act.
- (n) "DOL-NOICC" means the DOL national occupational information coordinating committee.
- (o) "Fiscal agencies" means the Michigan house fiscal agency and the Michigan senate fiscal agency.
- (p) "FTE" means full-time equated.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause a loss of revenue to the state, result in the inability of the state to receive federal funds, or would necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report quarterly to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the reasons to justify the exception.

Sec. 206. (1) In addition to the funds appropriated for the department and the fund in part 1, there is appropriated an amount not to exceed \$41,000,000.00 for the department and \$7,000,000.00 for the fund for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$2,000,000.00 for the department and \$1,000,000.00 for the fund for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$8,000,000.00 for the department for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$1,000,000.00 for the department and \$500,000.00 for the fund for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 207. At least 60 days before beginning any effort to privatize, the department shall submit a complete project plan to the subcommittees and the fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the fiscal agencies and to the subcommittees within 30 months.

Sec. 208. Unless otherwise specified, the department and fund shall use the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on an Internet or Intranet site. Quarterly, the department and fund shall provide to the subcommittee, state budget office, and the fiscal agencies an electronic and paper copy listing of the reports submitted during the most recent 3-month period along with the Internet or Intranet site of each report, if any.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

Sec. 210. The director or the CEO of each department and agency receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director or CEO shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.

Sec. 211. Of the funds appropriated in part 1 that are in units other than the grants unit, the department and the fund shall not provide grants to local government agencies, institutions of higher education, or nonprofit organizations unless the department or the fund provides notice of the grant to the subcommittees at least 10 days before the grant is issued or at least 72 hours before any announcement to local governmental units or the public.

Sec. 212. The department and the fund shall establish and maintain affirmative action programs based on guidelines developed by the state equal opportunity workforce planning council which was created by Executive Order No. 1996-13 in order to receive general fund/general purpose dollars.

Sec. 213. The departments and state agencies receiving appropriations under this act shall receive and retain copies of all reports funded from appropriations in part 1. These departments and state agencies shall follow federal and state guidelines for short-term and long-term retention of these reports and records.

Sec. 259. From the funds appropriated in part 1 for information technology, the department shall pay user fees to the department of information technology for technology related services and projects. Such user fees shall be subject to provisions of an interagency agreement between the department and the department of information technology.

Sec. 260. Amounts appropriated in part 1 for information technology may be designated as work projects and carried forward to support technology projects under the direction of the department of information technology. Funds designated in this manner are not available for expenditure until approved as work projects under section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a.

Sec. 261. (1) The negative appropriation for early retirement savings in part 1 shall be satisfied by savings realized from not filling all of the positions lost due to the early retirement plan for state employees enacted in 2002 PA 93 amendments to the state employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69.

(2) The negative appropriation for budgetary savings in part 1 shall be satisfied by savings from the hiring freeze imposed under section 205, efficiencies, and other savings identified by the department director and approved by the state budget director.

(3) Appropriation authorization adjustments required due to negative appropriations for early retirement savings and budgetary savings shall be made only after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 262. (1) Subject to subsection (2), in addition to the amounts appropriated under part 1, the following amounts are appropriated for the fiscal year ending September 30, 2003:

- (a) \$1,000,000.00 is appropriated to the council of Michigan foundations from the tobacco settlement trust fund.
- (b) \$250,000.00 is appropriated to focus:HOPE from the state general fund.
- (c) \$225,000.00 is appropriated to adult education learning grants from the state general fund.
- (d) \$6,800,000.00 is appropriated to economic development job training grants from the state general fund.
- (e) \$700,000.00 is appropriated to the Michigan promotion program from the state general fund.

(2) The appropriations in subsection (1) shall become effective only if the tax on cigarettes under the tobacco products tax act, 1993 PA 327, MCL 205.421 to 205.436, is increased by 30 cents or more per pack of cigarettes on or before September 30, 2002.

DEPARTMENT OF CAREER DEVELOPMENT

Sec. 301. The Michigan career and technical institute may receive equipment and in-kind contributions for the direct support of staff services through the Pine Lake fund, the Delton-Kellogg school district or other local or intermediate school district, or any combination of local or intermediate school districts in addition to those authorized in part 1.

Sec. 302. The Michigan rehabilitation service shall make every effort to ensure that all sources of matching funds in this state are used to obtain federal vocational rehabilitation funds. All sources include, but are not limited to, privately raised funds to support public nonprofit rehabilitation centers as permitted by the rehabilitation act of 1973, Public Law 93-112, 29 U.S.C. 701 to 718, 720 to 751, 760 to 765, 771 to 776, 780 to 785, 791 to 794e, 795 to 795n, and 796 to 796l.

Sec. 303. The local match requirements for vocational rehabilitation facilities establishment grants shall not exceed 21.3% for the fiscal year ending September 30, 2003.

Sec. 304. (1) Of the funds appropriated in part 1 for vocational rehabilitation independent living, all general fund/general purpose revenue not used to match federal funds shall be used for the support of centers for independent living which are in compliance with federal standards for such centers, for the development of new centers in areas presently unserved or underserved, for technical assistance to centers, and for projects to build capacity of centers to deliver independent living services. Applications for such funds shall be reviewed in accordance with criteria and procedures established by the statewide independent living council, the Michigan rehabilitation services unit within the department, and the Michigan commission for the blind. Funds must be used in a manner consistent with the priorities established in the state plan for independent living. The department is directed to work with the Michigan association of centers for independent living and the local workforce development boards to identify other competitive sources of funding.

(2) The statewide independent living council and the Michigan association of centers for independent living shall jointly produce a report providing the following information:

(a) Results in terms of enhanced statewide access to independent living services to individuals who do not have access to such services through other existing public agencies, including measures by which these results can be monitored over time. These measures shall include:

(i) Total number of persons assisted by the centers and a comparison to the number assisted in the previous year.

(ii) Number of persons moved out of nursing homes into independent living situations and a comparison to the number assisted in the previous year.

(iii) Number of persons for whom accommodations were provided to enable independent living or access to employment and a comparison to the number assisted in the previous year.

(iv) The total number of disabled individuals served by personal care attendants and the number of personal care attendants provided through the use of any funds appropriated in part 1 administered by a center for independent living and a comparison to the number served in the previous year.

(b) Information from each center for independent living receiving funding through appropriations in part 1 detailing their total budget for their most recently completed fiscal year as well as the amount within that budget funded through the vocational rehabilitation independent living grant program referenced in part 1, the total amount funded through other state agencies, the amount funded through federal sources, and the amount funded through local and private sources.

(c) Savings to state taxpayers in other specific areas that can be shown to be the direct result of activities funded from the vocational rehabilitation independent living grant program during the most recently completed state fiscal year.

(3) The report required in subsection (2) shall be submitted to the appropriate appropriations subcommittees, the fiscal agencies, and the state budget director on or before January 30, 2003.

Sec. 305. (1) The appropriation in part 1 to the department for the work first program shall be expended for grants which provide employment and training services to family independence program applicants and recipients and may be expended for grants which provide employment and training services to former family independence program recipients, as well as to recipients of noncash public assistance, specifically child day care, Medicaid, or food stamp benefits. The work first program, however, shall not be construed to be an entitlement to services.

(2) An applicant may be a school district, intermediate school district, community college, public or private nonprofit college or university, nonprofit organization that provides school-to-work transition programs or that provides employment and training services or vocational rehabilitation programs or state licensed accredited vocational or technical education programs, proprietary school licensed by the state board of education, local workforce development board, or a consortium consisting of any combination of school districts, intermediate school districts, community colleges, nonprofit organizations described in this subsection, licensed proprietary schools, or public or private nonprofit colleges or universities described in this subsection.

(3) When the work first job search requirements have been completed, if the participant has not found employment, the work first site shall identify the barriers which may have prevented the participant from obtaining employment and assist the client in removing those barriers. The work first site shall also identify appropriate education and job training programs which would be available to the participant. The department shall encourage the Michigan works! agencies to consider transportation challenges for work first participants placed in employment. When an individual is re-referred to work first because of an inability to retain employment, the department shall confer with the Michigan rehabilitation services, the family independence agency, or other professionals if deemed appropriate by the Michigan works! agency to screen for and identify issues that are preventing the participant from succeeding in the labor market. Each Michigan works! agency shall determine locally the number of times an individual may be re-referred back to the program before consulting with other service agencies. If no prohibitive barriers to work are found, the individual shall comply with the work first program, or be subject to appropriate penalties.

(4) Work first program participants shall include applicants and recipients of the family independence program established under section 57a of the social welfare act, 1939 PA 280, MCL 400.57a, and such individuals referred to a job club program by a county family independence agency board or a county friend of the court as long as the participation in the job club is part of an application made under this section.

(5) Participants in the work first program shall not be enrolled and counted in membership in a school district or intermediate school district.

(6) The department will work with the family independence agency to coordinate support services to work first participants relating to special/emergency needs.

(7) Work first program participants must receive or be provided an explanation of the program including their benefits and responsibilities before the job interview phase of the program. This explanation shall include clear guidelines with regard to an individual's eligibility for postemployment training support and for applying hours in training toward federal work requirements.

(8) The department shall make every effort to place a minimum of 50% of clients who participate in the work first program in positions that provide wages of \$6.00 per hour or more.

(9) The department shall submit to the fiscal agencies and the state budget director by March 15, 2003, a report on the work first program, including the number of participants served under this section, the number of persons who located employment through work first, the average wage of participants who found employment, the number of persons who retained jobs for 90 days, the number of participants placed in employment training and education programs, the number of clients referred to work first who failed to report, a compilation of barriers to employment by incidence and type experienced by participants, and the number of participants referred back to the family independence agency.

(10) The department shall provide to the state budget director and the fiscal agencies by May 15 and November 15 of each year a report on the work first grants. The report due by May 15 shall provide the information described in this subsection for each grant or contract awarded during the preceding 2 quarters of the state fiscal year. The report due by November 15 shall provide this information for each grant or contract awarded during the preceding full fiscal year. The report shall contain both of the following:

(a) The amount and recipient of each grant or contract.

(b) The number of participants in each service delivery area and the number of clients placed in employment in each service delivery area.

(11) The department shall make available to work first participants guidelines on eligibility for postemployment training and how training/education hours are applied toward federal work participation requirements. These guidelines will be presented during joint orientation conducted by the family independence agency and the department contracted staff in accordance with department policy issuances and family independence agency program bulletins. These guidelines presented by the department and the family independence agency shall balance the ability of participants to obtain training and subsequent long-term high-wage employment with the need to connect participants with the workplace. Any and all training/education, with the exception of high school completion and GED preparation, must be occupationally relevant and in demand in the labor market as determined by the workforce development board. Participants must make satisfactory progress to continue in a training/education component.

(12) The work participation requirement is up to 40 hours per week. However, work first participants may meet the work participation requirement by combining a minimum of 10 hours per week of work with training/education. Training/education may last up to 12 months and the calculated hours may include actual classroom seat time up to 10 hours per week plus up to 1 hour of study time for each hour of classroom seat time. The combined work and training/education hours must equal the minimum number of hours required to meet the federal work participation requirements, 30 hours per week for a single parent, 35 hours per week for 2-parent families, 55 hours if utilizing federally funded day care, and 20 hours per week for single parents with a child under the age of 6. Work first participants may enroll in additional hours of classroom seat time beyond 10 hours. However, these hours and the related study time will not count toward the work participation requirement. The training may be no longer than a 1-year program or the final year of a 2- or 4-year undergraduate program designed to lead to immediate labor force attachment.

(13) Work first participants may meet the federal work participation requirement through enrollment in a short-term vocational program requiring 30 hours of classroom seat time per week for a period not to exceed 6 months, or by enrollment in full-time internships, practicums, or clinicals required by an academic or training institution for licensure, professional certification, or degree completion, without an additional work requirement. Two-parent families who receive federally funded day care must work an additional 25 hours per week to meet the federal work participation requirement. In cases where a short-term vocational program lasts less than 6 months, the participant shall be eligible to enroll in 1 additional short-term vocational program for a combined period not to exceed a total of 6 months.

(14) Work first participants who lack a high school diploma or GED and who enroll in high school completion or classes to obtain a GED may count up to 10 hours of classroom seat time, combined with a minimum number of hours

of work per week, to meet their federal work participation requirement. There shall be no time limit on high school completion. GED preparation shall be limited to 6 months.

Sec. 306. (1) Using all relevant state data sources, the department shall conduct a 3-year longitudinal study of all former work first participants, whose family independence program cases closed due to earnings during fiscal year 1999 and in succeeding fiscal years. The data will include the following:

- (a) The number and percentage employed.
- (b) The average hourly wage of those employed.
- (c) The current hourly wage of those employed.
- (d) The range of wages earned by those employed.
- (e) The number of individuals that earned each wage amount.
- (f) The number and percentage receiving health care benefits from their employer.
- (g) The number and percentage receiving tuition reimbursement from their employer.
- (h) The number and percentage receiving training benefits from their employer.
- (i) The type of jobs obtained by former participants in general categories.
- (j) The length of time former participants have retained their jobs, or if participants have had more than 1 job, the length of time employed at each job.
- (k) The number and percentage continuing to receive any type of public assistance.
- (l) If the former recipient has children, whether the children are enrolled in and attending school.
- (m) The extent to which the former participant feels that they and their family are better off now than when they were on cash assistance with regard to household income, housing, food and nutritional needs, child health care, and access to health insurance coverage.

(2) The department shall file a report containing the identified data with the subcommittees, fiscal agencies, and state budget director by March 15, 2003.

(3) The department shall cooperate with the family independence agency in formulating and acquiring the identified data.

(4) The department may retain a third party to conduct the studies to obtain the data identified under this section.

Sec. 307. State and federal funds allocated to local workforce development boards for disbursement shall not be expended unless the local workforce development boards maintain a partnership with governmental agencies, public school districts, and public colleges located within the local service delivery area. Each board shall appoint an education advisory group made up of high-level administrators within local educational institutions, workforce development board members, other employers, labor, academic educators, and parents of public school pupils.

Sec. 309. (1) Of the funds appropriated in part 1 for precollege programs in engineering and the sciences, \$558,000.00 shall be provided in the form of a grant to the Detroit precollege engineering program, incorporated and \$382,200.00 shall be provided in the form of a grant to the Grand Rapids area precollege engineering program.

(2) The department shall submit a report to the subcommittees and the fiscal agencies by February 1, 2003 regarding dropout rates, grade point averages, enrollment in science, engineering, and math-based curricula, and employment in science, engineering, and math-based fields for students within the programs. The report shall continue to evaluate the effectiveness of the precollege programs in engineering and sciences funded through part 1 appropriations and shall make recommendations on whether state support to expand such programs to other areas of the state is warranted in future fiscal years.

Sec. 310. Funds earned or authorized by the United States department of labor in excess of the gross appropriation in part 1 for the employment service agency from the United States department of labor are appropriated and may be expended for staffing and related expenses incurred in the operation of its programs. These funds may be spent after the department notifies the subcommittees, fiscal agencies, and the state budget office of the purpose and amount of each grant award.

Sec. 311. (1) The department shall have at least 1 disabled veterans outreach program specialist or local veterans employment representative present, if able and willing to serve, at each Michigan works! employment services office on a full- or part-time basis during hours of operation.

(2) The department shall ensure that each Michigan works! employment services office shall have the necessary equipment to allow the disabled veterans outreach specialist or local veterans employment representative to perform his or her duties in the same manner they were performed prior to February 1, 1999.

(3) The department shall require each Michigan works! employment services office to have an employee available to ask each individual who enters the office for service whether that individual is a veteran and to refer each veteran to the disabled veterans outreach program specialist or local veterans employment representative on duty at the time.

(4) The department shall require that each Michigan works! employment services office shall have posted in a conspicuous place within the office a notice advising veterans that a disabled veterans outreach program specialist or a local veterans employment representative is available to assist him or her.

(5) The department shall require each Michigan works! employment services office to provide free mediated services to employers wishing to hire a veteran.

(6) The department shall continue to make the appropriate placement of veterans and disabled veterans a priority.

Sec. 312. The department shall report to the subcommittees by September 30, 2003, on the distribution of the Michigan community service commission volunteer investment grants.

Sec. 313. The funds appropriated in part 1 for the council of Michigan foundations from tobacco settlement revenue shall be distributed to the council of Michigan foundations as a grant to support local community efforts to address youth and senior health needs. The council may distribute the funds according to a formula determined by the council or may invest these funds. Any investment earnings from this appropriation shall be used for the same purpose as the original appropriation.

Sec. 314. The department may carry into the succeeding fiscal year unexpended federal pass-through funds to local institutions and governments that do not require additional state matching funds. Federal pass-through funds to local institutions and governments that are received in amounts in addition to those included in part 1 and that do not require additional state matching funds are appropriated for the purposes intended.

Sec. 315. Of the amounts appropriated in part 1 for postsecondary education, private occupational school license fees shall fund related administrative costs of the proprietary schools oversight unit within the department.

Sec. 316. Money in the school fee fund that is unexpended at the end of the fiscal year may be carried over to the succeeding fiscal year.

Sec. 317. The department is appropriated an amount not to exceed \$100,000.00 from collection of defaulted loans under the future faculty program in the Martin Luther King, Jr. - Cesar Chavez - Rosa Parks programs to offset costs of administering the loan collections.

Sec. 318. From the funds appropriated in part 1 for postsecondary education, the department shall compile data from each university that receives funding for the future faculty program within the King-Chavez-Parks initiative on employment outcomes for program participants. The report shall be distributed to the house and senate appropriations committees by February 1 of each year. The report shall include data from each participating university covering the most recently completed fiscal year. The data shall include all of the following:

(a) The number of participants receiving support under the program.

(b) The number of participants obtaining full-time employment.

(c) The number of participants obtaining full-time employment in college faculty positions.

(d) The number of participants obtaining full-time employment in college faculty positions within the university through which they received future faculty program support for graduate studies.

Sec. 319. The appropriation in part 1 for adult education shall be utilized to support the administration of up to \$100,000,000.00 in general fund/general purpose revenue for adult education programs. It is the intent of the legislature that department staff funded through the appropriation in part 1 ensure that at least \$75,000,000.00 in adult education program funding be distributed through the existing grant process as outlined in section 107 of the state school aid act of 1979, 1979 PA 94, MCL 388.1707. No more than \$20,000,000.00 may be administered through any alternative process.

Sec. 320. The department shall work with the department of community health to establish a Medicaid buy-in program for the working disabled through the options available under the federal ticket to work and work incentives improvement act of 1999.

Sec. 321. The King-Chavez-Parks initiative shall be marketed by the department to Michigan parents and high school and college students, to promote the benefits and the availability of the college day, select student support services, college/university partnership, visiting professors, Morris Hood, Jr. educator development, and future faculty programs. The department shall provide a report to the subcommittees on December 30, 2002, identifying all efforts

taken to market these programs, including, but not limited to, the amount of funding allocated for this purpose, the fund source and any expenditures or encumbrances relating to this marketing effort. It is the intent of the legislature that the department administer the King-Chavez-Parks initiative in the same manner as when it was previously contained in the department of education and consistent with all boilerplate language pertaining to the above listed programs as included in the appropriations act for higher education institutions.

Sec. 325. The department shall work cooperatively with the department of civil service to identify state employees who will lose their jobs as a result of an agency or program being reorganized, modified, or eliminated and shall develop training programs and provide training to these individuals that will provide them an opportunity and skills necessary to secure new employment within state government or the private sector. It shall be a priority of the department to provide training and employment opportunities to these individuals through their employment service locations.

Sec. 326. From the funds appropriated in part 1 to job training programs subgrantees, the department shall allocate sufficient funds to the Michigan works! service centers to allow these centers to remain fully operational.

Sec. 327. It is the intent of the legislature that the department shall work with the disability rights coalition to identify all sources of state funding that may be used to match federal or private funding to create a loan program for assistive technology for persons with disabilities.

Sec. 328. From the funds appropriated in part 1 for the Michigan virtual university, the department shall work with the Michigan virtual university to do the following:

(a) Promote the use of education technology to accelerate career and workforce development by improving the learning environment, stimulating innovative teaching methods, and providing residents of this state with greater technology-based career choices.

(b) Promote technology-based training to public and private sector organizations that emphasize partnerships between public education and the business sector.

(c) Support and encourage various collaborative efforts among educational institutions and government agencies to meet the training needs of the state's workforce.

Sec. 329. (1) Focus:HOPE shall submit a report on the use of the grant's funds appropriated in part 1 to the chairs of the house and senate subcommittees and the fiscal agencies that includes, but is not limited to, the following:

(a) Detailed expenditures for administration including salaries and wages of employees.

(b) Amount allocated for education and training programs including number of students served by each program.

(c) Amount allocated for job search assistance and career planning including the number of students served by each program.

(d) Detailed expenditures for any contracts entered into with the use of these funds.

(e) Detailed expenditures for any program enhancements including number of new hires and capital expenditures.

(2) The report shall be submitted on or before January 31, 2003.

MICHIGAN STRATEGIC FUND

Sec. 401. (1) The appropriation in part 1 to the fund for economic development job training shall be expended for competitive grants that ensure employers have the trained workers they need to compete in the global economy. The fund shall expedite grant awards for employers locating or expanding in Michigan and thereby creating significant numbers of new jobs in the state. The fund shall award all grants in the first 2 quarters of the state fiscal year but this requirement shall not be applicable to funds available for the rapid response grants as allowed in subsection (10), funds contained in the Michigan growth capital fund as allowed in subsection (22), and the university research grant match as allowed in subsection (21).

(2) Not more than 5% of the total grant, administration, and operating funds appropriated in part 1 for the fund's economic development job training grants program may be expended for administrative costs. Not more than 12% of the total grant awarded to recipients may be expended for administration costs.

(3) No funds appropriated in part 1 to the fund for economic development job training grants may be expended for the training of permanent striker replacement workers.

(4) Of the total funds appropriated in part 1 for economic development job training grants, at least 90% of the funds shall be awarded to community colleges or a consortium of community colleges and other eligible applicants pursuant to subsection (6).

(5) Training grants provided by private sector trainers may reach or exceed 20% of total grants, but not less than 10%.

(6) An applicant may be a school district, intermediate school district, community college, public or private nonprofit college or university, nonprofit organization whose primary purpose is to provide education programs or employment and training services or vocational rehabilitation programs or school-to-work transition programs, local workforce development board, the headquarters of a federal and state sponsored manufacturing technology center, or a consortium consisting of any combination of school districts, intermediate school districts, community colleges, nonprofit organizations described in this subsection, or public or private nonprofit colleges or universities described in this subsection.

(7) On or before October 1, 2002, the fund shall publish proposed application criteria, instructions, and forms for use by eligible applicants. The fund shall provide at least a 2-week period for public comment prior to finalization of the application criteria, instructions, and forms.

(8) The award process will include a simple notice of intent to be reviewed to see if the application merits further consideration. If so, a full application may be submitted. Applications for all grants shall be submitted to the fund, and each application shall contain at least all of the following:

(a) The name, address, and total number of employees of each business organization whose employees are receiving job training.

(b) A description of the specific job skills that will be taught.

(c) A clear statement of the project's scope of activities and number of participants to be involved.

(d) A commitment to maintain participant records in a form and manner required by the fund.

(e) A budget which relates to the proposed activities and various program components.

(9) Priority in the fund's awarding of grants shall be based on the following criteria:

(a) Demonstrated need for the type of training offered.

(b) Creation and/or retention of high wage and high skilled level jobs.

(c) Other criteria determined by the fund to be important.

(10) Not more than \$5,000,000.00 of the amount appropriated in part 1 for economic development job training may be allocated to rapid response grants for employee training programs which maintain or attract permanent jobs for Michigan residents. A grant under this subsection shall be awarded to eligible applicants under subsection (1).

(11) Participants in economic development job training programs shall be 16 years or older and not enrolled and counted in membership in a school district or intermediate school district.

(12) Funds allocated under this section shall be for the purpose of ensuring that employers have trained workers they need to compete in the global economy. The fund shall have on file a specific plan to accomplish its objectives.

(13) A recipient of a grant under this section shall not charge tuition or fees to participants in the program funded by the grant. However, a nonprofit organization may charge tuition or fees if the tuition plan or fees are recognized by the state and the nonprofit organization receives additional funding from other governmental or private funding sources for its programs.

(14) For incumbent worker training, the business organization shall provide 25% of the program costs in matching funds as determined by the program.

(15) Grant funds shall be expended on a cost reimbursement basis.

(16) A recipient of a grant under this section shall allow the fund or the agency's designee to audit all records related to the grant for all entities that receive money, either directly or indirectly through a contract, from the grant funds. A grant recipient or contractor shall reimburse the state for all disallowances found in the audit.

(17) The fund shall provide to the state budget director and the fiscal agencies by April 15 and November 1 of each year a report on the economic development job training grants. The report due by April 15 shall provide the information described in this subsection for each grant or contract awarded during the preceding 2 quarters of the state fiscal year. The report due by November 1 shall provide this information for each grant or contract awarded during the preceding full fiscal year. The report shall contain all of the following:

(a) The amount and recipient of each grant or contract.

(b) The number of participants under each grant or contract and the number of new hires who are in training under the grant.

(c) The names, addresses, and total number of employees of all business organizations for whom training is or will be provided.

(d) The matching funds, if any, to be provided by a business organization.

(18) Of the funds appropriated in part 1 for economic development job training grants, the fund shall not use these funds to finance the startup or in any way subsidize any private distributor of liquor products in Michigan.

(19) As a condition of receiving funds under part 1 of this act, the fund shall not expend any of the economic development job training grant funds to train any employee who is an officer of a corporation in a corporation employing more than 250 employees.

(20) Of the funds appropriated in part 1, \$1,000,000.00 may be used for a recruitment program. This will be a program that provides worker recruitment assistance to companies in Michigan. Priority for using the funds shall be to recruit workers from outside the state of Michigan. However, in the event funds are available for in-state recruitment efforts, the Michigan works! agencies shall be utilized unless they indicate they are unable to provide the service.

(21) The Michigan growth capital fund shall be used to develop the technology business sector in Michigan. The fund will be used to encourage private and public investment in the technology business sector, and all of the following apply:

(a) An applicant must match state funds on a 1:1 basis.

(b) Eligible uses of the fund include investments in organizations and programs that promote the development of new industry sectors in Michigan; inducements to attract additional venture capital funds to finance technology development; support organizations, initiatives, or events that promote entrepreneurship; provide match for university federal research grants; and support technology transfer and commercialization programs with universities and the private sector.

(c) The Michigan economic development corporation shall administer the Michigan growth capital fund.

(d) All funds received from repayment of loans, unused grants, revenues received from sales or cash flow participation agreements, guarantees, or any combination thereof or interest thereon, originally distributed as part of the Michigan growth capital fund, shall be received, held, and applied by the Michigan strategic fund for the purposes described in this subsection.

(e) The Michigan economic development corporation shall provide an annual report on the status of Michigan growth capital fund to the subcommittees, the fiscal agencies, and the state budget office by January 31, 2003.

(22) Of the funds appropriated in part 1, \$1,000,000.00 may be used to provide match for federal research grants made to Michigan public universities. These funds shall be distributed through a competitive grant program. No grant shall be greater than \$500,000.00 and no university shall receive more than 1 grant in a fiscal year.

(23) It is the intent of the legislature that the fiscal year 2003 economic development job training grant program be continued in fiscal year 2004 and be funded at a level not less than that in effect in fiscal year 2002.

Sec. 402. Travel Michigan may establish and collect a fee to cover the cost of materials and processing of photographic prints, slides, videotapes, and travel product database information that are requested by the media and other segments of the public and private sectors. The fees collected shall be appropriated for all expenses necessary to purchase and distribute these photographic prints, slides, videotapes, and travel product database information. The funds are available for expenditure when they are received by the department of treasury.

Sec. 403. The fund shall submit an annual status report to the subcommittees, fiscal agencies, and the state budget director on all activities, grants, and investment programs financed from the strategic fund using investment or Indian gaming revenues. The report shall provide a list of individual grants and loans made from the fund.

Sec. 404. Travel Michigan may receive and expend private revenue related to the use of the "Michigan Great Lakes. Great Times." copyrighted slogan and image. This revenue may come from the direct licensing of the name and image or from the royalty payments from various merchandise sales. Revenue collected is appropriated for the marketing of the state as a travel destination. The funds are available for expenditure when they are received by the department of treasury.

Sec. 405. Of the funds appropriated in part 1 for the Michigan promotion program, at least 25% of all program funds shall be used to promote cultural tourism opportunities in Michigan. In addition, \$25,000.00 shall be used to promote tourism activities in the northeast region of this state.

Sec. 406. The fund shall submit on or before May 1, 2003, and November 1, 2003, to the subcommittees, state budget office, and the fiscal agencies a listing of all grants which have been awarded by the fund or by the Michigan economic development corporation from the funds appropriated in part 1. The list shall include all of the following:

(a) The name of the recipient.

(b) The amount awarded to the recipient.

(c) The purpose of the grant.

Sec. 407. (1) The fund shall provide reports to the relevant subcommittees, the state budget director, and the fiscal agencies concerning the activities of the Michigan economic development corporation. The report shall include, but not be limited to, the following programs funded in part 1:

- (a) Travel Michigan.
- (b) Michigan business development.
- (c) Global business development.
- (d) Small, minority, and disabled business services.
- (e) Community development block grants.
- (f) Strategic fund administration.
- (g) Renaissance zones.
- (h) Business roundtables.
- (i) Business and clean air ombudsman.
- (j) Economic development job training grants.
- (k) Health and aging research and development initiative.
- (l) Community assistance team.
- (m) Any other programs of the fund.

(2) The reports in subsection (1) shall be submitted by January 1, 2003. The report for each program in subsection (1)(a) through (m) shall include details on the actual spending and number of FTEs for that program for the previous fiscal year.

Sec. 408. As a condition of receiving funds under part 1, any interlocal agreement entered into by the fund shall include language which states that if a local unit of government has a contract or memorandum of understanding with a private economic development agency, the Michigan economic development corporation will work cooperatively with that private organization in that local area.

Sec. 409. (1) Of the funds appropriated to the fund or through grants to the Michigan economic development corporation, no funds shall be expended for the purchase of options on land or the purchase of land unless at least 1 of the following conditions applies:

- (a) The land is located in an economically distressed area.

(b) The land is obtained through a purchase or exercise of an option at the invitation of the local unit of government and local economic development agency.

(2) Consideration may be given to purchases where the proposed use of the land is consistent with a regional land use plan, will result in the redevelopment of an economically distressed area, can be supported by existing infrastructure, and will not cause shifts in population away from the area's population centers.

(3) As used in this section, "economically distressed area" means an area in a city, village, or township that has been designated as blighted; a city, village, or township that shows negative population change from 1970 and a poverty rate and unemployment rate greater than the statewide average; or an area certified as a neighborhood enterprise zone.

Sec. 410. (1) The funds appropriated in part 1 for the life sciences corridor initiative are appropriated to support basic and applied research in health-related areas, with emphasis on issues related to aging. The program shall be administered by the Michigan economic development corporation.

(2) A life sciences steering committee, appointed by the governor, shall consist of 14 members including the CEO of the Michigan economic development corporation, a member from Michigan State University, the University of Michigan, Wayne State University, the Van Andel Institute, and 2 members from the private sector. The remaining members shall be appointed at large and may include members from the private sector, public sector, or other Michigan universities. Committee members are authorized to designate alternate members. The purpose of the steering committee is to provide advice and oversight of the initiative, including the development of criteria for the award of contracts or grants to qualifying universities, institutions, or individuals. The steering committee will make decisions regarding distribution of these grant funds and has the authority to make adjustments to the category funding percentage from basic research and collaborative research grants to the commercialization fund based upon the demands within categories and the quality of the applications received.

(3) Of the funds appropriated, up to \$2,500,000.00 may be used for administering the initiative and not less than \$5,000,000.00 shall be used to support a commercial development fund to support commercialization opportunities for life science research in Michigan. In allocating funding to the commercial development fund, it is the intent of the legislature that the life sciences steering committee give maximum priority to supporting all potential commercialization opportunities that appear to have merit. Of the remaining funds appropriated, 45% are allocated for a basic research fund,

to be distributed on a competitive basis to Michigan universities or Michigan nonprofit research institutes, or both, for basic research in health-related areas. Not less than \$4,000,000.00 is allocated to research related to aging diseases and health problems. In addition, 55% of the remaining appropriated funds are earmarked for a collaborative research fund to support peer-reviewed collaborative grants among Michigan universities and/or private research facilities, with emphasis on testing or developing emerging discoveries.

(4) Repayment of any funds received as a result of awards made under 1999 PA 120, 2000 PA 292, 2001 PA 80, or this act including, but not limited to, funds received as interest or return on investment shall be deposited in the fund described in subsection (3) from which it was awarded to be expended for the same purposes. These funds are authorized for expenditure upon receipt and shall not lapse to the general fund.

(5) The records of the life sciences steering committee involving a proposal submitted by an eligible entity that are of a scientific, technical, or proprietary nature, the release of which could cause competitive harm to the eligible entity as determined by the health and aging steering committee, are exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

Sec. 411. The money appropriated in part 1 to the fund is subject to the condition that none is spent for premiums or advertising material involving personal effects or apparel including, but not limited to, t-shirts, hats, coffee mugs, or other promotional items, except travel Michigan.

Sec. 412. (1) From the general fund/general purpose appropriations in part 1 to the fund and granted or transferred to the Michigan economic development corporation, any unexpended or unencumbered balance shall be disposed of in accordance with the requirements in the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594, unless carryforward authorization has been otherwise provided for.

(2) Any encumbered funds shall be used for the same purposes for which funding was originally appropriated in this act.

Sec. 413. As a condition of receiving funds under part 1, the fund shall ensure that a public body corporate, created under section 28 of article VII of the state constitution of 1963, and the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, by a contractual interlocal agreement between local participating economic development corporations formed under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, and the Michigan strategic fund, complies with all of the following:

- (a) The freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.
- (b) The open meetings act, 1976 PA 267, MCL 15.261 to 15.275.
- (c) Annual audits of all financial records by the auditor general or his or her designee.
- (d) All reports required by law to be submitted to the legislature.

Sec. 414. As a condition for receiving the appropriations in part 1, any staff of the Michigan economic development corporation involved in private fund-raising activities shall not be party to any decisions regarding the awarding of grants or tax abatements from the Michigan strategic fund, Michigan economic development corporation, or the Michigan economic growth authority.

Sec. 415. (1) All funds received from repayment of loans, unused grants, revenues received from sales or cash flow participation agreements, guarantees, or any combination thereof or interest thereon, originally distributed as part of the core communities fund, shall be received, held, and applied by the Michigan strategic fund for the purposes described in this act.

(2) The fund shall provide an annual report on the status of this fund. The report shall be provided to the subcommittees, the fiscal agencies, and the state budget office by January 31, 2003.

Sec. 416. Travel Michigan shall coordinate with Michigan-based ethnic destination marketing organizations to promote ethnic festivals and events in Michigan target markets.

Sec. 418. (1) The funding appropriated in part 1 of 2000 PA 291 for the Michigan core communities fund will be used to create an urban revitalization infrastructure program in the Michigan strategic fund for economic development awards to create new jobs or contribute to redevelopment and encourage private investment in core communities.

(2) Awards will be provided to qualified local governmental units as defined in the obsolete property rehabilitation act, 2000 PA 146, or certified technology parks, as defined in the local development financing act, 1986 PA 281, MCL 125.2151 to 125.2174.

(3) Awards can be used for land and property acquisition and assembly, demolition, site development, utility modifications and improvements, street and road improvements, telecommunication infrastructure, site location and relocation, infrastructure improvements, and any other costs related to the successful development and implementation

of core community or certified technology park projects, at the discretion of the Michigan economic development corporation.

(4) Funding may be provided in the form of loans, grants, sales or cash flow participation agreements, guarantees, or any combination of these. A cash match of at least 10%, or local repayment guarantee with a dedicated funding source, is required. Priority shall be given to projects which are integrated with existing economic development programs, and to projects in proportion to the amount that local matching rates exceed 10%.

(5) The Michigan economic development corporation shall have all administrative responsibility for the Michigan core communities fund and shall establish application and application scoring criteria and approve awards. The Michigan economic development corporation may utilize up to 1/2 of 1% of the fund for administrative purposes.

(6) Funds will be awarded through an open competitive process based on criteria including the following: project impact, project marketability, lack of adequate infrastructure or land assembly financing sources, local administrative capacity, and the level of local matching funds. Awardees shall agree to expedite the local development process, such as fast-track permitting procedures, streamlined regulatory requirements, standardized construction and building codes, and the use of competitive construction permitting fees.

(7) No single applicant shall be awarded more than \$10,000,000.00 per project.

(8) Fifteen days prior to the award of the funds, notification shall be provided to the speaker of the house of representatives, the senate majority leader, the members of the house and senate appropriations committees, and the house and senate fiscal agencies.

(9) Funds shall not be awarded for any of the following purposes:

(a) Land sited for use as, or support for, a gaming facility.

(b) Land or other facilities owned or operated by a gaming facility.

(c) Publicly owned land or facilities which may directly or indirectly support a gaming facility.

(10) As used in this section, "Michigan economic development corporation" means the public body corporate created under section 28 of article VII of the state constitution of 1963 and the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, by a contractual interlocal agreement effective April 5, 1999, between local participating economic development corporations formed under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, and the Michigan strategic fund. If the Michigan economic development corporation is unable for any reason to perform its duties under this act, the Michigan strategic fund may exercise those duties.

(11) Up to \$1,000,000.00 of any unexpended and unencumbered funds in the Michigan core communities fund and any funds received from the repayment of loans, unused grants, revenues received from sales or cash flow participation agreements, guarantees, or the payment of interest on these funds shall be used to support the capital access program.

Sec. 419. Of the funds appropriated in part 1 for job creation services, \$20,000.00 shall be allocated in fiscal year 2003 to the Michigan technical assistance center in Port Huron.

This act is ordered to take immediate effect.

Clerk of the House of Representatives.

Secretary of the Senate.
