House Bill 4930 (as passed by the House)

Sponsor: Representative James Koetje

House Committee: Regulatory Reform

Senate Committee: Economic Development, Small Business and Regulatory Reform

Date Completed: 6-15-04

**CONTENT**

The bill would amend the Michigan Liquor Control Code to allow the Liquor Control Commission to issue, without regard to the Code's quota provisions, one tavern license for a golf course that is open to the public and is owned by a city with a population over 190,000 but under 300,000, in a county with a population between 500,000 and 700,000. (Grand Rapids is the city meeting these criteria.)

(Under the Code, a "tavern" is a place licensed to sell beer and wine at retail for consumption on the premises only.)

MCL 436.1515

Legislative Analyst: Suzanne Lowe

**FISCAL IMPACT**

The bill would increase licensing revenue by \$600 for every golf course meeting these requirements granted a license. All license revenue is split between the Commission (41.5%), local units of government (55%), and alcohol programs (3.5%).
