25 programs. Any unexpended and unencumbered balance remaining in
26 the driver education fund at the end of the fiscal year in excess
27 of \$150,000.00 shall revert to the general fund.

1 (3) From the money credited to the driver education fund, the
2 legislature shall appropriate annually funds to the department of
3 education for state administration of the program. In addition,
4 the department of education shall distribute to local public
5 school districts from the driver education fund a pro rata amount
6 equal to the number of students who have completed segment 1 of
7 an approved driver education course through the local public
8 school districts whether directly from the student's own local
9 school district or by certificate issued from the student's own
10 local school district in the previous fiscal year, or the actual
11 cost per student, whichever is less. Beginning April 1, 1998, a
12 local school district that offers an approved driver education
13 course shall provide an amount equal to the pro rata amount from
14 the driver education fund for each student residing in the
15 district who completes segment 1 of an approved driver education
16 course within that district. The local school district shall
17 provide each student participating in an approved driver
18 education course with a certificate in a form provided by the
19 local school district and approved by the department of education
20 that the student shall use toward the payment of any fee charged
21 for the approved driver education course under the following
22 conditions:

23 (a) If the student participates in an approved driver
24 education course at a local school district of his or her choice
25 other than his or her local school district.

26 (b) If the student participates in a driver education course
27 at a licensed driver training school, but only if the following

1 conditions exist:

2 (i) The student's local school district does not offer an
3 approved driver education course either itself or through a
4 consortium of local school districts of which the student's local
5 school district is a member.

6 (ii) The student's local school district does not offer an
7 approved driver education course with openings available either
8 itself or through a consortium of local school districts of which
9 the student's local school district is a member at the time the
10 student attains 15 years, 6 months of age.

11 From the amount distributed, the local school district shall
12 reimburse each licensed driver training school or other local
13 school district or the parent of the student the determined pro
14 rata amount from the driver education fund for each student from
15 that district completing segment 1 of an approved driver
16 education course with the licensed driver training school or
17 other local school district during the fiscal year.

18 (4) ~~Beginning April 1, 1998, the~~ **The** approved driver
19 education courses may be conducted by the local public school
20 district or a consortium of school districts, by a licensed
21 driver training school either itself or through a contract with a
22 local school district, or by the intermediate district at the
23 request of the local district. If a local school district
24 contracts with a licensed driver training school to conduct an
25 approved driver education course, the contract shall require that
26 the driver education course be conducted in accordance with the
27 requirements set forth in department of education rules under

1 subsection (6) that are applicable to an approved driver
2 education course conducted by a local school district.
3 Enrollment in approved driver education courses shall be open to
4 residents not less than 14 years 8 months of age enrolled in
5 public, nonpublic, and home schools as well as resident
6 out-of-school youth not less than 14 years 8 months of age.
7 Reimbursement to local school districts shall be made on the
8 basis of an application made by the local school district
9 superintendent to the department of education. If money
10 appropriated from the driver education fund is not sufficient to
11 provide for state administration of the driver education program
12 and to reimburse local school districts for each student
13 completing segment 1 of an approved driver education course, then
14 payments made to local school districts shall be prorated to the
15 amount that is appropriated and available in the fund. A local
16 school district or licensed driver training school may use
17 videotapes, computers, telecourses, or other similar technology
18 as part of the classroom instruction portion of its driver
19 education courses. A student may receive and use any of these
20 materials at home.

21 (5) As used in this section, "driver education courses"
22 include classroom instruction, behind-the-wheel instruction, and
23 observation in an automobile under the supervision of a qualified
24 teacher or licensed instructor. The department of education
25 shall not require that licensed driver training school teachers
26 or instructors be certificated under the revised school code,
27 1976 PA 451, MCL 380.1 to 380.1852.

1 (6) The department of education may promulgate rules pursuant
2 to the administrative procedures act of 1969, 1969 PA 306, MCL
3 24.201 to 24.328, to implement this section. The rules shall
4 include, at a minimum, instructional standards, teacher
5 qualifications, and reimbursement procedures.

6 (7) Notwithstanding sections 306 and 308, an operator's
7 license shall not be issued to a person under 18 years of age
8 unless that person successfully passes a driver education course
9 and examination given by a public school, nonpublic school, or an
10 equivalent course approved by the department of education given
11 by a licensed driver training school. A person who has been a
12 holder of a motor vehicle operator's license issued by any other
13 state, territory, or possession of the United States, or any
14 other sovereignty for 1 year immediately before application for
15 an operator's license under this act is not required to comply
16 with this subsection. Restricted licenses may be issued pursuant
17 to section 312 without compliance with this subsection. A driver
18 education course shall be made available for a person under 18
19 years of age within a time that will enable that person to
20 qualify for a license before the time that the person is
21 permitted by law to have a license.

22 (8) ~~Beginning April 1, 1998, a~~ **A** public school system may
23 impose a charge or enrollment fee for a driver education course
24 upon a student desiring to take the course as a duly enrolled
25 student for the course in a school of the public school system.
26 If a charge or enrollment fee is imposed, it shall be the same
27 for all students who reside within the territory of the public

1 school system.

2 Sec. 811c. (1) Upon application, the secretary of state
3 shall issue a registration plate with an appropriate decal
4 representing an olympic education-training center in this state

6 truck, van, or motor home for which the plate is issued.

7 (2) An application for a registration plate with an olympic
8 education-training center decal shall be submitted to the
9 secretary of state pursuant to the procedures prescribed in
10 section 217. In addition to the regular registration tax imposed
11 by section 801, each application shall be accompanied with
12 payment of ~~a service fee of~~ \$3.00 for the first month and \$2.00
13 per month for each additional month of the registration period of
14 the plate. Registration plates with an olympic
15 education-training center decal shall expire on the applicant's
16 birthday pursuant to section 226.

17 (3) The olympic education-training center fund is created in
18 the state treasury. Money in the fund shall be expended only as
19 provided in this section.

20 (4) The secretary of state shall deposit ~~each service fee~~
21 **\$10.00 from the amount received for each original registration**
22 **plate** collected pursuant to this section **into the transportation**
23 **administration collection fund created under section 810b. The**
24 **remainder shall be deposited** with the state treasurer, to the
25 credit of the olympic education-training center fund. The fund
26 may receive money from any other source as appropriated by the
27 legislature. The money in the fund shall, upon appropriation, be

1 distributed to the olympic education-training center. ~~after~~
2 ~~deducting manufacturing and administrative costs.~~

3 (5) The olympic education-training center shall submit to the
4 secretary of state a design of a separate decal to be affixed to
5 a registration plate. The secretary of state shall confer with
6 the department of state police to ensure the design will not
7 compromise the ability of law enforcement agencies to accurately
8 identify specific vehicles. Registration plates with an olympic
9 education-training center decal shall not be a duplication of
10 another registration plate. The olympic education-training
11 center shall comply with section 803m(2), (3)(c) and (d), and
12 (4)(c) and (d).

13 (6) The secretary of state may issue a temporary registration
14 permit to a person who submits an application and the proper
15 payments for a registration plate with an olympic
16 education-training center decal, if the applicant's current
17 vehicle registration will expire before his or her receipt of a
18 registration plate with an olympic education-training center
19 decal. The temporary registration shall expire upon receipt of a
20 registration plate with an olympic education-training center
21 decal or 60 days after the issuance, whichever occurs first. The
22 temporary permit shall be issued without a separate fee.

23 Sec. 811h. (1) Each service fee collected under sections
24 811f and 811g shall be credited to the ~~Michigan~~ transportation
25 ~~fund established under section 10 of 1951 PA 51, MCL 247.660,~~
26 ~~and shall be used first to defray the manufacturing and~~
27 ~~administrative costs incurred by the secretary of state,~~

1 ~~including administrative costs associated with selling, issuing,~~
2 ~~replacing, and substituting fund-raising registration and~~
3 ~~collector plates—~~ **administration collection fund created under**
4 **section 810b.**

5 (2) The secretary of state shall identify and segregate the
6 fund-raising donations collected under sections 811f and 811g
7 into separate accounts. The secretary of state shall create a
8 separate account for each fund-raising plate series and matching
9 collector plates issued or sold by the secretary of state for a
10 Michigan university or state-sponsored goal pursuant to section
11 811e.

12 (3) As determined necessary by the secretary of state but not
13 more than 45 days after the end of each calendar quarter, the
14 secretary of state shall not less than once each calendar quarter
15 authorize the disbursement of fund-raising donations segregated
16 under subsection (2) and, independent from any disbursement under
17 subsection (2), report the number of fund-raising registration
18 and matching collector plates issued, sold, or renewed bearing
19 the design or logo of that Michigan university or state-sponsored
20 plate sponsor, to the following, as appropriate:

21 (a) The treasurer of a Michigan university.

22 (b) The person or entity identified in a public act pursuant
23 to section 811e(3) to administer a state-sponsored fund-raising
24 registration plate fund.

25 (4) The secretary of state may cease to issue a fund-raising
26 registration plate or to issue a duplicate replacement of a
27 fund-raising registration plate for use on a vehicle if the

1 secretary of state issued fewer than 500 of a particular
2 fund-raising registration plate within any prior 24 consecutive
3 months. The secretary of state may also cease to sell a
4 collector plate that matches the discontinued fund-raising
5 registration plate. However, the secretary of state may continue
6 to renew fund-raising registration plates already issued and
7 collect the renewal fund-raising donation for those plates. This
8 subsection does not apply to Michigan university fund-raising
9 registration plates issued under section 811f and matching
10 Michigan university collector plates issued under section 811g.

11 (5) The state of Michigan, through the secretary of state,
12 shall own all right, title, and interest in all fund-raising
13 registration and collector plates, including the right to use,
14 reproduce, or distribute a fund-raising registration or collector
15 plate or the image of a fund-raising registration or collector
16 plate in any form. The secretary of state may authorize the
17 commercial or other use of a fund-raising registration or
18 collector plate design, logo, or image if written consent is
19 obtained from the pertinent Michigan university or person or
20 entity that sponsored a state-sponsored fund-raising registration
21 plate under section 811e. However, the secretary of state shall
22 not authorize the commercial or other use of a fund-raising
23 registration or collector plate under this section unless the
24 user first agrees in writing to the terms and conditions that the
25 secretary of state considers necessary. Those terms and
26 conditions may include the payment of royalty fees to 1 or more
27 of the following:

11 renewal of the license and pay the renewal fee prescribed in this
12 act or the person may, at his or her option and upon payment of
13 the fee prescribed in this section, apply for a duplicate license
