The People of the State of Michigan enact:

Sec. 44a. (1) Notwithstanding any other statutory or charter provision to the contrary, beginning in 2005 and each year after 2005, a county shall impose as a summer property tax levy that portion of the number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote as provided in this section. The treasurer that collects the state education tax shall collect the summer property tax levy under this section. The portion of the total number of mills allocated to a county by a county tax allocation board or authorized for a county through a separate tax limitation vote that shall be imposed in each year as a summer property tax levy under this section is as follows:

(a) In 2005, 1/3 of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(b) In 2006, 2/3 of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(c) In 2007 and each year after 2007, the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(2) Before June 30 and in conformance with the procedures prescribed by this act, the taxes being collected as a summer property tax levy shall be spread in terms of millages on the assessment roll, the amount of tax levied shall be assessed in proportion to the taxable value, and a tax roll shall be prepared that commands the appropriate treasurer to collect on July 1 the taxes indicated as due on the tax roll.

(3) Taxes authorized to be collected shall become a lien against the property on which assessed, and due from the owner of that property on July 1.

(4) All taxes and interest imposed pursuant to this section that are unpaid before March 1 shall be returned as delinquent on March 1 and collected pursuant to this act.

(5) Interest shall be added to taxes collected after September 14 at that rate imposed by section 78a on delinquent property tax levies that became a lien in the same year. The tax levied under this act that is collected with the city taxes shall be subject to the same penalties, interest, and collection charges as city taxes and shall be returned as delinquent to the county treasurer in the same manner and with the same interest, penalties, and fees as city taxes.

(6) All or a portion of the fees or charges, or both, authorized under section 44 may be imposed on taxes paid before March 1 and shall be retained by the treasurer actually performing the collection of the summer property tax levy pursuant to this section, regardless of whether all or part of these fees or charges, or both, have been waived by the township or city.

(7) Collections shall be remitted to the county for which the taxes were collected pursuant to section 43.

(8) To the extent applicable and consistent with the requirements of this section, this act shall apply to proceedings in relation to the assessment, spreading, and collection of taxes pursuant to this section.

(9) Each county shall establish a restricted fund known as the revenue sharing reserve fund. The total amount required to be placed in the revenue sharing reserve fund for each county shall equal the amount of that county's December 2004 property tax levy of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote and shall be deposited in the revenue sharing reserve fund as provided in this section. Revenues credited to the revenue sharing reserve fund from the December tax levy of a county with a fiscal year ending December 31 shall be accrued to the fiscal year ending in the year of that December property tax levy. Revenue shall be credited to the fund by each county as follows:

(a) From the county's December 2004 property tax levy, 1/3 of the total December levy of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(b) From the county's December 2005 property tax levy, 1/2 of the remaining balance required to be deposited in the fund.

(c) From the county's December 2006 property tax levy, the balance required to be deposited in the fund.

(10) All of the following apply to a revenue sharing reserve fund established under subsection (9):

(a) Funds in the revenue sharing reserve fund may not be expended in any fiscal year except as provided in this section.

(b) Funds in the revenue sharing reserve fund may be used within a county fiscal year for cash flow purposes at the discretion of the county.

(c) Interest earnings on funds deposited in the revenue sharing reserve fund shall be credited to the revenue sharing reserve fund. However, the county is not required to reimburse the revenue sharing reserve fund for a reduction of interest earnings that occurs because funds in the revenue sharing reserve fund were used for cash flow purposes.

(d) The revenue sharing reserve fund shall be separately reported in the annual financial report required under section 4 of 1919 PA 71, MCL 21.44.

(11) For a county fiscal year that ends on December 31, 2004, a county may expend in that fiscal year an amount not to exceed the payments made to that county under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, in October and December 2003 and, if the payment is accrued back to the county's 2003 fiscal year, February 2004.

(12) Not later than March 1, 2005, a county that receives a payment in October 2004 as provided in a bill making appropriations to the department of treasury for the 2004-05 fiscal year shall pay the amount of that payment to the state treasurer from the revenue sharing reserve fund. A county that does not make the payment required under this subsection shall not make any expenditures from the fund provided under subsection (13).

(13) For each fiscal year of a county that begins after September 30, 2004, a county may expend from the revenue sharing reserve fund an amount not to exceed the total payments made to that county under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, in the state fiscal year ending September 30, 2004, adjusted annually by the inflation rate, without regard to any executive orders issued after May 17, 2004. As used in this subsection, "inflation rate" means that term as defined in section 34d.

This act is ordered to take immediate effect.
