2. Sec. 252. Pilot Indigent Burial Program Allows the DHS to conduct a pilot indigent burial program in selected counties. The indigent burial program provides state support to cover funeral and burial expenses for deceased low-income individuals. The pilot program would not be subject to the payment caps currently contained in Section 613 of the FY 2006 DHS budget act. These caps provide maximum payments to funeral directors (\$579), cemeteries/crematoriums (\$192), and vault providers (\$138).	Included	Included	Included
3. Sec. 253. Out-of-State Child Placement Replaces current boilerplate language which limits state-funded placements of children in out-of-state facilities. Section 513 of the FY 2006 DHS budget act establishes four conditions which must be met for a child to be placed out-of-state. One of those conditions is that no available appropriate Michigan placement is available <i>within 100 miles of the child's home</i> , while an out-of-state placement does exist within 100 miles of the child's home. The replacement language revises the condition to require that no appropriate placement be available anywhere within Michigan.	Included	Included	Included
4. Sec. 254. Child Support Incentive Payments Revises current boilerplate language in Section 901 of the FY 2006 DHS budget act which provides guidelines for the use of federal child support incentive funds. The new language reinserts a provision from the FY 2005 budget that counties receive an allocation from federal incentive payments no less than the total amount paid for FY 2001.
