**Complete to 10-10-05**

### **A SUMMARY OF HOUSE BILL 5245 AS INTRODUCED 9-29-05**

The bill would amend the Revised Judicature Act to allow a certified nurse practitioner to perform a physical examination for any individual ordered to submit to such an examination by a court, board or commission, or other public body or officer. Currently, the physical examinations may only be conducted by a licensed physician.

The bill would also make numerous editorial changes to update the language of the provision and would clarify that the mileage reimbursement for attending the examination is one way, estimated from the individual's residence.

MCL 600.1445

### **FISCAL IMPACT:**

The bill would not have a fiscal impact on state or local units of government.
