| <p>1. Operations. The Governor recommended a 2% increase for college operations to be allocated across the board to each college. The Senate substitute restored ½ of the \$450,000 reduction made to Wayne County Community College's appropriation in FY 2003-04 which was then allocated to 3 other colleges that year; Alpena, Bay De Noc, and Gogebic Community College. The substitute also allocates \$443,000 to three colleges; Bay De Noc, Kalamazoo Valley, and Mid Michigan in an effort to move toward a funding floor of \$6,500 in total revenue per student. The balance of the recommended increase was distributed through the model adopted by the Performance Indicator Task force. In addition, the substitute replaced \$43.9 million of General Fund support with the same amount from the School Aid Fund.</p> | 5,502,000 |
| <p>2. Renaissance Zone Reimbursements. The Governor recommended a 10.3% increase for this program to reflect anticipated need. This program reimbursed community colleges for the property tax revenue lost as a result of the establishment of a Renaissance Zone within their taxing district, as required by law. The Senate substitute concurred.</p> | |
| <p>3. Comparison to Governor's Recommendation. The substitute is at the Governor's Gross Appropriation and \$43,900,000 below the Governor's GF/GP recommendation.</p> | 300,000 |
