

OVERVIEW

The General Government Appropriations Bill contains appropriations for Attorney General, Civil Rights, Civil Service, Executive, Information Technology, Legislature, Management and Budget, State, and Treasury (including the Michigan Strategic Fund). The following pages provide a summary of the changes for FY 2006-07.

Items Included by the Senate and House

- 1. **State Spending Reporting Section.** Reporting requirement regarding actual total State spending and payments to locals within 30 days of book closing. The Governor's Recommendation changed this section to require a report only if actual payments are less than the minimum required by Article IX, Section 30, of the Michigan Constitution. The House and Senate restored current year language. (Sec. 201(3))
- 2. Hiring Freeze. Imposes hiring freeze and provides for exceptions. Provides for a quarterly report to the chairs of appropriations committees regarding exceptions to hiring freeze. List of reasons for exceptions include; ability to deliver basic services, loss of revenue, inability to receive Federal funds, or resulting costs exceeding savings from the vacancy. The Attorney General and Secretary of State may grant exceptions to the hiring freeze for their respective departments based on the same criteria that the State Budget Director grants exceptions. The Governor's recommendation substituted the State Budget Director "shall" with "may" regarding granting exceptions to the hiring freeze. The House and Senate maintained current year language. (Sec. 205)
- 3. **Retention of Reports.** Requires departments and agencies receiving appropriations under this Act to receive and retain copies of all reports funded in the Act. Federal and State guidelines for retention of records shall be followed. The Governor eliminated this section. The House and Senate restored it. (Sec. 212)
- 4. **Communications with Legislators.** Prohibits disciplinary action against department employees for communicating with Legislators or their staff. The Governor eliminated this section. The House and Senate restored this section. (Sec. 215)
- 5. **General Fund Restrictions.** Prohibits use of general fund appropriations in this Act where Federal funds are available for the same expenditures. The Governor eliminated this section. The House and Senate restored this section. (Sec. 217)
- 6. **Information Technology Work Projects.** The Governor included new language providing that information technology funding in Part 1 may be designated as work projects. Funds are not available for expenditure until approved as work projects pursuant to Section 451a of the Management and Budget Act. The House and Senate eliminated this section.
- 7. **Statewide Contractual Expenditures.** The Governor, House, and Senate removed one-time language that required DMB to reduce Statewide contractual General Fund expenditures by \$30 million. Reductions were included in FY 2005-06 appropriations.
- 8. **Political Action Committees.** The Governor removed language that prohibited the use of appropriations in Part 1 to administer a committee, or to solicit, or obtain contributions for a "committee" as defined in the Michigan Campaign Finance Act. The Governor stated in the signing letter for the FY 2005-06 General Government Appropriation Bill (2005 PA 146) that Section 220 was unenforceable due to Article XI, Section 5, of the Michigan Constitution of 1963. The House and Senate revised this section to provide that funds appropriated in this act shall not be used to establish, operate, or administer a payroll deduction plan that enables classified state employees to make contributions to either a committee or a political organization. (Sec. 220)

Requires legislative transfers prior to expenditure of funds. The Governor included this section, which was eliminated by the Legislature in FY 2003-04. The House and Senate removed this section.
- 2. **Enforcement Revenue Carryforward.** Provides that unobligated anti-trust enforcement revenue, securities fraud revenue, consumer protection or class action enforcement revenues, or attorney fees recovered by the Department, not to exceed \$1,000,000, may be carried forward and available for appropriation to the Department in the succeeding fiscal year. The Governor modified this section by reducing the carry-forward authorization to \$250,000. The House and Senate maintained the current year carry-forward authorization of \$1,000,000, and replaced "may" with "shall" be carried forward. Along with the carry-forward authorization, the House and Senate appropriate revenues received, up to \$1,000,000, to the Department in FY 2006-07. (Sec. 307)
- 3. **Prisoner Reimbursement Funds**. Provides that the Department may spend up to \$421,800 of prisoner reimbursement funds on activities related to the State Correctional Facilities Reimbursement Act. If the Department of Attorney General collects in excess of \$1,131,000, the excess, limited to \$1,000,000, may be spent on the defense of the State, its departments, or employees, in civil actions filed by prisoners. The Governor, House, and Senate increased the amount reserved for collection activities from \$421,800 to \$445,800. The House and Senate added a provision allowing the Department to carry forward up to \$500,000 for expenditure in the following fiscal year. (Sec. 309)
- 4. Child Support Funding. Requires the Department of Human Services to maintain a cooperative agreement with the Attorney General for Federal IV-D funding to support the child support enforcement activities of the Attorney General. The section also provides that the Attorney General shall, to the extent allowable under Federal law, have access to any information used by the State to locate parents who fail to pay child support. The Governor removed this section. The House and Senate restored it. (Sec. 310)

Conference Agreement on Items of Difference

5. Litigation Expense Reimbursement. Appropriates up to \$500,000 from litigation expense reimbursements awarded to the State. Provides that funds may be used to pay litigation settlements or attorney fees assessed against the Office of the Governor, the Department of Attorney General, the Governor or the Attorney General when acting in an official capacity as the named party in litigation against the State. Funds may also be expended for State costs incurred pursuant to MCL 770.16 (DNA testing). Provides for carry forward of unexpended funds up to a maximum of \$500,000. The Governor's recommendation modified the language to specify that the funds may be used to pay court judgments, settlements, and litigation expenses (not including staff salaries and support costs). The Governor also replaced "are" with "may be" regarding the provision regarding carry forward of unexpended funds. The House excluded court judgments as an allowable use of the funds, replaced "may" with "shall" be carried forward, and removed the Governor's restriction on using funds for staff costs. The Senate concurred with the House, but restored court judgments as an allowable expenditure. The Conference Committee concurred with the Senate. (Sec. 308)

FY 2005-06 Year-to-Date Gross Appropriation	\$130,439,900
Changes from FY 2005-06 Year-to-Date:	
Items Included by the House and Senate	
 One-Time Adjustments. The IDG from the Department of Corrections to the Auditor General was vetoed in the FY 2005-06 budget for the Department of Corrections. Therefore, the House and Senate eliminated the IDG for FY 2006-07 in the Legislative budget. The budget also reflects the elimination of one-time funding that was included in 2006 PA 153. 	(1,208,000)
Conference Agreement on Items of Difference	
 Economic Adjustments. The Governor did not include any funding adjustments for the Legislature. The House only included adjustments for the Auditor General. (See item #3 below.) The Senate included 3% for economic adjustments. The Conference Committee included an overall economic adjustment of 2.5%. 	2,822,000
3. Auditor General. The House provided a \$2,000,000 increase for the Auditor General (Economics \$580,000, 15.0 FTE positions \$915,000, and information technology \$505,000). The House included a funding shift (\$293,200 from GF/GP to Restricted) based on projected audit charges. The House also transferred the Auditor General from the Legislative appropriation to its own separate section in the bill.	870,000
The Senate included the Restricted fund increase based on available revenue, but did not include the transfer of the Auditor General from the Legislative budget. The net Senate General Fund increase to the Auditor General was consistent with adjustments made to other line items in the Legislative budget.	
The Conference Committee included the Restricted fund adjustments, a 2.5% General Fund adjustment (\$312,500), and an additional \$264,300 GF/GP for the Office of the Auditor General. The Conference Committee concurred with the House on the appropriation format for the Office of the Auditor General.

The Governor modified Section 728 that provides for a report relative to the status of construction projects associated with SBA bonds. The revised language limits the report to bonds for the fiscal year and changes the report date from September 30 to October 15. The House and Senate clarified the language to provide that the report applies to the status of construction projects construction projects as of September 30 of each year. (Sec. 728)

Conference Agreement on Items of Difference

6. Motor Vehicle Fleet.

- 1) Provides that funds appropriated in Part 1 for the Motor Vehicle Fleet are for the administration and for acquisition, lease, operation, maintenance, repair, replacement, and disposal of State motor vehicles.
- 2) Appropriations in Part 1 shall be funded from rates charged to State departments and agencies for utilizing vehicle travel services. Provides that revenue may be carried forward to the next fiscal year.
- 3) States legislative intent that the Department of Management has the authority to determine the appropriateness of vehicle assignments.
- 4) States that it is the intent of the Legislature that the Department will determine the feasibility of using driver record information upon the issuance of cars to State employees in order to insure responsibility and safety.
- 5) Requires the Department of Management and Budget to develop a plan that includes the number of vehicles assigned to departments and agencies, efforts to reduce vehicle expenditures, the number of cars in the motor vehicle fleet, the number of miles driven by fleet vehicles, and the number of gallons of fuel consumed by fleet vehicles. The plan shall also include a calculation of the amount of State fuel taxes that would have been incurred by fleet vehicles, description of fleet garage operations, goods and services by the garage, cost to operate the fleet garage, number of fleet garage locations, and number of employees assigned to the fleet garage. Provides that the plan may be adjusted during the fiscal year based on needs and cost savings. Requires report within 60 days after the close of the fiscal year detailing the current plan and changes to the plan.

The Governor removed subsections 3, 4, and 5 and inserted a new subsection (3) that allows the Department to charge State agencies for fuel cost increases that exceed the average retail price of \$2.27 per gallon. Provides that revenues are appropriated when received. The House and Senate included minor wording changes on the new subsection recommended by the Governor. The Senate maintained current year Subsection 5 with modifications to reflect the continuation of a plan for the operation of the motor vehicle fleet. The Senate eliminated current year Subsection 4 pursuant to the Governor's recommendation. The Conference Committee concurred with the Senate. (Sec. 715)

7. **Transition Fund.** The Senate included language that provides that the appropriation in Part 1 for the gubernatorial transition fund shall be expended for costs associated with a gubernatorial transition process. If the incumbent is reelected, the appropriation shall lapse to the State General Fund. The Conference Committee eliminated this section.

FY 2005-06 Year-to-Date Gross Appropriation	\$208,578,400
Changes from FY 2005-06 Year-to-Date:	
Items Included by the House and Senate	
1. Business Application Modernization Project. The Governor recommended increasing the appropriation for this project from \$3,450,000 to \$4,550,000. This would restore the appropriation to the level it received prior to budget reductions in previous years. The project involves replacement of the Department's mainframe applications. Business requirements have been set and the Department is now in the build and construction phase.	1,100,000
Operation Reductions. The Governor, House and Senate included General Fund reductions to various line items are included based on administrative savings.	(365,900)
3. Economic Adjustments.	6,481,000
4. Other Changes. The budget reflects elimination of FY 2005-06 one-time funding for reissuing standard registration plates. Organizational transfers between various line items are included to reflect the current organizational structure of the Department.	(11,000,000)
Conference Agreement on Items of Difference	
 General Fund Reduction. The Senate reduced General Fund support for the Department by \$249,100 (1.3%) from the Governor's recommendation. The Conference Committee restored the funding. 	0
6. Transportation Administration Collection Fund (TACF). Due to revenue shortfalls in the Transportation Administration Collection Fund (TACF), no economic adjustments are funded from this source. General fund is used to support costs that would otherwise be charged to the TACF. The budget also assumes that legislation will be adopted to continue the deposit of the Expeditious Service Fee and Registration Transfer Fee in the TACF instead of the Michigan Transportation Fund. Without that adjustment, there will be an additional shortfall of approximately \$10.4 million in the TACF. Notwithstanding the above, there is a projected FY 2006-07 \$12 million shortfall in TACF revenue. The Senate included a \$6,000,000 reduction to TACF appropriations/revenue, including boilerplate language (Sec. 820) requiring the Department to identify line items where reductions will be made. The Conference Committee removed the Senate adjustments.	0

FY 2006-07 Conference Report Gross Appropriation	\$204,793,500

Items Included by the House and Senate

- 1. **Contingency Funds.** Appropriates, in addition to amounts appropriated in Part 1, Federal, State Restricted, Local, and Private Contingency Funds. Requires legislative transfers prior to expenditure of funds. The Governor included this section. The House and Senate did not include this section.
- 2. **Traffic Accident Records Program.** This section provides that the Department of State shall use available balances at the end of the fiscal year to pay the Department of State Police for services provided by the Traffic Accident Records Program. The Governor, House, and Senate increased the Department of State's payment by \$6,000, from \$315,900 to \$321,900. (Sec. 807)
- 3. Transaction Strategies. Requires the Department to develop a project plan to increase the number of transactions completed on-line. Requires report to House and Senate General Government Subcommittees by March 1, 2006. The Governor removed this section. The House and Senate modified this section by requiring a report on the number of branch office transaction completed on-line by Michigan residents in the immediately preceding fiscal year. (Sec. 815a)
- 4. Credit Card Service Assessments. Provides that any service assessment collected by the Department of State from the user of a credit or debit card is appropriated to the Department of State for expenses related to that service. Limits charge by the Department of State to not more than the costs billable to the Department for service assessments. Provides for carry forward of funds. The Governor removed this section. The House and Senate restored it. (Sec. 816)
- 5. **Motorcycle Safety Program.** States legislative intent regarding continuing the Motorcycle Safety Program in the same manner as was provided by the Department of Education. Lists revenue sources for the program, criteria for grants, and details appropriate charges for Department of State administrative costs. The Governor removed this section. The House and Senate restored it. (Sec. 818)
- 6. **Department of State Business Application Modernization Project.** Provides criteria for expenditure of funds and designates as a work project. The Governor removed this section. The same language is contained the Information Technology language section of the bill. The House and Senate updated the completion date to 2010. The Senate adjusted the amount to reflect appropriation in Part 1. (Sec. 819)

Conference Agreement on Items of Difference

- 7. **Branch Office Closings.** (1) Requires at least 60 days prior to the announcement of Secretary of State branch office closings, consolidations, or relocations, the department of state shall inform members of the senate and house of representatives standing committees on appropriations and legislators who represent affected areas regarding the details of the proposal. The information provided shall be in written form and include all analysis done regarding criteria for changes in the location of branch offices, including but not limited to branch transactions, revenue, and the impact on citizens of the affected area. The notice shall also include detailed estimates of costs and savings that will result from the overall changes made to the branch office structure. 2) Provides that prior to October 4, 2005, the Department of State shall provide a detailed report to the Senate and House General Government Subcommittees regarding the Department's branch optimization plan that was announced on April 26, 2004. The Governor removed this section. The House restored Subsection 1. The Senate restored the entire section. The Conference Committee concurred with the Senate. (Sec. 815)
- 8. **Transportation Administration Collection Fund (TACF) Revenue Adjustment.** The Senate added language that provides for allocation of reductions in TACF appropriations. Requires legislative transfers for implementation. The section also requires updated TACF revenue projections by October 5, 2006 and plan to deal with any shortfalls by October 12, 2006. The Conference Committee removed this section.
- 9. Branch Office Location. Requires the Department to explore the feasibility of locating the Keweenaw County Secretary of State branch office with the Keweenaw County Department of Human Services office. The Governor removed this section. The House concurred with the Governor. The Senate updated the section by requiring the Department to complete a cost/benefit analysis regarding the feasibility of locating the Keweenaw County Secretary of State branch office with the Keweenaw County Department of Human Services office. The analysis shall include, but not be limited to, lease costs, building occupancy costs, property management costs, utilities, parking, distance between branch offices and issues related to the overall convenience for the citizens of Michigan. No later than December 1, 2006, the analysis shall be delivered to the members of the Senate and House Standing Committees on Appropriations Subcommittees on General Government and the House and Senate Fiscal Agencies. The Conference Committee concurred with the Senate. (Sec. 821)
