2 brownfield plan. The brownfield plan may apply to 1 or more parcels
3 of eligible property whether or not those parcels of eligible

5 parcels of eligible property. Except as otherwise authorized by
6 this act, if more than 1 parcel of eligible property is included
7 within the plan, the tax increment revenues under the plan shall be

21 provide for the use of part or all of the captured taxable value,
22 including deposits in the local site remediation revolving fund,
23 but the portion intended to be used shall be clearly stated in the
24 plan. The plan shall not provide either for an exclusion from
25 captured taxable value of a portion of the captured taxable value
26 or for an exclusion of the tax levy of 1 or more taxing
27 jurisdictions unless the tax levy is excluded from tax increment

1 revenues in section 2(dd), or unless the tax levy is excluded from
2 capture under section 15.

9 capture and use of all local taxes levied for purposes other than
10 for the payment of principal of and interest on either obligations
11 approved by the electors or obligations pledging the unlimited
12 taxing power of the local unit of government. This subsection shall
13 apply only when taxes levied for school operating purposes are
14 subject to capture under section 15.

15 (3) Except as provided in this subsection and subsections (5),
16 (15), and (16), tax increment revenues related to a brownfield plan
17 shall be used only for costs of eligible activities attributable to
18 the eligible property, the captured taxable value of which produces
19 the tax increment revenues, including the cost of principal of and
20 interest on any obligation issued by the authority to pay the costs
21 of eligible activities attributable to the eligible property, and
22 the reasonable costs of preparing a work plan or remedial action
23 plan for the eligible property, including the actual cost of the
24 review of the work plan or remedial action plan under section 15.
25 For property owned or under the control of a land bank fast track
26 authority, tax increment revenues related to a brownfield plan may
27 be used for eligible activities attributable to any eligible

1 property owned or under the control of the land bank fast track
2 authority, the cost of principal of and interest on any obligation
3 issued by the authority to pay the costs of eligible activities,

12 shall not authorize the capture of tax increment revenue from
13 eligible property after the year in which the total amount of tax
14 increment revenues captured is equal to the sum of the costs
15 permitted to be funded with tax increment revenues under this act.

16 (5) A brownfield plan may authorize the capture of additional
17 tax increment revenue from an eligible property in excess of the
18 amount authorized under subsection (4) during the time of capture
19 for the purpose of paying the costs permitted under subsection (3),
20 or for not more than 5 years after the time that capture is
21 required for the purpose of paying the costs permitted under
22 subsection (3), or both. Excess revenues captured under this
23 subsection shall be deposited in the local site remediation
24 revolving fund created under section 8 and used for the purposes
25 authorized in section 8. If tax increment revenues attributable to
26 taxes levied for school operating purposes from eligible property
27 are captured by the authority for purposes authorized under

1 subsection (3), the tax increment revenues captured for deposit in
2 the local site remediation revolving fund also may include tax
3 increment revenues attributable to taxes levied for school
4 operating purposes in an amount not greater than the tax increment
5 revenues levied for school operating purposes captured from the
6 eligible property by the authority for the purposes authorized
7 under subsection (3). Excess tax increment revenues from taxes
8 levied for school operating purposes for eligible activities
9 authorized under subsection (15) by the Michigan economic growth
10 authority shall not be captured for deposit in the local site
11 remediation revolving fund.

12 (6) An authority shall not expend tax increment revenues to
13 acquire or prepare eligible property, unless the acquisition or
14 preparation is an eligible activity.

15 (7) Costs of eligible activities attributable to eligible
16 property include all costs that are necessary or related to a
17 release from the eligible property, including eligible activities
18 on properties affected by a release from the eligible property. For
19 purposes of this subsection, "release" means that term as defined
20 in section 20101 of the natural resources and environmental
21 protection act, 1994 PA 451, MCL 324.20101.

22 (8) Costs of a response activity paid with tax increment
23 revenues that are captured pursuant to subsection (3) may be
24 recovered from a person who is liable for the costs of eligible
25 activities at an eligible property. This state or an authority may
26 undertake cost recovery for tax increment revenue captured. Before
27 an authority or this state may institute a cost recovery action, it

1 must provide the other with 120 days' notice. This state or an
2 authority that recovers costs under this subsection shall apply
3 those recovered costs to the following, in the following order of
4 priority:

5 (a) The reasonable attorney fees and costs incurred by this
6 state or an authority in obtaining the cost recovery.

7 (b) One of the following:

8 (i) If an authority undertakes the cost recovery action, the
9 authority shall deposit the remaining recovered funds into the
10 local site remediation fund created pursuant to section 8, if such
11 a fund has been established by the authority. If a local site
12 remediation fund has not been established, the authority shall
13 disburse the remaining recovered funds to the local taxing
14 jurisdictions in the proportion that the local taxing
15 jurisdictions' taxes were captured.

16 (ii) If this state undertakes a cost recovery action, this
17 state shall deposit the remaining recovered funds into the
18 revitalization revolving loan fund established under section 20108a
19 of the natural resources and environmental protection act, 1994 PA
20 451, MCL 324.20108a.

21 (iii) If this state and an authority each undertake a cost
22 recovery action, undertake a cost recovery action jointly, or 1 on
23 behalf of the other, the amount of any remaining recovered funds
24 shall be deposited pursuant to subparagraphs (i) and (ii) in the
25 proportion that the tax increment revenues being recovered
26 represent local taxes and taxes levied for school operating
27 purposes, respectively.

1 (9) Approval of the brownfield plan or an amendment to a
2 brownfield plan shall be in accordance with the notice and approval
3 provisions of this section and section 14.

4 (10) Before approving a brownfield plan for an eligible
5 property, the governing body shall hold a public hearing on the
6 brownfield plan. Notice of the time and place of the hearing shall
7 be given by publication twice in a newspaper of general circulation
8 designated by the municipality, the first of which shall be not
9 less than 20 or more than 40 days before the date set for the
10 hearing.

11 (11) Notice of the time and place of the hearing on a
12 brownfield plan shall contain all of the following:

13 (a) A description of the property to which the plan applies in
14 relation to existing or proposed highways, streets, streams, or
15 otherwise.

17 brownfield plan are available for public inspection at a place
18 designated in the notice and that all aspects of the brownfield
19 plan are open for discussion at the public hearing required by this
20 section.

21 (c) Any other information that the governing body considers
22 appropriate.

23 (12) At the time set for the hearing on the brownfield plan
24 required under subsection (10), the governing body shall provide an
25 opportunity for interested persons to be heard and shall receive
26 and consider communications in writing with reference to the
27 brownfield plan. The governing body shall make and preserve a

1 record of the public hearing, including all data presented at the
2 hearing.

3 (13) Not less than 20 days before the hearing on the
4 brownfield plan, the governing body shall provide notice of the
5 hearing to the taxing jurisdictions that levy taxes subject to
6 capture under this act. The authority shall fully inform the taxing
7 jurisdictions about the fiscal and economic implications of the
8 proposed brownfield plan. At that hearing, an official from a
9 taxing jurisdiction with millage that would be subject to capture
10 under this act has the right to be heard in regard to the adoption
11 of the brownfield plan.

12 (14) The authority shall not enter into agreements with the
13 taxing jurisdictions and the governing body of the municipality to
14 share a portion of the captured taxable value of an eligible
15 property. Upon adoption of the plan, the collection and
16 transmission of the amount of tax increment revenues as specified
17 in this act shall be binding on all taxing units levying ad valorem
18 property taxes or specific taxes against property located in the
19 zone.

20 (15) Except as provided by subsection (18), if a brownfield
21 plan includes the capture of taxes levied for school operating
22 purposes or the use of tax increment revenues related to a
23 brownfield plan for the cost of eligible activities attributable to
24 more than 1 eligible property that is adjacent and contiguous to
25 all other eligible properties covered by the development agreement,
26 whether or not the captured taxes are levied for school operating
27 purposes, approval of a work plan by the Michigan economic growth

1 authority before January 1, 2008 to use school operating taxes and

8 asbestos abatement, or site preparation that is not response
9 activity under section 20101 of the natural resources and
10 environmental protection act, 1994 PA 451, MCL 324.20101. The
11 eligible activities to be conducted described in this subsection
12 shall be consistent with the work plan submitted by the authority
13 to the Michigan economic growth authority. The department's
14 approval is not required for the capture of taxes levied for school
15 operating purposes for eligible activities described in this

2 (b) Reasonable costs of preparing a work plan or remedial
3 action plan or the cost of the review of a work plan for which tax
4 increment revenues may be used under section 13(3).

5 (17) A brownfield authority may reimburse advances, with or
6 without interest, made by a municipality under section 7(3), a land
7 bank fast track authority, or any other person or entity for costs
8 of eligible activities with any source of revenue available for use
9 of the brownfield authority under this act and may enter into
10 agreements related to those reimbursements. A reimbursement
11 agreement for these purposes and the obligations under that
12 reimbursement agreement shall not be subject to section 12 or the
13 revised municipal finance act, 2001 PA 34, MCL 141.2101 to
14 141.2821.

15 (18) If a brownfield plan includes the capture of taxes levied
16 for school operating purposes, approval of a work plan by the
17 Michigan economic growth authority in the manner required under
18 section 15(14) to (16) is required in order to use tax increment
19 revenues attributable to taxes levied for school operating purposes
