THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 INTERSTATE INSURANCE PRODUCT REGULATION COMPACT

2 ARTICLE I. PURPOSES

3 The purposes of this compact are, through means of joint and

8 2. To develop uniform standards for insurance products covered
9 under the compact.

10 3. To establish a central clearinghouse to receive and provide

1 prompt review of insurance products covered under the compact and,
2 in certain cases, advertisements related to those products,
3 submitted by insurers authorized to do business in 1 or more
4 compacting states.

5 4. To give appropriate regulatory approval to those product
6 filings and advertisements satisfying the applicable uniform
7 standard.

8 5. To improve coordination of regulatory resources and
9 expertise between state insurance departments regarding the setting
10 of uniform standards and review of insurance products covered under
11 the compact.

12 6. To create the interstate insurance product regulation
13 commission.

14 7. To perform these and such other related functions as may be
15 consistent with the state regulation of the business of insurance.

22 operating procedures of the commission.

23 2. "Bylaws" means those bylaws established by the commission
24 for its governance or for directing or controlling the commission's
25 actions or conduct.

26 3. "Compacting state" means any state which has enacted this

25 insurance product that an insurer is authorized to issue.

26 12. "Rule" means a statement of general or particular

4 requirements of the commission, which shall have the force and
5 effect of law in the compacting states.

6 13. "State" means any state, district, or territory of the
7 United States of America.

8 14. "Third-party filer" means an entity that submits a product

11 commission for a product line, pursuant to article VII of this
12 compact, and shall include all of the product requirements in
13 aggregate; provided, that each uniform standard shall be construed,
14 whether express or implied, to prohibit the use of any
15 inconsistent, misleading, or ambiguous provisions in a product and
16 the form of the product made available to the public shall not be
17 unfair, inequitable, or against public policy as determined by the
18 commission.

19 ARTICLE III. ESTABLISHMENT OF THE COMMISSION AND VENUE

20 1. The compacting states hereby create and establish a joint
21 public agency known as the "interstate insurance product regulation
22 commission". Pursuant to article IV of this compact, the commission
23 will have the power to develop uniform standards for product lines,
24 receive and provide prompt review of filed products, and give
25 approval to those product filings satisfying applicable uniform
26 standards; provided, it is not intended for the commission to be
27 the exclusive entity for receipt and review of insurance product

1 filings. This compact does not prohibit any insurer from filing its
2 product in any state wherein the insurer is licensed to conduct the
3 business of insurance, and any such filing shall be subject to the
4 laws of the state where filed.

5 2. The commission is a body corporate and politic and an
6 instrumentality of the compacting states.

7 3. The commission is solely responsible for its liabilities
8 except as otherwise specifically provided in this compact.

9 4. Venue is proper and judicial proceedings by or against the
10 commission shall be brought solely and exclusively in a court of
11 competent jurisdiction where the principal office of the commission
12 is located.

13 ARTICLE IV. POWERS OF THE COMMISSION

14 The commission shall have the following powers:

15 1. To promulgate rules, pursuant to article VII of this
16 compact, which shall have the force and effect of law and shall be
17 binding in the compacting states to the extent and in the manner
18 provided in this compact.

19 2. To exercise its rule-making authority and establish
20 reasonable uniform standards for products covered under the
21 compact, and advertisement related to those products, which shall
22 have the force and effect of law and shall be binding in the
23 compacting states, but only for those products filed with the
24 commission, provided, that a compacting state shall have the right
25 to opt out of such uniform standard pursuant to article VII of this
26 compact, to the extent and in the manner provided in this compact,
27 and, provided further, that any uniform standard established by the

1 commission for long-term care insurance products may provide the
2 same or greater protections for consumers as, but shall not provide
3 less than, those protections set forth in the national association
4 of insurance commissioners' long-term care insurance model act and
5 long-term care insurance model regulation, respectively, adopted as
6 of 2001. The commission shall consider whether any subsequent
7 amendments to the national association of insurance commissioners'
8 long-term care insurance model act or long-term care insurance
9 model regulation adopted by the national association of insurance
10 commissioners require amending of the uniform standards established
11 by the commission for long-term care insurance products.

12 3. To receive and review in an expeditious manner products
13 filed with the commission, and rate filings for disability income
14 and long-term care insurance products, and give approval of those
15 products and rate filings that satisfy the applicable uniform
16 standard, where such approval shall have the force and effect of
17 law and be binding on the compacting states to the extent and in
18 the manner provided in the compact.

19 4. To receive and review in an expeditious manner
20 advertisement relating to long-term care insurance products for
21 which uniform standards have been adopted by the commission, and
22 give approval to all advertisement that satisfies the applicable
23 uniform standard. For any product covered under this compact, other
24 than long-term care insurance products, the commission shall have
25 the authority to require an insurer to submit all or any part of
26 its advertisement with respect to that product for review or
27 approval prior to use, if the commission determines that the nature

1 of the product is such that an advertisement of the product could
2 have the capacity or tendency to mislead the public. The actions of
3 the commission as provided in this section shall have the force and
4 effect of law and shall be binding in the compacting states to the
5 extent and in the manner provided in the compact.

6 5. To exercise its rule-making authority and designate
7 products and advertisement that may be subject to a self-
8 certification process without the need for prior approval by the
9 commission.

10 6. To promulgate operating procedures, pursuant to article VII
11 of this compact, which shall be binding in the compacting states to
12 the extent and in the manner provided in this compact.

13 7. To bring and prosecute legal proceedings or actions in its
14 name as the commission; provided, that the standing of any state
15 insurance department to sue or be sued under applicable law shall
16 not be affected.

17 8. To issue subpoenas requiring the attendance and testimony
18 of witnesses and the production of evidence.

19 9. To establish and maintain offices.

20 10. To purchase and maintain insurance and bonds.

21 11. To borrow, accept, or contract for services of personnel,
22 including, but not limited to, employees of a compacting state.

23 12. To hire employees, professionals, or specialists, and
24 elect or appoint officers, and to fix their compensation, define
25 their duties, and give them appropriate authority to carry out the
26 purposes of the compact, and determine their qualifications, and to
27 establish the commission's personnel policies and programs relating

1 to, among other things, conflicts of interest, rates of
2 compensation, and qualifications of personnel.

3 13. To accept any and all appropriate donations and grants of
4 money, equipment, supplies, materials, and services, and to
5 receive, utilize, and dispose of the same; provided that at all
6 times the commission shall strive to avoid any appearance of
7 impropriety.

8 14. To lease, purchase, accept appropriate gifts or donations
9 of, or otherwise to own, hold, improve, or use, any property, real,
10 personal, or mixed; provided that at all times the commission shall
11 strive to avoid any appearance of impropriety.

12 15. To sell, convey, mortgage, pledge, lease, exchange,
13 abandon, or otherwise dispose of any property, real, personal, or
14 mixed.

15 16. To remit filing fees to compacting states as may be set
16 forth in the bylaws, rules, or operating procedures.

17 17. To enforce compliance by compacting states with rules,
18 uniform standards, operating procedures, and bylaws.

19 18. To provide for dispute resolution among compacting states.

20 19. To advise compacting states on issues relating to insurers
21 domiciled or doing business in non-compacting jurisdictions,
22 consistent with the purposes of this compact.

23 20. To provide advice and training to those personnel in state
24 insurance departments responsible for product review and to be a
25 resource for state insurance departments.

26 21. To establish a budget and make expenditures.

27 22. To borrow money.

1 23. To appoint committees, including advisory committees
2 comprising members, state insurance regulators, state legislators
3 or their representatives, insurance industry and consumer
4 representatives, and such other interested persons as may be
5 designated in the bylaws.

6 24. To provide and receive information from, and to cooperate
7 with, law enforcement agencies.

8 25. To adopt and use a corporate seal.

9 26. To perform such other functions as may be necessary or
10 appropriate to achieve the purposes of this compact consistent with
11 the state regulation of the business of insurance.

12 ARTICLE V. ORGANIZATION OF THE COMMISSION

13 1. Membership, Voting, and Bylaws

14 a. Each compacting state shall have and be limited to 1
15 member. Each member shall be qualified to serve in that capacity
16 pursuant to applicable law of the compacting state. Any member may
17 be removed or suspended from office as provided by the law of the
18 state from which he or she shall be appointed. Any vacancy
19 occurring in the commission shall be filled in accordance with the
20 laws of the compacting state where the vacancy exists. Nothing in
21 this compact shall be construed to affect the manner in which a
22 compacting state determines the election or appointment and
23 qualification of its own commissioner.

24 b. Each member shall be entitled to 1 vote and shall have an
25 opportunity to participate in the governance of the commission in
26 accordance with the bylaws. Notwithstanding any provision in this
27 compact to the contrary, no action of the commission with respect

1 to the promulgation of a uniform standard shall be effective unless
2 2/3 of the members vote in favor of it.

3 c. The commission shall, by a majority of the members,
4 prescribe bylaws to govern its conduct as may be necessary or
5 appropriate to carry out the purposes, and exercise the powers, of
6 the compact, including, but not limited to, all of the following:

7 i. Establishing the fiscal year of the commission.

8 ii. Providing reasonable procedures for appointing and
9 electing members, as well as holding meetings, of the management
10 committee.

11 iii. Providing reasonable standards and procedures: for the
12 establishment and meetings of other committees, and governing any
13 general or specific delegation of any authority or function of the
14 commission.

15 iv. Providing reasonable procedures for calling and conducting
16 meetings of the commission that consist of a majority of commission
17 members, ensuring reasonable advance notice of each such meeting,
18 and providing for the right of citizens to attend each such meeting
19 with enumerated exceptions designed to protect the public's
20 interest, the privacy of individuals, and insurers' proprietary
21 information, including trade secrets. The commission may meet in
22 camera only after a majority of the entire membership votes to
23 close a meeting en toto or in part. As soon as practicable, the
24 commission must make public a copy of the vote to close the meeting
25 revealing the vote of each member with no proxy votes allowed and
26 votes taken during such meeting.

27 v. Establishing the titles, duties, and authority and

1 reasonable procedures for the election of the officers of the
2 commission.

3 vi. Providing reasonable standards and procedures for the
4 establishment of the personnel policies and programs of the
5 commission. Notwithstanding any civil service or other similar laws
6 of any compacting state, the bylaws shall exclusively govern the
7 personnel policies and programs of the commission.

8 vii. Promulgating a code of ethics to address permissible and
9 prohibited activities of commission members and employees.

10 viii. Providing a mechanism for winding up the operations of
11 the commission and the equitable disposition of any surplus funds
12 that may exist after the termination of the compact after the
13 payment and/or reserving of all of its debts and obligations.

14 d. The commission shall publish its bylaws in a convenient
15 form and file a copy of the bylaws and a copy of any amendment to
16 the bylaws with the appropriate agency or officer in each of the
17 compacting states.

18 2. Management Committee, Officers, and Personnel

19 a. A management committee comprising no more than 14 members
20 shall be established as follows:

21 i. One member from each of the 6 compacting states with the
22 largest premium volume for individual and group annuities, life,
23 disability income, and long-term care insurance products,
24 determined from the records of the national association of
25 insurance commissioners for the prior year.

26 ii. Four members from those compacting states with at least 2%
27 of the market based on the premium volume described above, other

1 than the 6 compacting states with the largest premium volume,
2 selected on a rotating basis as provided in the bylaws.

3 iii. Four members from those compacting states with less than
4 2% of the market, based on the premium volume described above, with
5 1 selected from each of the 4 zone regions of the national
6 association of insurance commissioners as provided in the bylaws.

7 b. The management committee shall have such authority and
8 duties as may be set forth in the bylaws, including, but not
9 limited to:

10 i. Managing the affairs of the commission in a manner
11 consistent with the bylaws and purposes of the commission.

12 ii. Establishing and overseeing an organizational structure
13 within, and appropriate procedures for, the commission to provide
14 for the creation of uniform standards and other rules, receipt and
15 review of product filings, administrative and technical support
16 functions, review of decisions regarding the disapproval of a
17 product filing, and the review of elections made by a compacting
18 state to opt out of a uniform standard; provided that a uniform
19 standard shall not be submitted to the compacting states for
20 adoption unless approved by 2/3 of the members of the management
21 committee.

22 iii. Overseeing the offices of the commission.

23 iv. Planning, implementing, and coordinating communications
24 and activities with other state, federal, and local government
25 organizations in order to advance the goals of the commission.

26 c. The commission shall elect annually officers from the
27 management committee, with each having such authority and duties,

1 as may be specified in the bylaws.

2 d. The management committee may, subject to the approval of
3 the commission, appoint or retain an executive director for such
4 period, upon such terms and conditions, and for such compensation
5 as the commission may deem appropriate. The executive director
6 shall serve as secretary to the commission, but shall not be a
7 member of the commission. The executive director shall hire and
8 supervise such other staff as may be authorized by the commission.

9 3. Legislative and Advisory Committees

10 a. A legislative committee comprising state legislators or
11 their designees shall be established to monitor the operations of,
12 and make recommendations to, the commission, including the
13 management committee; provided that the manner of selection and
14 term of any legislative committee member shall be as set forth in
15 the bylaws. Prior to the adoption by the commission of any uniform
16 standard, revision to the bylaws, annual budget, or other
17 significant matter as may be provided in the bylaws, the management
18 committee shall consult with and report to the legislative
19 committee.

20 b. The commission shall establish 2 advisory committees, 1 of
21 which shall comprise consumer representatives independent of the
22 insurance industry and the other comprising insurance industry
23 representatives.

24 c. The commission may establish additional advisory committees
25 as its bylaws may provide for the carrying out of its functions.

26 4. Corporate Records of the Commission

27 The commission shall maintain its corporate books and records

1 in accordance with the bylaws.

2 5. Qualified Immunity, Defense, and Indemnification

3 a. The members, officers, executive director, employees, and
4 representatives of the commission shall be immune from suit and
5 liability, either personally or in their official capacity, for any
6 claim for damage to or loss of property or personal injury or other
7 civil liability caused by or arising out of any actual or alleged
8 act, error, or omission that occurred, or that the person against
9 whom the claim is made had a reasonable basis for believing
10 occurred within the scope of commission employment, duties, or
11 responsibilities; provided, that nothing in this paragraph shall be
12 construed to protect any such person from suit and/or liability for
13 any damage, loss, injury, or liability caused by the intentional or
14 willful and wanton misconduct of that person.

15 b. The commission shall defend any member, officer, executive
16 director, employee, or representative of the commission in any
17 civil action seeking to impose liability arising out of any actual
18 or alleged act, error, or omission that occurred within the scope
19 of commission employment, duties, or responsibilities, or that the
20 person against whom the claim is made had a reasonable basis for
21 believing occurred within the scope of commission employment,
22 duties, or responsibilities; provided, that nothing in this compact
23 shall be construed to prohibit that person from retaining his or
24 her own counsel; and provided further, that the actual or alleged
25 act, error, or omission did not result from that person's
26 intentional or willful and wanton misconduct.

27 c. The commission shall indemnify and hold harmless any

1 member, officer, executive director, employee, or representative of
2 the commission for the amount of any settlement or judgment
3 obtained against that person arising out of any actual or alleged
4 act, error, or omission that occurred within the scope of
5 commission employment, duties, or responsibilities, or that such
6 person had a reasonable basis for believing occurred within the
7 scope of commission employment, duties, or responsibilities,
8 provided, that the actual or alleged act, error, or omission did
9 not result from the intentional or willful and wanton misconduct of
10 that person.

11 ARTICLE VI. MEETINGS AND ACTS OF THE COMMISSION

12 1. The commission shall meet and take such actions as are
13 consistent with the provisions of this compact and the bylaws.

14 2. Each member of the commission shall have the right and
15 power to cast a vote to which that compacting state is entitled and
16 to participate in the business and affairs of the commission. A
17 member shall vote in person or by such other means as provided in
18 the bylaws. The bylaws may provide for members' participation in
19 meetings by telephone or other means of communication.

20 3. The commission shall meet at least once during each
21 calendar year. Additional meetings shall be held as set forth in
22 the bylaws.

23 ARTICLE VII. RULES & OPERATING PROCEDURES: RULEMAKING FUNCTIONS OF
24 THE COMMISSION AND OPTING OUT OF UNIFORM STANDARDS

25 1. Rulemaking authority. The commission shall promulgate
26 reasonable rules, including uniform standards, and operating
27 procedures in order to effectively and efficiently achieve the

1 purposes of this compact. Notwithstanding the foregoing, in the
2 event the commission exercises its rulemaking authority in a manner
3 that is beyond the scope of the purposes of this compact, or the
4 powers granted under this compact, then such an action by the
5 commission shall be invalid and have no force and effect.

6 2. Rulemaking procedure. Rules and operating procedures shall
7 be made pursuant to a rulemaking process that conforms to the model
8 state administrative procedure act of 1981 as amended, as may be
9 appropriate to the operations of the commission. Before the
10 commission adopts a uniform standard, the commission shall give
11 written notice to the relevant state legislative committees in each
12 compacting state responsible for insurance issues of its intention
13 to adopt the uniform standard. The commission in adopting a uniform
14 standard shall consider fully all submitted materials and issue a
15 concise explanation of its decision.

16 3. Effective date and opt out of a uniform standard. A uniform
17 standard shall become effective 90 days after its promulgation by
18 the commission or such later date as the commission may determine;
19 provided, however, that a compacting state may opt out of a uniform
20 standard as provided in this article. "Opt out" shall be defined as
21 any action by a compacting state to decline to adopt or participate
22 in a promulgated uniform standard. All other rules and operating
23 procedures, and amendments to those rules and operating procedures,
24 shall become effective as of the date specified in each rule,
25 operating procedure, or amendment.

26 4. Opt out procedure. A compacting state may opt out of a
27 uniform standard, either by legislation or regulation duly

1 promulgated by the insurance department under the compacting
2 state's administrative procedure act. If a compacting state elects
3 to opt out of a uniform standard by regulation, it must give
4 written notice to the commission no later than 10 business days
5 after the uniform standard is promulgated, or at the time the state
6 becomes a compacting state, and find that the uniform standard does
7 not provide reasonable protections to the citizens of the state,
8 given the conditions in the state. The commissioner shall make
9 specific findings of fact and conclusions of law, based on a
10 preponderance of the evidence, detailing the conditions in the
11 state that warrant a departure from the uniform standard and
12 determining that the uniform standard would not reasonably protect
13 the citizens of the state. The commissioner must consider and
14 balance the following factors and find that the conditions in the
15 state and needs of the citizens of the state outweigh the intent of
16 the legislature to participate in, and the benefits of, an
17 interstate agreement to establish national uniform consumer
18 protections for the products subject to this compact and the
19 presumption that a uniform standard adopted by the commission
20 provides reasonable protections to consumers of the relevant
21 product.

22 Notwithstanding the foregoing, a compacting state may, at the
23 time of its enactment of this compact, prospectively opt out of all
24 uniform standards involving long-term care insurance products by
25 expressly providing for such opt out in the enacted compact, and
26 such an opt out shall not be treated as a material variance in the
27 offer or acceptance of any state to participate in this compact.

1 Such an opt out shall be effective at the time of enactment of this
2 compact by the compacting state and shall apply to all existing
3 uniform standards involving long-term care insurance products and
4 those subsequently promulgated.

5 5. Effect of opt out. If a compacting state elects to opt out
6 of a uniform standard, the uniform standard shall remain applicable
7 in the compacting state electing to opt out until such time the opt
8 out legislation is enacted into law or the regulation opting out
9 becomes effective.

10 Once the opt out of a uniform standard by a compacting state
11 becomes effective as provided under the laws of that state, the
12 uniform standard shall have no further force and effect in that
13 state unless and until the legislation or regulation implementing
14 the opt out is repealed or otherwise becomes ineffective under the
15 laws of the state. If a compacting state opts out of a uniform
16 standard after the uniform standard has been made effective in that
17 state, the opt out shall have the same prospective effect as
18 provided under article XIV of this compact for withdrawals.

19 6. Stay of uniform standard. If a compacting state has
20 formally initiated the process of opting out of a uniform standard
21 by regulation, and while the regulatory opt out is pending, the
22 compacting state may petition the commission, at least 15 days
23 before the effective date of the uniform standard, to stay the
24 effectiveness of the uniform standard in that state. The commission
25 may grant a stay if it determines the regulatory opt out is being
26 pursued in a reasonable manner and there is a likelihood of
27 success. If a stay is granted or extended by the commission, the

1 stay or extension may postpone the effective date by up to 90 days,
2 unless affirmatively extended by the commission; provided, a stay
3 may not be permitted to remain in effect for more than 1 year
4 unless the compacting state can show extraordinary circumstances
5 that warrant a continuance of the stay, including, but not limited
6 to, the existence of a legal challenge that prevents the compacting
7 state from opting out. A stay may be terminated by the commission
8 upon notice that the rulemaking process has been terminated.

9 7. Not later than 30 days after a rule or operating procedure
10 is promulgated, any person may file a petition for judicial review
11 of the rule or operating procedure; provided, that the filing of
12 such a petition shall not stay or otherwise prevent the rule or
13 operating procedure from becoming effective unless the court finds
14 that the petitioner has a substantial likelihood of success. The
15 court shall give deference to the actions of the commission
16 consistent with applicable law and shall not find the rule or
17 operating procedure to be unlawful if the rule or operating
18 procedure represents a reasonable exercise of the commission's
19 authority.

20 ARTICLE VIII. COMMISSION RECORDS AND ENFORCEMENT

21 1. The commission shall promulgate rules establishing
22 conditions and procedures for public inspection and copying of its
23 information and official records, except such information and
24 records involving the privacy of individuals and insurers' trade
25 secrets. The commission may promulgate additional rules under which
26 it may make available to federal and state agencies, including law
27 enforcement agencies, records and information otherwise exempt from

1 disclosure, and may enter into agreements with such agencies to
2 receive or exchange information or records subject to nondisclosure
3 and confidentiality provisions.

4 2. Except as to privileged records, data, and information, the
5 laws of any compacting state pertaining to confidentiality or
6 nondisclosure shall not relieve any compacting state commissioner
7 of the duty to disclose any relevant records, data, or information
8 to the commission; provided, that disclosure to the commission
9 shall not be deemed to waive or otherwise affect any
10 confidentiality requirement; and further provided, that, except as
11 otherwise expressly provided in this compact, the commission shall
12 not be subject to the compacting state's laws pertaining to
13 confidentiality and nondisclosure with respect to records, data,
14 and information in its possession. Confidential information of the
15 commission shall remain confidential after such information is
16 provided to any commissioner.

17 3. The commission shall monitor compacting states for
18 compliance with duly adopted bylaws, rules, including uniform
19 standards, and operating procedures. The commission shall notify
20 any non-complying compacting state in writing of its noncompliance
21 with commission bylaws, rules, or operating procedures. If a non-
22 complying compacting state fails to remedy its noncompliance within
23 the time specified in the notice of noncompliance, the compacting
24 state shall be deemed to be in default as set forth in article XIV
25 of this compact.

26 4. The commissioner of any state in which an insurer is
27 authorized to do business, or is conducting the business of

1 insurance, shall continue to exercise his or her authority to
2 oversee the market regulation of the activities of the insurer in
3 accordance with the provisions of the state's law. The
4 commissioner's enforcement of compliance with the compact is
5 governed by the following provisions:

6 a. With respect to the commissioner's market regulation of a
7 product or advertisement that is approved or certified to the
8 commission, the content of the product or advertisement shall not
9 constitute a violation of the provisions, standards, or
10 requirements of the compact except upon a final order of the
11 commission, issued at the request of a commissioner after prior
12 notice to the insurer and an opportunity for hearing before the
13 commission.

14 b. Before a commissioner may bring an action for violation of
15 any provision, standard, or requirement of the compact relating to
16 the content of an advertisement not approved or certified to the
17 commission, the commission, or an authorized commission officer or
18 employee, must authorize the action. However, authorization
19 pursuant to this paragraph does not require notice to the insurer,
20 opportunity for hearing, or disclosure of requests for
21 authorization or records of the commission's action on such
22 requests.

23 ARTICLE IX. DISPUTE RESOLUTION

24 The commission shall attempt, upon the request of a member, to
25 resolve any disputes or other issues that are subject to this
26 compact and that may arise between 2 or more compacting states, or
27 between compacting states and non-compacting states, and the

1 commission shall promulgate an operating procedure providing for
2 resolution of such disputes.

3 ARTICLE X. PRODUCT FILING AND APPROVAL

4 1. Insurers and third-party filers seeking to have a product
5 approved by the commission shall file the product with, and pay
6 applicable filing fees to, the commission. Nothing in this compact
7 shall be construed to restrict or otherwise prevent an insurer from
8 filing its product with the insurance department in any state where
9 the insurer is licensed to conduct the business of insurance, and
10 such filing shall be subject to the laws of the states where filed.

11 2. The commission shall establish appropriate filing and
12 review processes and procedures pursuant to commission rules and
13 operating procedures. Notwithstanding any provision in this compact
14 to the contrary, the commission shall promulgate rules to establish
15 conditions and procedures under which the commission will provide
16 public access to product filing information. In establishing such
17 rules, the commission shall consider the interests of the public in
18 having access to such information, as well as protection of
19 personal medical and financial information and trade secrets, that
20 may be contained in a product filing or supporting information.

21 3. Any product approved by the commission may be sold or
22 otherwise issued in those compacting states for which the insurer
23 is legally authorized to do business.

24 ARTICLE XI. REVIEW OF COMMISSION DECISIONS REGARDING FILINGS

25 1. Not later than 30 days after the commission has given
26 notice of a disapproved product or advertisement filed with the
27 commission, the insurer or third party filer whose filing was

1 disapproved may appeal the determination to a review panel
2 appointed by the commission. The commission shall promulgate rules
3 to establish procedures for appointing such review panels and
4 provide for notice and hearing. An allegation that the commission,
5 in disapproving a product or advertisement filed with the
6 commission, acted arbitrarily, capriciously, or in a manner that is
7 an abuse of discretion or otherwise not in accordance with the law,
8 is subject to judicial review in accordance with article III,
9 section 4.

10 2. The commission shall have authority to monitor, review, and
11 reconsider products and advertisement subsequent to their filing or
12 approval upon a finding that the product does not meet the relevant
13 uniform standard. Where appropriate, the commission may withdraw or
14 modify its approval after proper notice and hearing, subject to the
15 appeal process in section 1 above.

16 ARTICLE XII. FINANCE

17 1. The commission shall pay or provide for the payment of the
18 reasonable expenses of its establishment and organization. To fund
19 the cost of its initial operations, the commission may accept
20 contributions and other forms of funding from the national
21 association of insurance commissioners, compacting states, and
22 other sources. Contributions and other forms of funding from other
23 sources shall be of such a nature that the independence of the
24 commission concerning the performance of its duties shall not be
25 compromised.

26 2. The commission shall collect a filing fee from each insurer
27 and third party filer filing a product with the commission to cover

1 the cost of the operations and activities of the commission and its
2 staff in a total amount sufficient to cover the commission's annual
3 budget.

4 3. The commission's budget for a fiscal year shall not be
5 approved until it has been subject to notice and comment as set
6 forth in article VII of this compact.

7 4. The commission shall be exempt from all taxation in and by
8 the compacting states.

9 5. The commission shall not pledge the credit of any
10 compacting state, except by and with the appropriate legal
11 authority of that compacting state.

12 6. The commission shall keep complete and accurate accounts of
13 all its internal receipts, including grants and donations, and
14 disbursements of all funds under its control. The internal
15 financial accounts of the commission shall be subject to the
16 accounting procedures established under its bylaws. The financial
17 accounts and reports, including the system of internal controls and
18 procedures of the commission, shall be audited annually by an
19 independent certified public accountant. Upon the determination of
20 the commission, but no less frequently than every 3 years, the
21 review of the independent auditor shall include a management and
22 performance audit of the commission. The commission shall make an
23 annual report to the governor and legislature of the compacting
24 states, which shall include a report of the independent audit. The
25 commission's internal accounts shall not be confidential and such
26 materials may be shared with the commissioner of any compacting
27 state upon request, provided, however, that any work papers related

1 to any internal or independent audit and any information regarding
2 the privacy of individuals and insurers' proprietary information,
3 including trade secrets, shall remain confidential.

4 7. No compacting state shall have any claim to or ownership of
5 any property held by or vested in the commission or to any
6 commission funds held pursuant to the provisions of this compact.

7 ARTICLE XIII. COMPACTING STATES, EFFECTIVE DATE, AND AMENDMENT

8 1. Any state is eligible to become a compacting state.

9 2. The compact shall become effective and binding upon
10 legislative enactment of the compact into law by 2 compacting
11 states; provided, the commission shall become effective for
12 purposes of adopting uniform standards for, reviewing, and giving
13 approval or disapproval of, products filed with the commission that
14 satisfy applicable uniform standards only after 26 states are
15 compacting states or, alternatively, by states representing greater
16 than 40% of the premium volume for life insurance, annuity,
17 disability income, and long-term care insurance products, based on
18 records of the national association of insurance commissioners for
19 the prior year. Thereafter, it shall become effective and binding
20 as to any other compacting state upon enactment of the compact into
21 law by that state.

22 3. Amendments to the compact may be proposed by the commission
23 for enactment by the compacting states. No amendment shall become
24 effective and binding upon the commission and the compacting states
25 unless and until all compacting states enact the amendment into
26 law.

27 ARTICLE XIV. WITHDRAWAL, DEFAULT, AND TERMINATION

28 1. Withdrawal

1 a. Once effective, the compact shall continue in force and
2 remain binding upon each and every compacting state; provided, that
3 a compacting state may withdraw from the compact ("withdrawing
4 state") by enacting a statute specifically repealing the statute
5 that enacted the compact into law.

6 b. The effective date of withdrawal is the effective date of
7 the repealing statute. However, the withdrawal shall not apply to
8 any product filings approved or self-certified, or any
9 advertisement of those products, on the date the repealing statute
10 becomes effective, except by mutual agreement of the commission and
11 the withdrawing state unless the approval is rescinded by the
12 withdrawing state as provided in paragraph e. of this section.

13 c. The commissioner of the withdrawing state shall immediately
14 notify the management committee in writing upon the introduction of
15 legislation repealing this compact in the withdrawing state.

16 d. The commission shall notify the other compacting states of
17 the introduction of such legislation within 10 days after its
18 receipt of notice of the introduction of withdrawing legislation.

19 e. The withdrawing state is responsible for all obligations,
20 duties, and liabilities incurred through the effective date of
21 withdrawal, including any obligations, the performance of which
22 extend beyond the effective date of withdrawal, except to the
23 extent those obligations may have been released or relinquished by
24 mutual agreement of the commission and the withdrawing state. The
25 commission's approval of products and advertisement prior to the
26 effective date of withdrawal shall continue to be effective and be

1 given full force and effect in the withdrawing state, unless
2 formally rescinded by the withdrawing state in the same manner as
3 provided by the laws of the withdrawing state for the prospective
4 disapproval of products or advertisement previously approved under
5 state law.

6 f. Reinstatement following withdrawal of any compacting state
7 shall occur upon the effective date of the withdrawing state
8 reenacting the compact.

9 2. Default

10 a. If the commission determines that any compacting state has
11 at any time defaulted ("defaulting state") in the performance of
12 any of its obligations or responsibilities under this compact, the
13 bylaws, or duly promulgated rules or operating procedures, then,
14 after notice and hearing as set forth in the bylaws, all rights,
15 privileges, and benefits conferred by this compact on the
16 defaulting state shall be suspended from the effective date of
17 default as fixed by the commission. The grounds for default
18 include, but are not limited to, failure of a compacting state to
19 perform its obligations or responsibilities, and any other grounds
20 designated in commission rules. The commission shall immediately
21 notify the defaulting state in writing of the defaulting state's
22 suspension pending a cure of the default. The commission shall
23 stipulate the conditions and the time period within which the
24 defaulting state must cure its default. If the defaulting state
25 fails to cure the default within the time period specified by the
26 commission, the defaulting state shall be terminated from the
27 compact and all rights, privileges, and benefits conferred by this

1 compact shall be terminated from the effective date of termination.

2 b. Product approvals by the commission or product self-
3 certifications, or any advertisement in connection with that
4 product, that are in force on the effective date of termination
5 shall remain in force in the defaulting state in the same manner as
6 if the defaulting state had withdrawn voluntarily pursuant to
7 section 1 of this article.

8 c. Reinstatement following termination of any compacting state
9 requires a reenactment of the compact.

10 3. Dissolution of Compact

11 a. The compact dissolves effective upon the date of the
12 withdrawal or default of the compacting state that reduces
13 membership in the compact to 1 compacting state.

14 b. Upon the dissolution of this compact, the compact becomes
15 null and void and shall be of no further force or effect, and the
16 business and affairs of the commission shall be wound up and any
17 surplus funds shall be distributed in accordance with the bylaws.

18 ARTICLE XV. SEVERABILITY AND CONSTRUCTION

19 1. The provisions of this compact shall be severable; and if
20 any phrase, clause, sentence, or provision is deemed unenforceable,
21 the remaining provisions of the compact shall be enforceable.

22 2. The provisions of this compact shall be liberally construed
23 to effectuate its purposes.

24 ARTICLE XVI. BINDING EFFECT OF COMPACT AND OTHER LAWS

25 1. Other Laws

26 a. Nothing herein prevents the enforcement of any other law of
27 a compacting state, except as provided in paragraph b. of this

1 section.

2 b. For any product approved or certified to the commission,
3 the rules, uniform standards, and any other requirements of the
4 commission shall constitute the exclusive provisions applicable to
5 the content, approval, and certification of such products. For
6 advertisement that is subject to the commission's authority, any
7 rule, uniform standard, or other requirement of the commission that
8 governs the content of the advertisement shall constitute the
9 exclusive provision that a commissioner may apply to the content of
10 the advertisement. Notwithstanding the foregoing, no action taken
11 by the commission shall abrogate or restrict the access of any
12 person to state courts, remedies available under state law related
13 to breach of contract, tort, or other laws not specifically
14 directed to the content of the product, state law relating to the
15 construction of insurance contracts, or the authority of the
16 attorney general of the state, including, but not limited to,
17 maintaining any actions or proceedings, as authorized by law.

18 c. All insurance products filed with individual states shall
19 be subject to the laws of those states.

20 2. Binding Effect of This Compact

21 a. All lawful actions of the commission, including all rules
22 and operating procedures promulgated by the commission, are binding
23 upon the compacting states.

24 b. All agreements between the commission and the compacting
25 states are binding in accordance with their terms.

26 c. Upon the request of a party to a conflict over the meaning
27 or interpretation of commission actions, and upon a majority vote

1 of the compacting states, the commission may issue advisory
2 opinions regarding the meaning or interpretation in dispute.

3 d. In the event any provision of this compact exceeds the
4 constitutional limits imposed on the legislature of any compacting
5 state, the obligations, duties, powers, or jurisdiction sought to
6 be conferred by that provision upon the commission shall be
7 ineffective as to that compacting state, and those obligations,
8 duties, powers, or jurisdiction shall remain in the compacting
9 state and shall be exercised by the agency to which those
10 obligations, duties, powers, or jurisdiction is delegated by law in
11 effect at the time this compact becomes effective.
