(f) A person named in the report or record as a perpetrator or alleged perpetrator of the child abuse or neglect or a victim who is an adult at the time of the request, if the identity of the reporting person is protected as provided in section 5.

(g) A court that determines the information is necessary to decide an issue before the court.

(h) A grand jury that determines the information is necessary to conduct the grand jury’s official business.

(i) A person, agency, or organization engaged in a bona fide research or evaluation project. The person, agency, or organization shall not conduct a personal interview with a family without the family's prior consent and shall not disclose information that would identify the child or the child's family or other identifying information. The department director may authorize the release of information to a person, agency, or organization described in this subdivision if the release contributes to the purposes of this act and the person, agency, or organization has appropriate controls to maintain the confidentiality of personally identifying information for a person named in a report or record made under this act.

(j) A lawyer-guardian ad litem or other attorney appointed as provided by section 10.

(k) A child placing agency licensed under 1973 PA 116, MCL 722.111 to 722.128, for the purpose of investigating an applicant for adoption, a foster care applicant or licensee or an employee of a foster care applicant or licensee, an adult member of an applicant's or licensee's household, or other persons in a foster care or adoptive home who are directly responsible for the care and welfare of children, to determine suitability of a home for adoption or foster care. (3) Subject to subsection (9), a person or entity to whom information described in subsection (2) is disclosed shall make the information available only to a person or entity described in subsection (2). This subsection does not require a court proceeding to be closed that otherwise would be open to the public.

(4) If the department classifies a report of suspected child abuse or neglect as a central registry case, the department shall maintain a record in the central registry and, within 30 days after the classification, shall notify in writing each person who is named in the record as a perpetrator of the child abuse or neglect. The notice shall set forth the person's right to request expunction of the record and the right to a hearing if the department refuses the request. The notice shall state that the record may be released under section 7d. The notice shall not identify the person reporting the suspected child abuse or neglect.

(5) A person who is the subject of a report or record made under this act may request the department to amend an inaccurate report or record from the central registry and local office file. A person who is the subject of a report or record made under this act may request the department to expunge from the central registry a report or record in which no relevant and accurate evidence of abuse or neglect is found to exist. A report or record filed in a local office file is not subject to expunction except as the department authorizes, if considered in the best interest of the child.

(6) If the department refuses a request for amendment or expunction under subsection (5), or fails to act within 30 days after receiving the request, the department shall hold a hearing to determine by a preponderance of the evidence whether the report or record in whole or in part should be amended or expunged from the central registry on the grounds that the report or record is not relevant or accurate evidence of abuse or neglect. The hearing shall be held before a hearing officer appointed by the department and shall be conducted as prescribed by the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(7) If the investigation of a report conducted under this act fails to disclose evidence of abuse or neglect, the information identifying the subject of the report shall be expunged from the central registry. If evidence of abuse or neglect exists, the department shall maintain the information in the central registry until the department receives reliable information that the perpetrator of the abuse or neglect is dead.

(8) In releasing information under this act, the department shall not include a report compiled by a police agency or other law enforcement agency related to an ongoing investigation of suspected child abuse or neglect. This subsection does not prevent the department from releasing reports of convictions of crimes related to child abuse or neglect.

(9) A member or staff member of a citizen review panel shall not disclose identifying information about a specific child protection case to an individual, partnership, corporation, association, governmental entity, or other legal entity. A member or staff member of a citizen review panel is a member of a board, council, commission, or statutorily created task force of a governmental agency for the purposes of section 7 of 1964 PA 170, MCL 691.1407.
