The People of the State of Michigan enact:

Sec. 627. (1) A person operating a vehicle on a highway shall operate that vehicle at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface, and width of the highway and of any other condition then existing. A person shall not operate a vehicle upon a highway at a speed greater than that which will permit a stop within the assured, clear distance ahead.

(2) Subject to subsection (1) and except in those instances where a lower speed is specified in this chapter, it is prima facie lawful for the operator of a vehicle to operate that vehicle at a speed not exceeding the following, except when this speed would be unsafe:

(a) 25 miles an hour on all highways in a business or residence district as defined in this act.

(b) 25 miles an hour in public parks unless a different speed is fixed and duly posted.

(3) It is prima facie unlawful for a person to exceed the speed limits prescribed in subsection (2), except as provided in section 629.

(4) A person operating a vehicle in a mobile home park as defined in section 2 of the mobile home commission act, 1987 PA 96, MCL 125.2302, shall operate that vehicle at a careful and prudent speed, not greater than a speed that is reasonable and proper, having due regard for the traffic, surface, width of the roadway, and all other conditions existing, and not greater than a speed that permits a stop within the assured clear distance ahead. It is prima facie unlawful for the operator of a vehicle to operate that vehicle at a speed exceeding 15 miles an hour in a mobile home park as defined in section 2 of the mobile home commission act, 1987 PA 96, MCL 125.2302.

(5) A person operating a passenger vehicle drawing another vehicle or trailer shall not exceed the posted speed limit.

(6) Except as otherwise provided in this subsection, a truck with a gross weight of 10,000 pounds or more, a truck-tractor, a truck-tractor with a semi-trailer or trailer, or a combination of these vehicles shall not exceed a speed of 55 miles per hour on highways, streets, or freeways and shall not exceed a speed of 35 miles per hour during the period when reduced loadings are being enforced in accordance with this chapter. However, a truck, a truck-tractor, or a truck-tractor with a semi-trailer or trailer described in this subsection shall not exceed a speed of 60 miles per hour on a freeway if the maximum speed limit on that freeway is 70 miles per hour.

(7) A person operating a school bus shall not exceed the speed of 50 miles per hour.

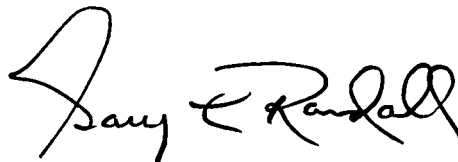

(8) The maximum rates of speeds allowed under this section are subject to the maximum rate established under section 629b.

(9) A person operating a vehicle on a highway, when entering and passing through a work zone described in section 79d(a) where a normal lane or part of the lane of traffic has been closed due to highway construction, maintenance, or surveying activities, shall not exceed a speed of 45 miles per hour unless a different speed limit is determined for that work zone by the state transportation department, a county road commission, or a local authority. The state transportation department, a county road commission, or a local authority shall post speed limit signs in each work zone described in section 79d(a) that indicate the speed limit in that work zone and shall identify that work zone with any other traffic control devices necessary to conform to the Michigan manual of uniform traffic control devices. A person shall not exceed a speed limit established under this section or a speed limit established under section 628 or 629.

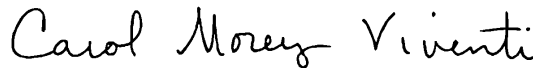

(10) A person who violates this section is responsible for a civil infraction.

Enacting section 1. This amendatory act takes effect 9 months after the date it is enacted into law.

This act is ordered to take immediate effect.
