26 increase state revenues, including protecting existing federal
27 funds or securing additional federal funds.

1 (d) The travel is necessary to comply with federal
2 requirements.

3 (e) The travel is necessary to secure specialized training for

3 fund/general purpose revenues, the proportion funded with state
4 restricted revenues, the proportion funded with federal revenues,
5 and the proportion funded with other revenues.

7 immediately preceding fiscal year.

8 Sec. 217. The director shall take all reasonable steps to
9 ensure businesses in deprived and depressed communities compete for
10 and perform contracts to provide services or supplies, or both. The

12 contracts to subcontract with certified businesses in deprived and
13 depressed communities for services, supplies, or both.

14 Sec. 218. (1) In addition to the funds appropriated in part 1,

17 probation violations and technical parole violations. To the extent
18 the department has insufficient policies or resources to affect the
19 continued increase in prison commitments among these offender
20 populations, the department shall explore other policy options to
21 allow for program alternatives, including department or OCC-funded
22 programs, local level programs, and programs available through
23 private agencies that may be used as prison alternatives for these
24 offenders.

25 (2) To the extent policies or programs described in subsection

17 Sec. 406. (1) By April 1, 2008, the department shall provide a
18 report on prisoner reintegration programs to the members of the
19 senate and house appropriations subcommittees on corrections, the
20 senate and house fiscal agencies, and the state budget director. At
21 a minimum, the report shall include all of the following
22 information:

23 (a) Allocations and projected expenditures for each project
24 funded and for each project to be funded, itemized by service to be
25 provided and service provider.

20 comparison of the overall recidivism rates and length of time prior
21 to prison return of offenders who participated in the MPRI with
22 those of offenders who did not. The report should disaggregate the
23 information by each pilot site in order to compare the practices
24 and success rates of each pilot.

25 (4) If practicable, the department shall include prisoners
26 nearing their maximum sentence in the prison phases of the MPRI.

5 work crew assignments. Funds shall also be used to cover motor
6 transport division rates on state vehicles used to transport
7 offenders to community service work project sites.

8 (2) The community service work program shall provide offenders

10 probation violators.

11 (b) Improve the appropriate utilization of jail facilities,
12 the first priority of which is to open jail beds intended to house

24 but are not limited to, the prison commitment rate by category of
25 offenders, trends in prison commitment rates and jail utilization,
26 historical trends in community corrections program capacity and
27 program utilization, and the projected impact and outcome of annual

19 county jail reimbursement program under section 706 of this bill.
20 The state community corrections board shall encourage local
21 community corrections boards to include in their comprehensive
22 corrections plans strategies to collaborate with local alcohol and

25 management planning, and delivery of treatment to alcohol- and
26 drug-involved offenders, including, but not limited to, probation
27 and parole violators who are at risk of revocation.

1 Sec. 704. (1) As part of the March biannual report specified
2 in section 12(2) of the community corrections act, 1988 PA 511, MCL
3 791.412, that requires an analysis of the impact of that act on

13 of the code of criminal procedure, 1927 PA 175, MCL 777.1 to
14 777.69, have upper limits of 18 months or less, through funding
15 programs that may be used in lieu of incarceration and that
16 increase the likelihood of rehabilitation.

17 (c) To provide a policy and funding framework to make
18 additional jail space available for housing convicted felons whose
19 recommended minimum sentence ranges under sentencing guidelines

12 to the prisoner prior to release on parole, and if appropriate
13 based on the test results, the prisoner shall also be provided a
14 recommendation to seek follow-up medical attention in the
15 community. The test shall be voluntary; if the prisoner refuses to
16 be tested, that decision shall not affect parole release,
17 conditions of parole, or parole supervision.

18 INSTITUTIONAL OPERATIONS

19 Sec. 1002. From the funds appropriated in part 1, the
20 department shall allocate sufficient funds to develop a pilot
21 children's visitation program. The pilot program shall teach

12 the control account shall be distributed as necessary into separate
13 accounts created to separately identify costs for specific
14 purposes.

15 (2) Quarterly reports on all expenditures from the inmate
