AN ACT to amend 1996 PA 376, entitled "An act to create and expand certain renaissance zones; to foster economic opportunities in this state; to facilitate economic development; to stimulate industrial, commercial, and residential improvements; to prevent physical and infrastructure deterioration of geographic areas in this state; to authorize expenditures; to provide exemptions and credits from certain taxes; to create certain obligations of this state and local governmental units; to require disclosure of certain transactions and gifts; to provide for appropriations; and to prescribe the powers and duties of certain state and local departments, agencies, and officials," by amending sections 4 and 8a (MCL 125.2684 and 125.2688a), section 4 as amended by 2006 PA 440 and section 8a as amended by 2006 PA 476.

*The People of the State of Michigan enact:*

Sec. 4. (1) One or more qualified local governmental units may apply to the review board to designate the qualified local governmental unit or units as a renaissance zone if all of the following criteria are met:

(a) The geographic area of the proposed renaissance zone is located within the boundaries of the qualified local governmental unit or units that apply.

(b) The application includes a development plan.

(c) The proposed renaissance zone is not more than 5,000 acres in size.

(d) The renaissance zone does not contain more than 10 distinct geographic areas. Except as otherwise provided in this subdivision, the minimum size of a distinct geographic area is not less than 5 acres. A qualified local governmental unit or units may designate not more than 8 distinct geographic areas in each renaissance zone to have no minimum size requirement.

(e) The application includes the proposed duration of renaissance zone status, not to exceed 15 years, except as otherwise provided in this section.

(f) If the qualified local governmental unit has an elected county executive, the county executive's written approval of the application.

(g) If the qualified local governmental unit is a city, that city's mayor's written approval of the application.

(2) A qualified local governmental unit may submit not more than 1 application to the review board for designation as a renaissance zone. A resolution provided by a city, village, or township under section 7(2) does not constitute an application of a city, village, or township for a renaissance zone under this act.

(3) For a distinct geographic area described in subsection (1)(d), a village may include publicly owned land within the boundaries of any distinct geographic area.

(4) Beginning December 1, 2006 through December 31, 2011, a qualified local governmental unit or units in which a renaissance zone was designated under section 8 or 8a(1) or (3) may designate additional distinct geographic areas not to exceed a total of 10 distinct geographic areas upon application to and approval by the board of the Michigan strategic fund if the distinct geographic area is located in an eligible distressed area as defined in section 11 of the state housing development authority act of 1966, 1966 PA 346, MCL 125.1411, or is contiguous to an eligible distressed area, and if the additional distinct geographic area will increase capital investment or job creation. The duration of renaissance zone status for the additional distinct geographic areas shall not exceed 15 years.

(5) Through December 31, 2002, if a qualified local governmental unit or units designate additional distinct geographic areas in a renaissance zone under subsection (4), the qualified local governmental unit or units may extend the duration of the renaissance zone status of 1 or more distinct geographic areas in that renaissance zone until 2017 upon application to and approval by the board.

(6) Through December 31, 2002, a qualified local governmental unit or units in which a renaissance zone was designated under section 8 or 8a may, upon application to and approval by the board, seek to extend the duration of renaissance zone status until 2017. Upon application, the board may extend the duration of renaissance zone status.

(7) Through December 31, 2011, a qualified local governmental unit or units in which a renaissance zone was designated under section 8 or 8a(1) or (3) may, upon application to and approval by the board of the Michigan strategic fund, seek to extend the duration of renaissance zone status for 1 or more portions of the renaissance zone if that zone or portion of a zone is in existence as of March 15, 2008, if the extension will increase capital investment or job creation, and the county in which the portion or portions of the renaissance zone are located consents to extend the duration of renaissance zone status. The board of the Michigan strategic fund may extend renaissance zone status for 1 or more portions of the renaissance zone under this subsection for a period of time not to exceed 15 years from the date of the application to the board of the Michigan strategic fund under this subsection. However, beginning on the effective date of the amendatory act that added this sentence, if the board of the Michigan strategic fund extends the duration of 1 or more portions of a renaissance zone under this subsection, the board of the Michigan strategic fund may revoke that extension if the board determines that increased capital investment or job creation will not begin within 1 year of the granting of the extension or otherwise violates the terms of the written development agreement between the owner of the real property and the board of the Michigan strategic fund. Only the qualified local governmental unit that is requesting the extension of time may submit the application. If the board of the Michigan strategic fund extends the duration of 1 or more portions of a renaissance zone, the board of the Michigan strategic fund shall enter into a written development agreement with the owner of all real property located within the boundaries of the portions of the renaissance zone whose duration has been extended. The written development agreement shall include, but is not limited to, all of the following:

- (a) The duration of the extension.
- (b) The conditions under which the extension is granted.
- (c) The amount of capital investment.
- (d) The number of jobs to be created.
- (e) Any other conditions or requirements reasonably required by the board of the Michigan strategic fund.

Sec. 8a. (1) Except as provided in subsections (2), (3), and (4), the board shall not designate more than 9 additional renaissance zones within this state under this section. Not more than 6 of the renaissance zones shall be located in urban areas and not more than 5 of the renaissance zones shall be located in rural areas. For purposes of determining whether a renaissance zone is located in an urban area or rural area under this section, if any part of a renaissance zone is located within an urban area, the entire renaissance zone shall be considered to be located in an urban area.

(2) The board of the Michigan strategic fund described in section 4 of the Michigan strategic fund act, 1984 PA 270, MCL 125.2004, may designate not more than 17 additional renaissance zones within this state in 1 or more cities, villages, or townships if that city, village, or township or combination of cities, villages, or townships consents to the creation of a renaissance zone within their boundaries. The board of the Michigan strategic fund may designate not more than 1 of the 17 additional renaissance zones described in this subsection as an alternative energy zone. An alternative energy zone shall promote and increase the research, development, testing, and manufacturing of alternative energy technology, alternative energy systems, and alternative energy vehicles, as those terms are defined in the Michigan next energy authority act, 2002 PA 593, MCL 207.821 to 207.827. An alternative energy zone shall have a duration of renaissance zone status for a period not to exceed 20 years as determined by the board of the Michigan strategic fund. The board of the Michigan strategic fund may designate not more than 8 of the additional 17 renaissance zones described in this subsection as a redevelopment renaissance zone. A redevelopment renaissance zone shall promote the redevelopment of existing industrial facilities or the development of property for industrial purposes. The board of the Michigan strategic fund may designate not more than 1 of the 17 additional renaissance zones described in this subsection as a pharmaceutical recovery renaissance zone. A pharmaceutical recovery renaissance zone shall promote the development or redevelopment of existing underutilized facilities currently occupied or formerly occupied by a pharmaceutical company. Before designating a renaissance zone under this subsection, the board of the Michigan

strategic fund may enter into a development agreement with the city, township, or village in which the renaissance zone will be located and the owner or developer of the facility or property located in the renaissance zone. The development agreement for a redevelopment renaissance zone described only in subsection (6)(b)(vi) or (vii) may provide for the payment of 1 or more of the taxes described in section 9.

(3) In addition to the not more than 9 additional renaissance zones described in subsection (1), the board may designate additional renaissance zones within this state in 1 or more qualified local governmental units if that qualified local governmental unit or units contain a military installation that was operated by the United States department of defense and was closed in 1977 or after 1990.

(4) Land owned by a county or the qualified local governmental unit or units adjacent to a zone as described in subsection (3) may be included in this zone.

(5) Notwithstanding any other provision of this act, property located in the alternative energy zone that is classified as commercial real property under section 34c of the general property tax act, 1893 PA 206, MCL 211.34c, and that the authority, with the concurrence of the assessor of the local tax collecting unit, determines is not used to directly promote and increase the research, development, testing, and manufacturing of alternative energy technology, alternative energy systems, and alternative energy vehicles as those terms are defined in the Michigan next energy authority act, 2002 PA 593, MCL 207.821 to 207.827, is not eligible for any exemption, deduction, or credit under section 9.
