(2) Notwithstanding the quota provisions of section 531, the commission may issue motorsports event licenses for the sale of beer and wine or beer, wine, mixed spirit drink, and spirits for consumption on the premises to the owner of a motorsports entertainment complex for use during sanctioned motorsports events only. The sale of beer, wine, mixed spirit drink, and spirits at concession outlets or additional locations within the motorsports entertainment complex during motorsports sanctioned events shall not be considered additional bars for the purpose of determining a license fee pursuant to section 525(1)(o). An applicant for a license under this section that elects to sell beer and wine only shall pay to the commission a license fee of \$250.00. An applicant for a license under this section that elects to sell beer, wine, mixed spirit drink, and spirits shall pay to the commission a license fee of \$600.00.

(3) For a period of time not to exceed 7 consecutive days during which public access is permitted to a motorsports entertainment complex in connection with a motorsports event, members of the general public at least 21 years or older may bring beer and wine not purchased at the licensed motorsports entertainment complex into the motorsports entertainment complex and possess and consume that beer and wine. Possession and consumption of beer and wine under this section are allowed only in portions of the motorsports entertainment complex open to the general public that are also part of the licensed premises of a retail licensee under both of the following circumstances:

(a) The licensed premises are located within the motorsports entertainment complex.

(b) The retail licensee holds a license for consumption on the licensed premises of the motorsports entertainment complex.

(4) A person holding a license for the sale of alcoholic liquor for consumption on the premises at a motorsports entertainment complex is subject to the civil liability provisions of section 801 if the civil action is brought by or on behalf of an individual who suffers damage or is personally injured by a minor or visibly intoxicated person by reason of the unlawful consumption of alcoholic liquor on the licensed premises by that minor or visibly intoxicated person if the unlawful consumption is proven to be a proximate cause of the damage, injury, or death of the individual, whether the alcoholic liquor was sold or furnished by the licensee or was brought onto the licensed premises under subsection (3).

Sec. 525. (1) Except as otherwise provided for in this section, the following license fees shall be paid at the time of filing applications or as otherwise provided in this act and are subject to allocation under section 543:

The membership list for the purpose only of determining the license fees to be paid under this subdivision shall be the accredited list of members as determined by a sworn affidavit 30 days before the closing of the license year. This subdivision does not prevent the commission from checking a membership list and making its own determination from the list or otherwise. The list of members and additional members is not required of a club paying the maximum fee. The maximum fee shall not exceed \$750.00 for any 1 club.

(q) Warehousemen, to be fixed by the commission with a minimum fee for each warehouse of \$50.00.

(2) The fees provided in this act for the various types of licenses shall not be prorated for a portion of the effective period of the license. Notwithstanding subsection (1), the initial license fee for any licenses issued under section 531(3) or (4) is \$20,000.00. The renewal license fee shall be the amount described in subsection (1). However, the commission shall not impose the \$20,000.00 initial license fee for applicants whose license eligibility was already approved on July 20, 2005.

(3) Beginning July 23, 2004, and except in the case of any resort or resort economic development license issued under section 531(2), (3), (4), or (5) or a license issued under section 521, the commission shall issue an initial or renewal license not later than 90 days after the applicant files a completed application. Receipt of the application is considered the date the application is received by any agency or department of the state of Michigan. If the application is considered incomplete by the commission, the commission shall notify the applicant in writing, or make the information electronically available, within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information. The determination of the completeness of an application does not operate as an approval of the application for the license and does not confer eligibility upon an applicant determined otherwise ineligible for issuance of a license. The 90-day period is tolled under any of the following circumstances:

(a) Notice sent by the commission of a deficiency in the application until the date all of the requested information is received by the commission.

(b) The time period during which actions required by a party other than the applicant or the commission are completed that include, but are not limited to, completion of construction or renovation of the licensed premises; mandated inspections by the commission or by any state, local, or federal agency; approval by the legislative body of a local unit of government; criminal history or criminal record checks; financial or court record checks; or other actions mandated by this act or rule or as otherwise mandated by law or local ordinance.

(4) If the commission fails to issue or deny a license within the time required by this section, the commission shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The failure to issue a license within the time required under this section does not allow the commission to otherwise delay

the processing of the application, and that application, upon completion, shall be placed in sequence with other completed applications received at that same time. The commission shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.

(5) Beginning October 1, 2005, the chair of the commission shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with liquor license issues. The chair of the commission shall include all of the following information in the report concerning the preceding fiscal year:

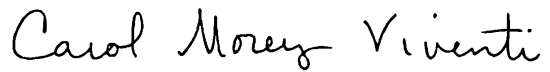

(a) The number of initial and renewal applications the commission received and completed within the 90-day time period described in subsection (3).

(b) The number of applications denied.

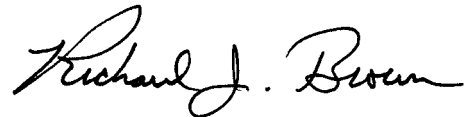

(c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees under subsection (4).

(6) As used in this section, "completed application" means an application complete on its face and submitted with any applicable licensing fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of the state of Michigan.

This act is ordered to take immediate effect.
