Reverend Ron Kool of Hillsdale Community Church of Grand Rapids offered the following invocation:

Father, we thank You for another day; a day in which we have opportunities to learn, to grow, to serve, and to care for others; a day in which we have the opportunity to laugh and to enjoy life. We pray that we can do that today even in the midst of the busyness of this day and the stress that we face.

Father, we thank You for our country, the freedoms that we enjoy, and for the amazing resources that You have given to us. We pray that we will be wise in using those resources to bless others, to care for others, and to honor You in all that we do.

I thank You for each one of the Senators gathered here. I thank You for their willingness to use their gifts and abilities that You have given to them to serve You, to serve this country, and to serve this state. I pray for each one that You will give them wisdom and discernment as they seek to balance some really difficult things. Make them both compassionate and full of conviction; give them a passion for grace and for truth; give them tough love and tender love in just the right measure; and give them the discernment to know when to speak and when to listen.

Father, we pray for their families as they also pay a price to have these men and women serve, so we pray that You will bless their families. We pray for their staffs and all those who serve in various capacities, and we ask that You will bless them as well and keep them safe.

Father, we pray for our troops around the world that You will keep them from harm and keep them safe. We pray for peace both here today in this place and also around the world. We pray all this in Jesus' name. Amen.

The President pro tempore, Senator Schuitmaker, led the members of the Senate in recital of the *Pledge of Allegiance*.

Donna is retiring after a distinguished 27-year career with LSB. As a lawyer, I know that bill drafting is somewhat of an art form, and Donna has many masterpieces to her credit throughout the Michigan Compiled Laws. Her knowledge of insurance and skillful way of imparting her knowledge on both current and former members of the Michigan Legislature will be sorely missed. We hope that Donna and her family enjoy some much-deserved time together as she leaves this chamber and the Legislative Service Bureau. We wish her all the best and give her our greatest thanks. **Protests**

Senators Anderson and Bieda, under their constitutional right of protest (Art. 4, Sec. 18), protested against the passage of Senate Bill No. 450.

Senator Anderson's statement, in which Senator Bieda concurred, is as follows:

I rise to oppose Senate Bill No. 450. I had hoped to make this statement prior to passage of the bill. I oppose Senate Bill No. 450 because this bill would allow the waste reduction fund to be used for the permit to install program in the DEQ Air Quality Division. While some may say it makes sense that the fund can currently be used for waste minimization purposes, it is not clear that it would be correct to use these funds in this manner.

I know that it is a budget implementation bill. The fiscal year 2012 budget removed \$1.2 million from the waste fees, and staff has been cut already by nine positions, decreasing the ability to monitor and enforce our environmental laws. These individuals handled pollution prevention and compliance assistance programs, even helping businesses and individuals applying for environmental grants.

Why would we further injure a program designed to help businesses? Just as concerning, we will be giving the department, through statute, in perpetuity the ability to raid this fund without legislative oversight. We shouldn't allow the administration to use taxpayer dollars in this way, diverting these scarce resources and further jeopardizing our environment.

The following bill was read a third time:

**Senate Bill No. 498, entitled**

A bill to amend 2001 PA 116, entitled "An act to divide this state into 110 representative and 38 senatorial districts; and to prescribe the powers and duties of certain state departments and officers," by amending the title and sections 3 and 6 (MCL 4.2003 and 4.2006), and by adding sections 1a, 2a, and 5a.

The Senate agreed to the title of the bill.

Senator Whitmer asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Whitmer's statement is as follows:

Today, I'm offering a substitute to this bill. We have followed the progress of this bill, and we've heard many times about the Apol standards and the Voting Rights Act. We believe that the Voting Rights Act requires six majority-minority seats, and thus, I've submitted a bill that provides for six such districts.

In conversations with the legislative majority, they believe only five are required. While I disagree with their legal assessment, I am offering this amendment to see if the majority is serious about meeting the Apol standards. This map provides for fewer breaks under the Apol standards than the majority map: one fewer breaks in between Oakland and Genesee Counties and no municipal break in Clinton Township in Macomb County.

So it's a simple issue. The majority either believes that it must follow the Apol standards and pick the best map with the fewest breaks, or it is only treating the Apol standards for public relations purposes. My substitute contains a cross-reference to expressly incorporate the Apol standards at MCL 4.261, and that's also found in the majority (S-1) substitute. If those standards mean anything, it means that the best map with the fewest breaks wins. That is what is before you. I ask for your support.

By unanimous consent the Senate proceeded to the order of

**Resolutions**

Senator Meekhof moved that consideration of the following resolutions be postponed for today:

**Senate Resolution No. 34**

**House Concurrent Resolution No. 9**

**Senate Concurrent Resolution No. 10**

The motion prevailed.

Senators Hunter and Jansen offered the following resolution:

**Senate Resolution No. 65.**

A resolution to urge Michigan's public universities to adopt policies to protect the rights of students in counseling, social work, or psychology programs who are faced with situations that conflict with their religious beliefs.

Whereas, A distinguishing feature of our American values is respect for religious beliefs that may be different than our own. The potential for conflict when a person with deeply-held religious convictions encounters a situation that challenges these beliefs is inherent in several professions, including counseling and social work; and

Whereas, A specific case at a Michigan university involving a graduate student faced with counseling a person whose life included elements that conflicted with the graduate student's beliefs has drawn considerable attention. The dismissal of the graduate student and the subsequent legal actions make it clear that a reasonable solution to this situation must be found; and

Whereas, It is reasonable to expect that those who work in areas where deeply-held personal beliefs conflict will face difficult situations. It is prudent to encourage the development of standards that give greater opportunities for a counselor to refer someone to another counselor without fear of penalty. Our higher education institutions should do all they can to provide for such situations; now, therefore, be it

Resolved by the Senate, That we urge Michigan's public universities to adopt policies to protect the religious beliefs and practices of students in counseling, social work, or psychology programs who are faced with situations that conflict with their beliefs. We encourage our institutions of higher education to develop standards that protect the religious beliefs of counselors by providing that students shall not be disciplined for counseling situations when the student consults with supervising instructors and determines a course of action to avoid harm to the person seeking counseling help; and be it further

Resolved, That copies of this resolution be transmitted to Michigan's public universities.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Meekhof moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Meekhof moved that the resolution be referred to the Committee on Education.

The motion prevailed.

Senators Bieda, Caswell, Hansen, Jones, Meekhof and Pappageorge were named co-sponsors of the resolution.

Senators Hunter and Jansen offered the following resolution:

**Senate Resolution No. 66.**

A resolution to memorialize the President and the United States Congress to enact legislation protecting the rights of conscience of students seeking counseling degrees and licensed professional counselors.

Whereas, University students in Michigan and other states have been punished or dismissed from counseling programs for adhering to their sincerely-held religious convictions; and

Whereas, There is an increasing number of disturbing reports that the counseling profession is eliminating from the profession persons who take their religious faith seriously; and

Whereas, The American Counseling Association, a private organization that promulgates a code of ethics widely used by university counseling programs and state licensure boards in training for and regulating the counseling profession, has publicly supported universities that have punished or dismissed students for adhering to their sincere religious convictions; and

Whereas, The American Counseling Association recently urged the Governor of Arizona to veto a bill that protects the religious liberties of university students enrolled in counseling programs; and

Whereas, Persons should not be subjected to a religious test as a condition of obtaining the education necessary to serve as a licensed counselor or as a condition of acquiring a counseling license; now, therefore, be it

Resolved by the Senate, That we memorialize the President and the United States Congress to enact legislation protecting the rights of conscience of students seeking counseling degrees and licensed professional counselors; and be it further

Resolved, That copies of this resolution be transmitted to the Office of the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Meekhof moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Meekhof moved that the resolution be referred to the Committee on Education.

The motion prevailed.

Senators Caswell, Hansen, Jones, Meekhof and Pappageorge were named co-sponsors of the resolution.

Senators Marleau, Robertson, Jones and Warren offered the following resolution:

**Senate Resolution No. 67.**

A resolution to urge the Secretary of the United States Department of Health and Human Services to continue the Perinatology Research Branch facility in Detroit.

Whereas, In 1999, the National Institutes of Health (NIH) awarded a ten-year contract to house the Perinatology Research Branch (PRB) at Wayne State University. The mission of the PRB is to conduct clinical and basic research in perinatal medicine, with the goal of developing diagnostic, therapeutic, and preventative strategies to improve pregnancy outcomes. In addition, the mission also includes the training of physicians and scientists whose aim is to improve the health care of pregnant women and their unborn children; and

Whereas, The PRB has been transformational in the delivery of obstetrics care in the city of Detroit and the state of Michigan. Over 20,000 pregnant women, mostly from indigent households, have received world-class care as a result of the PRB and its clinical partnership with Wayne State University. Housed in the city of Detroit, the PRB provides a racially and ethnically diverse patient population a unique and critical set of clinical access points; and

Whereas, The city of Detroit, the state of Michigan, the Detroit Medical Center, and Wayne State University have made significant investment in infrastructure in order to properly house the PRB at no cost to the NIH. These entities understand the value and importance the PRB brings to the region; and

Whereas, This facility has had a tremendous economic impact on Detroit and the state of Michigan, generating \$35 million of economic impact per year. The PRB employs over 120 individuals in the state of Michigan, mostly in high-paying research and clinical positions. The PRB has also brought 150 indirect jobs due to the collaboration with Wayne State University. In addition to the jobs, the PRB has brought with it more than \$200 million in federal research funds to our state over the last ten years; and

Whereas, During the last decade, the Detroit-based PRB has had an impressive list of research accomplishments, which were made possible because of the unique resources our region has provided to the facility. The PRB has been able to collaborate with the Wayne State University School of Medicine, which is regarded as one of the top urban health research centers with a high level of expertise in obstetrics and gynecological research. Housed in the city of Detroit, the PRB has access to a unique and critical set of clinical access points of both racial and ethnic diversity; now, therefore, be it

Resolved by the Senate, That we urge the Secretary of the United States Department of Health and Human Services to continue the work of the Perinatology Research Branch facility in the city of Detroit and continue its tremendous research in our state; and be it further

Resolved, That copies of this resolution be transmitted to the Secretary of the United States Department of Health and Human Services and Wayne State University.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Meekhof moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Meekhof moved that the resolution be referred to the Committee on Health Policy.

The motion prevailed.
