House Bill 5931

Sponsor: Rep. Matt Lori

Committee: Appropriations

Complete to 11-2-12

A SUMMARY OF HOUSE BILL 5931 AS INTRODUCED 9-20-12

House Bill 5931 would amend the Social Welfare Act to allow the Department of Community Health to email Medicaid service providers, or send by U.S. mail (as currently required), changes to the Michigan Medicaid Provider Manual.

FISCAL IMPACT:

The Department of Community Health staff report that approximately \$300,000 Gross (\$150,000 GF/GP) would be saved if enrolled Medicaid providers are notified of manual updates by email rather than through the U.S. Postal Service. Savings from unnecessary printing and staff mailing services have not been estimated.
