### House Bill 5122

**Sponsor:** Rep. Holly Hughes  
**Committee:** Tax Policy

**Complete to 10-31-11**

### A SUMMARY OF HOUSE BILL 5122 AS INTRODUCED 10-25-11

The bill would continue indefinitely the state income tax deductions available to residents of renaissance zones. It only applies to taxpayers who completed the residency requirements before January 1, 2012.

Generally speaking, renaissance zone residents currently can deduct from taxable income the income (including interest and dividends) they earned while residents of a renaissance zone created under the Renaissance Zone Act of 1996.

These deductions are scheduled to end with the 2011 tax year; the section of the Income Tax Act that provides them will be repealed effective January 1, 2012. The repealing of this section was part of the recently enacted comprehensive income tax changes made by Public Act 38 of 2011, House Bill 4361.

House Bill 5122 would, essentially, re-enact current Section 31 of the act, which is to be repealed as of January 1, 2012. The bill applies to the 2012 tax year and each subsequent tax year. To qualify as a "resident," an individual must live in a renaissance zone for 183 consecutive days.

MCL 206.31a

### FISCAL IMPACT:

In TY2009 there were 918 income tax returns filed that claimed an exemption due to living in a renaissance zone, which reduced income tax collections by about \$1.4 million.
