HUMAN SERVICES

1. Indigent Burial

Provides \$3.3 million Gross (\$3.0 million GF/GP) to provide indigent burial services. The FY 2012-13 DHS appropriations act required DHS provide reimbursement for the cremation of unclaimed bodies, with the intent that this program would replace the indigent burial program which helps low-income persons and families pay for burials. However, this policy change requires an amendment to the Social Welfare Act. Until the Social Welfare Act is amended, DHS is required to provide indigent burial services.

Reduces Michigan Natural Resources Trust Fund (MNRTF) spending authorization by \$1.3 million to align with actual expected MNRTF expenditures. Includes additional funding to support statutorily required increase for Commercial Forest Reserve program from \$1.20 to \$1.25 per acre that was not included in FY 2012-13 appropriation. Gross FY 2012-13 PILT appropriation authorization is increased by \$1.4 million. This bill does not include \$158,500 needed to fully fund School Aid Fund PILT payments.
