(4) Except as otherwise permitted in this act, any statement or other information obtained as a result of an individual's participation in a preadmission screening and evaluation assessment under subsection (3) is confidential, is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be used in a criminal prosecution, except for a statement or information that reveals criminal acts other than personal drug use.

(5) The court may request that the department of state police provide to the court information contained in the L.E.I.N. pertaining to an individual applicant's criminal history for the purposes of determining an individual's admission into the veterans treatment court and general criminal history review, including whether the individual has previously been admitted to and participated in a veterans treatment court, drug treatment court, or other specialty court under this act or under a statute listed under subsection (2), and the results of the individual's participation. The department of state police shall provide the information requested by a veterans treatment court under this subsection.

(a) That the individual is a veteran.

(b) That the individual is dependent upon or abusing drugs or alcohol, or suffers from a mental illness, and is an appropriate candidate for participation in the veterans treatment court.

(c) That the individual understands the consequences of entering the veterans treatment court and agrees to comply with all court orders and requirements of the court's program and treatment providers.

(a) The offense or offenses allegedly committed by the individual are generally related to the military service of the individual, including the abuse, illegal use, or possession of a controlled substance or alcohol, or mental illness that arises as a result of service.

(b) The individual pleads guilty to the charge or charges on the record.

(c) The individual waives in writing the right to a speedy trial, the right to representation by an attorney at veterans treatment court review hearings, and, with the agreement of the prosecutor, the right to a preliminary examination.

(d) The individual signs a written agreement to participate in the veterans treatment court.

(2) An individual who may be eligible for discharge and dismissal of an offense, delayed sentence, deferred entry of judgment, or deviation from the sentencing guidelines shall not be admitted to a veterans treatment court unless the prosecutor first approves the admission of the individual into the veterans treatment court in conformity with the memorandum of understanding under section 1201(2).

(3) An individual shall not be admitted to, or remain in, a veterans treatment court under an agreement that would permit the discharge or dismissal of a traffic offense upon successful completion of the veterans treatment court program.

(5) An individual who has waived his or her right to a preliminary examination and has pled guilty as part of his or her application to a veterans treatment court and who is not admitted to a veterans treatment court shall be permitted to withdraw his or her plea and is entitled to a preliminary examination.

Sec. 1206. (1) All of the following conditions apply to an individual admitted to a veterans treatment court:

(a) For an individual who is admitted to a veterans treatment court based upon having a criminal charge currently filed against him or her, the court shall accept the individual's plea of guilty.

(b) One of the following applies to an individual who pled guilty to a criminal charge for which he or she was admitted to a veterans treatment court, as applicable:

(i) If the individual pled guilty to an offense that is not a traffic offense and may be eligible for discharge and dismissal under the agreement with the court and prosecutor upon successful completion of the veterans treatment court program, the court shall not enter a judgment of guilt.

(ii) If the individual pled guilty to a traffic offense or another offense but is not eligible for discharge and dismissal under the agreement with the court and prosecutor upon successful completion of the veterans treatment court program, the court shall enter a judgment of guilt.

(c) Under the agreement with the individual and the prosecutor, the court may delay or defer further proceedings as provided in section 1 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.1, or proceed to sentencing, as applicable in that case under that agreement, and place the individual on probation or other court supervision in the veterans treatment court program with terms and conditions according to the agreement and as considered necessary by the court.

(2) The court shall maintain jurisdiction over the veterans treatment court participant as provided in this act until final disposition of the case, but not longer than the probation period fixed under section 2 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.2.

(3) The veterans treatment court shall cooperate with, and act in a collaborative manner with, the prosecutor, defense counsel, treatment providers, the local substance abuse coordinating agency for that circuit or district, probation departments, the United States department of veterans affairs, local VSOs in that circuit or district, and, to the extent possible, local law enforcement, the department of corrections, and community corrections agencies.

(4) The veterans treatment court may require an individual admitted into the court to pay a veterans treatment court fee that is reasonably related to the cost to the court for administering the veterans treatment court program as provided in the memorandum of understanding under section 1201(2). The clerk of the veterans treatment court shall transmit the fees collected to the treasurer of the local funding unit at the end of each month.

(5) The veterans treatment court may request that the department of state police provide to the court information contained in the L.E.I.N. pertaining to an individual applicant's criminal history for purposes of determining the individual's compliance with all court orders. The department of state police shall provide the information requested by a veterans treatment court under this subsection.

Sec. 1207. (1) A veterans treatment court shall provide an individual admitted to the court with all of the following:

(a) Consistent, continual, and close monitoring and interaction with the court, treatment providers, probation, and the participant.

(b) A mentorship relationship with another veteran who can offer the participant support, guidance, and advice. It is the intent of the legislature that, where practicable, the assigned mentor should be as similar to the individual as possible in terms of age, gender, branch of service, military rank, and period of military service.

(c) Mandatory periodic and random testing for the presence of any controlled substance or alcohol in a participant's blood, urine, or breath, using, to the extent practicable, the best available, accepted, and scientifically valid methods.

(e) A regimen or strategy of appropriate and graduated but immediate rewards for compliance and sanctions for noncompliance, including, but not limited to, the possibility of incarceration or confinement.

(f) Substance abuse treatment services, relapse prevention services, education, and vocational opportunities as appropriate and practicable. It is the intent of the legislature that, where practicable, these services shall be provided by the VA.

(g) Mental health treatment services as appropriate and practicable. It is the intent of the legislature that, where practicable, these services shall be provided by the VA.

(2) Any statement or other information obtained as a result of participating in assessment, treatment, or testing while in a veterans treatment court is confidential and is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be used in a criminal prosecution, except for a statement or information that reveals criminal acts other than, or inconsistent with, personal drug use.

Sec. 1208. (1) In order to continue to participate in and successfully complete a veterans treatment court program, an individual shall do all of the following:

(f) Meet with a member of a veteran service organization or a county veteran counselor to discuss available veterans benefit programs for which the individual may qualify.

(2) The veterans treatment court shall be notified if the veterans treatment court participant is accused of a new crime, and the judge shall consider whether to terminate the participant's participation in the veterans treatment court program in conformity with the memorandum of understanding under section 1201(2). If the participant is convicted of a felony for an offense that occurred after the defendant is admitted to the veterans treatment court, the judge shall terminate the participant's participation in the veterans treatment court.

(3) The court shall require that a participant pay all fines, costs, the fee, restitution, and assessments described in subsection (1)(a) to (d) and pay all, or make substantial contributions toward payment of, the costs of the treatment and the veterans treatment court program services provided to the participant, including, but not limited to, the costs of urinalysis and such testing or any counseling provided. However, if the court determines that the payment of fines, the fee, or costs of treatment under this subsection would be a substantial hardship for the individual or would interfere with the individual's substance abuse or mental health treatment, the court may waive all or part of those fines, the fee, or costs of treatment.

Sec. 1209. (1) Upon completion or termination of the veterans treatment court program, the court shall find on the record or place a written statement in the court file as to whether the participant completed the program successfully or whether the individual's participation in the program was terminated and, if it was terminated, the reason for the termination.

(2) If a participant successfully completes probation or other court supervision and the participant's proceedings were deferred or the participant was sentenced under section 1206, the court shall comply with the agreement made with the participant upon admission into the veterans treatment court, or the agreement as it was altered after admission by the court with approval of the participant and the prosecutor for that jurisdiction as provided in subsections (3) to (8).

(3) If an individual is participating in a veterans treatment court under a statute listed in section 1203(2), the court shall proceed under the applicable section of law. There shall be not more than 1 discharge or dismissal under this subsection.

There shall be not more than 1 discharge and dismissal under subsection (4) for an individual. The court shall send a record of the discharge and dismissal to the criminal justice information center of the department of state police, and the department of state police shall enter that information into the L.E.I.N. with an indication of participation by the individual in a veterans treatment court. All records of the proceedings regarding the participation of the individual in the veterans treatment court under subsection (4) are closed to public inspection and are exempt from public disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, but shall be open to the courts of this state, another state, or the United States, the department of corrections, law enforcement personnel, and prosecutors only for use in the performance of their duties or to determine whether an employee of the court, department, law enforcement agency, or prosecutor's office has violated his or her conditions of employment or whether an applicant meets criteria for employment with the court, department, law enforcement agency, or prosecutor's office. The records and identifications division of the department of state police shall retain a nonpublic record of an arrest and the discharge and dismissal under this subsection.

(7) Except as provided in subsection (3), (4), or (5), if an individual has successfully completed probation or other court supervision, the court shall do the following:

(b) If the court has not already sentenced the individual, proceed to sentencing.

(8) For a participant whose participation is terminated or who fails to successfully complete the veterans treatment court program, the court shall enter an adjudication of guilt if the entering of guilt was deferred or sentencing was delayed under section 1206 and shall then proceed to sentencing or disposition of the individual for the original charges to which the individual pled guilty prior to admission to the veterans treatment court. Upon sentencing or disposition of the individual, the court shall send a record of that sentence or disposition and the individual's unsuccessful participation in the veterans treatment court to the criminal justice information center of the department of state police, and the department of state police shall enter that information into the L.E.I.N., with an indication that the individual unsuccessfully participated in a veterans treatment court.

Sec. 1210. Each veterans treatment court shall collect and provide data on each individual applicant and participant and the entire program as required by the state court administrative office.

Federal funds provided to the state for the operation of veterans treatment courts shall be distributed by the department of community health or the appropriate state agency as otherwise provided by law. Nothing in this subsection prevents a local unit of government or circuit or district court from expending funds for the establishment and operation of veterans treatment courts.

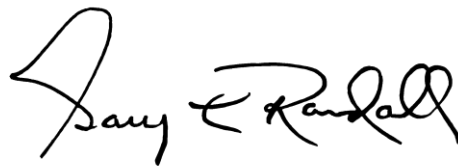

(2) The state treasurer may receive money or other assets from any source for deposit into the appropriate state fund or funds for the purposes described in subsection (1).

(3) Each veterans treatment court shall report quarterly to the state court administrative office on the funds received and expended by that veterans treatment court in a manner prescribed by the state court administrative office.
