Senate Bill 175 (S-1 as reported)
Committee: Appropriations

Throughout this document Senate means Appropriations Committee.

FY 2010-11 Year-to-Date Gross Appropriation	\$1,277,823,200
--	------------------------

Changes from FY 2010-11 Year-to-Date:

1. Fire Protection Grants. Governor and Senate reduced support for these grants to \$9,273,900. Direct GF/GP savings would be achieved through shifting Liquor Purchase Revolving Funds (LPRF) from this program to Bureau of Fire Services.	(1,636,600)
2. Workers' Compensation Appellate Commission. Governor and Senate eliminated this five-member commission due to the declining number of cases the Commission has been receiving. These cases would be heard in the Court of Appeals. All savings would be GF/GP, and would cause the layoff of 7.0 classified FTEs.	(1,173,100)
3. Administrative Reductions. Governor and Senate included five GF/GP reductions to program administration areas within the Department: (\$529,200) to Workforce Programs Administration, (\$400,000) to Worker's Compensation Agency, (\$110,000) to Wage and Hour Division, (\$80,000) to Hispanic/Latino Commission, and (\$10,700) to Disability Concerns Commission. Savings would be primarily through holding positions vacant and reassigning existing staff.	(1,129,900)
4. Michigan Business One-Stop Portal. Governor and Senate provided funding for the continued development of the website portal. Funding for this would be from available State restricted funds.	1,820,000
5. Office of Financial and Insurance Regulation (OFIR) – Securities Program. Governor and Senate included 5.0 FTEs and restricted funds to support new Federal requirements which require the State to regulate financial advisors who manage between \$25.0 - \$100.0 million.	381,000
6. OFIR – Credit Union Examinations. Governor and Senate included 2.0 FTEs and restricted funding to support increased demand for these examinations to meet statutory examination cycle requirements.	175,000
7. Tax Tribunal. Governor and Senate included additional restricted funds to be used to support increased numbers of tax appeal cases.	150,000
8. Postsecondary Education Program. Governor and Senate included restricted funding to support an increasing number of private occupational schools seeking licensure. The funding would also be used for supporting investigations of consumer complaints related to these programs.	145,700
9. Real Estate Education Program. Governor and Senate increased restricted funding to support the enforcement of continuing education requirements for real estate professionals.	28,000
10. Technical Adjustments. Governor and Senate included several technical spending reductions to reduce excess spending authorization, remove one-time appropriations, reduce TANF spending to match available revenue, and adjust IDGs to match appropriations in other budgets.	(19,899,800)
11. Retirement Savings. Savings from retirement incentive in FY 2009-10. \$624,200 GF/GP savings.	(1,824,900)
12. Economic Adjustments.	17,283,900
13. Comparison to Governor's Recommendation. Senate is at the Governor's recommendation for Gross funds and GF/GP.	
Total Changes.....	(\$5,680,700)
