FY 2010-11 Year-to-Date Gross Appropriation	\$395,665,700
---	---------------

Changes from FY 2010-11 Year-to-Date:

- | | |
|--|--------------|
| 1. Office of Pollution Prevention and Compliance Assistance (OPPCA). The Governor and Senate reduced funding for this office, including 9.0 FTEs. Pollution prevention and compliance activities would be reduced as a result of this GF/GP reduction. | (1,200,000) |
| 2. Nonmetallic Mine Reclamation. The Governor and Senate eliminated program as funding and demand for program declined. | (23,800) |
| 3. Geologic Mapping and Information Program. The Governor and Senate eliminated this program. Western Michigan University would take over these responsibilities. | (358,000) |
| 4. Administrative Reductions. The Governor and Senate made various administrative reductions. Savings would primarily be achieved by holding positions vacant. 9.0 FTEs were also eliminated; \$1,012,000 of gross savings would be GF/GP. | (1,268,500) |
| 5. Air Emissions Fees Increase. The Governor and Senate include an unspecified increase in air emissions fees which are expected to raise an additional \$1.0 million for the program. Additional spending authorization of \$840,000 was also included. | 840,000 |
| 6. Solid Waste Management Fee Increase. The Governor proposed raising these fees from 7 cents to 12 cents per cubic yard. This increase is expected to raise \$1.9 million. | 0 |
| 7. Wastewater Operator Certification Exam Fee. The Governor and Senate included funding from a new fee structure for certification exams. It is estimated that the fee would raise \$356,000 and would offset \$200,000 in GF/GP currently used for the program. | 156,000 |
| 8. Fee Sunsets. The Governor and Senate are predicated on extending sunsets for 14 fees that will sunset this year. | 0 |
| 9. Strategic Water Quality Initiatives Fund. The Governor and Senate included funding for nonpoint source environmental cleanups per PA 232 of 2010. It is estimated that \$900,000 in annual debt service would be incurred as a result. | 30,000,000 |
| 10. State Sites Cleanup Fund (SSCUP). The Governor and Senate included a provision for spending the remainder of the SSCUP on Part 201 cleanup projects at State-owned sites. | 4,400,000 |
| 11. Coastal and Inland Water Permit System. The Governor and Senate included funding for the replacement of a 25-year-old system that handles these permits. | 3,200,000 |
| 12. Excess FTE authorization. The Senate reduced FTE authorization by 100.6 across various lines throughout the Department, as they are not being utilized. | 0 |
| 13. Fund Shifts. Gov./Senate included two GF/GP to restricted fund shifts: \$400,000 in Critical Dunes program, \$738,000 in Hazardous Waste Management program. Resulting in \$1,138,000 GF/GP savings. | 0 |
| 14. Excess Spending Authorization. The Governor and Senate included reductions to various programs in an effort to match those appropriations with available revenue, including a \$25.0 million reduction in the Great Lakes Restoration Initiative Federal grant. | (31,663,200) |
| 15. Early Retirement Savings. Savings from retirement incentive in FY 2009-10. | (738,100) |
