11 authorized by section 5 of article XI of the state constitution of
12 1963. Payments shall be made for the total amount of the billing by
13 the end of the second fiscal quarter.

14 Sec. 204a. (1) The department shall collaborate with the civil
15 service commission and the department of civil service to review
16 the compensation rates for health care professionals who provide
17 direct health care services to prisoners within the corrections
18 system, including, but not limited to, doctors, all nursing
19 professionals, pharmacists, pharmacy technicians, and
20 psychologists. The review shall include health care professionals
21 employed by the state as well as those employed through state
22 contractors. These rates shall be compared to available data on
23 compensation rates for comparable medical professionals in the
24 private sectors who provide services to the general public to
25 estimate any disparity in compensation.

26 (2) Following the review, the department shall make
27 recommendations on changes needed to the state compensation plan

1 for health care professional positions and to department contracts
2 with health care providers so that compensation levels are
3 sufficient to ensure that needed health care professional positions
4 with vacancies are filled, that the department experiences adequate
5 retention levels for these positions, and that necessary health
6 care services are delivered in a timely manner to the prisoner
7 population. A report outlining these recommendations shall be
8 submitted to the senate and house appropriations subcommittees on
9 corrections, the senate and house fiscal agencies, and the state
10 budget office by May 1, 2011.

11 Sec. 206. The department shall not take disciplinary action
12 against an employee for communicating with a member of the
13 legislature or his or her staff.

14 Sec. 207. State employees shall be given the opportunity to

16 by state employees. If the contract is awarded to any state
17 employee, he or she ceases being an employee of the state.

18 Sec. 208. Unless otherwise specified, the department shall use
19 the Internet to fulfill the reporting requirements of this act.
20 This requirement may include transmission of reports via electronic

22 it may include placement of reports on an Internet or Intranet
23 site.

24 Sec. 209. Funds appropriated in part 1 shall not be used for

2 businesses, if they are competitively priced and of comparable
3 quality. In addition, preference should be given to goods or

5 businesses owned and operated by veterans, if they are
6 competitively priced and of comparable quality.

8 revenues in excess of appropriations in part 1 not to exceed the
9 cost of offender services and programming, employee meals, parolee
10 loans, academic/vocational services, custody escorts, compassionate
11 visits, union steward activities, and public works programs and
12 services provided to local units of government. The revenues and
13 fees collected are appropriated for all expenses associated with
14 these services and activities.

15 (2) If a parolee or probationer has been ordered to pay
16 restitution, the department shall ensure that payment is a
17 condition of his or her community supervision. Restitution payments
18 shall be made as provided in section 22 of chapter XV of the code
19 of criminal procedure, 1927 PA 175, MCL 775.22. The department
20 shall collect not more than 50% of all money collected from
21 parolees and probationers for payments other than victim payments,
22 as that term is defined in section 22 of chapter XV of the code of
23 criminal procedure, 1927 PA 175, MCL 775.22.

24 (3) By April 1, the department shall provide the members of
25 the senate and house appropriations subcommittees on corrections,
26 the senate and house fiscal agencies, and the state budget director
27 with a report detailing the collection of fees under this section.

1 At minimum, this report shall include a categorical accounting of
2 all fees collected under this section.

3 Sec. 212. On a quarterly basis, each executive branch
4 department and agency receiving appropriations in part 1 shall
5 report on the number of full-time equated positions in pay status
6 by civil service classification to the senate and house
7 appropriations subcommittees on corrections and the senate and
8 house fiscal agencies. This report shall include a detailed
9 accounting of the long-term vacancies that exist within each
10 department. As used in this subsection, "long-term vacancy" means
11 any full-time equated position that has not been filled at any time
12 during the past 24 calendar months.

15 corrections, the senate and house fiscal agencies, and the state
16 budget director with a report detailing non-general fund/general
17 purpose sources of revenue, including, but not limited to, federal
18 revenues, state restricted revenues, local and private revenues,
19 offender reimbursements and other payments, revolving funds, and 1-
20 time sources of revenue, whether or not those revenues were
21 appropriated. The report shall include statements detailing for
22 each account the total amount of revenue received during fiscal
23 year 2009-2010, the amount by which the revenue exceeded any
24 applicable appropriated fund source, the amount spent during fiscal
25 year 2009-2010, the account balance at the close of fiscal year
26 2009-2010, and the projected revenues and expenditures for fiscal
27 year 2010-2011.

1 Sec. 214. From the funds appropriated in part 1 for
2 information technology, the department shall pay user fees to the
3 department of technology, management, and budget for technology-
4 related services and projects. These user fees shall be subject to
5 provisions of an interagency agreement between the department and
6 the department of technology, management, and budget. It is the
7 intent of the legislature that the department consider using third-
8 party software and information technologies before contracting for
9 such services through the department of technology, management, and
10 budget.

11 Sec. 215. Amounts appropriated in part 1 for information
12 technology may be designated as work projects and carried forward
13 to support technology projects under the direction of the
14 department of technology, management, and budget. Funds designated
15 in this manner are not available for expenditure until approved as
16 work projects under section 451a of the management and budget act,
17 1984 PA 431, MCL 18.1451a.

18 Sec. 216. (1) Due to the current budgetary problems of this
19 state, out-of-state travel for the fiscal year ending September 30,
20 2012 shall be limited to situations in which 1 or more of the
21 following conditions apply:

22 (a) The travel is required by legal mandate or court order or
23 for law enforcement purposes.

24 (b) The travel is necessary to protect the health or safety of
25 Michigan citizens or visitors or to assist other states for similar
26 reasons.

27 (c) The travel is necessary to produce budgetary savings or to

2 federal funds or securing additional federal funds.

3 (d) The travel is necessary to comply with federal
4 requirements.

5 (e) The travel is necessary to secure specialized training for
6 staff that is not available within this state.

7 (f) The travel is financed entirely by federal or nonstate
8 funds.

9 (2) If out-of-state travel is necessary but does not meet 1 or
10 more of the conditions in subsection (1), the state budget director
11 may grant an exception to allow the travel. Any exceptions granted
12 by the state budget director shall be reported on a monthly basis
13 to the senate and house of representatives standing committees on
14 appropriations.

15 Sec. 218. The department and agencies receiving appropriations
16 in part 1 shall receive and retain copies of all reports funded
17 from appropriations in part 1. Federal and state guidelines for
18 short-term and long-term retention of records shall be followed.
19 The department may electronically retain copies of reports unless
20 otherwise required by federal and state guidelines.

21 Sec. 219. Any contract for prisoner telephone services entered
22 into after the effective date of this act shall include a condition
23 that fee schedules for prisoner telephone calls, including rates
24 and any surcharges other than those necessary to meet special
25 equipment costs, be the same as fee schedules for calls placed from
26 outside of correctional facilities.

27 Sec. 220. Not later than November 15, the department shall

1 prepare and transmit a report that provides for estimates of the
2 total general fund/general purpose appropriation lapses at the
3 close of the fiscal year. This report shall summarize the projected
4 year-end general fund/general purpose appropriation lapses by major
5 departmental program or program areas. The report shall be
6 transmitted to the office of the state budget, the chairpersons of
7 the senate and house of representatives standing committees on
8 appropriations, and the senate and house fiscal agencies.

9 Sec. 221. (1) The department shall maintain a searchable
10 website accessible by the public at no cost that includes, but is
11 not limited to, all of the following:

12 (a) Fiscal year-to-date expenditures by category.

13 (b) Fiscal year-to-date expenditures by appropriation unit.

14 (c) Fiscal year-to-date payments to a selected vendor,
15 including the vendor name, payment date, payment amount, and
16 payment description.

17 (d) The number of active department employees by job
18 classification.

19 (e) Job specifications and wage rates.

20 (2) The department may develop and operate its own website to
21 provide this information or may reference the state's central
22 transparency website as the source for this information.

23 Sec. 223. (1) In addition to the funds appropriated in part 1,
24 there is appropriated an amount not to exceed \$10,000,000.00 for
25 federal contingency funds. These funds are not available for
26 expenditure until they have been transferred to another line item
27 in this act under section 393(2) of the management and budget act,

1 1984 PA 431, MCL 18.1393.

2 (2) In addition to the funds appropriated in part 1, there is
3 appropriated an amount not to exceed \$5,000,000.00 for state
4 restricted contingency funds. These funds are not available for
5 expenditure until they have been transferred to another line item
6 in this act under section 393(2) of the management and budget act,
7 1984 PA 431, MCL 18.1393.

8 (3) In addition to the funds appropriated in part 1, there is
9 appropriated an amount not to exceed \$2,000,000.00 for local
10 contingency funds. These funds are not available for expenditure
11 until they have been transferred to another line item in this act
12 under section 393(2) of the management and budget act, 1984 PA 431,
13 MCL 18.1393.

14 (4) In addition to the funds appropriated in part 1, there is
15 appropriated an amount not to exceed \$2,000,000.00 for private

18 under section 393(2) of the management and budget act, 1984 PA 431,
19 MCL 18.1393.

20 Sec. 224. By March 1, the department shall provide a
21 litigation report to the senate and house appropriations
22 subcommittees on corrections, the senate and house fiscal agencies,
23 and the state budget director. The report shall identify all
24 lawsuits adjudicated through the trial court phase in which the
25 department or an employee acting on behalf of the department was a
26 defendant and in which trial court proceedings resulted in a
27 decision of \$250,000.00 or more against the department.

1 Sec. 225. (1) The department shall make every effort to place
2 employees displaced by any reductions in force within other
3 positions in the department.

4 (2) It is the intent of the legislature that all employees
5 displaced by any reductions in force who are not placed within
6 other positions in the department be given priority in state
7 programs for job retraining or education, such as the no worker
8 left behind program.

9 Sec. 229. Within 14 days after the release of the executive
10 budget recommendation, the department shall provide the state
11 budget director, the senate and house appropriations chairs, the
12 senate and house appropriations subcommittees on corrections,
13 respectively, and the senate and house fiscal agencies with an
14 annual report on estimated state restricted fund balances, state
15 restricted fund projected revenues, and state restricted fund
16 expenditures for the fiscal years ending September 30, 2011 and
17 September 30, 2012.

18 Sec. 235. It is the intent of the legislature that the
19 department reduce expenditures using the following strategies:

20 (a) Following the recommendations outlined in audit report
21 471-0130-08 of June 2009 issued by the Michigan office of the
22 auditor general, which found \$7,534,039.00 in known savings that
23 would have been achieved through cost-neutral operation of the
24 bureau of correctional industries, as follows:

25 (i) Finding 1 indicates that the bureau of correctional
26 industries has consistently failed to maintain profitable or cost-
27 neutral operations.

1 (ii) Finding 2 indicates that the bureau of correctional
2 industries had not developed or implemented a comprehensive
3 business plan.

4 (iii) Finding 3 indicates that the bureau of correctional
5 industries did not efficiently schedule and utilize its trucks and
6 drivers for delivery of products and services.

7 (iv) Finding 4 indicates that the bureau of correctional
8 industries had not established comprehensive policies and
9 procedures for setting prices and discounts for products and
10 services.

11 (b) Continuing the supply chain transformation (SCT) with the
12 new fiscal year beginning October 1, 2011. The SCT shall address
13 all goods and services delivered into the department, with special
14 focus in the following areas: food service, offender transport,
15 warehousing, prisoner stores, laundries, textiles, transportation,
16 reverse logistics, education, sex offender programming, assaultive
17 offender programming, Michigan state industries manufacturing and
18 related material, and capital and service purchase contracts under
19 development or due to expire. The department shall continually
20 detail its supply chain strategy and implementation plan including
21 tasks, timing, resources, costs, and benefits to be achieved. The
22 department shall provide quarterly cost and benefit savings report
23 information. The department shall contract with a world-class
24 supply chain external resource with the following capabilities:
25 demonstrated success working in a department of corrections
26 environment in the targeted supply chain areas of focus;
27 demonstrated expertise in defining, developing, and implementing

1 cross-functional infrastructures; continuous quality improvement
2 teams; stakeholder and communications outreach programs; six
3 sigma/lean tools and templates; hands-on supply chain; continuous
4 quality improvement and six sigma tool training; and positive
5 working relations and measurable, documented client satisfaction
6 results.

7 (c) Following the recommendations outlined in audit report
8 471-0620-07L of October 2008 issued by the Michigan office of the
9 auditor general, which found \$14,800,000.00 in estimated savings
10 that could be achieved through reforms of the department's staffing
11 and purchasing policies, as follows:

12 (i) Finding 1 indicates that the department needs to improve
13 its administration of custody officer staffing.

14 (ii) Finding 2 indicates that the department needs to pursue
15 additional cost-saving measures through future contract
16 negotiations and review of its organizational structure.

17 (iii) Finding 3 indicates that the department did not have a
18 formal process in place to negotiate prices for goods and services
19 purchased from Michigan state industries.

20 (d) Following the recommendations outlined in audit report
21 471-0623-07L of December 2008 issued by the Michigan office of the
22 auditor general, which found significant but indeterminate savings
23 could be achieved through reforms of prisoner transportation
24 policies, specifically, finding 4 indicates that the department
25 should continue to seek the cooperation of the state court
26 administrative office and its medical service providers to fully
27 use existing technology to conduct videoconferencing for court and

1 medical appointments.

2 Sec. 236. It is the intent of the legislature that from the
3 revenue resulting from the sale of the former Scott correctional
4 facility sufficient funds shall be appropriated to the department
5 to reimburse Michigan state industries for costs related to the
6 construction of the Industries Building, which was operated by
7 Michigan state industries on the site of the Scott correctional
8 facility.

9 Sec. 237. The department shall observe all requirements set
10 forth in statute and administrative rules related to procurement
11 requests and shall ensure that proper communication is maintained
12 with the department of technology, management, and budget regarding
13 the use of delegated purchasing authority granted by the department
14 of technology, management, and budget. The department shall not
15 pursue the procurement of any good or service on its own that falls
16 outside its delegated authority from the department of technology,
17 management, and budget. If any requests for proposal or requests
18 for qualifications are delayed due to the department's improper use
19 of purchasing authority under statute and administrative rules, the
20 department shall report on the improper use to the house and senate
21 appropriations subcommittees on corrections within 15 days after
22 determining that the improper use occurred. The report shall review
23 the purpose of the relevant procurement effort, explain why the
24 improper use of delegated authority occurred, and outline steps
25 being taken to ensure that improper use of delegated authority does
26 not occur again in the future.

27 Sec. 238. It is the intent of the legislature that the

1 department make additional efforts to sell, rent, or otherwise
2 repurpose closed correctional facilities.

3 Sec. 239. It is the intent of the legislature that the
4 department establish and maintain a management-to-staff ratio of 1
5 supervisor for each 5 employees at the department's central office
6 in Lansing and at both the northern and southern region
7 administration offices.

8 Sec. 240. On or before March 1, 2012, the department shall
9 solicit and evaluate proposals for services related to the audit of
10 vendor and contract payments and the recovery of improper payments.
11 The period covered by the proposed audit shall be not less than 3
12 prior fiscal years. On or before September 1, 2012, the department
13 shall provide to the house and senate committees on appropriations
14 and the house and senate fiscal agencies a complete report on the
15 results of the proposal solicitation and findings and amounts
16 recovered from subsequent recovery audits.

17 **EXECUTIVE**

18 Sec. 301. (1) For 3 years after a felony offender is released
19 from the department's jurisdiction, the department shall maintain
20 the offender's file on the offender tracking information system and
21 make it publicly accessible in the same manner as the file of the
22 current offender. However, the department shall immediately remove

19 implement the recommendations of the mental health study required
20 under section 302 of 2007 PA 124 with which it agrees and an
21 explanation of any disagreements with recommendations. It is the
22 intent of the legislature to review the department's implementation
23 plan and, in coordination with the department, to identify funds
24 with which to implement the plan, as appropriate.

25 Sec. 304. The director of the department shall maintain a
26 staff savings initiative program to invite employees to submit
27 suggestions for saving costs for the department. The department

1 shall report semiannually to the senate and house appropriations
2 subcommittees on corrections, the senate and house fiscal agencies,
3 and the state budget director on the suggestions submitted under
4 this section, the implementation plan for those suggestions with
5 which the department agrees, and an explanation of any

23 evaluation or assessment.

24 (h) Details on the department's responses to each suicide,
25 including immediate on-site responses and subsequent internal
26 investigations.

27 (i) A description of any monitoring and psychiatric

1 interventions that had been undertaken prior to the prisoner's
2 suicide, including any changes in placement or mental health care.

3 (j) Whether the prisoner had previously attempted suicide.

4 **PLANNING AND COMMUNITY SUPPORT**

9 and the state budget director. The report shall include
10 explanations of the methodology and assumptions used in developing
11 the projection updates.

12 Sec. 402. It is the intent of the legislature that the funds
13 appropriated in part 1 for prisoner reintegration programs be
14 expended for the purpose of reducing victimization by reducing
15 repeat offending through the following prisoner reintegration
16 programming:

17 (a) The provision of employment or employment services and job
18 training.

19 (b) The provision of housing assistance.

20 (c) Referral to mental health services.

9 funded and for each project to be funded, itemized by service to be
10 provided and service provider. The department shall provide an
11 amended report at least 60 days before making revisions to
12 allocations or planned expenditures.

13 Sec. 403a. (1) In collaboration with a technical committee
14 composed of representatives from the department, designees of the
15 senate and house appropriations subcommittees on corrections, the

18 performance-based dashboard tracking and reporting system that
19 establishes key indicators of the success and failure of offenders.
20 Indicators shall reflect the status of and trends in key program
21 elements, behavior improvements on the part of offenders, and
22 whether targeted goals are being met.

23 (2) By April 1, the department shall report dashboard data to
24 the senate and house appropriations subcommittees on corrections,
25 the senate and house fiscal agencies, and the state budget
26 director.

27 Sec. 404. (1) The department shall screen and assess each

1 prisoner for alcohol and other drug involvement to determine the
2 need for further treatment. The assessment process shall be
3 designed to identify the severity of alcohol and other drug
4 addiction and determine the treatment plan, if appropriate.

5 (2) The department shall provide substance abuse treatment to
6 prisoners with priority given to those prisoners who are most in
7 need of treatment and who can best benefit from program
8 intervention based on the screening and assessment provided under
9 subsection (1).

10 Sec. 405. (1) In expending residential substance abuse

14 statewide.

15 (2) By March 1, the department shall report to the senate and
16 house appropriations subcommittees on corrections, the senate and
17 house fiscal agencies, and the state budget director on the
18 allocation, distribution, and expenditure of all funds appropriated
19 by the substance abuse testing and treatment line item during
20 fiscal year 2010-2011 and projected for fiscal year 2011-2012. The
21 report shall include, but not be limited to, an explanation of an
22 anticipated year-end balance, the number of participants in
23 substance abuse programs, and the number of offenders on waiting
24 lists for residential substance abuse programs. Information
25 required under this subsection shall, where possible, be separated
26 by MDOC administrative region and by offender type, including, but
27 not limited to, a distinction between prisoners, parolees, and

1 probationers.

2 (3) By March 1, the department shall report to the senate and

9 substance abuse coordinating agencies in referring offenders as
10 appropriate to intensive substance abuse services, including
11 residential services.

13 in part 1 for reinvestment in prisoner re-entry programs, the
14 department shall establish a pilot program with an allocation of at
15 least \$2,000,000.00 from the funding appropriated to prisoner
16 reintegration programs to contract with faith-based nonprofit
17 agencies with established programs that assist prisoners exiting
18 the prison system to reintegrate into the community. The department
19 shall report to the house and senate appropriations subcommittees
20 on corrections, the house and senate fiscal agencies, and the state

3 corrections plans shall include an explanation of how the public
4 safety will be maintained, the goals for the local jurisdiction,
5 offender target populations intended to be affected, offender
6 eligibility criteria for purposes outlined in the plan, and how the

8 8(4) of the community corrections act, 1988 PA 511, MCL 791.408:

9 (a) Reduce admissions to prison of offenders who would likely
10 be sentenced to imprisonment, including probation violators.

11 (b) Improve the appropriate utilization of jail facilities,

8 that have been accredited by the American corrections association
9 or a similar organization as approved by the department.

10 Sec. 411. The comprehensive corrections plans shall also
11 include, where appropriate, descriptive information on the full

16 program for probationers, and treatment and rehabilitative services
17 will be utilized to support the objectives and priorities of the
18 comprehensive corrections plans and the purposes and priorities of

20 791.408, that contribute to the success of offenders. The plans

4 drug-involved offenders.

5 Sec. 412. (1) As part of the March biannual report specified
6 in section 12(2) of the community corrections act, 1988 PA 511, MCL

11 required jail data.

12 (2) The department is responsible for the collection,
13 analysis, and reporting of all state-required jail data.

14 (3) As a prerequisite to participation in the programs and
15 services offered through the department, counties shall provide
16 necessary jail data to the department.

17 Sec. 414. (1) The department shall administer a county jail
18 reimbursement program from the funds appropriated in part 1 for the
19 purpose of reimbursing counties for housing in jails certain felons
20 who otherwise would have been sentenced to prison.

13 (3) State reimbursement under this subsection shall be \$60.00
14 per diem per diverted offender for offenders with a presumptive
15 prison guideline score, \$50.00 per diem per diverted offender for
16 offenders with a straddle cell guideline for a group 1 crime, and

2 2008 Group One Crimes Reimbursed", dated March 31, 2009.

3 (b) "Group 2 crime" means a crime that is not a group 1 crime,
4 including larceny, fraud, forgery, embezzlement, motor vehicle,

6 felony drunk driving, and other nonassaultive offenses.

7 (c) "In the custody of the sheriff" means that the convicted
8 felon has been sentenced to the county jail and is either housed in
9 the county jail or has been released from jail and is being
10 monitored through the use of the sheriff's electronic monitoring
11 system.

12 (5) County jail reimbursement program expenditures shall not
13 exceed the amount appropriated in part 1 for the county jail
14 reimbursement program. Payments to counties under the county jail
15 reimbursement program shall be made in the order in which properly
16 documented requests for reimbursements are received. A request
17 shall be considered to be properly documented if it meets MDOC
18 requirements for documentation. By October 15, 2011, the department
19 shall distribute the documentation requirements to all counties.

20 (6) Of the funds appropriated in part 1 for the county jail
21 reimbursement program, \$500,000.00 shall be utilized to reimburse

6 Sec. 416. (1) Funds included in part 1 for the felony drunk
7 driver jail reduction and community treatment program are
8 appropriated for and may be expended for any of the following
9 purposes:

10 (a) To increase availability of treatment options to reduce
11 drunk driving and drunk driving-related deaths by addressing the
12 alcohol addiction of felony drunk drivers who otherwise likely
13 would be sentenced to jail or a combination of jail and other
14 sanctions.

15 (b) To divert from jail sentences or to reduce the length of
16 jail sentences for felony drunk drivers who otherwise would have
17 been sentenced to jail and whose recommended minimum sentence
18 ranges under sentencing guidelines established under chapter XVII
19 of the code of criminal procedure, 1927 PA 175, MCL 777.1 to
20 777.69, have upper limits of 18 months or less or the lower limit
21 of the sentencing range is 1 year or less and the upper limit of
22 the range is more than 18 months and the prior record variable is
23 less than 35 points, through funding programs that may be used in
24 lieu of incarceration and that increase the likelihood of
25 rehabilitation.

26 (c) To provide a policy and funding framework to make
27 additional jail space available for housing convicted felons whose

1 recommended minimum sentence ranges under sentencing guidelines
2 established under chapter XVII of the code of criminal procedure,
3 1927 PA 175, MCL 777.1 to 777.69, have lower limits of 12 months or
4 less and who likely otherwise would be sentenced to prison, with
5 the aim of enabling counties to meet or exceed amounts received
6 through the county jail reimbursement program during fiscal year
7 2002-2003 and reducing the numbers of felons sentenced to prison.

8 (2) Expenditure of funds included in part 1 for the felony

15 (3) In developing annual standards, the committee shall
16 consult with interested agencies and associations. Standards
17 developed by the committee shall include application criteria,
18 performance objectives and measures, funding allocations, and

20 in this section.

21 (4) Allowable uses of the funds shall include reimbursing
22 counties for transportation, treatment costs, and housing felony
23 drunk drivers during a period of assessment for treatment and case
24 planning. Reimbursements for housing during the assessment process
25 shall be at the rate of \$43.50 per day per offender, up to a
26 maximum of 5 days per offender.

27 (5) The standards developed by the committee shall assign each

1 county a maximum funding allocation based on the amount the county
2 received under the county jail reimbursement program in fiscal year
3 2001-2002 for housing felony drunk drivers whose recommended
4 minimum sentence ranges under the sentencing guidelines described
5 in subsection (1)(c) had upper limits of 18 months or less.

6 (6) Awards of funding under this section shall be provided
7 consistent with the local comprehensive corrections plans developed
8 under the community corrections act, 1988 PA 511, MCL 791.401 to
9 791.414. Funds awarded under this section may be used in
10 conjunction with funds awarded under grant programs established
11 under that act. Due to the need for felony drunk drivers to be
12 transitioned from county jails to community treatment services, it
13 is the intent of the legislature that local units of government
14 utilize funds received under this section to support county sheriff
15 departments.

16 (7) As used in this section, "felony drunk driver" means a
17 felon convicted of operating a motor vehicle under the influence of

18 court administrative office on facilitating changes to Michigan
19 court rules that would require the court to collect at the time of
20 sentencing the state operator's license, state identification card,
21 or other documentation used to establish the identity of the
22 individual to be admitted to the department. The department shall
23 maintain those documents in the prisoner's personal file.

24 (2) The department shall collaborate with the Michigan
25 department of state to ensure that an achievable list of documents
26 necessary to obtain a state operator's license or state
27 identification card upon parole or release is developed and

1 presented to the prisoner so that application for identification
2 can begin prior to a prisoner's discharge or parole hearing. The
3 process for prisoners to acquire this documentation shall be part
4 of the department's operating procedure.

5 (3) The department shall cooperate with MDCH to create and
6 maintain a process by which prisoners can obtain their Michigan
7 birth certificates if necessary. The department shall describe a
8 process for obtaining birth certificates from other states, and in
9 situations where the prisoner's effort fails, the department shall

25 senate and house judiciary committees, the senate and house fiscal
26 agencies, and the state budget director on performance data and
27 efforts to improve efficiencies relative to departmental staffing,

1 health care services, food service, prisoner transportation, mental
2 health care services, and pharmaceutical costs.

3 Sec. 422. It is the intent of the legislature that MPRI
4 programs from prisoner entry into the corrections system to reentry
5 into the community and as measured by offender success and
6 programmatic success as those terms are defined in section 203
7 shall be maintained as standard operating procedure in the
8 department. In particular, services should be focused on moderate-
9 to high-risk individuals. Special in-prison programming shall be
10 directed to those prisoners who were paroled and have returned to
11 prison and who will subsequently be eligible for parole again in
12 the future. In addition, MPRI services provided to prisoners shall

1 as described in the council of state governments' justice center
2 report on analyses of crime, community corrections, and sentencing
3 policies in this state.

4 (3) The primary goal of the demonstration project is to reduce
5 crime and revictimization by high-risk, high-need probationers. The
6 secondary goal of the demonstration project is to reduce
7 expenditures for long-term incarceration.

8 (4) The demonstration project may provide up to 6 months of
9 residential services, and treatment methods, and interventions that
10 are evidence-based, including, but not limited to, the following:

11 (a) Risk/needs assessment.

12 (b) Motivational techniques.

13 (c) Type, intensity, and duration of treatment based on each
14 probationer's risk and needs and delivered consistent with
15 evidence-based practices.

17 of collaborative case management and utilize the services of the
18 department and of local community corrections consistent with the
19 local comprehensive corrections plan developed under the community
20 corrections act, 1988 PA 511, MCL 791.401 to 791.414.

5 project shall comply with supervision requirements established for
6 the demonstration project by the field operations administration
7 deputy director.

8 (9) The department shall identify and coordinate information
9 for each local jurisdiction selected for the demonstration project
10 regarding the rate of incarceration of high-risk, high-need
11 probationers to ensure that appropriate probationers are targeted
12 for the demonstration project.

13 (10) From the funds appropriated in part 1 for public
14 education and training, the department shall collaborate with the
15 local judiciary, community corrections advisory board, and service
16 providers to develop and provide appropriate training for all local
17 stakeholders involved in the demonstration project described in
18 this section.

19 (11) From the funds provided to the local jurisdiction for the
20 demonstration project, the department shall collaborate with the
21 local judiciary and the community corrections advisory board to
22 develop and implement an evaluation of the demonstration project
23 that will show the impact of the project on the arrests,
24 convictions, technical violations, and commitments to prison of the
25 demonstration project participants. This evaluation shall be
26 performed in accordance with department of corrections policy and
27 procedure on evaluation design in cooperation with the office of

1 research and planning.

2 (12) By May 1, the department shall report to the senate and

17 the status of any contracts entered into under the June 2009
18 request for proposals for the re-entry initiative project for
19 offenders with special needs. The report shall include information
20 on all of the following:

25 subgroup under the contract or contracts.

26 (c) Estimates of the average per-offender costs of services
27 for each target population subgroup under each contract, compared

1 to the average cost of prison incarceration for those populations.

2 Sec. 434. (1) It is the intent of the legislature that the
3 department, in coordination with the department of licensing and
4 regulatory affairs, Michigan state housing development authority,
5 nonprofit and faith-based organizations, and local government
6 officials, implement employment-related projects targeted toward
7 at-risk young adults who are disconnected from school and

10 (2) The department shall identify high-crime neighborhoods
11 where the adult incarceration rate is at least 45% and in
12 consultation with the department of human services, the
13 superintendent of public instruction, and nonprofit and faith-based
14 organizations shall develop programs for recommendation to the
15 legislature that offer academic, counseling, and social support to
16 children of incarcerated parents.

17 OPERATIONS AND SUPPORT ADMINISTRATION

18 Sec. 501. From the funds appropriated in part 1 for
19 prosecutorial and detainer expenses, the department shall reimburse
20 counties for housing and custody of parole violators and offenders
21 being returned by the department from community placement who are
22 available for return to institutional status and for prisoners who
23 volunteer for placement in a county jail.

24 Sec. 502. Funds included in part 1 for the sheriffs'
25 coordinating and training office are appropriated for and may be
26 expended to defray costs of continuing education, certification,

1 recertification, decertification, and training of local corrections
2 officers, the personnel and administrative costs of the sheriffs'
3 coordinating and training office, the local corrections officers
4 advisory board, and the sheriffs' coordinating and training council
5 under the local corrections officers training act, 2003 PA 125, MCL
6 791.531 to 791.546.

7 Sec. 503. Funds appropriated in part 1 for administrative
8 hearings officers are appropriated as an interdepartmental grant to
9 the department of licensing and regulatory affairs for the purpose
10 of funding administrative hearings officers for adjudication of
11 grievances pertaining to the department of corrections. The
12 department shall not expend appropriations from part 1 to satisfy
13 charges from the department of licensing and regulatory affairs for
14 administrative hearings officers in excess of the amount expressly
15 appropriated by this act for the administrative hearings officers
16 unless funding is transferred into this line under section 393(2)
17 of the management and budget act, 1984 PA 431, MCL 18.1393.

18 Sec. 504. Of the funds appropriated in part 1, \$50,000.00 is

3 is appropriated as an interdepartmental grant to the judiciary for
4 the establishment of a pilot program for the use of swift-and-sure
5 jail sanctions as a response to certain probation violations.

6 **FIELD OPERATIONS ADMINISTRATION**

7 Sec. 601. (1) From the funds appropriated in part 1, the
8 department shall conduct a statewide caseload audit of field
9 agents. The audit shall address public protection issues and assess
10 the ability of the field agents to complete their professional
11 duties. The complete audit shall be submitted to the senate and
12 house appropriations subcommittees on corrections and the senate
13 and house fiscal agencies, and the state budget office by March 1.

14 (2) It is the intent of the legislature that the department
15 maintain a number of field agents sufficient to meet supervision
16 and workload standards.

17 Sec. 602. (1) Of the amount appropriated in part 1 for field
18 operations, a sufficient amount shall be allocated for the
19 community service work program and shall be used for salaries and
20 wages and fringe benefit costs of community service coordinators
21 employed by the department to supervise offenders participating in
22 work crew assignments. Funds shall also be used to cover motor
23 transport division rates on state vehicles used to transport
24 offenders to community service work project sites.

25 (2) The community service work program shall provide offenders
26 with community service work of tangible benefit to a community

1 while fulfilling court-ordered community service work sanctions and
2 other postconviction obligations.

3 (3) As used in this section, "community service work" means
4 work performed by an offender in an unpaid position with a
5 nonprofit or tax-supported or government agency for a specified
6 number of hours of work or service within a given time period.

7 Sec. 603. (1) All prisoners, probationers, and parolees
8 involved with the electronic tether program shall reimburse the
9 department for costs associated with their participation in the
10 program. The department may require community service work
11 reimbursement as a means of payment for those able-bodied
12 individuals unable to pay for the costs of the equipment.

13 (2) Program participant contributions and local community
14 tether program reimbursement for the electronic tether program
15 appropriated in part 1 are related to program expenditures and may
16 be used to offset expenditures for this purpose.

17 (3) Included in the appropriation in part 1 is adequate
18 funding to implement the community tether program to be
19 administered by the department. The community tether program is
20 intended to provide sentencing judges and county sheriffs in
21 coordination with local community corrections advisory boards
22 access to the state's electronic tether program to reduce prison
23 admissions and improve local jail utilization. The department shall
24 determine the appropriate distribution of the tether units
25 throughout the state based upon locally developed comprehensive
26 corrections plans under the community corrections act, 1988 PA 511,
27 MCL 791.401 to 791.414.

1 (4) For a fee determined by the department, the department
2 shall provide counties with the tether equipment, replacement
3 parts, administrative oversight of the equipment's operation,
4 notification of violators, and periodic reports regarding county
5 program participants. Counties are responsible for tether equipment
6 installation and service. For an additional fee as determined by
7 the department, the department shall provide staff to install and
8 service the equipment. Counties are responsible for the
9 coordination and apprehension of program violators.

10 (5) Any county with tether charges outstanding over 60 days
11 shall be considered in violation of the community tether program
12 agreement and lose access to the program.

13 Sec. 604. Community-placement prisoners and parolees shall
14 reimburse the department for the total costs of the program. As an
15 alternative method of payment, the department may develop a
16 community service work schedule for those individuals unable to
17 meet reimbursement requirements established by the department.

18 Sec. 606. It is the intent of the legislature that the
19 department shall ensure that parolees and probationers may timely
20 contact their parole or probation agents and maintain procedures
21 that preclude any necessity for an offender to have access to an
22 agent's home telephone number or other personal information
23 pertaining to the agent.

24 Sec. 608. By March 1, the department shall report to the
25 senate and house appropriations subcommittees on corrections, the
26 senate and house fiscal agencies, and the state budget director on
27 the use of electronic monitoring. At a minimum, the report shall

1 include all of the following:

2 (a) Details on the failure rate of parolees for whom GPS
3 tether is utilized, including the number and rate of parolee
4 technical violations, including specifying failures due to
5 committing a new crime that is uncharged but leads to parole
6 termination, and the number and rate of parolee violators with new
7 sentences.

8 (b) Information on the factors considered in determining
9 whether an offender is placed on active GPS tether, passive GPS
10 tether, radio frequency tether, or some combination of these or
11 other types of electronic monitoring.

12 (c) Monthly data on the number of offenders on active GPS
13 tether, passive GPS tether, radio frequency tether, and any other
14 type of tether.

15 Sec. 609. By March 1, the department shall report to the
16 senate and house appropriations subcommittees on corrections, the
17 senate and house fiscal agencies, and the state budget director on
18 the use of kiosk reporting stations. At a minimum, the report shall
19 include all of the following:

20 (a) Factors considered in determining whether an offender is
21 assigned to report at a kiosk.

22 (b) Information on the location, costs, safety features, and
23 other features of kiosks used for offender reporting.

24 (c) Information on demonstration project outcome measures.

25 (d) An evaluation of the kiosk reporting demonstration
26 project, including any need for improvement and an assessment of
27 the potential for expanded use of kiosk reporting stations.

1 Sec. 611. The department shall prepare by March 1, 2011
2 individual reports for the community re-entry program, the
3 electronic tether program, and the special alternative to
4 incarceration program. The reports shall be submitted to the house
5 and senate appropriations subcommittees on corrections, the house
6 and senate fiscal agencies, and the state budget director. Each
7 program's report shall include information on all of the following:

8 (a) Monthly new participants by type of offender. Community
9 re-entry program participants shall be categorized by reason for
10 placement. For technical rule violators, the report shall sort
11 offenders by length of time since release from prison, by the most
12 recent violation, and by the number of violations occurring since
13 release from prison.

14 (b) Monthly participant unsuccessful terminations, including
15 cause.

16 (c) Number of successful terminations.

17 (d) End month population by facility/program.

18 (e) Average length of placement.

19 (f) Return to prison statistics.

20 (g) Description of each program location or locations,
21 capacity, and staffing.

22 (h) Sentencing guideline scores and actual sentence statistics
23 for participants, if applicable.

24 (i) Comparison with prior year statistics.

25 (j) Analysis of the impact on prison admissions and jail
26 utilization and the cost effectiveness of the program.

27 Sec. 612. (1) The department shall review and revise as

1 necessary policy proposals that provide alternatives to prison for
2 offenders being sentenced to prison as a result of technical
3 probation violations and technical parole violations. To the extent
4 the department has insufficient policies or resources to affect the
5 continued increase in prison commitments among these offender
6 populations, the department shall explore other policy options to
7 allow for program alternatives, including department or OCC-funded
8 programs, local level programs, and programs available through
9 private agencies that may be used as prison alternatives for these
10 offenders.

11 (2) To the extent policies or programs described in subsection
12 (1) are used, developed, or contracted for, the department may
13 request that funds appropriated in part 1 be transferred under
14 section 393(2) of the management and budget act, 1984 PA 431, MCL
15 18.1393, for their operation.

16 (3) The department shall continue to utilize parole violator
17 processing guidelines that require parole agents to utilize all
18 available appropriate community-based, nonincarcerative postrelease
19 sanctions and services when appropriate. The department shall
20 periodically evaluate such guidelines for modification, in response
21 to emerging information from the demonstration projects for
22 substance abuse treatment provided under this act and applicable
23 provisions of prior budget acts for the department.

24 (4) The department shall provide quarterly reports to the
25 senate and house appropriations subcommittees on corrections, the
26 senate and house fiscal agencies, and the state budget director on
27 the number of all parolees returned to prison and probationers

1 sentenced to prison for either a technical violation or new
2 sentence during the preceding calendar quarter. The reports shall
3 include the following information each for probationers, parolees
4 after their first parole, and parolees who have been paroled more
5 than once:

6 (a) The numbers of parole and probation violators returned to
7 or sent to prison for a new crime with a comparison of original
8 versus new offenses by major offense type: assaultive,
9 nonassaultive, drug, and sex.

10 (b) The numbers of parole and probation violators returned to
11 or sent to prison for a technical violation and the type of
12 violation, including, but not limited to, zero gun tolerance and
13 substance abuse violations. For parole technical rule violators,
14 the report shall list violations by type, by length of time since
15 release from prison, by the most recent violation, and by the
16 number of violations occurring since release from prison.

17 (c) The educational history of those offenders, including how
18 many had a GED or high school diploma prior to incarceration in
19 prison, how many received a GED while in prison, and how many
20 received a vocational certificate while in prison.

21 (d) The number of offenders who participated in the MPRI
22 versus the number of those who did not.

26 Sec. 613. Subject to the appropriations in part 1, the
27 department is encouraged to expand the use of continuous remote

1 alcohol monitors for parolees and probationers who test positive
2 for alcohol abuse or have alcohol-abuse-related violations of their
3 community supervision.

4 Sec. 615. After the parole board has reviewed the cases of all
5 inmates sentenced to life with the possibility of parole who have
6 good institutional records and pose low-risk to the community, the
7 parole board shall provide the legislature with a detailed
8 explanation of why an inmate who scores "high probability of
9 release" is not being paroled. A report containing this explanation
10 shall be submitted to the house and senate appropriations
11 subcommittees on corrections, the house and senate fiscal agencies,
12 and the state budget director by January 1.

13 HEALTH CARE

14 Sec. 801. The department shall not expend funds appropriated
15 under part 1 for any surgery, procedure, or treatment to provide or
16 maintain a prisoner's sex change unless it is determined medically
17 necessary by the chief medical officer of the department.

18 Sec. 802. As a condition of expenditure of the funds
19 appropriated in part 1, the department shall provide the senate and
20 house of representatives appropriations subcommittees on
21 corrections, the senate and house fiscal agencies, and the state
22 budget director with all of the following:

23 (a) Quarterly reports on physical and mental health care
24 detailing the average number of days between a prisoner's diagnosis
25 and commencement of treatment for that diagnosis, quarterly and
26 fiscal year-to-date expenditures itemized by vendor, allocations,

7 mental health care, until the applicable contract is approved.

8 Sec. 803. For mental health contracts entered into by the
9 department, including those with the Michigan department of
10 community health, recognized performance standards and measures of
11 quality shall be utilized to conduct periodic performance reviews.
12 At least once every 3 years, the department shall renegotiate all
13 mental health contracts entered into under this section with the
14 goals of improving care and reducing costs.

15 Sec. 804. (1) The department shall report quarterly to the
16 senate and house appropriations subcommittees on corrections, the
17 senate and house fiscal agencies, and the state budget director on
18 prisoner health care utilization. The report shall include the
19 number of inpatient hospital days, outpatient visits, and emergency
20 room visits in the previous quarter and since October 1, 2009, by
21 facility.

22 (2) By March 1, the department shall report to the senate and
23 house appropriations subcommittees on corrections, the senate and
24 house fiscal agencies, and the state budget director on prisoners
25 receiving off-site inpatient medical care that would have received
26 care in a state correctional facility if beds were available. The
27 report shall include the number of prisoners receiving off-site

1 inpatient medical care and average length of stay in an off-site
2 facility during the period they would have received care in a state
3 correctional facility if beds were available, by month and
4 correctional facilities administration region.

5 Sec. 805. The bureau of health care services shall develop
6 information on hepatitis C and HIV prevention and the risks
7 associated with exposure to hepatitis C and HIV. The health care
8 providers shall disseminate this information verbally and in
9 writing to each prisoner at the health screening and full health
10 appraisal conducted at admissions, at the annual health care
11 screening 30 days before or after a prisoner's birthday, and prior
12 to release to the community by parole, transfer to community
13 residential placement, or discharge on the maximum sentence.

14 Sec. 806. (1) From the funds appropriated in part 1, the
15 department shall require a hepatitis C antibody test and an HIV
16 test for each prisoner prior to release to the community by parole,
17 transfer to community residential placement, or discharge on the
18 maximum sentence. The department shall require an HIV test and a
19 hepatitis C risk factor screening for each prisoner at the health
20 screening at admissions. If hepatitis C risk factors are
21 identified, the department shall offer the prisoner a hepatitis C
22 antibody test. An explanation of results of the tests shall be
23 provided confidentially to the prisoner, and if appropriate based
24 on the test results, the prisoner shall also be provided a
25 recommendation to seek follow-up medical attention.

26 (2) By March 1, the department shall report to the senate and
27 house appropriations subcommittees on corrections, the senate and

1 house appropriations subcommittees on community health, the senate
2 and house fiscal agencies, and the state budget director on the
3 number of offenders tested and the number of offenders testing
4 positive for HIV, the hepatitis C antibody, or both, at prison
5 admission and parole, transfer to community residential placement,
6 or discharge on the maximum sentence. The department shall keep
7 records of those offenders testing positive for HIV, the hepatitis
8 C antibody, or both, at prison admission, parole, transfer to
9 community residential placement, and discharge. These records shall
10 clearly state the date each test was performed.

12 part 1, the department shall keep records of the following:

13 (a) The number of offenders testing positive for the hepatitis
14 C antibody who do not receive treatment due to refusal of
15 treatment.

19 a prisoner be transported with that prisoner when the prisoner is
20 transferred from 1 correctional facility to another. Prisoners
21 being released shall be provided with at least a 30-day supply of
22 medication and a prescription for refills to allow for continuity
23 of care in the community.

24 Sec. 808. There are sufficient funds and FTEs appropriated in
25 part 1 to provide a full complement of nurses for clinical
26 complexes working regular pay hours, and it is the intent of the
27 legislature that sufficient nurses be hired or retained to limit

1 the use of overtime other-than-holiday pay.

2 Sec. 809. The department, in conjunction with efforts to
3 implement the MPRI, shall cooperate with the MDCH to share data and
4 information as they relate to prisoners being released who are HIV
5 positive or positive for the hepatitis C antibody. By March 1, the
6 department shall report to the senate and house appropriations

20 1, the department shall ensure each prisoner serving a sentence in
21 a state correctional facility, and each probationer placed at the
22 special alternative incarceration program under the special
23 alternative incarceration act, 1988 PA 287, MCL 798.11 to 798.18,
24 provides a sample for DNA identification profiling. The department
25 shall implement the requirements of this section in accordance with
26 the provisions of any relevant legislation enacted by the
27 legislature.

1 Sec. 812. (1) The department shall provide the department of
2 human services with a monthly list of prisoners newly committed to
3 the department of corrections. The department and the department of
4 human services shall enter into an interagency agreement under
5 which the department of human services provides the department of
6 corrections with monthly lists of newly committed prisoners who are
7 eligible for Medicaid benefits in order to maintain the process by
8 which Medicaid benefits are suspended rather than terminated. The
9 department shall assist prisoners who may be eligible for Medicaid
10 benefits after release from prison with the Medicaid enrollment
11 process prior to release from prison.

12 (2) The department shall provide the senate and house
13 appropriations subcommittees on corrections, the senate and house

11 created to separately identify savings through specific cost
12 savings measures.

18 diploma and the number of prisoners paroled without a GED.

19 (e) An explanation of the value and purpose of each program,
20 e.g., to improve employability, reduce recidivism, reduce prisoner
21 idleness, or some combination of these and other factors.

22 (f) An identification of program outcomes for each academic
23 and vocational program.

25 prisoner required to complete an assaultive offender program,
26 sexual offender program, or other program as a condition of parole
27 shall be transferred to a facility where that program is available

1 in order to accomplish timely completion of that program prior to
2 the expiration of his or her minimum sentence and eligibility for
3 parole. Nothing in this section should be deemed to make parole
4 denial appealable in court.

5 (2) The department shall submit a quarterly report to the
6 members of the senate and house appropriations subcommittees on
7 corrections, the senate and house fiscal agencies, the state budget
8 director, and the legislative corrections ombudsman detailing
