20 Sec. 7. (1) Notwithstanding section 6(3), upon the
21 confirmation of a finding of a financial emergency under section 6,
22 the governing body of the local government shall, by resolution
23 within 7 days after the confirmation of a finding of a financial
24 emergency, select 1 of the following local government options to
25 address the financial emergency:

26 (a) The consent agreement option pursuant to section 8.

27 (b) The emergency manager option pursuant to section 9.

1 (c) The neutral evaluation process option pursuant to section
2 25.

3 (d) The chapter 9 bankruptcy option pursuant to section 26.

4 (2) Subject to subsection (3), if the local government has a
5 strong mayor, the resolution under subsection (1) requires strong
6 mayor approval. If the local government is a school district, the
7 resolution shall be approved by the school board. The resolution
8 shall be filed with the state treasurer, with a copy to the
9 superintendent of public instruction if the local government is a
10 school district.

11 (3) If the governing body of the local government does not
12 pass a resolution as required under subsection (1), the local
13 government shall proceed under the neutral evaluation process
14 pursuant to section 25.

15 (4) Subject to section 9(6)(c) and (11), unless authorized by
16 the governor, a local government shall not utilize 1 of the local
17 options listed in subsection (1)(a) to (d) more than 1 time.

18 Sec. 8. (1) The chief administrative officer of a local
19 government may negotiate and sign a consent agreement with the
20 state treasurer as provided for in this act. If the local
21 government is a school district and the consent agreement contains
22 an educational plan, the consent agreement shall also be signed by
23 the superintendent of public instruction. The consent agreement
24 shall provide for remedial measures considered necessary to address
25 the financial emergency within the local government and provide for
26 the financial stability of the local government. The consent
27 agreement may utilize state financial management and technical

Senate Bill No. 865 (H-6) as amended December 12, 2012

1 assistance as necessary in order to alleviate the financial
2 emergency. The consent agreement shall also provide for periodic
3 financial status reports to the state treasurer[, with a copy of each
report to each state senator and state representative who represents
that local government]. The consent
4 agreement may provide for a board appointed by the governor to
5 monitor the local government's compliance with the consent
6 agreement. In order for the consent agreement to go into effect, it
7 shall be approved, by resolution, by the governing body of the
8 local government and shall be approved and executed by the state
9 treasurer. Nothing in the consent agreement shall limit the ability
10 of the state treasurer in his or her sole discretion to declare a
11 material breach of the consent agreement. A consent agreement shall
12 provide that in the event of a material uncured breach of the
13 consent agreement, the governor may place the local government in
14 receivership or in the neutral evaluation process. If within 30
15 days after a local government selects the consent agreement option
16 under section 7(1)(a) or sooner in the discretion of the state
17 treasurer, a consent agreement cannot be agreed upon, the state
18 treasurer shall require the local government to proceed under 1 of
19 the other local options provided for in section 7.

20 (2) A consent agreement as provided in subsection (1) may
21 require a continuing operations plan or a recovery plan if required
22 by the state treasurer.

23 (3) If the state treasurer requires that a consent agreement
24 include a continuing operations plan, the local government shall
25 prepare and file the continuing operations plan with the state
26 treasurer as provided for in the consent agreement. The state
27 treasurer shall approve or reject the initial continuing operations

1 plan within 14 days of receiving it from the local government. If a
2 continuing operations plan is rejected, the local government shall
3 refile an amended plan within 30 days of the rejection, addressing
4 any concerns raised by the state treasurer or the superintendent of
5 public instruction regarding an educational plan. If the amended
6 plan is rejected, then the local government may be considered to be
7 in material breach of the consent agreement. The local government
8 shall file annual updates to its continuing operations plan. The
9 annual updates shall be included with the annual filing of the
10 local government's audit report with the state financial authority
11 as long as the continuing operations plan remains in effect.

12 (4) The continuing operations plan shall be in a form
13 prescribed by the state treasurer but shall, at a minimum, include
14 all of the following:

15 (a) A detailed projected budget of revenues and expenditures
16 over not less than 3 fiscal years which demonstrates that the local
17 government's expenditures will not exceed its revenues and that any
18 existing deficits will be eliminated during the projected budget
19 period.

20 (b) A cash flow projection for the budget period.

21 (c) An operating plan for the budget period that assures
22 fiscal accountability for the local government.

23 (d) A plan showing reasonable and necessary maintenance and
24 capital expenditures so as to assure the local government's fiscal
25 accountability.

26 (e) An evaluation of the costs associated with pension and
27 postemployment health care obligations for which the local

Senate Bill No. 865 (H-6) as amended December 12, 2012

1 government is responsible and a plan for how those costs will be
2 addressed within the budget period.

3 (f) A provision for submitting quarterly compliance reports to
4 the state treasurer demonstrating compliance with the continuing
5 operations plan[, with a copy of each report to each state senator and
6 state representative who represents that local government]. Each
7 quarterly compliance report shall be posted
8 on the local government's website within 7 days after the report is
9 submitted to the state treasurer.

10 (5) If a continuing operations plan is approved for a
11 municipal government, the municipal government shall amend the
12 budget and general appropriations ordinance adopted by the
13 municipal government under the uniform budgeting and accounting
14 act, 1968 PA 2, MCL 141.421 to 141.440a, to the extent necessary or
15 advisable to give full effect to the continuing operations plan. If
16 a continuing operations plan is approved for a school district, the
17 school district shall amend the budget adopted by the school
18 district under the uniform budgeting and accounting act, 1968 PA 2,
19 MCL 141.421 to 141.440a, to the extent necessary or advisable to
20 give full effect to the continuing operations plan. The chief
21 administrative officer, the chief financial officer, the governing
22 body, and other officials of the local government shall take and
23 direct such actions as may be necessary or advisable to maintain
24 the local government's operations in compliance with the continuing
25 operations plan.

26 (6) If the state treasurer requires that a consent agreement
27 include a recovery plan, the state treasurer, with input from the
local government, shall develop and adopt a recovery plan. If a
recovery plan is developed and adopted for the local government,

1 the local government shall file annual updates to its recovery
2 plan. The annual updates shall be included with the annual filing
3 of the local government's audit report with the state financial
4 authority as long as the recovery plan remains in effect.

5 (7) A recovery plan may include terms and provisions as may be
6 approved in the discretion of the state treasurer, including, but
7 not limited to, 1 or more of the following:

8 (a) A detailed projected budget of revenues and expenditures
9 over not less than 3 fiscal years that demonstrates that the local
10 government's expenditures will not exceed its revenues and that any
11 existing deficits will be eliminated during the projected budget
12 period.

13 (b) A cash flow projection for the budget period.

14 (c) An operating plan for the budget period that assures
15 fiscal accountability for the local government.

16 (d) A plan showing reasonable and necessary maintenance and
17 capital expenditures so as to assure the local government's fiscal
18 accountability.

19 (e) An evaluation of costs associated with pension and
20 postemployment health care obligations for which the local
21 government is responsible and a plan for how those costs will be
22 addressed to assure that current obligations are met and that steps
23 are taken to reduce future unfunded obligations.

24 (f) Procedures for cash control and cash management,
25 including, but not limited to, procedures for timely collection,
26 securing, depositing, balancing, and expending of cash. Procedures
27 for cash control and cash management may include the designation of

Senate Bill No. 865 (H-6) as amended December 12, 2012
1 appropriate fiduciaries.

2 (g) A provision for submitting quarterly compliance reports to
3 the state treasurer and the chief administrative officer of the
4 local government that demonstrate compliance with the recovery
5 plan[, with a copy of each report to each state senator and state
representative who represents that local government]. Each quarterly
6 compliance report shall be posted on the local
7 government's website within 7 days after the report is submitted to
8 the state treasurer.

9 (8) The recovery plan may include the appointment of a local
10 auditor or local inspector, or both, in accordance with section
11 12(1)(p).

12 (9) If a recovery plan is developed and adopted by the state
13 treasurer for a local government, the recovery plan shall supersede
14 the budget and general appropriations ordinance adopted by the
15 local government under the uniform budgeting and accounting act,
16 1968 PA 2, MCL 141.421 to 141.440a, and the budget and general
17 appropriations ordinance is considered amended to the extent
18 necessary or advisable to give full effect to the recovery plan. In
19 the event of any inconsistency between the recovery plan and the
20 budget or general appropriations ordinance, the recovery plan shall
21 control. The chief administrative officer, the chief financial
22 officer, the governing body, and other officers of the local
23 government shall take and direct actions as may be necessary or
24 advisable to bring and maintain the local government's operations
25 in compliance with the recovery plan.

26 (10) Except as otherwise provided in this subsection, the
27 consent agreement may include a grant to the chief administrative
officer, the chief financial officer, the governing body, or other

1 officers of the local government by the state treasurer of 1 or
2 more of the powers prescribed for emergency managers as otherwise
3 provided in this act for such periods and upon such terms and
4 conditions as the state treasurer considers necessary or
5 convenient, in the state treasurer's discretion to enable the local
6 government to achieve the goals and objectives of the consent
7 agreement. However, the consent agreement shall not include a grant
8 to the chief administrative officer, the chief financial officer,
9 the governing body, or other officers of the local government of
10 the powers prescribed for emergency managers in section 12(1)(k).

11 (11) Unless the state treasurer determines otherwise,
12 beginning 30 days after the date a local government enters into a
13 consent agreement under this act, that local government is not
14 subject to section 15(1) of 1947 PA 336, MCL 423.215, for the
15 remaining term of the consent agreement.

16 (12) The consent agreement may provide for the required
17 retention by the local government of a consultant for the purpose
18 of assisting the local government to achieve the goals and
19 objectives of the consent agreement.

20 (13) A local government is released from the requirements
21 under this section upon compliance with the consent agreement as
22 determined by the state treasurer.

23 Sec. 9. (1) The governor may appoint an emergency manager to
24 address a financial emergency within that local government as
25 provided for in this act.

26 (2) Upon appointment, an emergency manager shall act for and
27 in the place and stead of the governing body and the office of

1 chief administrative officer of the local government. The emergency
2 manager shall have broad powers in receivership to rectify the
3 financial emergency and to assure the fiscal accountability of the
4 local government and the local government's capacity to provide or
5 cause to be provided necessary governmental services essential to
6 the public health, safety, and welfare. Following appointment of an
7 emergency manager and during the pendency of receivership, the
8 governing body and the chief administrative officer of the local
9 government shall not exercise any of the powers of those offices
10 except as may be specifically authorized in writing by the
11 emergency manager or as otherwise provided by this act and are
12 subject to any conditions required by the emergency manager.

13 (3) All of the following apply to an emergency manager:

14 (a) The emergency manager shall have a minimum of 5 years'
15 experience and demonstrable expertise in business, financial, or
16 local or state budgetary matters.

17 (b) The emergency manager may, but need not, be a resident of
18 the local government.

19 (c) The emergency manager shall be an individual.

20 (d) Except as otherwise provided in this subdivision, the
21 emergency manager shall serve at the pleasure of the governor. An
22 emergency manager is subject to impeachment and conviction by the
23 legislature as if he or she were a civil officer under section 7 of
24 article XI of the state constitution of 1963. A vacancy in the
25 office of emergency manager shall be filled in the same manner as
26 the original appointment.

27 (e) The emergency manager's compensation shall be paid by this

Senate Bill No. 865 (H-6) as amended December 12, 2012

1 state and shall be set forth in a contract approved by the state
2 treasurer. The contract shall be posted on the department of
3 treasury's website within 7 days after the contract is approved by
4 the state treasurer.

5 (f) In addition to the salary provided to an emergency manager
6 in a contract approved by the state treasurer under subdivision
7 (e), this state may receive and distribute private funds to an
8 emergency manager. As used in this subdivision, "private funds"
9 means any money the state receives for the purpose of allocating
10 additional salary to an emergency manager. Private funds
11 distributed under this subdivision are subject to section 1 of 1901
12 PA 145, MCL 21.161, and section 17 of article IX of the state
13 constitution of 1963.

14 (4) In addition to staff otherwise authorized by law, an
15 emergency manager shall appoint additional staff and secure
16 professional assistance as the emergency manager considers
17 necessary to fulfill his or her appointment.

18 (5) The emergency manager shall submit quarterly reports to
19 the state treasurer with respect to the financial condition of the
20 local government in receivership, with a copy to the superintendent
21 of public instruction if the local government is a school district [and
22 a copy to each state senator and state representative who represents
23 that local government].

24 In addition, each quarterly report shall be posted on the local
25 government's website within 7 days after the report is submitted to
26 the state treasurer.

27 (6) The emergency manager shall continue in the capacity of an
emergency manager as follows:

(a) Until removed by the governor or the legislature as

1 provided in subsection (3)(d). If an emergency manager is removed,
2 the governor shall within 30 days of the removal appoint a new
3 emergency manager.

4 (b) Until the financial emergency is rectified.

5 (c) If the emergency manager has served for at least 18 months
6 after his or her appointment under this act, the emergency manager
7 may, by resolution, be removed by a 2/3 vote of the governing body
8 of the local government. If the local government has a strong
9 mayor, the resolution requires strong mayor approval before the
10 emergency manager may be removed. Notwithstanding section 7(4), if
11 the emergency manager is removed under this subsection and the
12 local government has not previously breached a consent agreement
13 under this act, the local government may within 10 days negotiate a
14 consent agreement with the state treasurer. If a consent agreement
15 is not agreed upon within 10 days, the local government shall
16 proceed with the neutral evaluation process pursuant to section 25.

17 (7) A local government shall be removed from receivership when
18 the financial conditions are corrected in a sustainable fashion as
19 provided in this act. In addition, the local government may be
20 removed from receivership if an emergency manager is removed under
21 subsection (6)(c) and the governing body of the local government by
22 2/3 vote approves a resolution for the local government to be
23 removed from receivership. If the local government has a strong
24 mayor, the resolution requires strong mayor approval before the
25 local government is removed from receivership. A local government
26 that is removed from receivership while a financial emergency
27 continues to exist as determined by the governor shall proceed

1 under the neutral evaluation process pursuant to section 25.

2 (8) The governor may delegate his or her duties under this
3 section to the state treasurer.

4 (9) Notwithstanding section 3(1) of 1968 PA 317, MCL 15.323,
5 an emergency manager is subject to all of the following:

6 (a) 1968 PA 317, MCL 15.321 to 15.330, as a public servant.

7 (b) 1973 PA 196, MCL 15.341 to 15.348, as a public officer.

8 (c) 1968 PA 318, MCL 15.301 to 15.310, as if he or she were a
9 state officer.

10 (10) An emergency financial manager appointed under former
11 1988 PA 101 or former 1990 PA 72, and serving immediately prior to
12 the effective date of this act, shall be considered an emergency
13 manager under this act and shall continue under this act to fulfill
14 his or her powers and duties. Notwithstanding any other provision
15 of this act, the governor may appoint a person who was appointed as
16 an emergency manager under former 2011 PA 4 or an emergency
17 financial manager under former 1988 PA 101 or former 1990 PA 72 to
18 serve as an emergency manager under this act.

19 (11) Notwithstanding section 7(4) and subject to the
20 requirements of this section, if an emergency manager has served
21 for less than 18 months after his or her appointment under this
22 act, the governing body of the local government may pass a
23 resolution petitioning the governor to remove the emergency manager
24 as provided in this section and allow the local government to
25 proceed under the neutral evaluation process as provided in section
26 25. If the local government has a strong mayor, the resolution
27 requires strong mayor approval. If the governor accepts the

1 resolution, notwithstanding section 7(4), the local government
2 shall proceed under the neutral evaluation process as provided in
3 section 25.

4 Sec. 10. (1) An emergency manager shall issue to the
5 appropriate local elected and appointed officials and employees,
6 agents, and contractors of the local government the orders the
7 emergency manager considers necessary to accomplish the purposes of
8 this act, including, but not limited to, orders for the timely and
9 satisfactory implementation of a financial and operating plan,
10 including an educational plan for a school district, or to take
11 actions, or refrain from taking actions, to enable the orderly
12 accomplishment of the financial and operating plan. An order issued
13 under this section is binding on the local elected and appointed
14 officials and employees, agents, and contractors of the local
15 government to whom it is issued. Local elected and appointed
16 officials and employees, agents, and contractors of the local
17 government shall take and direct those actions that are necessary
18 and advisable to maintain compliance with the financial and
19 operating plan.

20 (2) If an order of the emergency manager under subsection (1)
21 is not carried out and the failure to carry out an order is
22 disrupting the emergency manager's ability to manage the local
23 government, the emergency manager, in addition to other remedies
24 provided in this act, may prohibit the local elected or appointed
25 official or employee, agent, or contractor of the local government
26 from access to the local government's office facilities, electronic
27 mail, and internal information systems.

1 Sec. 11. (1) An emergency manager shall develop and may amend
2 a written financial and operating plan for the local government.
3 The plan shall have the objectives of assuring that the local
4 government is able to provide or cause to be provided governmental
5 services essential to the public health, safety, and welfare and
6 assuring the fiscal accountability of the local government. The
7 financial and operating plan shall provide for all of the
8 following:

9 (a) Conducting all aspects of the operations of the local
10 government within the resources available according to the
11 emergency manager's revenue estimate.

12 (b) The payment in full of the scheduled debt service
13 requirements on all bonds, notes, and municipal securities of the
14 local government, contract obligations in anticipation of which
15 bonds, notes, and municipal securities are issued, and all other
16 uncontested legal obligations.

17 (c) The modification, rejection, termination, and
18 renegotiation of contracts pursuant to section 12.

19 (d) The timely deposit of required payments to the pension
20 fund for the local government or in which the local government
21 participates.

22 (e) For school districts, an educational plan.

23 (f) Any other actions considered necessary by the emergency
24 manager in the emergency manager's discretion to achieve the
25 objectives of the financial and operating plan, alleviate the
26 financial emergency, and remove the local government from
27 receivership.

1 (2) Within 45 days after the emergency manager's appointment,
2 the emergency manager shall submit the financial and operating
3 plan, and an educational plan if the local government is a school
4 district, to the state treasurer, with a copy to the superintendent
5 of public instruction if the local government is a school district,
6 and to the chief administrative officer and governing body of the
7 local government. The plan shall be regularly reexamined by the
8 emergency manager and the state treasurer and may be modified from
9 time to time by the emergency manager with notice to the state
10 treasurer. If the emergency manager reduces his or her revenue
11 estimates, the emergency manager shall modify the plan to conform
12 to the revised revenue estimates.

13 (3) The financial and operating plan shall be in a form as
14 provided by the state treasurer and shall contain that information
15 for each year during which year the plan is in effect that the
16 emergency manager, in consultation with the state financial
17 authority, specifies. The financial and operating plan may serve as
18 a deficit elimination plan otherwise required by law if so approved
19 by the state financial authority.

20 (4) The emergency manager, within 30 days of submitting the
21 financial and operating plan to the state financial authority,
22 shall conduct a public informational meeting on the plan and any
23 modifications to the plan. This subsection does not mean that the
24 emergency manager must receive public approval before he or she
25 implements the plan or any modification of the plan.

26 (5) For a local government in receivership immediately prior
27 to the effective date of this act, a financial and operating plan

1 for that local government adopted under former 2011 PA 4 or a
2 financial plan for that local government adopted under former 1990
3 PA 72 shall be effective and enforceable as a financial and
4 operating plan for the local government under this act until
5 modified or rescinded under this act.

6 Sec. 12. (1) An emergency manager may take 1 or more of the
7 following additional actions with respect to a local government
8 that is in receivership, notwithstanding any charter provision to
9 the contrary:

10 (a) Analyze factors and circumstances contributing to the
11 financial emergency of the local government and initiate steps to
12 correct the condition.

13 (b) Amend, revise, approve, or disapprove the budget of the
14 local government, and limit the total amount appropriated or
15 expended.

16 (c) Receive and disburse on behalf of the local government all
17 federal, state, and local funds earmarked for the local government.
18 These funds may include, but are not limited to, funds for specific
19 programs and the retirement of debt.

20 (d) Require and approve or disapprove, or amend or revise, a
21 plan for paying all outstanding obligations of the local
22 government.

23 (e) Require and prescribe the form of special reports to be
24 made by the finance officer of the local government to its
25 governing body, the creditors of the local government, the
26 emergency manager, or the public.

27 (f) Examine all records and books of account, and require

1 under the procedures of the uniform budgeting and accounting act,
2 1968 PA 2, MCL 141.421 to 141.440a, or 1919 PA 71, MCL 21.41 to
3 21.55, or both, the attendance of witnesses and the production of
4 books, papers, contracts, and other documents relevant to an
5 analysis of the financial condition of the local government.

6 (g) Make, approve, or disapprove any appropriation, contract,
7 expenditure, or loan, the creation of any new position, or the
8 filling of any vacancy in a position by any appointing authority.

9 (h) Review payrolls or other claims against the local
10 government before payment.

11 (i) Notwithstanding any minimum staffing level requirement
12 established by charter or contract, establish and implement
13 staffing levels for the local government.

14 (j) Reject, modify, or terminate 1 or more terms and
15 conditions of an existing contract.

16 (k) Subject to section 19, after meeting and conferring with
17 the appropriate bargaining representative and, if in the emergency
18 manager's sole discretion and judgment, a prompt and satisfactory
19 resolution is unlikely to be obtained, reject, modify, or terminate
20 1 or more terms and conditions of an existing collective bargaining
21 agreement. The rejection, modification, or termination of 1 or more
22 terms and conditions of an existing collective bargaining agreement
23 under this subdivision is a legitimate exercise of the state's
24 sovereign powers if the emergency manager and state treasurer
25 determine that all of the following conditions are satisfied:

26 (i) The financial emergency in the local government has created
27 a circumstance in which it is reasonable and necessary for the

1 state to intercede to serve a significant and legitimate public
2 purpose.

3 (ii) Any plan involving the rejection, modification, or
4 termination of 1 or more terms and conditions of an existing
5 collective bargaining agreement is reasonable and necessary to deal
6 with a broad, generalized economic problem.

7 (iii) Any plan involving the rejection, modification, or
8 termination of 1 or more terms and conditions of an existing
9 collective bargaining agreement is directly related to and designed
10 to address the financial emergency for the benefit of the public as
11 a whole.

12 (iv) Any plan involving the rejection, modification, or
13 termination of 1 or more terms and conditions of an existing
14 collective bargaining agreement is temporary and does not target
15 specific classes of employees.

16 (l) Act as sole agent of the local government in collective
17 bargaining with employees or representatives and approve any
18 contract or agreement.

19 (m) If a municipal government's pension fund is not
20 actuarially funded at a level of 80% or more, according to the most
21 recent governmental accounting standards board's applicable
22 standards, at the time the most recent comprehensive annual
23 financial report for the municipal government or its pension fund
24 was due, the emergency manager may remove 1 or more of the serving
25 trustees of the local pension board or, if the state treasurer
26 appoints the emergency manager as the sole trustee of the local
27 pension board, replace all the serving trustees of the local

1 pension board. For the purpose of determining the pension fund
2 level under this subdivision, the valuation shall exclude the net
3 value of pension bonds or evidence of indebtedness. The annual
4 actuarial valuation for the municipal government's pension fund
5 shall use the actuarial accrued liabilities and the actuarial value
6 of assets. If a pension fund uses the aggregate actuarial cost
7 method or a method involving a frozen accrued liability, the
8 retirement system actuary shall use the entry age normal actuarial
9 cost method. If the emergency manager serves as sole trustee of the
10 local pension board, all of the following apply:

11 (i) The emergency manager shall assume and exercise the
12 authority and fiduciary responsibilities of the local pension board
13 including, to the extent applicable, setting and approval of all
14 actuarial assumptions for pension obligations of a municipal
15 government to the local pension fund.

16 (ii) The emergency manager shall fully comply with the public
17 employee retirement system investment act, 1965 PA 314, MCL 38.1132
18 to 38.1140m, and section 24 of article IX of the state constitution
19 of 1963, and any actions taken shall be consistent with the pension
20 fund's qualified plan status under the federal internal revenue
21 code.

22 (iii) The emergency manager shall not make changes to a local
23 pension fund without identifying the changes and the costs and
24 benefits associated with the changes and receiving the state
25 treasurer's approval for the changes. If a change includes the
26 transfer of funds from 1 pension fund to another pension fund, the
27 valuation of the pension fund receiving the transfer must be

5 Sec. 16. An emergency manager shall, on his or her own or upon
6 the advice of the local inspector if a local inspector has been
7 retained, make a determination as to whether possible criminal
8 conduct contributed to the financial situation resulting in the
9 local government's receivership status. If the emergency manager
10 determines that there is reason to believe that criminal conduct
11 has occurred, the manager shall refer the matter to the attorney
12 general and the local prosecuting attorney for investigation.

13 Sec. 17. Beginning 6 months after an emergency manager's
14 appointment, and every 3 months thereafter, an emergency manager
15 shall submit to the governor, the state treasurer, the senate

7 provided in section 9(3)(e).

9 (h) The financial and operating plan.

10 Sec. 18. (1) If, in the judgment of the emergency manager, no
11 reasonable alternative to rectifying the financial emergency of the
12 local government which is in receivership exists, then the
13 emergency manager may recommend to the governor and the state
14 treasurer that the local government be authorized to proceed under
15 chapter 9. If the governor approves of the recommendation, the
16 governor shall inform the state treasurer and the emergency manager
17 in writing of the decision, with a copy to the superintendent of
18 public instruction if the local government is a school district.
19 The governor may place contingencies on a local government in order
20 to proceed under chapter 9. Upon receipt of the written approval,
21 the emergency manager is authorized to proceed under chapter 9.

10 (3) The emergency manager shall provide a copy of the
11 recommendation as provided under subsection (1) to the
12 superintendent of public instruction if the local government is a
13 school district.

14 Sec. 19. (1) Except as otherwise provided in this subsection,
15 before an emergency manager executes an action under section
16 12(1)(k), (r), or (u) or section 14(d), he or she shall submit his
17 or her proposed action to the governing body of the local
18 government. The governing body of the local government shall have
19 10 days from the date of submission to approve or disapprove the
20 action proposed by the emergency manager. If the governing body of
21 the local government does not act within 10 days, the proposed

5 yield substantially the same financial result as the action
6 proposed by the emergency manager. The local emergency financial
7 assistance loan board shall have 30 days to review both the
8 alternative proposal submitted by the governing body of the local
9 government and the action proposed by the emergency manager and to
10 approve either the alternative proposal submitted by the governing
11 body of the local government or the action proposed by the
12 emergency manager. The local emergency financial assistance loan
13 board shall approve the proposal that best serves the interest of
14 the public in that local government. The emergency manager shall
15 implement the alternative proposal submitted by the governing body
16 of the local government or the action proposed by the emergency
17 manager, whichever is approved by the local emergency financial
18 assistance loan board.

8 at the expense of the local government that is subject to that
9 receivership and shall be reimbursed to the attorney general by the
10 local government. The failure of a municipal government that is or
11 was in receivership to remit to the attorney general the costs
12 incurred by the attorney general within 30 days after written
13 notice to the municipal government from the attorney general of the
14 costs is a debt owed to this state and shall be recovered by the
15 state treasurer as provided in section 17a(5) of the Glenn Steil
16 state revenue sharing act of 1971, 1971 PA 140, MCL 141.917a. The

4 claim, demand, or lawsuit asserted or costs recovered against the
5 emergency manager and any employee, agent, appointee, or contractor
6 of the emergency manager from the date of appointment of the
7 emergency manager to the expiration of the applicable statute of
8 limitation if the claim, demand, or lawsuit asserted or costs
9 recovered against the emergency manager or any employee, agent,
10 appointee, or contractor of the emergency manager resulted from
11 conduct of the emergency manager or any employee, agent, appointee,
12 or contractor of the emergency manager taken in accordance with
13 this act during the emergency manager's term of service.

14 (5) If, after the date that the service of an emergency
15 manager is concluded, the emergency manager or any employee, agent,
16 appointee, or contractor of the emergency manager is subject to a

25 anticipated, shall be paid out of the funds of the local government
26 that is or was subject to the receivership administered by that
27 emergency manager, provided that the litigation expenses are

1 approved by the state treasurer and that the state treasurer

6 payment.

7 (b) The conduct occurred on behalf of a local government while
8 it was in receivership under this act.

12 required by this section is a debt owed to this state and shall be
13 recovered by the state treasurer as provided in section 17a(5) of

15 141.917a. The failure of a school district to honor and remit the

19 recovered by the state treasurer as provided in the state school
20 aid act of 1979, 1979 PA 94, MCL 388.1601 to 388.1896.

10 rectified, the emergency manager shall inform the governor and the
11 state treasurer.

12 (2) If the governor disagrees with the emergency manager's
13 determination that the financial emergency has been rectified, the
14 governor shall inform the emergency manager and the term of the
15 emergency manager shall continue or the governor shall appoint a
16 new emergency manager.

17 (3) Subject to subsection (4), if the governor agrees that the

13 (d) Review requests by the local government to issue debt
14 under the revised municipal finance act, 2001 PA 34, MCL 141.2101
15 to 141.2821, or any other law governing the issuance of bonds or
16 notes.

17 (e) Review proposed collective bargaining agreements
18 negotiated under section 15(1) of 1947 PA 336, MCL 423.215. A
19 proposed collective bargaining agreement shall not take effect
20 unless approved by the receivership transition advisory board.

21 (f) Review compliance by the local government with a deficit
22 elimination plan submitted under section 21 of the Glenn Steil
23 state revenue sharing act of 1971, 1971 PA 140, MCL 141.921.

24 (g) Review proposed judgment levies before submission to a
25 court under section 6093 or 6094 of the revised judicature act of
26 1961, 1961 PA 236, MCL 600.6093 and 600.6094.

27 (h) Perform any other duties assigned by the governor at the

1 time the receivership transition advisory board is appointed.

2 (6) A receivership transition advisory board is a public body
3 as that term is defined in section 2 of the open meetings act, 1976
4 PA 267, MCL 15.262, and meetings of a receivership transition
5 advisory board are subject to the open meetings act, 1976 PA 267,
6 MCL 15.261 to 15.275. A receivership transition advisory board is
7 also a public body as that term is defined in section 2 of the
8 freedom of information act, 1976 PA 442, MCL 15.232, and a public
9 record in the possession of a receivership transition advisory
10 board is subject to the freedom of information act, 1976 PA 442,
11 MCL 15.231 to 15.246.

12 Sec. 24. The governor may, upon his or her own initiative or
13 after receiving a recommendation from a receivership transition
14 advisory board, determine that the financial conditions of a local
15 government have not been corrected in a sustainable fashion as
16 required under section 9(7) and appoint a new emergency manager.

17 Sec. 25. (1) A neutral evaluation process may be utilized as
18 provided for in this act. The state treasurer may, in his or her
19 own discretion, determine that the state monitor the neutral
20 evaluation process initiated by a local government under this
21 section and may identify 1 or more individuals who may attend and
22 observe the neutral evaluation process. A local government shall
23 initiate the neutral evaluation process by providing notice by
24 certified mail of a request for neutral evaluation process to all
25 interested parties. If the local government does not provide notice
26 under this subsection to all interested parties within 7 days after
27 selecting the neutral evaluation process option, the treasurer may

1 require the local government to go into receivership and proceed
2 under section 9.

3 (2) An interested party shall respond within 10 business days
4 of receipt of notice of the local government's request for neutral
5 evaluation process.

6 (3) The local government and the interested parties agreeing
7 to participate in the neutral evaluation process shall, through a
8 mutually agreed-upon process, select a neutral evaluator to oversee
9 the neutral evaluation process and facilitate all discussions in an
10 effort to resolve their disputes.

11 (4) If the local government and interested parties fail to
12 agree on a neutral evaluator within 7 days after the interested
13 parties have responded to the notification sent by the local
14 government, the local government shall, within 7 days, select 5
15 qualified neutral evaluators and provide their names, references,
16 and backgrounds to the participating interested parties. Within 3
17 business days, a majority of participating interested parties may
18 disqualify up to 4 names from the list. If a majority of
19 participating interested parties disqualify 4 names from the list,
20 the remaining candidate shall be the neutral evaluator. If the
21 majority of participating parties disqualify fewer than 4 names,
22 the local government shall choose which of the remaining candidates
23 shall be the neutral evaluator.

24 (5) If an interested party objects to the qualifications of
25 the neutral evaluator after the process for selection in subsection
26 (4) is complete, the interested party may appeal to the state
27 treasurer to determine if the neutral evaluator meets the

1 qualifications under subsection (6). If the state treasurer
2 determines that the qualifications have been met, the neutral
3 evaluation process shall continue. If the state treasurer
4 determines that the qualifications have not been met, the state
5 treasurer shall select the neutral evaluator.

6 (6) A neutral evaluator shall have experience and training in
7 conflict resolution and alternative dispute resolution and have at
8 least 1 of the following qualifications:

9 (a) At least 10 years of high-level business or legal
10 experience involving bankruptcy or service as a United States
11 bankruptcy judge.

12 (b) At least 10 years of combined professional experience or
13 training in municipal finance in 1 or more of the following areas:

14 (i) Municipal organization.

15 (ii) Municipal debt restructuring.

16 (iii) Municipal finance dispute resolution.

17 (iv) Chapter 9 bankruptcy.

18 (v) Public finance.

19 (vi) Taxation.

20 (vii) Michigan constitutional law.

21 (viii) Michigan labor law.

22 (ix) Federal labor law.

23 (7) The neutral evaluator's performance shall be impartial,
24 objective, independent, and free from prejudice. The neutral
25 evaluator shall not act with partiality or prejudice based on any
26 participant's personal characteristics, background, values, or
27 beliefs, or performance during the neutral evaluation process.

1 (8) The neutral evaluator shall avoid a conflict of interest
2 and the appearance of a conflict of interest during the neutral
3 evaluation process. The neutral evaluator shall make a reasonable
4 inquiry to determine whether there are any facts that a reasonable
5 individual would consider likely to create a potential or actual
6 conflict of interest. Notwithstanding subsection (16), if the
7 neutral evaluator is informed of the existence of any facts that a
8 reasonable individual would consider likely to create a potential
9 or actual conflict of interest, the neutral evaluator shall
10 disclose these facts in writing to the local government and all
11 interested parties involved in the neutral evaluation process. If
12 any participating interested party to the neutral evaluation
13 process objects to the neutral evaluator, that interested party
14 shall notify the local government and all other participating
15 interested parties to the neutral evaluation process, including the
16 neutral evaluator, within 15 days of receipt of the notice from the
17 neutral evaluator. The neutral evaluator shall withdraw, and a new
18 neutral evaluator shall be selected as provided in subsections (3)
19 and (4).

20 (9) Before commencing a neutral evaluation process, the
21 neutral evaluator shall not establish another fiscal or fiduciary
22 relationship with any of the interested parties or the local
23 government in a manner that would raise questions about the
24 integrity of the neutral evaluation process, except that the
25 neutral evaluator may conduct further neutral evaluation processes
26 regarding other potential local public entities that may involve
27 some of the same or similar constituents to a prior mediation.

1 (10) The neutral evaluator shall conduct the neutral
2 evaluation process in a manner that promotes voluntary, uncoerced
3 decision making in which each participant makes free and informed
4 choices regarding the neutral evaluation process and outcome.

5 (11) The neutral evaluator shall not impose a settlement on
6 the participants. The neutral evaluator shall use his or her best
7 efforts to assist the participants to reach a satisfactory
8 resolution of their disputes. Subject to the discretion of the
9 neutral evaluator, the neutral evaluator may make oral or written
10 recommendations for a settlement or plan of readjustment to a
11 participant privately or to all participants jointly.

12 (12) The neutral evaluator shall inform the local government
13 and all participants of the provisions of chapter 9 relative to
14 other chapters of title 11 of the United States Code, 11 USC 101 to
15 1532. This instruction shall highlight the limited authority of
16 United States bankruptcy judges in chapter 9, including, but not
17 limited to, the restriction on federal bankruptcy judges' authority
18 to interfere with or force liquidation of a local government's
19 property and the lack of flexibility available to federal
20 bankruptcy judges to reduce or cram down debt repayments and
21 similar efforts not available to reorganize the operations of the
22 local government that may be available to a corporate entity.

23 (13) The neutral evaluator may request from the participants
24 documentation and other information that the neutral evaluator
25 believes may be helpful in assisting the participants to address
26 the obligations between them. This documentation may include the
27 status of funds of the local government that clearly distinguishes

1 between general funds and special funds and the proposed plan of
2 readjustment prepared by the local government. The participants
3 shall respond to a request from the neutral evaluator in a timely
4 manner.

5 (14) The neutral evaluator shall provide counsel and guidance
6 to all participants, shall not be a legal representative of any
7 participant, and shall not have a fiduciary duty to any
8 participant.

9 (15) If a settlement with all interested parties and the local
10 government occurs, the neutral evaluator may assist the
11 participants in negotiating a pre-petitioned, pre-agreed-upon plan
12 of readjustment in connection with a potential chapter 9 filing.

13 (16) If at any time during the neutral evaluation process the
14 local government and a majority of the representatives of the
15 interested parties participating in the neutral evaluation process
16 wish to remove the neutral evaluator, the local government or any
17 interested party may make a request to the other interested parties
18 to remove the neutral evaluator. If the local government and a
19 majority of the interested parties agree that the neutral evaluator
20 should be removed and agree on who should replace the neutral
21 evaluator, the local government and the interested parties shall
22 select a new neutral evaluator.

23 (17) The local government and all interested parties
24 participating in the neutral evaluation process shall negotiate in
25 good faith.

26 (18) The local government and each interested party shall
27 provide a representative to attend all sessions of a neutral

1 evaluation process. Each representative shall have the authority to
2 settle and resolve disputes or shall be in a position to present
3 any proposed settlement or plan of readjustment to the participants
4 in the neutral evaluation process.

5 (19) The local government and the participating interested
6 parties shall maintain the confidentiality of the neutral
7 evaluation process and shall not at the conclusion of the neutral
8 evaluation process or during any bankruptcy proceeding disclose
9 statements made, information disclosed, or documents prepared or
10 produced unless a judge in a chapter 9 bankruptcy proceeding orders
11 that the information be disclosed to determine the eligibility of a
12 local government to proceed with a bankruptcy proceeding under
13 chapter 9, or as otherwise required by law.

14 (20) A neutral evaluation process authorized by this act shall
15 not last for more than 60 days following the date the neutral
16 evaluator is initially selected, unless the local government or a
17 majority of participating interested parties elect to extend the
18 neutral evaluation process for up to 30 additional days. The
19 neutral evaluation process shall not last for more than 90 days
20 following the date the neutral evaluator is initially selected.

21 (21) The local government shall pay 50% of the costs of a
22 neutral evaluation process, including, but not limited to, the fees
23 of the neutral evaluator, and the interested parties shall pay the
24 balance of the costs of the neutral evaluation process, unless
25 otherwise agreed to by the local government and a majority of the
26 interested parties.

27 (22) The neutral evaluation process shall end if any of the

1 following occur:

2 (a) The local government and the participating interested
3 parties execute a settlement agreement. However, if the state
4 treasurer determines that the settlement agreement does not provide
5 sufficient savings to the local government, the state treasurer
6 shall provide notice to the local government that the settlement
7 agreement does not provide sufficient savings to the local
8 government and the local government shall proceed under 1 of the
9 other local government options as provided in section 7.

10 (b) The local government and the participating interested
11 parties reach an agreement or proposed plan of readjustment that
12 requires the approval of a bankruptcy judge.

13 (c) The neutral evaluation process has exceeded 60 days
14 following the date the neutral evaluator was selected, the local
15 government and the participating interested parties have not
16 reached an agreement, and neither the local government nor a
17 majority of the interested parties elect to extend the neutral
18 evaluation process past the initial 60-day time period.

19 (d) The local government initiated the neutral evaluation
20 process under subsection (1) and did not receive a response from
21 any interested party within the time specified in subsection (2).

22 (e) The fiscal condition of the local government deteriorates
23 to the point that necessitates the need to proceed under the
24 chapter 9 bankruptcy option pursuant to section 26.

25 (23) If the 60-day time period for a neutral evaluation
26 process expires, including any extension of the neutral evaluation
27 process past the initial 60-day time period under subsection (20),

1 and the neutral evaluation process is complete with differences
2 resolved, the neutral evaluation process shall be concluded. If the
3 neutral evaluation process does not resolve all pending disputes
4 with the local government and the interested parties, or if
5 subsection (22)(b), (c), or (d) applies, the governing body of the
6 local government shall adopt a resolution recommending that the
7 local government proceed under chapter 9 and submit the resolution
8 to the governor and the state treasurer. Except as otherwise
9 provided in this subsection, if the local government has a strong
10 mayor, the resolution requires strong mayor approval before the
11 local government proceeds under chapter 9. The resolution shall
12 include a statement determining that the financial condition of the
13 local government jeopardizes the health, safety, and welfare of the
14 residents who reside within the local government or service area of
15 the local government absent the protections of chapter 9. If the
16 governor approves the resolution for the local government to
17 proceed under chapter 9, the governor shall inform the local
18 government in writing of the decision. The governor may place
19 contingencies on a local government in order to proceed under
20 chapter 9 including, but not limited to, appointing a person to act
21 exclusively on behalf of the local government in the chapter 9
22 bankruptcy proceedings. If the governing body of the local
23 government fails to adopt a resolution within 7 days after the
24 neutral evaluation process is concluded as provided in this
25 subsection, the governor may appoint a person to act exclusively on
26 behalf of the local government in chapter 9 bankruptcy proceedings.
27 If the governor does not appoint a person to act exclusively on

1 behalf of the local government in chapter 9 bankruptcy proceedings,
2 the chief administrative officer of the local government shall act
3 exclusively on behalf of the local government in chapter 9
4 bankruptcy proceedings. Upon receiving written approval from the
5 governor under section 26, the local government may file a petition
6 under chapter 9 and exercise powers under federal bankruptcy law.

7 Sec. 26. (1) With the written approval of the governor, a
8 local government may file a petition under chapter 9 and exercise
9 powers pursuant to federal bankruptcy law if the local government
10 adopts a resolution, by a majority vote of the governing body of
11 the local government, that declares a financial emergency in the
12 local government. Except as otherwise provided in this subsection,
13 if the local government has a strong mayor, the resolution requires
14 strong mayor approval. The resolution shall include a statement
15 determining that the financial condition of the local government
16 jeopardizes the health, safety, and welfare of the residents who
17 reside within the local government or service area of the local
18 government absent the protections of chapter 9 and that the local
19 government is or will be unable to pay its obligations within 60
20 days following the adoption of the resolution.

21 (2) If the governor approves a local government to proceed
22 under chapter 9, the governor shall inform the local government in
23 writing of the decision. The governor may place contingencies on a
24 local government in order to proceed under chapter 9 including, but
25 not limited to, appointing a person to act exclusively on behalf of
26 the local government in the chapter 9 bankruptcy proceedings. If
27 the governor does not appoint a person to act exclusively on behalf

1 of the local government in chapter 9 bankruptcy proceedings, the
2 chief administrative officer of the local government shall act
3 exclusively on behalf of the local government in chapter 9
4 bankruptcy proceedings. Upon receipt of the written approval and
5 subject to this subsection, the local government may proceed under
6 chapter 9 and exercise powers under federal bankruptcy law.

7 (3) If the governor does not approve a local government to
8 proceed under chapter 9, the local government shall within 7 days
9 select 1 of the other local options as provided in section 7.

10 Sec. 27. (1) The local elected and appointed officials and
11 employees, agents, and contractors of a local government shall
12 promptly and fully provide the assistance and information necessary
13 and properly requested by the state financial authority, a review
14 team, or the emergency manager in the effectuation of their duties
15 and powers and of the purposes of this act. If the review team or
16 emergency manager believes that a local elected or appointed
17 official or employee, agent, or contractor of the local government
18 is not answering questions accurately or completely or is not
19 furnishing information requested, the review team or emergency
20 manager may issue subpoenas and administer oaths to the local
21 elected or appointed official or employee, agent, or contractor to
22 furnish answers to questions or to furnish documents or records, or
23 both. If the local elected or appointed official or employee,
24 agent, or contractor refuses, the review team or emergency manager
25 may bring an action in the circuit court in which the local
26 government is located or the Michigan court of claims, as
27 determined by the review team or emergency manager, to compel

1 testimony and furnish records and documents. An action in mandamus
2 may be used to enforce this section.

3 (2) Failure of a local government official to abide by this
4 act shall be considered gross neglect of duty, which the review
5 team or emergency manager may report to the state financial
6 authority and the attorney general. Following review and a hearing
7 with a local government elected official, the state financial
8 authority may recommend to the governor that the governor remove
9 the elected official from office. If the governor removes the
10 elected official from office, the resulting vacancy in office shall
11 be filled as prescribed by law.

12 (3) A local government placed in receivership under this act
13 is not subject to section 15(1) of 1947 PA 336, MCL 423.215, for a
14 period of 5 years from the date the local government is placed in
15 receivership or until the time the receivership is terminated,
16 whichever occurs first.

17 Sec. 28. This act does not give the emergency manager or the
18 state financial authority the power to impose taxes, over and above
19 those already authorized by law, without the approval at an
20 election of a majority of the qualified electors voting on the
21 question.

22 Sec. 29. The state financial authority shall issue bulletins
23 or promulgate rules as necessary to carry out the purposes of this
24 act. Rules shall be promulgated pursuant to the administrative
25 procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

26 Sec. 30. (1) All of the following actions that occurred under
27 former 2011 PA 4, former 1988 PA 101, or former 1990 PA 72, before

1 the effective date of this act are effective under this act:

2 (a) A determination by the state treasurer or superintendent
3 of public instruction pursuant to a preliminary review of the
4 existence of probable financial stress or a serious financial
5 problem in a local government.

6 (b) The appointment of a review team.

7 (c) The findings and conclusion contained in a review team
8 report submitted to the governor.

9 (d) A determination by the governor of a financial emergency
10 in a local government.

11 (e) A confirmation by the governor of a financial emergency in
12 a local government.

13 (2) An action contained in subsection (1) need not be
14 reenacted or reaffirmed in any manner to be effective under this
15 act.

16 Sec. 31. An emergency manager or emergency financial manager
17 appointed and serving under state law immediately prior to the
18 effective date of this act shall continue under this act as an
19 emergency manager for the local government.

20 Sec. 32. This act does not impose any liability or
21 responsibility in law or equity upon this state, any department,
22 agency, or other entity of this state, or any officer or employee
23 of this state, or any member of a receivership transition advisory
24 board, for any action taken by any local government under this act,
25 for any violation of the provisions of this act by any local
26 government, or for any failure to comply with the provisions of
27 this act by any local government. A cause of action against this

1 state or any department, agency, or entity of this state, or any
2 officer or employee of this state acting in his or her official
3 capacity, or any membership of a receivership transition advisory
4 board acting in his or her official capacity, may not be maintained
5 for any activity authorized by this act, or for the act of a local
6 government filing under chapter 9, including any proceeding
7 following a local government's filing.

8 Sec. 33. If any portion of this act or the application of this
9 act to any person or circumstances is found to be invalid by a
10 court, the invalidity shall not affect the remaining portions or
11 applications of this act which can be given effect without the
12 invalid portion or application. The provisions of this act are
13 severable.

14 Sec. 34. For the fiscal year ending September 30, 2013,
15 \$780,000.00 is appropriated from the general fund to the department
16 of treasury to administer the provisions of this act and to pay the
17 salaries of emergency managers. The appropriation made and the
18 expenditures authorized to be made by the department of treasury
19 are subject to the management and budget act, 1984 PA 431, MCL
20 18.1101 to 18.1594.

21 Sec. 35. (1) For the fiscal year ending September 30, 2013,
22 \$5,000,000.00 is appropriated from the general fund to the
23 department of treasury to administer the provisions of this act, to
24 secure the services of financial consultants, lawyers, work-out
25 experts, and other professionals to assist in the implementation of
26 this act, and to assist local governments in proceeding under
27 chapter 9.

1 (2) The appropriation authorized in this section is a work
2 project appropriation, and any unencumbered or unallotted funds are
3 carried forward into the following fiscal year. The following is in
4 compliance with section 451a(1) of the management and budget act,
5 1984 PA 431, MCL 18.1451a:

6 (a) The purpose of the project is to provide technical and
7 administrative support for the department of treasury to implement
8 this act. Costs related to this project include, but are not
9 limited to, all of the following:

10 (i) Staffing-related costs.

11 (ii) Costs to promote public awareness.

12 (iii) Any other costs related to implementation and dissolution
13 of the program, including the resolution of accounts.

14 (b) The work project will be accomplished through the use of
15 interagency agreements, grants, state employees, and contracts.

16 (c) The total estimated completion cost of the project is
17 \$5,000,000.00.

18 (d) The expected completion date is September 30, 2016.

19 Enacting section 1. The local government fiscal responsibility
20 act, 1990 PA 72, MCL 141.1201 to 141.1291, is repealed.

21 Enacting section 2. It is the intent of the legislature that
22 this act function and be interpreted as a successor statute to
23 former 1988 PA 101, former 1990 PA 72, and former 2011 PA 4, and
24 that whenever possible a reference to former 1988 PA 101, former
25 1990 PA 72, or former 2011 PA 4, under other laws of this state or
26 to a function or responsibility of an emergency financial manager
27 or emergency manager under former 1988 PA 101, former 1990 PA 72,

1 or former 2011 PA 4, under other laws of this state shall function
2 and be interpreted to reference to this act, with the other laws of
3 this state referencing former 1988 PA 101, former 1990 PA 72, or
