22 the work invoices included with the claim are necessary and
23 appropriate considering conditions at the site of the release and
24 reasonable in terms of cost and the owner or operator is eligible
25 for funding under this part, the administrator shall approve the
26 claim and notify the owner or operator who submitted the claim of
27 the approval. If the administrator determines that the work

1 described on the work invoices submitted was not necessary or
2 appropriate or the cost of the work is not reasonable, or that the
3 owner or operator is not eligible for funding under this part, the
4 administrator shall deny the claim or any portion of the work
5 invoices submitted and give notice of the denial to the owner or
6 operator who submitted the claim.

7 (6) The owner or operator may submit additional work invoices
8 to the administrator after approval of a claim under subsection
9 (5). Within 45 days after receipt of a work invoice, the
10 administrator shall make the following determinations:

11 (a) Whether the work invoice complies with subsection (3).

12 (b) Whether the owner or operator is currently in compliance
13 with the registration and fee requirements of part 211 and the
14 rules promulgated under that part for the underground storage tank
15 system from which the release occurred.

16 (7) If the administrator determines that the work invoice does
17 not meet the requirements of subsection (6), he or she shall deny
18 the work invoice and give written notice of the denial to the owner
19 or operator who submitted the work invoice.

20 (8) The administrator shall keep records of approved work
21 invoices. If the owner or operator has not exceeded the allowable
22 amount of expenditure provided in section 21512, the administrator
23 shall forward payment vouchers to the state treasurer within 45
24 days of making the determinations under subsection (6).

25 (9) The administrator may approve a reimbursement for a work
26 invoice that was submitted by an owner or operator for corrective
27 action taken if the work invoice meets the requirements of this

1 part for an approved claim and an approved work invoice.

2 (10) Except as provided in subsection (11) or as otherwise
3 provided in this subsection, upon receipt of a payment voucher, the
4 state treasurer or the authority shall make a payment jointly to
5 the owner or operator ~~and the consultant~~ within 30 days if
6 sufficient money exists in the fund or a bond proceeds account.

7 ~~However, the owner or operator may submit to the fund administrator~~
8 ~~a signed affidavit stating that the consultant listed on a work~~
9 ~~invoice has been paid in full. The affidavit shall list the work~~
10 ~~invoice and claim to which the affidavit applies, a statement that~~
11 ~~the owner or operator has mailed a copy of the affidavit by first-~~
12 ~~class mail to the consultant listed on the work invoice, and the~~
13 ~~date that the affidavit was mailed to the consultant. The~~
14 ~~department is not required to verify affidavits submitted under~~
15 ~~this subsection. If, within 14 days after the affidavit was mailed~~
16 ~~to the consultant under this subsection, the fund administrator has~~
17 ~~not received an objection in writing from the consultant listed on~~
18 ~~the work invoice, the state treasurer or the authority shall make~~
19 ~~the payment directly to the owner or operator. If a check has~~
20 ~~already been issued to the owner or operator and the consultant,~~
21 ~~the owner or operator may return the original check to the fund~~
22 ~~administrator along with the affidavit. If within 14 days after the~~
23 ~~affidavit was mailed to the consultant the fund administrator has~~
24 ~~not received an objection from the consultant listed on the check,~~
25 ~~the state treasurer or the authority shall reissue a check to the~~
26 ~~owner or operator. If a consultant objects to an affidavit received~~
27 ~~under this subsection, and notifies the fund administrator in~~

1 ~~writing within 14 days after the affidavit was mailed to the~~
2 ~~consultant, the fund administrator shall notify the state treasurer~~
3 ~~and the authority, and the state treasurer or the authority shall~~
4 ~~issue or reissue the check to the owner or operator and the~~
5 ~~consultant. The grounds for an objection by a consultant under this~~
6 ~~subsection must be that the consultant has not been paid in full~~
7 ~~and the objection must be made by affidavit. The state treasurer or~~
8 ~~the authority shall issue checks under this subsection within 60~~
9 ~~days after an affidavit has been received by the fund~~
10 ~~administrator. Once payment has been made under this section, the~~
11 ~~fund is not liable for any claim on the basis of that payment.~~

12 (11) Upon direction of the administrator, the state treasurer
13 or the authority may withhold partial payment of money on payment
14 vouchers if there is reasonable cause to believe that there are
15 suspected violations of section 21548 or if necessary to assure
16 acceptable completion of the proposed work.

17 (12) The department ~~of environmental quality~~ shall prepare and
18 make available to owners and operators ~~and consultants~~ standardized
19 claim and work invoice forms.

20 Sec. 21517. (1) In order to receive money from the fund, an

6 complete the underground storage tank system removal.

7 (5) ~~(7)~~ An owner or operator may receive funding under this
8 part to implement a corrective action alternative that is not the
9 preferred corrective action alternative only if the owner or
10 operator pays the difference between the selected corrective action
11 alternative and the preferred corrective action alternative.

12 Sec. 21520. The department shall establish an audit program to
13 monitor compliance with this part. As part of the audit program,
14 the department shall employ or contract with qualified individuals
15 to provide on-site inspections of locations where there has been a
16 release. The on-site inspectors shall assure that the preferred
17 corrective action alternative selected by the ~~consultant~~ **OWNER OR**
18 **OPERATOR** and the work performed on sites eligible for funding under
19 this part are necessary and appropriate considering conditions at
20 the location, and that work is performed in a cost-effective
21 manner. The department shall annually evaluate the need for on-site
22 inspectors, and if the department determines that they are
23 unnecessary due to other cost containment procedures implemented by
24 the department, the department may discontinue the on-site
25 inspections.

26 Sec. 21550. (1) Section 21508 is repealed effective December
27 31, ~~2012~~ **2015**.

19 ~~—— (c) A consultant may perform work activities specified in~~
20 ~~subsection (2) (a) only if the consultant bids for the work activity~~
21 ~~and the consultant's bid is the lowest responsive bid. A consultant~~
22 ~~who intends to submit a bid must submit the bid to the department~~
23 ~~prior to receiving bids from contractors.~~

24 (C) ~~(d)~~ Upon receipt of bids, the ~~consultant~~ **ELIGIBLE PERSON**
25 shall submit to the department a copy of all bid forms received and
26 the bid accepted.

27 (D) ~~(e)~~ The ~~consultant~~ **ELIGIBLE PERSON** shall notify the
