9 general permit, the department shall not consider off-site  
10 alternatives to be feasible and prudent alternatives.

11 (4) ~~(5)~~ If the department determines that activity in a  
12 proposed project, although within a minor project category or a  
13 general permit, is likely to cause more than minimal adverse

15 habitats, the department may require that the application be  
16 processed under section 30307.

17 (5) ~~(6)~~ The department shall coordinate general permit and  
18 minor project categories under this part and parts 301 and 325
