HOUSE BILL NO. 4156**

A bill to amend 1965 PA 314, entitled
"Public employee retirement system investment act,"
by amending section 13 (MCL 38.1133), as amended by 2009 PA 84.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

5 in nominee form, and managed by an investment fiduciary subject to
6 the terms, conditions, and limitations provided in this act. An
7 investment fiduciary of a defined contribution plan may arrange for
8 1 or more investment options to be directed by the participants of
9 the defined contribution plan. The limitations on the percentage of
10 total assets for investments provided in this act do not apply to a
11 defined contribution plan in which a participant directs the

1 investment of the assets in his or her individual account, and that
2 participant is not considered an investment fiduciary under this
3 act.

4 (3) An investment fiduciary shall discharge his or her duties
5 solely in the interest of the participants and the beneficiaries,
6 and shall do all of the following:

7 (a) Act with the same care, skill, prudence, and diligence

12 stability of the issuer and the character of the particular
13 investments being considered.

14 (c) Make investments for the exclusive purposes of providing

20 are relevant to the particular investment or investment course of
21 action involved, including the role the investment or investment
22 course of action plays in that portion of the system's investments
23 for which the investment fiduciary has responsibility; and act
24 accordingly. For purposes of this subsection, "appropriate
25 consideration" includes, but is not limited to, a determination by
26 the investment fiduciary that a particular investment or investment
27 course of action is reasonably designed, as part of the investments

1 of the system, to further the purposes of the system, taking into
2 consideration the risk of loss and the opportunity for gain or
3 other return associated with the investment or investment course of
4 action; and consideration of the following factors as they relate
5 to the investment or investment course of action:

11 relative to the funding objectives of the system.

18 strategies with clearly defined accountability and responsibility
19 for implementing and executing the system's investments.

25 prescribed limitation.
