10 information. This subsection does not affect the time period within
11 which an on-site visit to a family child care home shall be made.
12 If the department identifies a deficiency or requires the
13 fulfillment of a corrective action plan, the 6-month period is
14 tolled until either of the following occurs:

15 (a) Upon notification by the department of a deficiency, until
16 the date the requested information is received by the department.

17 (b) Upon notification by the department that a corrective
18 action plan is required, until the date the department determines
19 the requirements of the corrective action plan have been met.

20 (10) The determination of the completeness of an application
21 is not an approval of the application for the license and does not
22 confer eligibility on an applicant determined otherwise ineligible
23 for issuance of a license.

24 (11) Except as provided in subsection (1) and section 5b, if
25 the department fails to issue or deny a license or registration to
26 a child care center, group child care home, or family child care
27 home within the time required by this section, the department shall

1 return the license or registration fee and shall reduce the license
2 or registration fee for the applicant's next renewal application,
3 if any, by 15%. Failure to issue or deny a license to a child care
4 center, group child care home, or family child care home within the
5 time period required under this section does not allow the
6 department to otherwise delay the processing of the application. A
7 completed application shall be placed in sequence with other
8 completed applications received at that same time. The department
9 shall not discriminate against an applicant in the processing of an
10 application based on the fact that the application fee was refunded
11 or discounted under this subsection.

12 (12) If, on a continual basis, inspections performed by a
13 local health department delay the department in issuing or denying
14 licenses or registrations for child care centers, group day care
15 homes, and family child care homes under this act within the 6-
16 month period, the department may use department staff to complete
17 the inspections instead of the local health department causing the
18 delays.

19 (13) The **DEPARTMENT** director ~~of the department~~ shall submit a
20 report by December 1 of each year to the standing committees and
21 appropriations subcommittees of the senate and house of
22 representatives concerned with human services and children's
23 issues. The **DEPARTMENT** director shall include **IN THE REPORT** all of
24 the following information regarding applications for licenses and
25 registrations only for child care centers, group child care homes,
26 and family child care homes filed under this act ~~in the report~~
27 ~~concerning~~ **DURING** the preceding fiscal year:

1 (a) The number of initial and renewal applications the
2 department received and completed within the 6-month time period
3 described in subsection (9).

4 (b) The number of applications requiring a request for
5 additional information.

6 (c) The number of applications rejected.

7 (d) The number of licenses and registrations not issued within
8 the 6-month period.

9 (e) The average processing time for initial and renewal
10 licenses and registrations granted after the 6-month period.

11 (14) Except as provided in section 5c(8), the department shall
12 not issue to or renew the license of a child care organization
13 under this act without requesting a criminal history check and
14 criminal records check as required by section 5c. If a criminal
15 history check or criminal records check performed under section 5c
16 or information obtained as a result of notification from the
17 department of state police under section 5k reveals that an
18 applicant for a license under this act has been convicted of a
19 listed offense, the department shall not issue a license to that
20 applicant. If a criminal history check or criminal records check
21 performed under section 5c or information obtained as a result of
22 notification from the department of state police under section 5k
23 reveals that an applicant for renewal of a license under this act
24 has been convicted of a listed offense, the department shall not
25 renew that license. If a criminal history check or criminal records
26 check performed under section 5c or information obtained as a
27 result of notification from the department of state police under

1 section 5k reveals that a current licensee has been convicted of a
2 listed offense, the department shall revoke the license of that
3 licensee.

4 (15) Except as provided in section 5f(13), the department
5 shall not issue or renew a certificate of registration to a family
6 child care home or a license to a group child care home under this
7 act without requesting a criminal history check and criminal
8 records check as required by sections 5f and 5g. If a criminal
9 history check or criminal records check performed under section 5f
10 or 5g or information obtained as a result of notification from the
11 department of state police under section 5k reveals that an
12 applicant for a certificate of registration or license under this
13 act or a person over 18 years of age residing in that applicant's
14 home has been convicted of a listed offense, the department shall
15 not issue a certificate of registration or license to that
16 applicant. If a criminal history check or criminal records check
17 performed under section 5f or 5g or information obtained as a
18 result of notification from the department of state police under
19 section 5k reveals that an applicant for renewal of a certificate
20 of registration or license under this act or a person over 18 years
21 of age residing in that applicant's home has been convicted of a
22 listed offense, the department shall not renew a certificate of
23 registration or license to that applicant. If a criminal history
24 check or criminal records check performed under section 5f or 5g or
25 information obtained as a result of notification from the
26 department of state police under section 5k reveals that a current
27 registrant or licensee under this act or a person over 18 years of

1 age residing in that registrant's or licensee's home has been
2 convicted of a listed offense, the department shall revoke that
3 registrant's certificate of registration or licensee's license.

4 (16) Except as provided in section 5h(7), the department shall
5 not issue or renew a license to operate a foster family home or
6 foster family group home under this act without requesting a
7 criminal history check and criminal records check as required by
8 sections 5h and 5j. If a criminal history check or criminal records
9 check performed under section 5h or 5j or information obtained as a
10 result of notification from the department of state police under
11 section 5k reveals that an applicant for a license to operate a
12 foster family home or foster family group home under this act or a
13 person over 18 years of age residing in that applicant's home has
14 been convicted of a listed offense, the department shall not issue
15 a license to that applicant. If a criminal history check or
16 criminal records check performed under section 5h or 5j or
17 information obtained as a result of notification from the
18 department of state police under section 5k reveals that an
19 applicant for renewal of a license to operate a foster family home
20 or foster family group home under this act or a person over 18
21 years of age residing in that applicant's home has been convicted
22 of a listed offense, the department shall not renew a license to
23 that applicant. If a criminal history check or criminal records
24 check performed under section 5h or 5j or information obtained as a
25 result of notification from the department of state police under
26 section 5k reveals that a current licensee under this act of a
27 foster family home or foster family group home or a person over 18

1 years of age residing in that licensee's foster family home or
2 foster family group home has been convicted of a listed offense,
3 the department shall revoke that licensee's license.

4 (17) As used in this section:

5 (a) "Completed application" means an application complete on
6 its face and submitted with any applicable licensing or
7 registration fees as well as any other information, records,
8 approval, security, or similar item required by law or rule from a
9 local unit of government, a federal agency, or a private entity but
10 not from another department or agency of this state. A completed
11 application does not include a health inspection performed by a
12 local health department.

13 (b) "Good moral character" means that term as defined in and
14 determined under 1974 PA 381, MCL 338.41 to 338.47.

15 (c) "Member of the household" means any individual, other than
16 a foster child, who resides in a foster family home or foster
17 family group home on an ongoing or recurrent basis.

18 Enacting section 1. This amendatory act does not take effect
19 unless Senate Bill No. 435 of the 96th Legislature is enacted into
20 law.
