

**STATE OF MICHIGAN  
96TH LEGISLATURE  
REGULAR SESSION OF 2011**

**Introduced by Reps. Pscholka and McMillin**

# **ENROLLED HOUSE BILL No. 4216**

AN ACT to amend 2001 PA 34, entitled "An act relative to the borrowing of money and the issuance of certain debt and securities; to provide for tax levies and sinking funds; to prescribe powers and duties of certain departments, state agencies, officials, and employees; to impose certain duties, requirements, and filing fees upon political subdivisions of this state; to authorize the issuance of certain debt and securities; to prescribe penalties; and to repeal acts and parts of acts," by amending section 303 (MCL 141.2303), as amended by 2002 PA 541.

*The People of the State of Michigan enact:*

Sec. 303. (1) Each municipality shall file an audit report annually with the department within 6 months from the end of its fiscal year or as otherwise provided in the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a.

(2) Accompanying the audit report described in subsection (1), a municipality shall file a qualifying statement, on a form and in the manner provided by the department, which shall be certified by the chief administrative officer. Within 30 business days of the receipt of the qualifying statement, the department shall determine if the municipality complies with the requirements of subsection (3). If the department determines that the municipality complies with the provisions of subsection (3) or if the department fails to notify the municipality of its determination under this subsection within 30 business days of receipt of the qualifying statement, the municipality may proceed to issue municipal securities under this act without further approval from the department until 30 business days after the next qualifying statement is due or a new determination is made by the department, whichever occurs first.

(3) To qualify to issue municipal securities without further approval from the department, the municipality shall be in material compliance with all of the following requirements, as determined by the department:

(a) The municipality is not operating under the provisions of the local government and school district fiscal accountability act.

(b) The municipality did not issue securities in the immediately preceding 5 fiscal years or current fiscal year that were authorized by either the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, other than a security issued for a loan authorized under section 3(2)(a) of the emergency municipal loan act, 1980 PA 243, MCL 141.933, or the fiscal stabilization act, 1981 PA 80, MCL 141.1001 to 141.1011.

(c) The municipality was not required by the terms of a court order or judgment to levy a tax in the preceding fiscal year. For purposes of this subdivision, the department may determine that a court order or judgment to levy a tax is not material if it did not have an adverse financial impact on the municipality.

(d) The most recent audit report, as required by the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, was filed with the department within 6 months from the end of the fiscal year of the municipality.

(e) The debt retirement fund balance for any municipal security that is funded from an unlimited tax levy does not exceed 150% of the amount required for principal and interest payments due for that municipal security in the next fiscal year.

(f) The municipality is not currently exceeding its statutory or constitutional debt limits.

(g) The municipality has no outstanding securities that were not authorized by statute.

(h) The municipality is not currently and during the preceding fiscal year was not in violation of any provisions in the covenants for an outstanding security.

(i) The municipality was not delinquent more than 1 time in the preceding fiscal year in transferring employee taxes withheld to the appropriate agency, transferring taxes collected as agent for another taxing entity to that taxing unit, or making all required pension, retirement, or benefit plan contributions.

(j) The most recent delinquent property taxes of the municipality, without regard to payments received from the county under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, did not exceed 18% of the amount levied.

(k) The municipality did not submit a qualifying statement or an application for any other municipal security in the preceding 12 months that was materially false or incorrect.

(l) The municipality is not in default on the payment of any debt, excluding industrial development revenue bonds issued under the industrial development revenue bond act of 1963, 1963 PA 62, MCL 125.1251 to 125.1267, economic development corporation bonds issued under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, bonds issued by a local hospital finance authority for a private hospital under the hospital finance authority act, 1969 PA 38, MCL 331.31 to 331.84, or any other debt for which the municipality is not financially liable.

(m) The municipality did not end the immediately preceding fiscal year with a deficit in any fund, unless the municipality has filed a financial plan to correct that deficit condition that is acceptable to the department.

(n) The municipality has not been found by a court of competent jurisdiction to be in violation of any finance or tax-related state or federal statutes during the preceding fiscal year.

(o) The municipality has not been determined by the department to be in violation of this act during the preceding fiscal year.

(p) The municipality did not issue a refunding security in the preceding fiscal year to avoid a potential default on an outstanding security.

(4) If a municipality is notified within 30 business days of the filing of the qualifying statement that it does not comply with 1 or more of the requirements of subsection (3), the municipality may correct the noncompliant requirements and request a reconsideration of the determination from the department as provided in subsection (5).

(5) A municipality may request a reconsideration of the determination from the department. That request shall indicate the requirements that the department determined the municipality to be not in compliance with and the action taken by the municipality to correct the noncompliance. Within 30 business days of the receipt of the request for reconsideration, the department shall determine if the municipality complies with the requirements of subsection (3) or, if the department fails to notify the municipality of its determination under this subsection within 30 business days of receipt of the request for reconsideration, the municipality will be granted qualified status.

(6) If a municipality is notified within 30 business days after filing a request for reconsideration that it does not comply with the requirements of subsection (3), the municipality shall not issue municipal securities under this act without the prior written approval of the department to issue a municipal security as provided in subsections (7) and (8).

(7) If a municipality has not been granted qualified status, the municipality must obtain, for each municipal security, the prior written approval of the department to issue a municipal security. To request prior written approval to issue a municipal security, the municipality shall submit an application and supporting documentation to the department on a form and in a manner prescribed by the department, which shall be certified by the chief administrative officer. A filing fee equal to 0.03% of the principal amount of the municipal security to be issued, but not less than \$800.00 and not greater than \$2,000.00 as determined by the department, shall accompany each application. If the qualifying statement required by subsection (2) was received by the department more than 6 months after the end of the municipality's fiscal year, a late fee of \$100.00 shall accompany the first application filed after that date. Within 30 business days of receiving an application, the fee, and supporting documentation from a municipality, the department shall make a determination whether the municipality has met all of the following requirements:

(a) Has indicated the authority to issue the municipal security requested.

(b) Is projected to be able to repay the municipal security when due.

(c) Has filed information with the department indicating compliance with the requirements of subsection (3) or adequately addressed any noncompliance with subsection (3) as determined by the department.

(d) If required by the department, has obtained an investment grade rating for the municipal security or has purchased insurance for payment of the principal and interest on the municipal security to the holders of the municipal security, or has otherwise enhanced the creditworthiness of the municipal security.

(8) If the department determines that the requirements in subsection (7) have been met, the department shall approve the issuance of the proposed municipal security. If the department determines that the requirements in subsection (7) have not been met, the department shall issue a notice of deficiency to the municipality that prevents the issuance of the proposed municipal security. The notice of deficiency shall state the specific deficiencies and problems with the proposed issuance. After the deficiencies and problems have been addressed as determined by the department, the department shall approve the issuance of the proposed municipal security.

(9) A determination by the department that a municipality has been granted qualified status constitutes an order granting exception from prior approval under former 1943 PA 202, of that municipality's securities.

Enacting section 1. This amendatory act does not take effect unless House Bill No. 4214 of the 96th Legislature is enacted into law.

This act is ordered to take immediate effect.
