The People of the State of Michigan enact:

Sec. 1147. (1) A child who is a resident of a school district that does not provide kindergarten and who is at least 5 years of age on the first day of enrollment of the school year may attend school in the school district.

(2) In a school district that provides kindergarten, until the 2013-2014 school year, a child who is a resident of the school district may enroll in the kindergarten if the child is at least 5 years of age on December 1 of the school year of enrollment. Subject to subsection (3), for the 2013-2014 school year, a child who resides in the school district may enroll in kindergarten if the child is at least 5 years of age on November 1, 2013. Subject to subsection (3), for the 2014-2015 school year, a child who resides in the school district may enroll in kindergarten if the child is at least 5 years of age on October 1, 2014. Subject to subsection (3), beginning with the 2015-2016 school year, a child who resides in the school district may enroll in kindergarten if the child is at least 5 years of age on September 1 of the school year of enrollment.

(3) If a child residing in the school district is not 5 years of age on the enrollment eligibility date specified in subsection (2), but will be 5 years of age not later than December 1 of a school year, the parent or legal guardian of that child may enroll the child in kindergarten for that school year if the parent or legal guardian notifies the school district in writing not later than June 1 before the beginning of the school year that he or she intends to enroll the child in kindergarten. If a child described in this subsection becomes a resident of the school district after June 1, the child's parent or legal guardian may enroll the child in kindergarten for that school year if the parent or legal guardian submits this written notification to the school district not later than August 1 before the beginning of that school year. A school district that receives this written notification may make a recommendation to the parent or legal guardian of a child described in this subsection that the child is not ready to enroll in kindergarten due to the child's age or other factors. However, regardless of this recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in kindergarten under this subsection.

(4) The ages prescribed in this section for a child's eligibility for enrollment in a school district also apply to a child's eligibility to enroll in a public school academy.

(5) If a school district or public school academy enrolls any children in kindergarten for a school year under subsection (3), the school district or public school academy shall notify the department of the number of those children enrolled by not later than December 31 of that school year.

Enacting section 1. This amendatory act does not take effect unless Senate Bill No. 316 or House Bill No. 4514 of the 96th Legislature is enacted into law.

This act is ordered to take immediate effect.
