The People of the State of Michigan enact:

Sec. 408. (1) Beginning January 1, 2008, a CMRS supplier or reseller shall, until July 1, 2008, for each CMRS connection that has a billing address in this state, continue to collect the service charge that the CMRS supplier or reseller was authorized to collect by this section prior to December 21, 2007. Except as otherwise provided under this act, starting July 1, 2008, a service supplier shall bill and collect a state 9-1-1 service charge per month as determined under section 401a. The service supplier shall list the state 9-1-1 service charge authorized under this act as a separate line item on each bill. The service charge shall be listed on the bill as the "state 9-1-1 charge".

(2) Each service supplier may retain 2% of the state 9-1-1 charge collected under this act to cover the supplier's costs for billing and collection.

(3) Except as otherwise provided under subsection (2), the money collected as the state 9-1-1 charge under subsection (1) shall be deposited in the emergency 9-1-1 fund created in section 407 no later than 30 days after the end of the quarter in which the state 9-1-1 charge was collected.

Forty percent of the 82.5% shall be distributed quarterly on an equal basis to each county, and 60% of the 82.5% shall be distributed quarterly based on a population per capita basis. Money received by a county under this subdivision shall only be used for 9-1-1 services as allowed under this act. Money expended under this subdivision for a purpose considered unnecessary or unreasonable by the committee or the auditor general shall be repaid to the fund.

(b) 7.75% shall be available to reimburse local exchange providers for the costs related to wireless emergency service. Any cost reimbursement allowed under this subdivision shall not include a cost that is not related to wireless emergency service. A local exchange provider may submit an invoice to the commission for reimbursement from the emergency 9-1-1 fund for allowed costs. Within 45 days after the date an invoice is submitted to the commission, the commission shall approve, either in whole or in part, or deny the invoice.

(c) 6.0% shall be available to PSAPs for training personnel assigned to 9-1-1 centers. A written request for money from the fund shall be made by a public safety agency or county to the committee. The committee shall semiannually authorize distribution of money from the fund to eligible public safety agencies or counties. A public safety agency or county that receives money under this subdivision shall create, maintain, and make available to the committee upon request a detailed record of expenditures relating to the preparation, administration, and carrying out of activities of

its 9-1-1 training program. Money expended by an eligible public safety agency or county for a purpose considered unnecessary or unreasonable by the committee or the auditor general shall be repaid to the fund. The commission shall consult with and consider the recommendations of the committee in the promulgation of rules under section 413 establishing training standards for 9-1-1 system personnel. Money shall be disbursed on a biannual basis to an eligible public safety agency or county for training of PSAP personnel through courses certified by the committee only for either of the following purposes:
