On and after the effective date of the amendatory act that added this language, for investment expenditures made by a taxpayer for all qualified film and digital media infrastructure projects in this state, an agreement under this section may provide for the taxpayer to claim a tax credit of up to 25% of the taxpayer's base investment as determined by the Michigan film office, with the concurrence of the state treasurer. The credit under this section shall be reduced by any credit claimed by the taxpayer under section 437 for the same base investment. No more than \$20,000,000.00 in total credits under this section shall be authorized in a tax year. If all or a portion of a qualified film and digital media infrastructure project is a facility that may be used for purposes unrelated to production or postproduction activities, then the project is eligible for the credit only if the department determines that the facility will support and be necessary to secure production or postproduction activity for the production and postproduction facility and the taxpayer agrees to both of the following:

(a) The facility will be used as a state of the art production or postproduction facility or as support and component of the facility for the useful life of the facility.

(h) A requirement that the taxpayer provide the office with the information and independent certification the office and the department deem necessary to verify investment expenditures and eligibility for the credit under this section.

(i) A requirement that if the cost of tangible assets described in subsection (11)(a) was paid or accrued in a tax year beginning after December 31, 2007, the taxpayer shall repay an amount equal to 25% of the gross proceeds or benefit derived from the sale or other disposition of the tangible assets minus the gain, multiplied by the apportionment factor for the taxable year as prescribed in chapter 3, and plus the loss, multiplied by the apportionment factor for the taxable year as prescribed in chapter 3 from the sale or other disposition reflected in federal taxable income and minus the gain from the sale or other disposition added to the business income tax base in section 201.

(5) If the Michigan film office determines that a taxpayer has complied with the terms of an agreement entered into under this section, the office shall issue an investment expenditure certificate to the taxpayer. The taxpayer shall submit a request to the office for an investment expenditure certificate on a form prescribed by the office, along with any information or independent certification the office or the department deems necessary. The office shall process each request within 60 days after the request is complete. However, the office may request additional information or independent certification before issuing an investment expenditure certificate and need not issue the investment expenditure certificate until satisfied that investment expenditures and eligibility are adequately established. The additional information requested may include a report of expenditures audited and certified by an independent certified public accountant. Each investment expenditure certificate shall be signed by the Michigan film commissioner and shall include the following information:

(7) To claim a credit under this section, a taxpayer shall submit an investment expenditure certificate issued under subsection (5) to the department. If the credit allowed under this section exceeds the amount of taxes owed by the taxpayer under this act for a tax year, that portion of the credit that exceeds the tax liability of the taxpayer for the tax year shall not be refunded but may be carried forward to offset tax liability under this act in subsequent tax years for a period not to exceed 10 tax years or until used up, whichever occurs first.

(8) The credit under this section shall be claimed after all other credits under this act. A taxpayer eligible to claim a credit under this section may assign all or a portion of a credit under this section to any assignee. An assignee may subsequently assign a credit or any portion of a credit assigned under this subsection to 1 or more assignees. A taxpayer may claim a portion of a credit and assign the remaining credit amount. A credit assignment under this subsection is irrevocable. The credit assignment under this subsection shall be made on a form prescribed by the department.
